Project Management Tools

In the Wikimedia Context

Agenda

- Introduction (10 minutes)
- Discussion (20 minutes)
- Short talks (30 minutes)
- Conclusion (15 minutes)

Share **your goals** for this session.

What is

project management?

What does the **project management cycle** look like

in a Wikimedia context?

What are some of the special **challenges** for project management

in s Wikimedia context?

What tools are you already using in your own contexts?

What new tools are you interested in learning more about? Who will you ask?

Identify one new thing you learned or one idea you are interested in exploring.

Session Evaluation

1. What did you like best about this session?

2. What would you suggest for improving next time?

3. One action step you plan to pursue to develop as a leader in the next 30 days.
