REMARKS:

Numbers shown on the previous week columns are losses of personnel between 0000 hours 22 June 51 to 2400 hours 28 June 51. In the resignees' column for the Kanoya camp in the personnel loss list between 0000 hr. 14 June 51 and 2400 hr. 28 June 51, one TB patient was counted as resignee as his 8-month home convalescence period had expired. However, his resignation was later deleted in accordance with NPR Regulation 100-4; and therefore, his loss is not included in this grand total.
