This process that we are gaining strength."

The Joint Committee to whom was referred the Treasurer's account and the documents

accompanying it beg leave to report: That they have carefully examined the accounts of the That they have carefully examined the accounts of the State Treasurer, with the vouchers, in support thereof, and find the same to correspond in all respects, and the payments to be in conformity with law: And that the halance in the Treasury on the thirty-first day of December, A. D. 1824, corresponds with the balance reported: They have also examined the receipts and expenditures of the Board of Public Works, and find the account correct, exhibiting an unexpended balance of the 31st of December last, of (\$13,602 87) thirties thousand six hundred and ninety-two dollars and eighty seven conta. The committee have examined the out studing accounts on the books of the Treasury—some of them go as far back as 1893, and the committee are entiefied that a part of those debts, are wholly lost to the state, and fully concur in the propriety of closing the accounts for those items referred to in the report, and recommend the adoption of a resolution to that effect. The committee also concur with the treasurer in the opinion that it is not an object worth the attention of tue state to accept of any apportionment of the stock of the Louisiana State Bank, at the advance of twelve pe

it.
The committee also highly approve of the suggestion The committee also nightly approve of the suggestion of the rate of a part of the state-house square as a means of providing for the deficiency which will exist in the sinking fund to pay off the near series of bonds issaid in favor of the Bank of Louisiana, and that the

proceeds should be paid to the commissioners of the sinking fund of that institution for that purpose.

The committee also concurring the propriety of determining some mode of discharging the bonds of the state after making a record thereof, and report a bill for that

fine other objects mentioned in the report have already been acted on by bills specially introduced for that purpose, which meet the approachon of the committee. In relation to the recovery from the Bank of Louisians a the controversy has been long pending some history of its offin and progress may be necessary, as a reaso for the resolution which the committee salant for the adoption of the legislated. In 1824, the Bank of Lonisians was incorporated with a capital of roth minimum act supplementary to an act to support the privilege of the suffrage in elections, and to prohibit capital was to be guident from the bank of the state. The subscription of the state was to be paid in its bonds remaining contested elections, and to prohibit all undue influence thereon, and to prescribe to the state was to be paid in its bonds remaining contested elections and liability in the premises. decinable in ten, fifteen, twenty, and twenty-five years.

These bonds were taken by the Bank at the rate of one hundred dollars in bonds for eighty-three dollars and a for the first time. t and of subscription, so that for two millions amount of shares the state was to furnish two millions four hundred thousand dollers of bonds. These bonds were negotia-te for the 234 day of October, 1824, at the rate of nineto for the 23d day of October, 1804, it the rate of mine-t wight per cent. producing a profit of three hundred twenty-one thousand, eight hundred twenty-two dollars read for the first time. twenty-one thorsand, eight fidured twenty-two donars and thirty-three cents. (§21,821,23.) This controversy between the state and the bunk stone out of the time when, and the proportions in which those profits were to be divided. It all the 20,000 shares assigned for individual subscription has been subscribed tor, and paid up, such individues we all make 5000 earlied to particle.

equally with the state. (the stockholder of the other parish and district wherein they are pending, are Synolly with the state, (the stockholder of the other parish and district where Divisions) who had paid in full. But at the time this profit was realized, there were only six thousand five hundred and forty-two shares taken by individuals, on which was paid \$13,840; and according to all rules of equity, the profits ought to be divided according to the smoont paid in by the stockholders; as in fact the other profits were divided. This ratio would give the state for the honds, viz: the proportion of two millions to Thompson, of the parish and district where the incompetent. Mr. Hos gave notice the introduce a bill entitled "An act to incorporate formed. The profit made by the sale of the honds, viz: the proportion of two millions to Thompson, of the parish and district where the profit in the parish and district where the profit is the profit in the prof the hands, viz: the proportion of two millions to

N 38,34 P. The sense reption of the since seing realized by the bonds: The Legislature convinced that this was the point of view in which the matter dught to be considered, in April, 1823, passed a resolution requiring the administrators of the sinking fund, to demand from the Bank, to be paid into the sinking fund the portion of the state in the profits made on the sale of the bonds,

decided, in pursuance of a condition attached to the sale ble indefinite; of the bonds, what the profits made on the sale of the bonds to the amount of four hundred thousand dollars, should not be divided until one-sixth of the bonds should be discharged, and leave the \$2,900,000, the stock of cond and third sections of an act for the relief of the state in the bank, equal to the amount of the bonds remaining unpaid," § N. S. page 3.8, and the suit was cisanssed. The claims of the state was thus possponed Reports of Conduction of the norther actioning in the matter was saspended until should not be divided until one-sixth of the bonds should antil the period when she would be called upon to pay

the aret series of bonds. the arst series of bonds.

To do away with this ground of delay, in March 1827,

a resultation was passed inviting the bond holders to rereive payment of their bonds, but without affect. In mosition was made by the agent of the kond holders who was a director of the bank, to postpone the payment of the bonds, which was rejected by the Legislature. In 1833 different propositions were made to the fidelyn? Passed, the Logislature by the Bank. One to purchase the interest of the bank, viz. its 23,000 shares, and the sinking in the question of Natal fund, for the sum of \$590,000, the Bank assuming to pay the bands of the State. In consideration of this sum the bank was to be allowed to withdraw its branches, postpone the payment of the bonds, and to increase its capi-tal two millions at its pleasure. Another proposition was made to postpone the payment of the first series of bonds for twenty years, the withdrawal of the branches, Roman Catholic Church of the parish of Saint an increase of the capital, &c. The joint committee to Church, county of German Court. Postponed whom these propositions were referred, applied to the treating in all to-morrow.

surer of the State for information, and his opinion thereon. This officer in a detailed statement, dated 18th Feb. 1833, made it clearly appear,
1st. That the State would be perfectly able to meet the payment of its first series of bonds, and the subsequent 21. That it was important for the stability of the credit

of the State, that sac should not postpone the payment of the tirst series of bonds, and that her punctuality on this occasion would greatly fightate the degotiation of any loans sile might in fature nave occasion for. 3d. That according to the statements furnished by the bank itself, and only crediting the state with one half of

the profits upon the sale of the bonds, the interest of the State in that installation was worth 303 5041 07-that allowing the State her actual rights, viz: 14-15ths of the profis, her interest am annual to 576 1,742 23, and that calculating on the basis that the bank would continue to the first of the interest of the State in the bank, after the value of the interest of the State in the bank, after the value of the interest of the State in the bank, after the value of the interest of the State in the bank, after the value of the interest of the State in the bank, after the value of the interest of the interest of the State in the bank, after the value of the interest of the state in the bank, after the value of the state payment of the bonds, was one million forty eight thousand six hundred and twenty-two dollars.

It is not to be supposed that the Legislature with such

Hr. Clay's "revolutive was raging last water, a to mean it the boarding of their journals are any to mean it the boarding of their journals are any ty, never step, of on the race of the earth, than the ty. The authors of these propositions was to prevent the assection and parsait on the boards.

car, and stated, what in his opinion were the resources to meet this engagement.
The Directors of the Bank of Louisiana took this message

under their consideration and passed several very extra-ordinary resolutions; copies of them were ordered to be sent to the Governor and Legislature; they contained authority conferred by its legislature.
Notwithstanding these threats a law was passed in

Notwithstanding these threats a law was passed in Rivière. Right 1934, requiring the Attorney General to assert the claims of the State by suit, the result of which was that the Bank of Louisiant was condemned to apply the sum of \$300,901 as the share of the State, in the profits on the bonds, to the payment of the first series of those bonds, on the 1st day of July, 1834. This sum added to \$330,000, at the credit of the commissioners of the sinking that a war, then sufficient to use off the first series of the sinking that was more than sufficient to use off the first series of the sinking that the sum of the first series of the sum of the sum of the first series of the sum of the fund, was more than sufficient to pay off the first series of bonds of the State due at that time.

As the directors of the bank have made the view

taken of the rights of the State by its officers, the topic of severe animadversion, it is proper now, that the matter has received final adjudication, for the Legislature of the State to determine whether its officers have transcended their duty in the zeal and perseverance with which they have maintained her rights. The view of the rights of

Isaac A. Smith, senator from Feliciana, and by t . Rusal. strange that those who were ready to fight for the Bank | treasurer in 1323.
