VICTORIA, B. C., TUESDAY, JUNE 9, 1914

NO. 134

## MINORITY REPORT ON UNION IS PRESENTED

Want the Matter Indefinitely Shelved; Supported by Eighty-Two

## FAITH, HOPE, CHARITY NEEDED, SAYS DR. HILL

Position Seems to Be Similar to That at Conference Held Last Year

## TWENTY-SEVEN MINISTERS APPLYING FOR ADMISSION

Woodstock, Ont., June 9.—Dr. Ephraim Scott, of Montreal, and Rev. W. G. Brown, of Red Deer, Alberta, presented the minority report on church union to the assembly to-day. This report asks that the question be shelved for an indefinite period. Late in the afternoon Sir Thomas Taylor, of Hamilton, presented an overture signed by 82 commissioners, making a request similar to that of the minority of the union committee.

Dr. Hill, of Montreal, spoke for considerably over an hour, concluding with these words, "and now remaineth hope, faith and charity. Have hope for union, have faith in union, but have charity for these brethren who cannot as yet see eye to eye with you, and wait for that time when they can go forward with you into a great united church."

In spite of the extreme heat the attendance was very large. The galleries as well as the body of the church being well filled. There is no apparent change in the assembly from last year in the proportion of those who favor union to those who are opposed to it. The only difference this year consists in the fact that opponents of union are organized.

It is not considered likely that a vote can be taken to-day. At the opening this morning a number of items of general business received attention. A Crossin, of Winnipeg, was placed as a member of the executive of the laymen's missionary movement in place of Sir William Whyte.

It was announced that in future years where travelling expenses are paid by the church, delegates must arrive at the place of meeting not later than Friday and that they must not leave earlier than the following Wednesday.

## FIFTY THOUSAND FOR SUFFERERS BY WRECK

Ottawa, June 9.—The government has decided to vote \$50,000 for the sufferers from the Empress of Ireland wreck. Additional supplementary estimates to cover this amount were laid on the table of the house this morning by Hon. W. T. White, finance minister. There was also an additional amount asked for of \$10,000 to carry on the inquiry into the Empress of Ireland disaster.

## WILSON WANTED BRITAIN AS ALLY, SAYS SENATOR

Washington, June 9.—In a speech against the repeal of the tolls exemption bill, Senator Smith to-day insisted that the tolls repeal was urged by President Wilson to make an ally of Britain in the Mexican situation.

## ASQUITH DECLINES TO DISCUSS HOME RULE

London, June 9.—Directly the House of Commons opened to-day Premier Asquith was asked by Lord Robert Cecil, Unionist member for Hitchin, concerning the future proceedings of Home Rule. The prime minister, however, would furnish no information, saying it was impossible at present to make any statements.

## DENMARK SUFFRAGE BILL IS BLOCKED BY CONSERVATIVE PARTY

Copenhagen, June 9.—Enactment of woman suffrage in Denmark and abolition of all property qualifications for electors of members of the upper house is proposed by a constitutional amendment bill which passed the lower house of the Danish parliament to-day. The bill takes away from the crown its present right to nominate twelve members out of the sixty-six composing the upper house and withdraws the special privileges by which the remaining fifty-four members of the legislature are elected.

When the bill was sent to the upper house to-day, the Conservatives acted in accordance with their decision of June 3, and absented themselves from the house. The coalition of Socialists, Radicals and Moderates in favor of the bill was not sufficient to carry the measure, as no vote of the upper house is considered valid unless more than half the sixty-six members participate.

## BORROWING MILLIONS ON CAPITAL EXPENSE

First Plan of Transcontinental Grade Admitted to Have Been the Best

Ottawa, Ont., June 9.—In the House of Commons this morning Hon. W. T. White, replying to a question put by Hon. George P. Graham yesterday, made a statement in regard to the latest Dominion loan. He said it was for an issue of \$5,000,000, four per cent. debenture stock, maturing in 1960. The loan was underwritten on Friday last at 98, advertised on Saturday and the subscription list will be open until Wednesday. The minister said he was unable to give the house an idea as to the public response, but the financial success of the loan was assured when it was underwritten. The money to be raised would be used to defray capital expenditure.

"Will that include the construction of armories?" asked Mr. Lemieux.

"No; we do not borrow money to build armories," replied the minister. Referring to the press criticism of the loan, Mr. White said that this was but natural and was to be expected until such time as money conditions are better.

When the house went into supply on the supplementary estimates an additional sum of \$1,000,000 for the National Transcontinental railway was taken up. Replying to questions by opposition members, Hon. J. D. Reid, acting minister of railways, said that all the sags in the grade of the National Transcontinental railway about which complaint has been made are to be found between a point 200 miles east and 100 miles west of Cochrane. The contractors on the two hundred miles portion east of Cochrane. On the other stretch the corrections could either be made by contract or by the Grand Trunk Pacific after the road has been taken over. There were he said 32 sags in all.

## MOUNT LASSEN CRATER IS ONCE MORE ACTIVE

Estimates Are That Ten Thousand Tons of Ash Have Been Thrown Out

Redding, Cal., June 9.—Daylight brought proof to-day that the eruption yesterday of the new crater on Mount Lassen was the most violent that has occurred. The snowy summit of the peak was blackened to-day by the volcanic ashes poured forth overnight.

## KILLED BY TORNADO

St. Cloud, Minn., June 9.—Mrs. E. A. Carlson was killed, two others were seriously injured and considerable damage was done by a tornado which swept through the territory of Oak Park, Haywood county, last night.

## BUCKINGHAM PALACE GUARD STRENGTHENED

Elaborate Precautions to Prevent Interruption To-night at State Ball

## SPECIAL PAINS TAKEN TO KEEP OUT SUFFRAGETTES

Women's Political Headquarters Again Raided by London Police To-day

## "LET THEM DIE" IS NOW POPULAR PUBLIC SLOGAN

London, June 9.—Never before have such elaborate preparations been taken to preserve the inviolability of Buckingham palace as those in progress to prevent to-night's state ball from being marred by an intrusion of suffragettes. A large force of police will be on duty outside the place. One force will stand in close ranks four, another body of men will be on duty on the two quadrangles, and the forty-acre garden behind the palace will be similarly guarded.

Inside will be a number of private detectives as well as ushers, gentlemen at arms, yeomen of the guard and Life Guardsmen. No other persons, however well known, will be admitted without an invitation card, and this will be inspected at the carriage entrance, at the Doric porch, at the foot of the grand staircase and again at the summit.

Another raid was carried out by the police to-day on premises occupied by the Women's Social and Political union, the militant organization. A thorough search was made for documentary evidence of the activities of the secretary. After the closing of the offices in Kingsway early in May, the women established new headquarters in Westminister, and to-day the detectives succeeded in collecting there quantities of documents, books and letters. The descent of raiding policemen was unopposed, and this will be inspected among the occupants of the offices, who after being searched were ejected. No arrests were made.

"Let them die" is becoming a popular slogan in connection with the "hunger" suffragettes, since the public has become so profoundly resentful of the actions of a number of prominent people, including clergymen, on the subject, and all of the latter who are quoted by the newspaper express themselves in favor of the proposal.

Not Ethically Wrong. Father Bernard Vaughan, brother of the late Cardinal Vaughan, replied: "There would be nothing ethically wrong in letting them die. Let them start at once and make up for lost time."

Rev. Arthur Waldron, vicar of St. Matthew's, Brixton, said: "If the women refuse food, they should be allowed to die."

## AMERICAN CUTTER GOES TO RESCUE KARLUK MEN

Washington, June 9.—The American revenue cutter Bear has been ordered to proceed from St. Michael, Alaska, to Wrangell Island, for the purpose of rescuing fifteen members of the crew of the Canadian steamer Karluk, who are marooned on that island. Capt. Bartlett, of the Karluk, is at St. Michael, and will accompany the Bear on its rescue expedition.

## BOILERMAKERS HOLDING ELEVENTH CONVENTION

San Francisco, June 9.—One hundred and twenty-five delegates from various parts of the country are attending the eleventh Biennial convention of the International Brotherhood of Boilermakers, Iron Shipbuilders and Helpers, which opened here yesterday. Business sessions were begun to-day. The convention will continue a week.

## RIBOT NAMES MEN TO SERVE FRANCE IN NEW MINISTRY

Paris, June 9.—Senator Alexandre Felix Ribot announced to-day he had succeeded in forming a new French cabinet to succeed that of Premier Gaston Doumergue.

Five of M. Ribot's colleagues are senators and seven are deputies. The list as given by M. Ribot follows: Premier and minister of justice—Senator Alexandre Felix Ribot. Foreign affairs—Senator Leon Bourgeois. Finance—Deputy Etienne Clemente. War—Deputy Theophile Delcasse. Interior—Senator Paul Peytral. Public instruction—Deputy Arthur Dessoy.

## COLORADO RIVER HIGHER THAN FOR MANY YEARS

Santa Fe Road Gathers 750 Men to Prevent Damage to Lives From Flood.

San Bernardino, Cal., June 9.—The Colorado river, higher than for many years, is again rushing through new channels flooding lowlands and threatening vast damage on both the California and Arizona sides, according to dispatches from towns on the desert. The Santa Fe railroad has gathered 750 men to prevent damage to its line. Needles, a desert town, the destruction of which was threatened two years ago, again is in danger, but it is believed that protective work done along the river's bank at that time will prevent serious damage. Thousands of acres of land above Needles, on the Arizona side, already have been flooded.

## STRIKE MOVEMENT IN ITALY IS INCREASING

Many Cities Affected With Disorder in Rome Where Cavalry Charges Are Necessary.

Rome, June 9.—Partial success has attended the general strike proclaimed yesterday as a protest against the government's oppression of workmen's demonstration at Ancona on Sunday when several men were killed. The movement has extended to Bologna, Venice, Florence, Genoa, Milan, Turin, Bergamo, Brest and numerous other cities of Italy.

## WOMAN RUNS BLEEDING TO STREET FROM HOTEL

Tragedy in New York Brings Death to Man and Injury to Mrs. Florence Boden.

New York, June 9.—A woman who said she was Mrs. Florence Boden, of Allentown, Pa., was mistaken by hotel attendants as she ran out of her hotel early to-day bleeding from several wounds about the head. The attendants, rushing back to her room found a man dying from a bullet wound in his mouth. The man, Mrs. Boden said, was Vincent D. Steffens of this city. He shot himself, she said, after beating her with the butt of a revolver.

## QUARREL OVER BABY AND \$5,000 HAS FATAL END

Los Angeles, June 9.—With the three-year-old baby girl, found in the lifeless arms of her husband after he was shot through the heart, Mrs. Kate Schwartz, aged 22, rested in the city jail to-day, facing a charge of murder, while she stoutly maintained that her husband, a special policeman, had killed himself.

## FORTY-SIX MILLIONS IN GOLD SENT TO PARIS

New York, June 9.—Five million five hundred dollars in gold was engaged here to-day for shipment to Paris. The continued outflow from this port to Europe has excited considerable comment in banking circles. In the present movement which began about a month ago, \$30,000,000 has been exported. Earlier in the year \$16,000,000 went.

## TWO DIE FROM HEAT

Chicago, June 9.—Two more deaths attributed to the heat were reported to-day by the police while the mercury mounted to ninety-four degrees early in the afternoon, a record for the year.

## PEACE PLANS NEAR COMPLETION NO WAR INDEMNITY ASKED FROM MEXICO FOR VERA CRUZ LOSSES

Terms of Settlement Contained in Few Words Provide for Stable Government for All Mexico and Consideration of Constitutional Party's Cause

Niagara Falls, Ont., June 9.—Mexico will not be asked by the United States to pay war indemnity. The Huerta government has learned through the American delegates that the Wilson government will be content to have set up in Mexico a stable government to succeed the Huerta rule.

An intimation that the United States would not demand reparation for the losses sustained at Vera Cruz or expect to be recouped for the enormous expenditure already made in an attempt to pacify Mexico was given to the Mexican delegates soon after the conferences opened to-day. This made it easy for the opposing delegates to meet harmoniously. It was responsible largely for the ease with which a general understanding was reached between them and it lent consistency to the American demand that consideration be given to the constitutionalists' cause.

It is said the entire peace plan is contained in less than 300 words. It sets forth suggestions for the conduct of a fair election and recommends that recognition be accorded the new provisional government provided it is set up along the lines agreed upon.

## MAZATLAN GARRISON BEING STARVED OUT

Non-Combatants Allowed to Enter Constitutionalists' Ranks to Receive Food

On Board U. S. S. California, Mazatlan, June 8.—Wordless to San Diego, June 9.—Moved by the plea of 200 starving women who besought him to end the sufferings of the populace by surrendering the city, the military governor of Mazatlan issued an order to-day permitting all non-combatants who desired to vacate their dwellings and enter the lines of the constitutionalist army which has been besieging the most important port of the Mexican west coast for months.

As the city of Mazatlan has been for some weeks in desperate straits for food, and as its sympathies for the first have been as strongly constitutionalist as occupation by a federal garrison would allow, there appears a little question that the governor's permission will be seized by a majority of poorer classes.

The constitutionalists, in return for the rations they will supply to the refugees, will expect to recruit as many of them as they desire, and have arms for. Oregon's army far outnumbered the federal forces, but the sea girt and precipitous situation of Mazatlan and the superior artillery of the garrison has prevented him from attempting a costly assault.

The cruiser South Dakota arrived here to-day with 900 marines. New York, June 9.—The Ward liner Antilla, laden with a cargo of ammunition for the Mexican constitutionalists, will land and discharge her cargo to-morrow without interference, according to the opinion expressed to-day by A. G. Smith, vice-president and general manager of the Ward line company. Mr. Smith's statement is in flat contradiction of Washington dispatches and other reports that the Washington administration had prevailed upon the line's officers to stop voluntarily the discharge of the ammunition.

Mr. Smith said he had received no instructions from Washington and that there had been no attempt to influence him in regard to the landing of the Antilla. San Diego, Cal., June 9.—All of the field artillery of the Mexican garrison of the northern district of Lower California is piled on the beach at Ensenada awaiting shipment to Mexico City, according to reports brought to San Diego to-day by passengers on the steamer Victoria. It is stated two or three machine guns have been retained by General Vasquez, the civil and military commander of the northern district. The order to ship the artillery came from Mexico City some time ago, it is said, but so far lack of means to carry out the order delayed the movement of the guns.

## CARRANZA ACCORDED AN OVATION AT SALTILLO

Salttillo, Mex., June 8.—via El Paso, June 9.—General Carranza was given a tremendous ovation upon his arrival here to-night. The constitutionalist commander was dined by General Pablo Zonzales, commander of the eastern military zone, who arrived before Carranza from Monterey, which he captured.

## MEXICAN DELEGATES GET LAST PROPOSAL

Method for Transferring the Power From Huerta by Elections Set Out

## FULL CONFERENCE WITH ALL PARTIES THIS WEEK

Constitutionalists Agree to Everything Proposed Except an Armistice

Niagara Falls, Ont., June 9.—The mediators to-day submitted to the Mexican delegates the counter proposals of the American government for the pacification of Mexico. The American plan is, with few modifications, the same as that which the mediators and Mexican delegates recently agreed upon and which General Huerta approved. It provides the method of transferring the executive power in Mexico City from the present regime to a new provisional government which shall in a few months conduct elections for president, vice-president and members of congress.

No names have been agreed upon between the "Mexican" or "American" delegates for the new provisional president or his cabinet. In fact, neither side has yet made its nominations. The programme of the proceedings is about as follows: Within a day or two the Mexican plan and the American plan will have been dovetailed in one and a full conference of all parties will be called.

Final approval is not expected immediately from either party, however, as the mediators then will ask the American delegates to begin to ascertain the attitude of the constitutionalists. This may proceed through the Washington government or in any number the delegates choose. The mediators will take a brief recess in the meantime.

Should there be any new suggestions from the constitutionalists the United States government will endeavor upon their original terms—declaration of an armistice and broadening of the discussion from international to internal questions. The constitutionalists are willing to meet the mediators on a satisfactory basis as to the latter point, but they are absolutely determined against declaring an armistice.

It was announced by the mediators last night that they would make public to-day their correspondence with the constitutionalists, but word was received to-day through the American delegates that General Carranza's answer to their last note already had been dispatched to Washington and would be forwarded by Rafael Zubaran. It was decided, therefore, to withhold publication for the present.

No answer from the constitutionalists which does not declare for an immediate armistice will permit them to enter the negotiations.

The mediators have taken a firm stand on this point. A factor in the constitutionalist view is that all the military chiefs and leaders over a year ago signed a pact known as the plan of Guadalupe, which provides specifically that the constitutionalists shall take possession of Mexico City by force of arms and establish a provisional presidency. To effect a change in that plan harmoniously, another conference of chiefs might be necessary, and this could not be held, the constitutionalists say, unless there is framed in advance a peace plan likely to be satisfactory to all. They think changes in the plan of Guadalupe could be made and the revolution settled by diplomatic means, but they are unwilling to run the risk of an armistice without having first discussed the peace proposals among themselves.

Everything that has been advanced by the American delegates in their proposals for peace has been contingent upon ultimate constitutional approval, so that there is confidence in many quarters that agreement with the constitutionalists will not be a difficult task, even if they do not join in the conference.

## THREE DIE FROM HEAT

Pittsburg, Pa., June 9.—Three deaths from the heat were reported here to-day when the thermometer at 10 o'clock registered eighty-eight, the record for forty years.

DAYLIGHT SAVING IS SUPPORTED IN EUROPE

Sixty Minutes Off One Spring Sunday Would Give One Hour Per Day Till Autumn

Paris, June 9.—An account of the campaign in England to save daylight, and the interest which other countries are taking in this subject, were presented in reports to the International Congress of Chambers of Commerce here yesterday.

William Willett, of London, reported a long list of organizations in England, which have passed resolutions in favor of the bill for daylight saving. "That so many as 154 hours of daylight are, to all intents and purposes, wasted every year is a defect in our civilization," he asserted.

Phoenix Beer, \$1.50 per doz. qts.

ROYAL COMMISSION ON UNEMPLOYMENT ASKED

Statement Asked in Commons Regarding New Canadian Loan Sought in London

Ottawa, June 9.—Mr. B. Devlin in the House of Commons yesterday read a circular sent to the government by the Montreal Trades and Labor council stating that there were thousands of unemployed suffering in Montreal, and asking for a royal commission to devise a way to cope with the situation.

Mr. Graham asked the premier to request the minister of finance, who was in the House, to make a statement in regard to the latest Canadian loan in London which he noted had been received coolly, according to despatches to the newspapers.

Phoenix Beer, \$1.50 per doz. qts.

TAFT SAYS SOCIALISM IMPRACTICAL DREAM

Finds No Substitute for Natural Attributes of the Race

New Harmony, Ind., June 9.—Reasons for the failure of experiments in Socialism were discussed yesterday by William H. Taft in an address at the centennial celebration of the foundation of New Harmony. This town probably is the most famous of places in the United States where the exponents of Socialistic and community ideas tried to prove the practical value of their theories.

"The most notable experiment at New Harmony," he said, "that of Robert Owen, failed, as all Socialism must fail, because it found no substitute for the motive essential to arouse and make constant human effort that is furnished by the institution of private property, and the shaping of rewards by competition and natural economic adjustment."

Wanted. One or two good Mortgages on improved inside or good residential property. A. S. BARTON. Real Estate and Financial Agent.

When the senate's amendments to the post office act were taken up Speaker Sproule objected on the score that the proceedings were irregular because the house proposed to re-adopt the amendments not agreed to instead of stating its objections to them.

The "Rappites" were classed by the speaker as the "Shakers," the "Soarites," the "Communions of Amara," the "Communions of Bethel," and "Aurora of the Oneida Community."

Investing Insurance Money. You have taken out insurance for the protection of your family. In that you have done well. But have you done enough? You are carrying, let us say, a \$25,000 life policy.

Hon. Robert Rogers took occasion to draw the attention of the house to the fact that the Grand Trunk Pacific railroad was in the process of appointing a board of conciliation to deal with the dispute between the company and its employees in the Transcona shops.

George entered palace says friend of family. Oakland, Cal., June 9.—It was not Harry Pike, but his brother George, a machinist's helper, who gained entrance to the royal apartments in Buckingham Palace, London, Sunday night, according to J. D. Oakley, superintendent of an Alameda county ranch and a friend of the Pike family.

Headaches almost drove her wild. "Newbury, Ont., May 29, 1913. "About four years ago I was in a dreadful run-down condition, weak and hardly able to walk up stairs.

129 PEMBERTON BUILDING

## THREE TO ONE FAVOR UNION FOR CHURCHES

### Principal MacKay Causes Surprise by Standing as Secorder of Report

Woodstock, June 9.—The general assembly entered fully upon the discussion of the question of church union yesterday. Considerable surprise was expressed when it was learned that the report of the union committee was to be seconded by Principal John MacKay, of Westminster College, Vancouver. Dr. MacKay in earlier years was the leader of the unionists opposed to union. What the union committee proposes to-day is that the committee should be reappointed by the assembly and during the next twelve months it should confer with similar committees in the Methodist and Congregational churches. It is also proposed that a new vote of the members of the Presbyterian church should be taken during the year for the assembly of 1915.

The report of the union committee was presented by Rev. Dr. W. J. Clark, of Montreal. Dr. Clark spoke for one hour in a judicial spirit, seeking by every possible means to maintain high relationship to the question. Principal MacKay spoke in the same vein.

Dr. D. D. McLeod set forth the views of those Presbyterians who are opposed to the proposed union. The only question of interest at the present time is the majority by which the report of the union committee will be carried. It is considered probable that the majority will be about 3 to 1.

The resignation of the Rev. Dr. A. S. Grant, general superintendent of home missions and chairman of the financial board, was referred to a special committee which will be named this afternoon by the moderator. Dr. Grant did not return to the assembly to-day, and it is considered improbable that he will return until his resignation is disposed of.

His future relation to the church rests wholly with himself. The severance of his connection will be greatly regretted but it is possible that he may not resume his work for the denomination.

Dr. Wilbur Chapman will be in Woodstock on Tuesday and will address the commissioners. Dr. Campbell White, general secretary of the laymen's missionary movement, will be present to-night and will deliver an address.

The debate on church union was conducted throughout the afternoon. The report of the minority of the union committee being represented by Dr. Scott. An overture from commissioners present in the assembly was also presented. The overture is signed by about eighty commissioners and contemplates that action on the union question be postponed. All those who signed are opposed to union and it embraces practically all those who are opposed. As there are 476 commissioners present it will be seen that about one in six have signed this document.

## SUSPECT JUMPS BACK AND PRESENTS REVOLVER

### Unarmed Deputy at North Bend Surprised by Activity of Suspected Burglar Who Escapes

North Bend, Wash., June 9.—A suspected burglar captured here yesterday effected his escape a few moments later when he produced a revolver and compelled his captor, Deputy Sheriff Willard and August Fym, in whose butcher shop he was taken, to stand face to the wall while he went down the street on the run and disappeared in the woods at the side of the road. A posse of half a dozen men was organized immediately and started in pursuit.

Deputy Sheriff Willard, who was unarmed, was searching the suspect, who answered a description of the deputy carried, when the latter jumped back and producing a revolver commanded Willard and Fym to stand against the wall.

## RAILWAYS TO BE MERGED.

Boston, June 9.—A plan for a merger of the Boston Elevated railway, the Bay State Street railway, the West End Street railway and the Boston, Revere Beach & Lynn railroad into a corporation to be known as the Commonwealth Electric Railway company was made public to-day.

## AN EASY WAY TO GET FAT AND BE STRONG

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "fish creams" or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat. Thanks to a remarkable new scientific discovery, it is now possible to combine into simple form the very elements needed by the digestive organs to help them convert food into energy and blood. This master-stroke of modern chemistry is called Sargol and has been termed the greatest of flesh-builders. Sargol aims through its re-generative, re-constructive elements to coax the stomach and intestines to liberally absorb up the fattening elements of your food and pass them into the blood, where they are carried to every starved, broken-down cell and tissue of your body. You can readily picture the result when this amazing transformation has taken place and you notice how your cheeks fill out, how about your neck, shoulders and bust disappear and you take on from 10 to 20 pounds of solid, healthy flesh. Sargol is absolutely harmless, inexpensive, efficient. D. E. Campbell and other leading druggists of Victoria and vicinity have it and will refund your money if you are not satisfied, as per the guarantee found in every package.

CAUTION.—While Sargol has given excellent results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken by those who do not wish to gain ten pounds or more.

## LIBERAL MANIFESTO ISSUED IN ONTARIO

### Candidates Nominated in Three Parties for Election in Eastern Province

Toronto, June 9.—A manifesto to the electors of the province by N. W. Rowell, leader of the Liberal party, was the chief feature of the Ontario election campaign yesterday. At a meeting in Fort William the leader of the opposition announced to the people of the province the planks of the platform which he seeks to have them endorse. After dealing briefly with workmen's compensation, the good roads movement, the hydro-electric radial proposals of the government, education and agriculture, Mr. Rowell more elaborately enunciated his policy to abolish the bar. In the course of his remarks on the temperance question the Liberal leader declared: "In nine-tenths of the municipalities of Ontario our policy means the complete abolition of the retail sale of liquor."

Nominations by Liberals in Ontario are:

Algoma, J. McArthur; Brant, North, Scott Davidson; Brant, South, J. W. Ham; Bruce, North, W. McDonald (K); Dundas, R. S. Muir; Durham, West, W. T. Smith; Elgin, West, N. S. Cornell; Essex, North, S. Ducharme; Fort William, W. F. Hogarth; Haldimand, Dr. J. Z. Gibson; Halton, W. E. Fisher; Hamilton, West, E. Davey; Huron Centre, W. Proudfoot; Huron, North, J. G. Anderson; Huron, South, E. ## FARMERS' BANK BILL STOPPED IN SENATE

### Non-Party Vote Holds Government Measure for at Least Six Months

Ottawa, June 9.—By a vote of 32 to 25, in which party lines were eliminated, the bill to reimburse the depositors of the defunct Farmers bank was given a six-months hoist by the senate last night. Eleven Conservatives voted for the six months hoist and eleven against it. Twenty-one Liberals voted in favor of the amendment and fourteen for the bill. Senator Bostock, Liberal leader, voted against the six-months hoist, moved by Senator Power, one of his own followers, and supported the government measure. Sir Mackenzie Bowell voted for the six-months hoist, while Senator Mason, president of the Home bank, voted to reimburse the depositors.

The vote was as follows: Conservatives voting for the six-months hoist: Senators Bolduc, MacKeen, Daniels, McKay, Ross (Middleton), Corby, Murphy, Larivier, Curry, Bowell, Montplaisir. The total was eleven. The Liberals voting for the six-months hoist were: Belue, Fiset, Legris, Thibodeau, Godbout, Kerr, Dandurand, Power, Thompson, Forget, Jafray, Tessier, Roche, Farrell, Desaulles, Choquette, Yeo, Beith, Gilmour, Cloran, Lavergne—total 21.

The Conservatives against it: Loughheed, Baird, Mason, Gordon, McLaren, Taylor, Pope, Smith, Donnelly, McCaul Desouchette. Total 11.

The Liberals against it: Mitchell, David, McHugh, Domville, Casgrain, Bostock, Derbyshire, Deveber, Young, Watson, Ross (Moosa Jaw), Ratz, Boyer and Talbot. Total 14.

The result of the vote means the adoption of the six months' hoist, killing the measure as far as this session is concerned.

The Naturalization bill was taken up in committee. Senator Bostock suggested that it might be found more convenient to retain the present Canadian law while enacting the imperial law at the same time. To enlarge the term of residence for citizenship, from three to five years would seem to create some difficulties.

Hon. Mr. Loughheed stated that Great Britain found five years' residence desirable as a preliminary to granting naturalization. It seemed even more desirable that Canada, which was a more primitive country, should compel immigrants to devote five years to acquiring familiarity with Canadian institutions and qualify themselves.

## You Can Quickly Free Your Skin From Hairs

(The Modern Beauty.) Here is a hair-removing treatment that is free from pain or danger and requires very little time. Make a paste with some powdered delatone and water, spread this on the hairy surface and in about two minutes rub it off, wash the skin and the hairs are gone. Excepting where the growth is unusually stubborn, you will find a single application sufficient to banish every hair. To guard against disappointment, it is best to get the delatone in an original package.

"Versatiles," including Billy Oswald, Stadacona park, 3 and 8 p. m.

## PORTLAND ROSE SHOW AND FESTIVAL OPENED

### Balloon Race Thursday, Floral Parade Tomorrow; City is Profusely Decorated With Flowers

Portland, Ore., June 9.—Portland's eighth annual Rose Festival was opened to-day. A river pageant and street parade were the first events on the programme. The thoroughfares through which Queen Thelma and her carnival retinue were to pass were profusely decorated with flowers and evergreens. The festival will continue for four days.

To-day's programme was crowded with a variety of events, chief of which was the opening of rose shows in two different parts of the city, where thousands of blossoms were on exhibition. The floral parade, in which a record number of competitors have entered, will take place in Brockville. On Thursday a national balloon race, under the auspices of the Aero club of America, will start.

## RESTAURANT KEEPER AT LYTTON IS FOUND DEAD

Chinese Cook Was Washing His Hands When Customers Went to Investigate.

Lytton, B. C., June 9.—Axel Johnson, a restaurant keeper in this city, was found Sunday afternoon on the floor of his kitchen with his throat cut. A Chinese cook named Lee Wah was calmly washing his hands.

The two customers went into Johnson's restaurant and order a large steak well done. The proprietor, Johnson, took their order and went to the kitchen. The two men waited for half

## KNIGHTS OF PYTHIAS KILLED AT GOLDFIELD

### Dr. A. E. Wheeler, Daniel Falvey, Cyrus Rice and Herman Krueger in Automobile Accident

Goldfield, Nev., June 9.—Four prominent Knights of Pythias, all of this city, were killed early to-day in an automobile accident, while returning from a meeting of the Goldfield lodge last night at Tonopah.

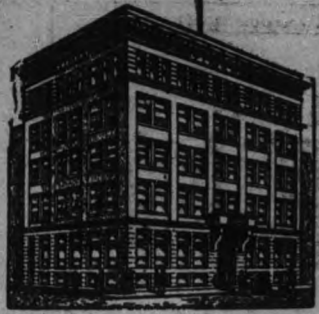

Dr. E. A. Wheeler, one of the best known physicians of Nevada, who was driving the car, turned out to avoid another machine mired in the middle of the road, skirted the edge of an embankment too closely and plunged over.

Dr. Wheeler and Daniel Falvey were pinned under the car and killed outright. Cyrus Rice and Herman Krueger died in a Goldfield hospital. One other passenger escaped with bruises.

## KILLED WHEN HORSE LEAPED INTO MOTOR

Dubuque, Ia., June 8.—Mrs. Archie Legg, of Oneida, Ia., was killed last night by a runaway horse, which leaped into an automobile in which she was riding. One of the horse's hoofs struck her on the head, crushing her skull.

A plan for purifying water by means of electric currents has been tried successfully in the Bruges canal in Belgium.

CAUSE OF HIGH COST OF LIVING.

The Colonist has very grave doubts as to whether any practical results will follow the investigations by a federal government commission into the high cost of living.

Whatever way you look at it, the commission is a joke, but the Colonist either cannot see or does not want to see the point of it.

THE OIL DELIRIUM.

We thought, and hoped, that the collapse of the real estate boom had put the quietus on wild, unreasoning speculation in Western Canada.

Even if there were a widespread discovery of oil, of which there is not, the loss due to reckless speculation in stocks would be enormous.

crucial instances in which frenzied speculators have mortgaged everything they possess in the hope of finding the oil itself is a side issue.

Last Thursday the Times published the report of an interview given to a Winnipeg Free Press reporter by R. W. Brock, Deputy Minister of Mines.

Mr. Brock says further: "No one should invest money in oil prospecting that he cannot afford to lose, and before investing he should assure himself that the company has capital enough to put down several wells with due allowance for possible difficulties met with in drilling."

Reckless speculation in anything is injurious to the solid advancement of the country. The inconsiderate real estate gambling of two or three years ago gave the whole of western Canada a severe setback.

EASTERN DREAMERS AND ORIENTAL IMMIGRANTS.

The Ottawa Citizen prints a leading article dealing with the case of the company of Hindus led by Gurdit Singh who are seeking entrance to British Columbia and with Oriental immigration in general.

We can assure the Citizen that we who have been brought into direct contact with the Hindus and have had opportunities of estimating their disposition, while not blind to their virtues, find that in the matter of character they are just about the average.

If the eastern parts of Canada were as attractive to Orientals as British Columbia the problem would be easier of solution.

brought here have made a fair offer in the matter of putting up securities that they ought to be allowed to land. The people of this province probably would raise no objection to such a proposition provided the whole of the three hundred and seventy-five were shipped to Ottawa or some other eastern city.

KILLED A BAD BILL.

The Senate did a very wise thing in throwing out the Farmers' Bank bill. This measure was devised to reimburse the depositors of a bank which failed four or five years ago.

This bill was not only dangerous but it was peculiarly so. It ensured the payment of a bribe offered to the electors of Ontario by the Minister of Labor and nine or ten members in the election of 1911.

But the Senate in throwing out the bill also killed the government's prospects of creating political capital out of a subterfuge. It unexpectedly eliminated party lines in the vote.

The fact that there was no rush for the areas advertised for pre-emption regarded by the morning paper as proof that there is nothing the government

"The Best Cook Stove Fuel I Ever Used." This is the verdict of everyone who has used our \$5.25 Washed Nut Coal

Why not join the throng of satisfied customers by using this Coal as your summer fuel!

KIRK & CO.

can do to put people on the land in this province and that the companies should be permitted to continue their exploitation. Yet in Alberta, home-owners are flocking to lands in the same latitude in which are the tracts thrown open by the British Columbia government.

Mr. John Oliver has a plain, blunt way, forceful and eloquent, when he speaks on public questions. At a Vancouver meeting recently he said: "The name of McBride will come to be a hissing word to the men of British Columbia for the reason that he has perverted the resources of this province."

Madame Clara Butt, the celebrated singer, who has just returned to England, is quoted by a newspaper as saying that Canada has not improved in an artistic sense in many years.

An English clergyman has resigned from a pastorate carrying a salary of three thousand dollars a year because in his opinion he was too comfortably situated for one whose duty was to preach the gospel.

Poor Captain Yamamoto! He is the most pathetic figure in the drama of the Komagata Maru. He is faced with the undesirable necessity of piloting back to the Orient a vessel loaded with a cargo of infuriated passengers.

New York Sun: Sir Henry Seton-Karr, who gave up his life belt to an acquaintance on the Empress of Ireland with the appeal, "Go on, man, take it, and I will get another," died like a gentleman and a sportsman.

THAT ULSTER "REVOLT."

As for any armed revolt more serious than local riots in Belfast and Londonderry these are serious practical difficulties. What is to be the date for the signing of the home rule bill by the king or of the exclusion bill, or perhaps the end of the six-year term? It is pretty vague.

DAVID SPENCER, LIMITED

Every Costume Formerly Priced from \$45 to \$75 Now on Sale at

\$29.75

WITHOUT an exception, we have reduced every High-grade Novelty Suit in our stock that was formerly priced from \$45.00 to \$75.00 down to the ridiculously low price of \$29.75—the very lowest price at which such suits are marked in a final clean-up at the end of our July Sale.

**Parade in Khaki.**—The Highlanders held their second battalion parade in uniform last evening at Central School grounds. The service uniforms of khaki were worn last night instead of the white shells as last time. Tomorrow evening the men parade in white again and by that time it is hoped that they will all have their rifles.

**Royal Oak Institute.**—The Royal Oak Women's Institute has been doing good work during the present year, and programme still to be run through before the advent of 1915 contains many interesting features. During the present month there will be a girls' day at the institute, when refreshments will be served by the girls, who will describe the manner of making the several things which are to be shown. On June 20 the flower show will be held, which will practically terminate the work of the summer. In September the meetings will be resumed, and "Music" and "Kindergarten Methods" will form the topic of that month's discussion. "Home Life of Women of Other Lands," the subject of discussion for October, should prove interesting, and in November Christmas gifts will be considered, the year concluding with a debate on "Canadian Arts and Crafts" at the December meeting.

## CONFIDENCE RESTORED.

Probably nothing tends to give a man greater faith in his ability to weather a financial storm than the knowledge that come what may his home, wife and children are provided for.

There is but one way in which this can be done with certainty, viz., through an institution like the Canada Life (established 1847), a home company. You can either leave your family a fixed amount to be paid at your death, or you can leave them a monthly or annual income to continue so long as they may live to draw it.

Let us show you how it is done.

**HEISTERMAN, FORMAN & CO.**  
1210 Broad Street.  
General Agents.

## CRACKS LONG WHIP

Salt Bush Bill Pleases Patrons at Pantages Theatre; the Programme.

Among the best acts on the bill which opened the week at Pantages theatre yesterday was the exhibition of whip-cracking given by "Salt Bush Bill," an Australian. Bill did many things with his whips, some of which were short and some long. The most surprising feat he performed was the cracking of a whip no less than sixty feet in length. Tricks such as the opening of an envelope and the flicking of the ashes on a cigarette held in the mouth of his companion seemed to present little difficulty to the sturdy performer, whose various feats elicited much applause from pleased audiences.

Some pretty tango dancing, not heretofore seen in this city, was offered with marked success by the Merry Masqueraders, with whom two comedians, joll-birds disguised as visiting notables, appeared, causing much laughter. The Masqueraders' act was tastefully staged and well put on.

Daisy Harcourt, an English comedienne, sang several songs and indulged in a patter of a humorous character, though her act was of an uneven quality. May Erwood and her companion played a sketch entitled "That Girl," which was unusual and mirth-provoking to a degree, her light-fingered propensities leading her into several odd situations.

The act of Davis, a teller of surgical tales, ought to be disinfected.

Large houses greeted all yesterday's performances.

Two Vendors Charged.—Two ice cream vendors in this city, F. Magliocco and P. Demas, were charged in police court this morning with selling ice cream which was deficient in milk fat, contrary to the provisions of the Adulteration act.

## WHAT TO GIVE THE JUNE BRIDE

The odor of orange blossoms blends with the fragrance of the June roses.

Wedding bells are ringing—and that very perplexing question comes up, "What shall we give the bride?"

Wise merchants have anticipated the wedding season. They have chosen many new and beautiful things for your selection. Many are quite inexpensive.

From day to day the advertising columns of The Times contain suggestions that will help you.

Only one of a hundred ways the advertising in The Times is working to make life easier for you.

## MEETINGS

**Central W. C. T. U.**—The regular meeting of the central union of the W. C. T. U. will be held Thursday at 3 p. m. at Y. W. C. A. rest room.

**Mission Band Bazaar.**—The children of First Presbyterian church purpose holding a mission bazaar on June 10 to aid the extension of missionary schemes. Mrs. Paterson is to be present at 3 p. m. to open the event. All will be welcome.

**Sale of Work.**—The ladies of St. Mary's guild will hold a sale of work and garden party in the Oak Bay hotel grounds on Thursday afternoon, June 11, at 3 o'clock. Plain and fancy goods will be offered for sale, and afternoon tea, strawberries and cream and ice cream will be served.

**Cymrodorion Picnic.**—The Victoria Cymrodorion society will hold its annual basket picnic on July 1 at Oak Bay park by kind permission of the Oak Bay municipality. There will be prizes for singing and recitations. The committee hopes to see every Welshman out on that day.

**Strawberry Supper and Sale.**—The Ladies' Aid society of the First Congregational church will hold its monthly business meeting to-morrow afternoon in the church parlors, at 3 o'clock, to complete arrangements for the strawberry supper and sale of work to be held on June 16. The Ladies' aid is working hard to keep up its good reputation, and Mrs. Young, wife of Hon. Dr. Young, has graciously consented to open the sale at 3 p. m. A first-class musical programme is being arranged for afternoon and evening, and booths containing plain and fancy work, flowers, home produce, candy and ice cream will offer attraction to the visitor. Afternoon tea will be served, and there will be supper at 6.30.

**Erskine S. S. Picnic.**—The annual picnic of Erskine Presbyterian church Sunday school will take place on July 1 at Gorge park. The teachers will take charge of the children and supervise their games while the ladies of the church will undertake the refreshment part of the programme. Mr. West is superintendent of the Sunday school, with him being associated Mr. Pearce, as secretary-treasurer, Miss Frew as organist, and seven teachers. The organization has grown rapidly with the church, which latter now possesses among its organization a ladies' aid society, a women's sewing circle, and girls' sewing circle. The concert recently given by St. Andrew's church netted over \$40 for the new church, which is part of the Church Extension association's work.

## CRACKS LONG WHIP

Salt Bush Bill Pleases Patrons at Pantages Theatre; the Programme.

Among the best acts on the bill which opened the week at Pantages theatre yesterday was the exhibition of whip-cracking given by "Salt Bush Bill," an Australian. Bill did many things with his whips, some of which were short and some long. The most surprising feat he performed was the cracking of a whip no less than sixty feet in length. Tricks such as the opening of an envelope and the flicking of the ashes on a cigarette held in the mouth of his companion seemed to present little difficulty to the sturdy performer, whose various feats elicited much applause from pleased audiences.

Some pretty tango dancing, not heretofore seen in this city, was offered with marked success by the Merry Masqueraders, with whom two comedians, joll-birds disguised as visiting notables, appeared, causing much laughter. The Masqueraders' act was tastefully staged and well put on.

Daisy Harcourt, an English comedienne, sang several songs and indulged in a patter of a humorous character, though her act was of an uneven quality. May Erwood and her companion played a sketch entitled "That Girl," which was unusual and mirth-provoking to a degree, her light-fingered propensities leading her into several odd situations.

The act of Davis, a teller of surgical tales, ought to be disinfected.

Large houses greeted all yesterday's performances.

Two Vendors Charged.—Two ice cream vendors in this city, F. Magliocco and P. Demas, were charged in police court this morning with selling ice cream which was deficient in milk fat, contrary to the provisions of the Adulteration act.

## CHANGED TOWNSITE.

Action Concerning Moving of Smithers Tried Here To-day in Supreme Court.

An action of considerable interest on account of the wide discussion of the location of the Grand Trunk town-site and divisional point, Smithers, came before Chief Justice Hunter for trial in supreme court this morning. Leon Bengolt, of Winnipeg, sued Gale and Williams for representing that a certain lot sold to him by the defendants was adjoining land purchased by the Grand Trunk for a town-site, to wit, Smithers. A sum of \$2,000 was involved.

The plaintiff obtained judgment for a reversal of the agreement.

Evidence by commission was given by the Grand Trunk land commissioner at Winnipeg, G. U. Rytty, that the town-site of Smithers was originally intended to be located on the site adjoining the lot in question in this action, but that the railway later changed its mind and located the town 12 miles distant. H. B. Robertson was acting for Benoit and A. D. Crease for the defendants. The defendant Williams is now Grand Trunk agent.

That dollar that you spend so often on cigars or cigarettes, those dimes to the number of ten that disappear nobody knows where, those dollars that are never missed—

**CAN BUY THIS PEERLESS COLUMBIA!**

A small portion of that cigar money down, and then ONLY ONE DOLLAR PER WEEK, and hey, presto! the COLUMBIA is yours!

If you never wanted a COLUMBIA before you will certainly want it this Summer. Nowadays lots of people wouldn't dream of going camping, yachting or boating without their COLUMBIA. They know it is their best chum on an outing. You never have to coax the COLUMBIA to sing or play for you. His sonorous, joyful tones are at your command, drawn from the throats of the world's greatest singers, or caught up from Sousa's band, the Dan-rosh orchestra, or Ysaye's violin. Those are right good companions to have on your trip. They are yours for a song. They await your bidding in our store any day you care to call.

CAPTAIN'S HEROIC ACT IS RECOGNIZED

Capt. Donald, of Prince George, to Receive Gold Watch for Saving 38 Lives

For his signal act of bravery last winter in rescuing 38 people, passengers and crew of the gasoline launch B.B. from destruction outside Vancouver, Capt. Donald, master of the G. T. P. steamer Prince George, is to receive recognition from the Dominion government. This morning a telegram was received from Ottawa announcing that the minister of marine and fisheries has awarded the hero a gold watch inscribed with a record of the achievement. Arrangements are to be made to have H. S. Clements, M. P., make the presentation to Capt. Donald at a public meeting to be held in Prince Rupert in the near future.

The deed performed by Capt. Donald is still fresh in the minds of British Columbians. Last winter when the terrific storms were sweeping this coast from Mexico to Alaska the gasoline launch B.B. became disabled outside Vancouver and, her engine being helpless, she was borne by a stiff N.W. gale towards Prospect Bluff. There were 38 people on board and the peril was imminent.

When all hope seemed gone the Prince George showed up off Point Atkinson and sighted the helpless craft. Despite the terrific sea and the close proximity of the launch to the rocks, Captain Donald barked his ship stern first alongside the craft and a towline was made fast. After straining a few minutes the hawser parted and the launch fell into the trough of the sea.

It required skillful handling of the Prince George to carry out the rescue. The George draws 16 feet of water, and when she picked up the B.B. she was not a great distance from the shore. The passengers one and all tendered their heartfelt thanks to their rescuer. It was decided to bring the matter before the notice of the Dominion government to see if some reward could not be made to the brave mariner who went to great risk to save life and property.

Capt. Donald is well-known on this coast. Before entering the employ of the G. T. P. S. S. Co. he commanded some of the steamers of the Union company. He has been in sail and has a lengthy career at sea. He is a Scotman and a first-class seaman.

GLENLOCHY REPORTS EXPECTED IN FRIDAY

Royal Mail Liner Was About 1,000 Miles at Sea Last Night; Other News

Nearly 1,000 miles out on the Pacific, the Royal Mail steamship Glenlochy was spoken by wireless last night, and it is expected that she will arrive here some time on Friday. At 8 o'clock when the Triangle Island station was working with the inbound vessel she was in latitude 50.38 N. and longitude 147.55 W., which figures out to be about 800 miles from this port, and it will take a vessel of the Glenlochy's class three days and one-half at her smartest to run down that distance.

The Glenlochy is coming in from the United Kingdom via the Suez Canal and Oriental ports. She has been nearly 90 days coming out, owing to the numerous stops she has made. The Glen steamship will come to Victoria after passing medical inspection at William Head, and will discharge several hundred tons of cargo here. She has heavy shipments for Vancouver, Seattle, Tacoma and Portland, including another consignment of gunnies for the sacking of part of the great volume of grain which will pour from this coast to the Orient and United Kingdom early in the fall.

This afternoon the Osaka Shosen Kaisha liner Canada Maru, Capt. Yamamoto, departed for the Far East with a fair list of passengers and every inch of space in her holds filled with general cargo, which she loaded on the Sound. While the Canada was berthed here a few Orientals embarked. At the present time passenger travel to the Orient is very light, owing to the fact that most of the Orientals on this coast are engaged to work in British Columbia towns for the summer.

To-morrow will see two big steamships put to sea. The Antioch, Capt. Flynn, of the Blue Funnel fleet, will get away about noon for Liverpool via the Far East, and in the evening the Canadian-Australian liner Marama, Capt. Rolls, will clear for the Antipodes. The former will carry a tremendous cargo, amounting to about 14,000 tons, and the latter will have besides a good list of passengers, a full cargo of general merchandise.

PEER'S YACHT OVERHAULED.

London, June 9.—A despatch from Belfast announced that Lord Pirrie's steam yacht was overhauled for overhauling. Lord Pirrie was one of the first peers created by the present government.

VETERAN NORTHERN MASTER FOR ALICE

Capt. J. McLeod Leaves Princess May to Take Palatial Ferry to Alaska

When the C. P. R. steamer Princess Alice enters the northern trade she will be commanded by the veteran Alaskan navigator, Capt. John McLeod, who has piloted steamers up and down the coast for a great many years. For two months during the summer Capt. McLeod will occupy the master's berth of the palatial ferry boat, and his command, the Princess May, will in all probability go to Capt. Jeremiah Shaw, who is at present skipper of the Princess Mary. Capt. Brown, now on the Princess Alice, will pilot the Princess Mary on the night run between here and Vancouver.

Capt. McLeod is an undisputed authority on Alaskan navigation. He has been in the service so long that he has thoroughly familiarized himself with the courses and weather between here and Skagway. Capt. McLeod is one of the senior masters of the C. P. R. service. His splendid judgment and accuracy in details have resulted in his having been involved in very few mishaps.

Is a Nova Scotian. Capt. McLeod is one of the best known of the Nova Scotian colony now residing here. He was formerly a sealing master and doubled Cape Horn in the schooner Ariel. Capt. McLeod sailed from Halifax in 1892 and succeeded in making the run out with the Ariel in 123 days, which was one of the smartest passages ever made by any of the schooners which came out from the east. Capt. McLeod took the Ariel on several sealing cruises and he commanded some of the other schooners of the famous fleet.

The Princess Alice is to be withdrawn from the Vancouver trade in a few days to be given a short overhaul before starting out for the north with the Mason's excursion on Monday next. Judging from the number of applications which have been made for berths on the Alice she will clear for Prince Rupert with a capacity list.

Commencing on June 25 the Princess Alice will start out on the first of her four tourist excursions to Alaska. Capt. McLeod will remain with the Alice until she is through with the northern trade.

SHIPPING INTELLIGENCE

June 9. Astoria, Ore.—Arrived: Str. Bee, San Francisco; tanker W. S. Porter, California; str. Yosemite, Yucatan, San Francisco. Sailed: Strs. Breakwater, Coos Bay; str. Alliance, Eureka.

FRANK O. WHITE NOW LLOYD'S AGENT HERE

Frank O. White, a Victorian of many years' experience in the shipping business, has just been appointed Lloyd's agent here. He succeeds John Waterhouse, who has acted in that capacity for some time past. The agency here comes under control of C. Gardner-Johnson, who is the British Columbia representative for the great British concern. Victoria is one of Lloyd's most important stations in Canada.

VETERAN OF COAST TRADE

CAPT. J. McLEOD Who Will Command the Steamer Princess Alice on her Alaska excursions.

## CALVO STRENGTHENS THE LOCAL CLUB BEEES HERE FOR TWO WEEKS STAY

### Rah Kept Teams Idle Yesterday; Double-Headers Tomorrow and on Friday; New Batting Order; Spokane Beats Seattle

"One more right-handed twirler and I will stand pat on this club for the rest of the season" is the way Bert Delmas sizes up the Bees. The Victoria manager is delighted with the arrival of Calvo, the diminutive Cuban outfielder, and says Driscoll will resume his work on the mound. Endeavors are now being made to secure another veteran right-hander, and the team will be complete.

The rains prevented a clash at the ball park yesterday, the ground was too soggy for a game, even though the steady drizzle had subsided when the teams lined up for battle. The Portland club was eager for the series as it broke even at Vancouver last week, and expects to take a bunch of games from the Bees during this series.

The Victoria club had to arrange matters with the immigration officials before it could get Calvo, its Cuban outfielder, into the capital. The Cuban is sure to be a big favorite here. He is rather small and slight, but is a grand hitter, and can run bases like a flash. He is about the smartest dresser in the league, and arrived here with a wardrobe that would do credit to a Federal league magnate. He came right through from Los Angeles, Pop Dillon, of the latter club, wishing to give the Cuban regular work. He is but a youth, and is the property of the Washington Americans, and will return to the majors when the Northwestern league schedule has been completed.

One of the chief prides of Calvo is a hat that he got from Ty Cobb when the famous Tiger was in Washington this spring. He calls it his "base-hit," and judging from the man-

ner in which the Cuban has been hitting in the coast league, he should be able to hold his own in this circuit. Delmas will now be able to shift his batting order to get better results. Moran will lead off with Nye in second place. Calvo and Willott will follow, with Lamb, Delmas and Kelly in order. The latter is pleased at being given a chance at first base, and says that he will start hitting as soon as he gets in there every day.

Hoffman, the Victoria backstop, is being given a great deal of credit for the grand twirling that the Bees' slab artists have shown lately. Hoffman is also coming through with timely bingles and above everything else has a remarkable liking for work.

Yesterday's postponed game will be played, tomorrow as part of a double-header, the first game starting at 3.30, and the second at 6.10. A second double-header will be played on Friday at the same hours.

Vancouver, June 8.—Vancouver defeated Tacoma in a game featured by fast fielding here yesterday, the score being 3 to 1. Doty pitched shut-out ball until the eighth, when the Tigers got three hits and a run. Three smart double plays by the champions cut off runs.

Vancouver .. . . . 3 R. H. E.  
Tacoma .. . . . 1 7 0  
Batteries: Doty and Cheek; McGinnity and Brottem.

Seattle, June 9.—Spokane stopped Seattle's winning streak yesterday by defeating the locals 4-0. Coveleskie held Seattle to three hits.

Seattle .. . . . 0 R. H. E.  
Spokane .. . . . 4 8 1  
Batteries: Fullerton and Cadman; Coveleskie and Shea.

### BANTAMS TO MEET FOR TITLE TO-NIGHT

Los Angeles, June 8.—With one of the best battles in months in prospect and the bantamweight title at stake, Johnny Coulon, the bantamweight champion, and "Kid" Williams of Baltimore, are fit and ready for their twenty-round contest to-night at Vernon.

For the first time in the local history of boxing the principals will weigh in in full sight of all attending after they enter the ring about 9.30 p. m. The fighters are under \$500 forfeit to weigh 116 pounds when the fight starts.

Coulon is credited with being the cleverer of the fighters and having recovered from the illness that kept him idle for a long time, can hit as heavily as he ever did. Williams, though not so scientific in his methods, is considered a "natural fighter."

Charles F. Eytton will referee. Coulon, besides \$1,000 from Williams, is guaranteed \$5,000, win, lose or draw, with a privilege of forty per cent. of the gross receipts.

### BRIGHTER PROSPECTS FOR CUP CHALLENGER

Southampton, Eng., June 9.—"I never felt more confident of winning the cup," said Sir Thomas Lipton, when he asked his opinion referring to his new challenger for the America cup. "What I have seen of Shamrock IV, under what has convinced me she is the cup-lifter."

London, Eng., June 9.—The Daily Mail yachting expert, in an article on the Shamrock IV, Sir Thomas Lipton's challenger for the America cup, remarks that the yacht is rather sluggish in very light airs, and says that he believes, in view of the fact that this sort of weather is likely to be experienced in the races off Sandy Hook, Charles E. Nicholson, the designer, will give the Shamrock IV more sail and reduce her displacement by removing lead from her keel. The Daily Mail expert adds that in a stiff breeze the yacht looks like a certain winner.

## REMARKED ON THE SIDE

### How Can Majors Protect Minor Leagues?

All this talk about the Federals being down and out is wrong. President Fielder Jones is one who firmly believes that the third major league will go through with its plans, and the efforts to ensnare Steele and Narveson of the Victoria Club, show that this league is laying out plans for next season. The signing of Schneider is proof enough, also. The ten-day release clause that is in every contract of the Northwestern League means that the Federals are willing to take a chance on having this player jump his contract, leaving the matter to the courts. It will be interesting to observe, also, just what help the major leagues are going to offer the minor organizations. So far they have had hard work protecting their own players.

### Cobb, Johnson and the Feds.

From those who should be on the inside and who are supposed to know what they are talking about there has been gathered this much information concerning the reported 1915 leap of Cobb and Johnson to the Feds: That both will make a plunge to a certainty if the Feds raise the ante; that both will give their own employers first call in case of an even break, but if O. B.'s bid is substantially shy the outlaw circuit will get the call.

To get these two men to a three-year contract will cost the Feds at least \$150,000, and maybe more. Neither will make the shift for less than \$25,000 a year and a three-year term. It may be they will ask for more. One hundred and fifty thousand dollars, or \$200,000 is considerable to invest in a brace of earnest athletes, even though one be a Cobb and the other a Johnson. It will be quite a lump for the Feds to pay and quite a lump for Detroit and Washington to meet.

### AMATEUR LACROSSE

ERNE GOTTON.

Victoria's clever amateur lacrosse player, who has greatly strengthened the local twelve in the P. C. A. L. A.

## ENGLISH TEAM TO STRENGTHEN LINEUP

### Capt. Lockett Will Replace John A. Traill in Big Polo Cup Contests

New York, June 9.—An eleventh hour change has been made in the English polo team that will meet the Meadowbrook four in the first match for the international cup next week. John A. Traill, the Irish member, who has done most of his playing recently in the Argentine republic, has resigned from the fray and his place will be taken by Capt. Vivian Lockett, back on last year's challenge four.

According to the talk in the English camp, the change in the lineup will result in a more sweeping change than would be thought necessary when it is considered that both Traill and Lockett are best known as backs. Instead of Lockett just filling in place of Traill, a new arrangement of the team will be made. Reliable information is to the effect that the Englishmen will line up as follows:

Capt. Tomkinson, No. 1; Capt. Lockett, No. 2; Major Barrett, No. 3; Capt. Cheape, back.

Mounds Not Sued to Traill. Traill, who relinquishes his chance to shine as an internationalist, was one of the last men to be added to the team before it left the other side. He showed so well in the test matches played by Lord Wimborne's team in England that he was asked to make the trip to this country.

All arrangements had been made to ship the ponies from England before Traill was asked to join the challengers and the consequence is that he is on this side of the water without the ponies specially adapted for his use. He did fairly well in the opening practice match at Meadowbrook on Tuesday, but after the practice match said that he found difficulty in handling his mounts and would prefer not to play under the circumstances.

The greatest surprise, if the present lineup is adhered to, will be to see Capt. Lockett at No. 2 and Capt. Cheape at back, instead of the positions being reversed. During the last invasion Capt. Lockett made an efficient back, while Capt. Cheape was a hard hitting forward, who was always dangerous in advancing the ball. Both, however, have their credentials in the positions they are slated to play. Capt. Cheape played back for the Tigers as No. 3. He is a sure man on the ball and his ability to hit hard is considered a valuable acquisition.

Lockett Efficient at No. 2. One of the English players is authority for the statement that Capt. Lockett is a better No. 2 than he is a back. If that is so, he will add to the efficiency of the team, for there is no doubt of his ability on the defence.

### SOOKE TEAM WON.

Sooke triumphed over Cooper Cove in the third game of the football series yesterday. Slater and Wright played well for the winners, the former netting two goals, and the latter one. The previous games resulted as follows: Sooke 3-0, and Cooper Cove 3-1.

### GATTENBY v. HATCH.

Harry Gattenby, the stocky local waterweight wrestler, left on this morning's boat for Vancouver where he will meet Al. Hatch in a return match for the waterweight wrestling championship of the coast to-night. Hatch won from Gattenby recently at Vancouver after a hard tussle. The winner of this bout will meet the champion of India.

## WANT PATRICK TO HANDLE BIG GAME

### Pro. Lacrosse Clubs Will Play at Ball Park on Saturday; Amateur Notes

Efforts will be made by officials of the Westminster and Vancouver Lacrosse clubs to have Lester Patrick take charge of the game on Saturday when professional lacrosse will make its season's debut in Victoria. The well-known hockey magnate made a big hit as a lacrosse official last summer, and as the B. C. L. A. is operating under one official in all its matches this year, Patrick would prove an ideal selection to handle Saturday's big game.

Arrangements were completed yesterday with Owner Kingham to have the Portland-Victoria ball game called at 2 o'clock so that the lacrosse game can start at 4.15. The teams will appear here at full strength, and as the Westminster team is now one game in the lead, the Vancouver men will surely put up their prettiest fight to haul down the lead of the Salmon Belles. Captain George Rennie, of the Westminster club, says that his team is just as strong as last season. Iona has more than filled Johnny Howard's shoes on the defence, while Jack Gifford and Nick Carter are proving capable substitutes for Len. Turnbull and Dougly Sprigg.

Victoria enthusiasts will have an opportunity of witnessing Boss Johnson and Cotton Brynjofsen's work on the Vancouver club. Harry Pickering will also be seen on the defence. A representative of the Vancouver twelve will arrive here to-morrow and seats will probably be placed on sale Thursday morning. Secretary Glichrist, of the Westminster club, has pledged himself to bring his entire twelve over here, should Victoria prove capable of supporting a professional lacrosse team.

Standing of Clubs. Goals. W. L. P. A.  
New Westminster .. . . . 2 1 18 16  
Vancouver .. . . . 1 2 16 18  
Individual Scoring Record.

Davis, Van. . . . . 3 1  
Brynjofsen, Van. . . . . 3 1  
Wintemute, West. . . . . 3 1

South Park and Boys' Central teams are now tied for the school title. They will play to-morrow evening at Oak Bay to decide which will get the medals donated by Joe Lally. The match will start at 6.30 o'clock. No admission will be charged.

## SPORTING GOSSIP OF THE DAY

Delmas says he now has a first division ball club.

Professional lacrosse will be a treat for Victoria fans.

Bobby Steele will work this afternoon against Portland.

The Bees boast of about 'seven twirlers in Smith, McHenry and Driscoll.

Grumpy Spring is third among the scorers in the B. C. L. A.

Capt. Cheape, of the challenging English polo team, had his nose broken in practice on Saturday.

At this rate polo is almost becoming as rough as the wrestling game.

Spokane expects to haul Seattle down from the top this week.

Lynch says his twirlers are again going to top speed.

Chapman should prove a sensation in the Twilight league.

Zimmerman will try to catch on in the Northern league.

Charles Balke, champion motor cyclist, was killed at Chicago on Sunday. He ran into a steam roller.

Harry Meek is hitting about .240 for the Los Angeles club.

Victoria may make a deal with Portland for another twirler.

Bayley and Burns clash at Oakland on Friday night.

### CRICKET TO-NIGHT.

The Civic Servants and Men's Own will play a two-night cricket match, starting this evening at 6 o'clock at the Hayward avenue grounds. The Civic Servants' team will be as follows: J. Collard, F. Bossom, A. E. Haynes, H. Bossom, G. W. Allison (capt.), W. J. Telfer, C. Royat, C. Hill, H. Bigwood, Swan and R. Morrison; reserves, J. Hooper and A. Galloway.

BATTER IS OUT. Cobble Hill Fan: Batter is out when catcher holds third strike. If catcher misses third strike and first base is occupied, batter is out unless this makes the third put out of the inning.

## SECOND CONTEST NOT A CERTAINTY

### Johnson Must Defeat Moran to Secure Bout With Sam Langford

The announcement yesterday that \$30,000 in gold coin had been posted by London promoters to bind a match between Johnson and Langford at London, to be staged some time after the match between Johnson and Frank Moran at Paris on June 30, looks to be quite unfounded.

For instance, there are many people who believe that Moran has the best chance of a chance to beat Johnson, if he fights him in the right manner. What chance would there be for any promoter in the world to offer Johnson a \$30,000 guarantee if he had been defeated by a man never rated better than a fighter of only ordinary ability? Johnson, naturally, will sign in advance for as many matches at \$50,000 per, as promoters are willing to offer. No one can blame him for dragging in the coin.

But should Johnson be worsted in his bout with Moran, the present large guarantee which has been put up in gold coin, as rumor say, will not remain ready for him to tap. Probably there is some private agreement to this effect. If not, the promoters have found some other scheme by which they may gracefully back down, if necessary.

Vancouver, June 9.—Owing to a clash between promoters of Stevenson and Brighouse arena, it is announced that the title match between Frenchy Valse and Johnny O'Leary, scheduled for June 30, has been postponed. They will probably meet on July 1 at the Brighouse arena. The Stevenson promoters plan to stage the Moy-Valse bout on June 19.

The present trouble between the rival promoters may lead to the cancellation of all permits for boxing in Richmond district.

San Francisco, June 9.—Billy Murray, of Sacramento, and George Chip, of Pittsburg, have been matched to box 20 rounds for the middleweight championship in San Francisco on July 4. Mike Gibbons, whom Murray meets in New York, June 18, may be substituted, however, if he defeats Murray. They will weigh in at 158 pounds at 10 a. m.

## LACROSSE FEATURE

GRUMPY SPRING.

Royals' star goal-getter, who will play here on Saturday.

There's nothing small about the Ford—except its purchase price and cost to keep. In number of cars, in world-wide use, in quality of service to owners and in its daily performance it is the biggest car in the world. 530,000 users will testify to these facts.

### CRAWFORD AHEAD IN AMERICAN LEAGUE

Chicago, June 9.—John Hummel, of Brooklyn, led the batters of the National league last week with an average of .441 for the 14 games in which he has played. Next to him came Dalton, Brooklyn, .385; G. Burns, New York, .359; Byrns, Philadelphia, .349; Cather, St. Louis, .345; Elberfeld, Brooklyn, .344; Wingo, St. Louis, .343; J. Wagner, Pittsburg, .336; Cravath, Philadelphia, .332; Clarke, Cincinnati, .321. New York, with 271 and Brooklyn with 267 are club leaders. Daltorf, Brooklyn, and L. Magee, of St. Louis, with 14 each, lead in stolen bases.

Sam Crawford, of Detroit, continues to top the American leaguers with .544. The next nine are: Oldring, Philadelphia, .336; Coveleskie, Detroit, .333; C. Walker, St. Louis, .331; Baker, Philadelphia, .329; Cobb, Detroit, .324; Bush, Philadelphia, .318; Milan, Washington, .315; Jackson, Cleveland, .314; Hartzell, New York, .308. Philadelphia is ahead in club batting with .264, and Detroit next with .247.

Milan, of Washington, and Maisel, of New York, lead in stolen bases with 17 apiece.

Kauff, of Indianapolis, leads the Federals in batting with an average of .415 and also is ahead in stolen bases with 15. Indianapolis is the best batting team with .323.

### AMATEUR GAMES ARE SET FOR THIS EVENING

This evening if weather conditions are favorable the Red Sox and Printers will clash at the Royal Athletic park in a Commercial league contest. Cardinals and V. C. L. A. will also meet in an intermediate league fixture, while the Junior Bees will oppose the White Sox and the City Messengers will play the Senators. Should the Sox win from the Bees they will be on an even standing with Beacon Hill. Should the Bees win, their opponents will drop down to fourth place.

### Commercial League Standing.

Rendall's Outlaws.....	2	0 1.000
Bapcos .....	1	1 .500
Allied Printers .....	1	1 .500
Red Sox .....	0	0 .000
B. C. Electric .....	0	1 .000
Bissell's .....	0	1 .000

The games this week are as follows: Tuesday—Red Sox vs. Printers; Wednesday—Bissell's vs. Bapcos; Friday—Rendall's Outlaws vs. B. C. Electric.

### SHAMROCKS DEFEATED.

The Shamrock nine went down to defeat at the hands of the Cubs in the opening game of the Bay league yesterday by the score of 18-12 at the Cranmore Road diamond. Fitzpatrick and Hodson formed the battery for the winners, while Fallgren, Copeman and Beecroft were the opposing battery.

Corner Broad and View Streets. Phone 675.

At the meeting of the Social Service League yesterday afternoon at the Y. M. C. A., Mrs. A. E. McPhillips read her very interesting paper on "Housing," which was prepared for the Local Council of Women at their annual meeting during the past winter. The subject was very thoroughly dealt with. Rev. Dr. Clay presided in the absence of Bishop Macdonald.

Mrs. McPhillips pointed out in the opening part of her address that all civilized nations were awakening to the pressing need of proper housing conditions for the citizens, who, they were beginning to see, could not possibly be healthily reared in unhealthy homes. In Victorian and unwholesome homes induced moral and mental deterioration as well as physical, and the nation paid the price by having to keep up asylums and prisons. The problem of housing was being faced in some measure by nearly all the bigger European countries, which were passing regulations as to the building of their towns, or else enjoying the work of philanthropists in this direction. In fact there was no housing scheme as yet which was completely in the hands of the state, and the improved conditions had been the experiments of either the proprietors or of some business companies.

In this country, Mrs. McPhillips continued, any housing scheme which had come into existence had been taken up on a business basis. Toronto had tried the experiment through a housing company, the city guaranteeing the bonds if the housing company would guarantee fully paid-up stock. The housing company in this instance was to guarantee \$150,000 fully paid-up stock, and on condition that this was done the city was to guarantee \$350,000.

The result of the scheme was that a row of double tenement houses, with heating, space, etc., making it possible for the dwellings to be let at considerably cheaper rates than ordinary workmen's dwellings.

The difficulty of operating such a scheme in Victoria was pointed out by the speaker, in the high price of land anywhere within distance of the street car service. An additional difficulty in this city was also to be found in the fact that the class which needed help most in this respect was that made up of working women rather than working men. A year or more ago one could have talked of the difficulty of obtaining any sort of house for rent at any price, but to-day there were many more vacant houses and working men would find little difficulty in securing homes at a rent within their means, she added.

But Victoria sadly needed some form of cheap and sanitary dwellings, the speaker said, where working women could find house-room at rents as low as ten cents a month, as she had found on inquiring into the condition that working women with children could not pay more than this amount in Victoria. But whatever class of building was put up, it must be something that would not in time deteriorate into a slum.

In conclusion the speaker said that, despite statements to the contrary, there were already in the city places where three and four families were living in a single small house suitable for the accommodation of only one family. This was a condition which should not be in any city.

The paper was the subject of animated discussion on the part of the meeting, and while it was decided that it would be impossible to erect any dwellings here to rent as cheaply as those in Toronto referred to by the speaker, it was generally thought that an improvement on present conditions might be effected. The matter was submitted to the committee on housing, which was asked to look into the matter thoroughly and report at the next meeting of the league. On the other hand the committee was recommended to pay special attention to the housing of Orientals in the city, and to represent to the authorities the need of better conditions of these people should be raised to the standard that is applied to the white population of Victoria.

A quiet wedding was celebrated yesterday at St. Mary's, Oak Bay, when Claude Stantford Thompson, of this city, and Mrs. Marie Mott, were united in marriage by the Rev. G. H. Andrews.

L. W. Shatford, member of the legislature for Similkameen, was in the city yesterday on business with government departments. Mr. Shatford has recently been on a visit to his constituency and reports conditions, crop and otherwise, as being very satisfactory.

The late Walter Theodore Watts-Dunton, the poet and critic, whose death was announced yesterday, was a brother of Mrs. C. Dubois Mason, of Victoria, whose son is in London at the present time and had been visiting his uncle.

W. T. McDonald, livestock commissioner in the provincial department of agriculture, left yesterday afternoon for Seattle, on his way to attend the opening of a new agricultural hall at the State Agricultural college at Pullman. The opening ceremony is to be performed by Hon. James Wilson. Mr. McDonald was professor of animal husbandry at the Pullman college before he came to this province.

S. H. Hopkins, Nicola, a graduate of the Ontario Agricultural college, who has been appointed by the provincial government as assistant to the livestock commissioner, has arrived in the city to take up his duties. E. L. Ramsey, another graduate of the O. A. C., who has been appointed as a resident official of the department in the Fort George district, has also arrived and goes north on Thursday.

The Rev. G. H. Andrews, of St. Mary's, Oak Bay, will leave next Sunday afternoon for a three-months' business and pleasure visit in England. He will take charge of the services next Sunday morning at St. Mary's, and the evening service will be conducted by Rev. W. T. Keeling, lecturer at St. Mark's hall, Vancouver, who is to take the rector's place during his absence. Mr. Andrews hopes to return to Victoria some time during September.

**DIRECTORS GIVE PROMISE**

Will Use British Columbia Materials for Hospital; Deputation Waits on Them.

The directors of the Jubilee hospital renewed to the deputation from the Victoria branch of the B. C. Manufacturers' association, which waited upon them last evening, their promise that the resolution already on the books in the connection with preference for British Columbia materials would be respected.

The deputation was composed of S. R. Newton, acting chairman of the branch; Herbert J. Penderay, F. Westley Newton, hon. secretary; W. A. Jameson, T. Stuart Forbes, P. R. Little, and A. E. Ormond. They urged both that the directors should give preference to British Columbia manufacturers in ordering food and other supplies, and that provincial materials should be specified in the contracts for the new buildings. It was pointed out by S. R. Newton that the specifications for the power house and laundry for which the board was opening tenders that evening, included material made in New York, which could be made in British Columbia factories. Reference was also made to the campaign of Vancouver manufacturers, which had resulted in \$2,500,000 being expended during the last six months' period in British Columbia, which otherwise would have gone east.

The directors reaffirmed their attitude on the subject, promising to buy British Columbia material wherever possible.

To-morrow evening the manufacturers' deputation will lay a case before

**BANDMASTER RESIGNS**

Mr. Rogers Terminates Leadership of Fifth Regiment Band; Takes Trip For Health.

A popular figure for several years in Victoria musical circles, Bandmaster Sidney Rogers, of the Fifth Regiment band, has retired in order to take a trip east. Mr. Rogers has been bandmaster for the past five years, during which time the band has developed from a small one of 17 or 18 pieces to an organization of some 40 instruments, being now one of the leading musical organizations in the west.

Mr. Rogers desired to take a trip for his health, which has not been good of late, and therefore he tendered his resignation. Mr. Rogers was a resident of the city some years before becoming bandmaster. He enjoyed the confidence of the bandmen in a marked degree, and his retirement was received with general regret.

To-morrow evening the band has an engagement at the North Ward park at 7 p.m. The expectation is that W. Smith will act as temporary bandmaster.

I do not read the fashionable news- Mr. Balfour.

**Gordon Snydale LIMITED**

Saturdays Included.

**Inexpensive Cotton Dresses**

We are showing two lines in exceptionally smart cotton street dresses; one style comes in cotton Bedford Cord, in one-piece style, low-cut collar, embroidered in black, fastened with black buttons, belt of black patent leather edged with white, and comes in pink, tan, white; also sky. Economically priced at \$5.75.

This dress is in cotton Panama with coatee having sailor collar piped white, trimmed with ivory buttons, belt fastened with buckle shown in tan, white, sky, also pink, and is priced at \$5.00.

**White Outing Skirts**

AT MODERATE PRICES

**At \$2.50**—Skirt of Indian head in a two-piece style, with small tucks at the back. This model is buttoned at each seam at the foot.

**At \$2.75**—A well-designed skirt of white rep comes in a modified peg-top style, with small tucks at the back and inverted pleat down the front.

**At \$3.50**—Attractive skirt in white rep is cut on straight lines, with broad pleat down the centre back. This skirt fastens down the centre front with large detachable pearl buttons.

**At \$4.75**—A smart skirt of good quality pique, made with gathered back, which is caught into a narrow belt. This model features the slit effect.

**At \$6.50**—White Ratine Skirts, well cut, with fastening of white pearl buttons right down side, which will be found very adaptable for laundering.

**New Sunshades**

ARE MODERATELY PRICED

Of particular interest are the lines that we mention specially in the following. These feature popular new styles, and are decidedly good values.

**At \$3.00**—Silk-covered Sunshades in the new plain colors, such as tango, cerise, purple, etc.

Sunshades in effective stripe and bordered styles in silk and cotton pongee, shown with very artistic handles. Splendid values at \$3.75 to \$10.00.

**Nemo Corsets**

755 Yates Street, Victoria Phone 1876  
575 Granville Street, Vancouver

**WATCH FOR VICTORIA'S \$1.00 DAY SATURDAY JUNE 13TH.**

**The New Figure.**

That easy, graceful, almost corsetless effect, is attained by wearing the new models of D & A corsets.

Specially commended for either plump women, who will find in it a comfortable hip reducing corset is No. 700 D & A illustrated herewith and retailing at \$3.50.

Ask your dealer to show it. The price is about one half less than imported corsets approaching it in quality. Made by the DOMINION CORSET CO., QUEBEC. Makers also of the celebrated **LA DIVA Corsets.**

**NON RUSTABLE**

**D & A CORSETS**

The school board, and on Friday will urge upon the city council the encouragement of provincial manufacturers.

Secretary Hart, of the B. C. Manufacturers' association, would have attended last evening, except for unavoidable absence in Vancouver.

June Brides.—On Dollar Day the Skene Lowe Photo studio will, for one dollar, make a large Sepia portrait, value \$5.00, of any June bride, or will arrange to take at a later date any prospective June bride. Appointments by letter, wire or phone, 664 Yates corner Douglas.

"What's this I hear?" demanded the girl's mother frantically. "They tell me that Ralph actually kissed you at the railway station when he went away. And what did you do then?" "I only acted sensibly," said the girl; "so, to make everybody think he was a relative, and to prevent talk, I kissed him too."

**APOL & STEEL'S Ladies' PILLS**

Are the acknowledged leading remedy for all female troubles. Recommended by the Medical Faculty. The pills bear the signatures of Wm. Stearns (original) without which none are genuine. The lady should be well served. Sold by all Chemists and Druggists.

Proprietor **MARTIN STEARNS**, 3607 BAY ST., VANCOUVER, B.C.

"THE QUEEN OF TABLE WATERS"

## RATE INCREASES TO TWENTY MILLS NET

### Tax By-law Passed; Ald. McNeill Urges Revision of Methods of Assessment

Advocating a new system of assessment, expressing a desire to see commissioners appointed to assist the assessor before the next roll is prepared and recommending the city council to adopt a tax rate of 20 mills on the dollar net, Ald. McNeill, chairman of the finance committee, moved the adoption of the tax rate by-law at the council meeting last evening.

In explaining that the advance in the net rate was 2.25 mills, from 17.74 last year, the alderman said there was a sum of about \$275,000, which had to be found, and this was practically outside the control of the city council. The fixed charges had increased by \$152,000, he said; schools by \$55,000, police by \$18,000, and underground conduits by \$40,000. There was \$13,000 also for the required Jubilee hospital deficit.

Ald. McNeill argued for the reconsideration of the present tax system, which he declared was not working equitably. At present the council had only two sources, land and miscellaneous revenue. The land would produce \$1,650,000, and revenue from other sources would be \$800,000. He held that the provincial government should transfer the proceeds of the automobile tax to the organized municipalities, upon which was thrown the maintenance of the roads. The alderman in the course of his remarks was pointing to the increase in the police vote from what it was in 1912 when the city had a larger floating population than now, when Mayor Stewart intervened to say that the city had been obliged by recent legislation to pay for the upkeep of prisoners in the provincial jail.

Ald. McNeill, continuing, declared that the single tax system as operating here was not fair. While admitting that the single tax system was based on taxation of the whole of the capital value, he said that as it operated here much of the burden was cast on those who were least able to pay. The erection of large buildings undoubtedly cast an added burden for fire protection and similar services. He took the case of an apartment block at the corner of residential streets, and pointed out that while its erection would apparently justify the increase in assessment of adjacent property,

yet the larger building benefited in the way of fire rates and other services out of proportion to the single small residence.

He did not anticipate any reduction of rates unless the city changed the system in 1915 and found other sources of revenue. In the centre of the city land was not assessed to its full value. He hoped to see commissioners appointed by the end of the year to act with the assessor in adjusting the levies. He also suggested that the date of payment of taxes be set back from September 30 to October 31, discount to be allowed. A great many people, he said, would have difficulty in meeting their taxes this year, hence the desire to revert to the old system. He hoped, however, the council would keep in mind the idea of a six months' system of collecting taxes.

A comparison of the rates in 1912 and 1914 is as follows:

	1912	1913	1914
General	12.02	10.85	12.75
Debt	5.50	5.50	4.15
Health	1.00	.90	.87
Schools	2.75	2.75	2.90

The rebate given for prompt payment is available only on the items for general purposes and health.

Ald. Cuthbert agreed that the general system should be revised. The whole by-law, he pointed out, was misleading at present. In its details, as the amounts did not show the allocation of money to the departments between which it would be finally divided.

Ald. McNeill added that the debt shown included the debt for school buildings, 1.10 mills this year.

Ald. Cuthbert, continuing, said he favored the separation of the school taxation from civic taxation, the school board to raise its own revenue. The personal property tax should be part of the city's revenue, and half of the automobile tax he thought should go to the municipality. He thought the present tax system the best in a new city. With Ald. McNeill he took issue on the question of the rate which a large building paid for services, as the benefit was very great to a community, he claimed.

Ald. Fullerton, as the only alderman on the council of some years ago which had carried the single tax system, exempting improvements, proceeded to justify the course of the council in making the change. He contrasted the situation in Victoria to-day with what it was a decade ago. The council had endeavored to secure added legislative powers, but time and again had been checked in the committees of the legislature, he added.

Ald. Bell advocated economy, saying that people were too extravagant, and that the city, like the individual, "was hitting the pace too fast."

The tax by-law was then read, the date of collection being thrown back to October 31, where it stood prior to the alteration last year. The by-law passed.

## WILL CARRY OUT WORK ON CITY BUILDINGS

### Painting to Be Done at City Hall and Market Blocks; Blacksmith's Shop

An effort was made by Alderman McNeill at the city council meeting last evening to delay the painting of the city hall and market building until next year, as there will be alterations at the former building. On learning from Building Inspector Northcott, however, that the city hall roof must be repaired and that the cost will represent only some \$500, the alderman did not press the point and the council awarded the contract for both buildings to Frederick Mellor, at \$133, the lowest of nine tenders submitted.

The following tenders were submitted for the city blacksmithing shop on Garbally road: Wilson Noble, \$5,200; C. W. Carkeek, \$4,438; Luney Bros., \$4,725; Williams, Trerise & Williams, \$4,800; Knott & Jones, \$4,523; Thomas & Hodgson, \$4,453; G. A. Stevens, \$4,900.

## TAKE FURTHER TIME TO CONSIDER HOLIDAY

### Aldermen Lay Over Early-Closing By-law for a Week; Unused Land Question

Both sides of the question of a general early-closing day in the city were presented to the city council last evening. The Retail Merchants' association opposing for a number of reasons, and the Retail Employees' organization endorsing the proposed shop-closing by-law. T. N. Hibben & Co. and the Standard Furniture company individually replied. The former has a system of holidays in vogue which is declared to meet the requirements of the staff.

To the 820 cards sent out to retail merchants in town on the subject, 231 merchants have replied, so the council decided to extend the time for another week. The council was induced to take this course by Alderman Todd's explanation that unless some satisfactory settlement between the two interests was reached, the council would not pass the by-law as it stood.

The Retail Merchants' association opposed the measure on account of the special conditions prevalent in Victoria, which included the existence of private arrangements with employees. The merchants stated that the clerks in the stores of Victoria worked shorter hours than those in other cities.

Alderman McNeill secured passage of his motion to ascertain if the council may hold unused land acquired under street improvements after making an assessment on the owners affected. On this the city solicitor is to give an opinion. The alderman pointed out that in a number of cases, such as Pandora avenue, land had been obtained under circumstances demanding that the whole of the properties had to be acquired. The whole amount acquired, however, had not been used in the new street limits and thus the question arose whether the unused portions must be immediately realized upon to reduce the cost of the various improvements.

## MUNICIPAL STABLES WILL COST \$35,000

### Oak Bay Reduces Tax Rate; Will Submit Money By-law to People

At an early date the ratepayers of Oak Bay will be called upon to vote \$35,000 for the purpose of erecting a municipal stable and stable yard, according to the decision of the municipal council last evening. The building is to be of reinforced concrete throughout with a cement floor. The council was not thoroughly agreed upon whether the stable yard should be concrete or gravel. It was pointed out in favor of the former that it was cleaner, but the second was cheaper and after all if the floor of the stable was cement little more mattered, it was contended. This will be settled before the by-law is sent to the people.

The by-law will be for the issue of 30-year debentures at 5 1/2 per cent. The stable yards will be situated in Meadow Place between Bouchier and Milton streets. The grounds will cost in the neighborhood of \$10,000.

The annual tax by-law was passed last night, and the municipality is given a lower rate than last year. The gross rate will be 12 1/2 mills, almost a mill less than last year's rate of 13.3. The total estimated expenditure on which this was based was \$5,000. The rate was made up as follows: Nine mills for general expenditure, 2.5 mills for schools, 8 mills for debt. The net rate for those who pay promptly is 10.9 mills.

A report from the engineer recommending local improvement by-laws for work in Cadboro Bay road, Milton street, Florence street and St. David street boulevard costing approximately \$35,000 was adopted. The by-law will be passed at next meeting. The particular streets which are to be gone ahead with are ones which will confer the greatest general benefit on the municipality, it was stated. A communication was received from the city stating that it had been asked as owner of the site of the Aged Men's home in Cranmore road to sign a petition for road improvement in that street. The city stated that it would sign if the council deemed it expedient. The council did not when the question of including it in the year's work came up resolved not to take it up this year.

Two meritorious complaints were made in a letter by O. W. Burnett, who complained that the municipality's garbage heap at Shoal Bay between Transit road and the golf links had occasioned a serious plague of rats, and that the row of shacks left standing by the sewer contractors in the same vicinity was an eye sore. Both are on municipal property. The council decided to ask the health officer to do what he deemed advisable in the matter of the refuse heaps, and the contractors will be given two weeks in which to remove the buildings. If they do not act the council will.

Ellis Hallson, of 1354 Margaret street, declared in a letter to the council that there was a nuisance near his house from an open surface drain. He asked for relief, and the engineer reported against it saying that his house was connected with the sewer.

A deputation from the plumbers' union asked for the appointment of a plumber as a plumbing inspector. In the interests of the health of the municipality the plumbers stated the most competent inspector possible should be employed, and they maintained that a man not engaged in the plumbing trade could not find the defects in a job as could a professional plumber. For one thing they stated both the city and Oak Bay by-laws were at fault in not requiring the second or smoke test to be made of all jobs. The representative deputation that its representations would be seriously considered if it could bring instances where the present inspector, who is not a plumber, had committed an oversight. This the deputation stated it could and would do.

## EXCELLENT VAUDEVILLE.

Two excellent vaudeville turns are on the bills at the Variety theatre the first part of the present week. Rival and Atina, two clever novelty contortionists, head the bill. Their act is one of the best seen here for some time, the amazing positions they assume, causing considerable comment among the audiences. The lady member of the team is especially clever, and can tie her body almost in double knots. The Dublin Duo, two charming singers from the Emerald Isle, made quite a hit last evening with their pleasing voices. They sing old time songs as well as popular melodies, and should prove very popular.

## RATEPAYERS IN CONFERENCE.

Needs of Ward IV., Saanich, Are Discussed by Association Members; Water System Described.

Several matters affecting the district were discussed by the members of Ward 4 Saanich Ratepayers' association at the meeting last evening, President Henderson being in the chair.

Councillor Chandler, who expressed regret at the interference of the meeting of the Municipal Works committee with his attendance, outlined the principal features of the water system and mentioned that the plan, as at present drafted, had to do only with wards two and seven. He assured the ratepayers that any policy, which did not provide for the interests of his own ward would not receive his support and that he would strongly oppose the plan in its present form. A committee was eventually appointed to attend the next council meeting to urge the inclusion of ward four in the scheme.

Criticism of the proposed rates to be charged with the extension of telephone services in the district was made, the extra five-cent charge for Victoria calls being particularly referred to. The hope was expressed that the municipal council would take the matter up and endeavor to make better arrangements.

An address on municipal matters was given by E. H. Cottorel, in which he congratulated the officers on the manner in which the work was being carried out. He expressed regret that the present council was not more aggressive and more awake to the needs of the district.

A question arose as to why the school board had called for the reassignment of a teacher at the McKensie avenue school. Parents of children at the school had signed a petition in favor of the teacher's retention, and so a committee was appointed to interview the school board on the matter.

Complaints of the assessment were made but action was deferred till the municipal council has struck the tax rate for the year.

An Irish maid in the service of a local family recently sought permission of her mistress to take an afternoon off for the purpose of consulting a dentist. Upon her return the mistress said: "Well, Rosalie, did you have the tooth filled?" "I did, mum." "And what did the dentist fill it with—gold or amalgam?" "I don't know just what it was, mum, but from the way it felt it should have been gold or amalgam." "Well, Rosalie, did you have the tooth filled?" "I did, mum." "And what did the dentist fill it with—gold or amalgam?" "I don't know just what it was, mum, but from the way it felt it should have been gold or amalgam."

If women do equal work with men, why are men employed?—Miss Gladys Pott, anti-suffrage speaker.

## AT THE GORGE.

To-day is "Odd Fellows' Day" at the Gorge park in recognition of the celebration of the Jubilee anniversary of the Order in British Columbia, and the management has made special arrangements to ensure that the programme of entertainment will be most attractive and in keeping with the importance of the occasion.

This evening will be made memorable by a display of fireworks which is promised to surpass all previous efforts in this direction. The grounds will be brilliantly illuminated and every convenience will be afforded for the large crowds expected to be in attendance. The fireworks will not be the only attractions, as the full entertainment capacity of the park will be in operation and the various attractions are expected to draw many visitors.

The finest thing in the world is undoubtedly a beautiful character, and one of the most wonderful things about character and the elements of the mind is that the more they are expended upon others the more the giver becomes enriched.—Sir Henry Jones.

## FIRST CONTRACTS LET ON JUBILEE HOSPITAL

B. C. Construction Co. to Put Up Laundry and Power-house

The first contracts for the new buildings in connection with the Provincial Royal Jubilee hospital were awarded by the directors at a special meeting last evening, when the tender of the B. C. Construction & Engineering company, of Victoria, for the erection of a laundry and power-house was accepted. The figure of this tender was \$26,200, while the estimate of the architect was \$35,000, and it was the lowest by \$1,750. The same firm got the contract for the excavation work for these buildings at \$1,375, as it was felt that the whole thing had better be in the hands of one firm, but it will be asked to bring the figure nearer to that of the lowest tenderer for the excavation, Luney Brothers, \$945.

There were six tenders put in for the two buildings under consideration, the unsuccessful tenderers being: Luney Bros., Victoria, \$27,900; B. C. Grantford & Contracting company, Ltd., Vancouver, \$23,894; C. W. Clarke & Co., Victoria, \$29,274; Dinsdale & Malcolm, Victoria, \$38,000; Knott & Jones, Victoria, \$33,814. On the whole contract the successful firm is \$1,318 below the next lowest tenders.

It was decided to call for tenders for the stack for the power-house, this to be 125 feet high and to be of either brick or concrete, favored concrete. The board's architect, favored concrete, as he estimated that brick would cost more and last a shorter time, but he doubted if any firm in the province could build a concrete chimney as well as could the Webber company, of Chicago.

After a discussion as to the amount

This includes the majority of our smart Spring and Summer models.

## WATCH FOR VICTORIA'S \$1.00 DAY SATURDAY JUNE 13TH

## FIRST CONTRACTS LET ON JUBILEE HOSPITAL

B. C. Construction Co. to Put Up Laundry and Power-house

Dr. Wasson raised a question as to the use of the phrase "of British Columbia nationality" in the specifications, relating to the employment of workmen. He thought that men who had been long resident in the city should be allowed to have employment on the hospital works, no matter what their nationality.

Leonard Tait pointed out that most of the men to whom Dr. Wasson's remarks had reference would have become naturalized in the course of time, and in the end it was decided to alter the phraseology to "British subject."

It was explained by the architect that by installing its own power plant the hospital could have electrical energy at one-third the figure it would have to pay a generating company, for the reason that it would have to have steam power for laundry and other uses and could thus generate electric power very cheaply.

F. W. Vincent, chairman of the finance committee, reported the result of an interview with the city council as to the marketing of the hospital debentures. The city prefers to hold over the issue until the beginning of next year, and in any case could not issue even half the debentures before September. An application for advice will be made to the new municipal department.

Though the Irish undoubtedly made linen before the time of James the First, its manufacture was not carried on to a great extent until the time of Charles the Second. The Scots in Ulster first established linen manufactures during the reign of James, and from this beginning has the business of the present day developed.

**FIRE INSURANCE WRITTEN MONEY TO LOAN**

### HUMAN PROCESSION

Henry U. Mudge, president of the Chicago, Rock Island & Pacific railway, has accomplished quite a bit in the way of capitalizing his natural and acquired resources since he was born in Minden, Mich., 58 years ago to-day, and his views on the subject of capitalizing a man's commercial value are therefore based on personal knowledge and experience. Mr. Mudge's plan is simplicity itself, and enables almost any man, except a confirmed and chronic I Won't Work, to boast the possession of considerable capital. In addressing the employees of the great railroad system of which he is the head, President Mudge undertook to estimate a man's commercial value, on the hoof, from his earning capacity. He figured that a man who gets \$33.33 in his monthly pay envelope, or \$1,000 a year, has a capital value of \$25,000. He reached this conclusion by rating the salary as interest at 4 per cent. It follows that a man, who is so fortunate as to come into the possession of \$33.33 each month may, by carefully refraining from eating, wearing clothes and living in a house, and suppressing all such luxurious inclinations on the part of his family, accumulate \$25,000 in twenty-five years, or in less time if he invests his earnings safely and profitably. At least, it would seem to follow, but it probably doesn't. Quote President Mudge to his underlings: "You can make yourself worth more, while a locomotive can not. You can direct your own energies, while a locomotive must be directed by a driver." It will thus be seen that a locomotive and a man are quite distinct and not to be confused with each other, although the difference between them might have been made clearer and more easily grasped by the statement that a locomotive runs on wheels, while man is a biped, with his wheels, if any, in his upper story. "It rests with you," continued Mr. Mudge, "to raise your own capitalization to \$50,000, or \$100,000, or even to \$500,000. Therefore be careful about your food, treat your body decently, and, above all, feed your mind. You are working for a large corporation. In the nature of things it cannot know you very well personally, but it knows you by the work you turn out. It sets a real value on your work, higher than you think. Your value is measured by the quality and quantity of results you produce. Somebody knows your actual worth, appreciates your honest endeavor, and has you in mind for better things. It is a business proposition. Each of us is capitalized." What could be more inspiring than that? "Somebody knows your actual worth, appreciates your honest endeavor, and has you in mind for better things." Corporations have been described as "soulless," but, if Mr. Mudge correctly represents them, they are models of kindly solicitude and fatherly interest. Mr. Mudge began his career of capitalization when, at the age of sixteen, he entered the employ of the track department of the Santa Fe railway in Kansas. Trackman, station agent, telegraph operator, road master, train master, division superintendent, general superintendent, general manager, vice-president and president are the milestones on the road Mr. Mudge has traveled to the presidency of a great transportation system of 5,000 miles. The Rock Island chief was recently elected president of the American Railway association, an organization of the executives of the leading railways of north America. Is not the old fashion among golfers of wearing red coats on the links aesthetically and as strong color is once more coming into its own in our time, here is an opportunity for indulging in it to the general advantage.—Mr. Filson Young.

### SCRAP BOOK

Peter the Great, Founder of Modern Russia, Honored To-day.

In the Russian calendar the ninth of June is a date of profound and historical importance, for it marks the anniversary of the birth in 1672 of Peter Alexievitch, usually styled Peter the Great, who was the creator of modern Russia, the father of such civilization as Russia may be said to possess, and the first czar of Muscovy to assume the title of Emperor. All students of history are familiar with the career of Peter the statesman and soldier, who, disguised as a workman, toiled in an Amsterdam shipyard in order that he might introduce the art of shipbuilding among his people; who, inspired by his tutor, Lefort, a Genoese, determined to introduce the arts and sciences of civilization into Russia, and visited Holland, England and Germany, keenly observing and learning all that he could of trade, manufactures, commerce and the arts; and who introduced this heaven of civility, as a land which had been plunged into darkest barbarism. The student also knows that the father of his country, while reforming others, neglected to reform himself—an omission not peculiar to Peter—and remained to the last a coarse and brutal savage and tyrant, addicted to the meanest vices, and indulging his greatest joy in torturing his enemies. Often he lopped off ten or twenty heads in succession, and was immensely proud of his horrid dexterity with the sword. Of Peter the lover less has been written, yet this crude barbarism was not without romantic precedents, and the early period of his reign he jointly occupied the Muscovite throne with his brother, Ivan V., a weak and futile person, but after seven years of intrigue Peter ruled alone. His first wife, Eudoxia, was a refined woman of noble birth, but Peter soon tired of her, and imprisoned her in a nunnery, where, ill-clothed and underfed, she spent twenty-four years of torture. One of the most pitiful love letters ever written was addressed by Eudoxia to Major Glebov, a soldier who, by his kindness, had inspired passion in the breast of the luckless exzarina. To her lover she wrote: "Come to me, Without thee I shall die. Send me but a crust of bread thou hast bitten with thy teeth, or the waistcoat thou hast often worn, that I may have something to bring thee near to me." In 1703 Peter privately married Catherine, a girl of peasant birth, who had been a courtesan, and who was the spouse of a Swedish dragoon when Peter first cast amorous eyes upon her. Peter was infatuated with Catherine, who was of Livonian birth, because she possessed a sumptuous and voluptuous figure, and was an expert at ironing shirts. In one of his love letters, written to Catherine while he was away on a campaign, Peter signed, "I am dull without you—and there is no body to take care of my shirts." When Peter was away fighting the fickle Catherine amused herself with intrigues with her courtiers. One of these affairs came to the attention of Peter, and he chopped off the head of the guilty man, and exposed it to public view on a scaffold in the palace yard. Later Peter had the decapitated head preserved in spirits and placed in a bottle in the Empress's apartments, but this horrid souvenir of her love affair did not daunt Catherine, who remained fickle and faithless to the last. When Peter died, after very severe suffering, in 1725, the former peasant girl ascended the throne as Empress Catherine I., and ruled as autocrat of all the Russias until her death in 1727. Europe is honeycombed with ironlands—in the sense of subject and fractions of subject nationalities.—Mr. Lucien Wolf.

### TO-DAY IN CANADIAN HISTORY

Hamilton, the flourishing industrial metropolis at the west end of Lake Ontario, put on city airs sixty-eight years ago to-day, June 9, 1846, when it was formally admitted to the sisterhood of Canadian cities. It was a "city" in name only, however, for its great manufacturing enterprises of today were then undreamed of, and it was just a pretty and quiet little village, serving as a trade center for the surrounding country. When the province of Upper Canada was created in 1791, the principal landowner in the vicinity of the present city was Richard Beasley, who was both farmer and Indian trader, and there were several other settlers in the neighborhood. The site of Hamilton early attracted the attention of the first lieutenant-governor of Upper Canada, Major-General J. Graves Simcoe, and that builder of cities is believed to have considered its possibilities as the seat of government. In any event, he considered it an excellent location for a town, but Beasley asked what the governor thought was an unreasonable price for the property on the heights, although it would doubtless be deemed an excellent bargain to-day. Simcoe, after wavering for a time between the sites of London and Toronto, chose the latter as the capital of the province, and christened it York. The proposal to plant a town at the western end of Lake Ontario languished until after the outbreak of the second war between the United States and Britain. It was then that George Hamilton, a young farmer living near Niagara, sought greater safety from the enemy by removing to the site of Hamilton, and thus became the real founder of the city which bears his name. He not only participated his family name, but in leaving out the streets of the village he christened them after members of his family, including Hannah, Catherine, Augusta, Maria, James and John. From this humble beginning Hamilton has developed into a city of over 100,000 people and one of the most important industrial centres of the Dominion.

### FIRST THINGS

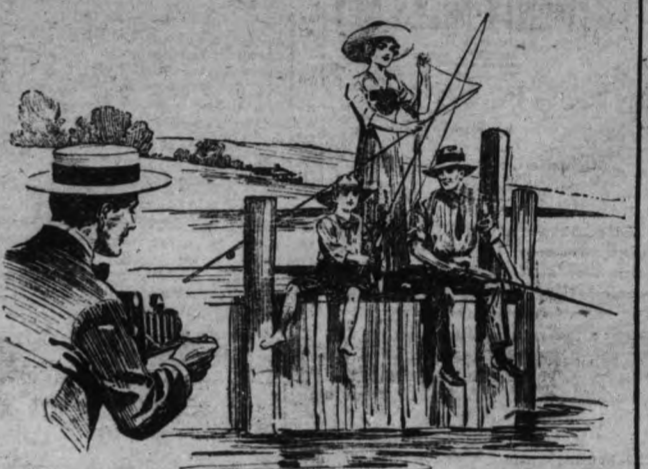

The first locomotive was completed and put into operation just a century ago, in 1825, by George Stephenson, who was born in Wylam, England, 1781, and was engineer at a colliery when he invented a traveling engine to draw wagons along a tramway. Stephenson's first locomotive attained a speed of six miles an hour. Improvement after improvement was made, not only in the locomotive, but in the rails, and in 1825 Stephenson opened the first railway, which was eight miles in length. In 1825 his locomotive, the Rocket, reached a speed of thirty-five miles an hour, winning the prize of \$2,500 offered by the Liverpool & Manchester Railway company. The entire system of railway locomotion, with stations, signals, tenders and carriages, was completed with the inauguration of the Liverpool & Manchester line in 1825. Stephenson was largely instrumental in establishing all the English and foreign lines during the first period of railroading. He died in 1848. The century of steam locomotives finds those engines improved and enlarged beyond the wildest dreams of the inventor, but already threatened with extinction by the electric locomotive.

### ROSY AND PLUMP

Good Health From Right Food.

"It's not a new food to me," remarked a man, in speaking of Grape-Nuts.  
"About twelve months ago my wife was in very bad health, could not keep anything on her stomach. The Doctor recommended milk, half water, but it was not sufficiently nourishing."  
"A friend of mine told me one day to try Grape-Nuts and cream. The result was really marvellous. My wife soon regained her usual strength and to-day is as rosy and plump as when a girl of sixteen."  
"These are plain facts and nothing I could say in praise of Grape-Nuts would exaggerate in the least the value of this great food."  
Name given by Canadian Postum Co., Windsor, Ont. Read "The Road to Wellville," in packages. "There's a Reason."  
Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.  
Tobacco is being grown on an area of 142 acres in Great Britain.

### OUR LETTER BOX

Letters for publication in Daily Times must be received at the Times Office not later than the day before the day of publication. When received later they will be held over until the following day.  
While unobjectionable anonymous communications will be published, the name and address of every writer of such letters must be given to the editor.  
**OIL SHARES.**  
To the Editor:—For the last ten days I have watched both your paper and the morning Colonist, in hopes that I should see some item or letter warning our citizens against these Calgary oil shares which are being sold here by so many firms. It seems really too bad that this business should be allowed to go on so freely and openly and we trying to claim such a clean city. You know as well as I, and so do these men who are selling the shares that it is a swindle of the worst kind, and that it should be stopped. In Manitoba, authorities will not allow the literature to be sold at all. If there is any money to be made out of them, those at the head of the scheme will get the smaller shareholders will get nothing. We have poverty enough here now, and may have a very hard winter to face, so why let this awful gamble go on so openly and say nothing to prevent, these poor greenhorns from buying up these falsely represented oil shares. Perhaps if you could explain to the people how much wiser it would be to bank their ten, fifteen or fifty dollars, they might thank you with all their hearts when they read (a little later on) that the Calgary oil shares have written to their shareholders for more money to work their wells, and then finally that the company has no longer exists. I think a few words to the public, through your paper, on this matter would be space put to good advantage.  
Hoping you will consider my plea seriously.  
(MISS) M. HANNAH,  
Maywood, P. O., June 6.  
Weakness of moral purpose, though it expresses itself in a perfectly "harmless" life, entitles no man to expect the love of a woman.—Mr. W. R. Titterton.

### WEATHER BULLETIN.

## ACCIDENTAL DEATH IS JURY'S VERDICT

### F. C. Green Cleared of All Blame in Connection With Death of Thomas Clyde

A verdict to the effect that the death of the late Thomas Clyde, on Sunday night, was accidental, and that the driver of the motor car which struck him was in no way to blame for the accident, was returned by the coroner's jury this morning.

In summing up, Coroner Hart remarked that the evidence was the clearest of the kind he had ever listened to. The witnesses were all in perfect accord in their statements, and there was no evidence to indicate that F. C. Green, the driver of the car, had shown any culpable negligence of any sort whatsoever. The coroner also pointed out to the jury that the condition of the body showed that the wheel of the car had not passed over deceased.

Dr. W. Baity, who was brought to the scene of the accident by Mr. Green, stated that the bruises which he found on the aged man's body indicated that he would not have been killed had he been a younger man. In his opinion Thomas Clyde had died from shock. After he had been knocked over, Mr. Clyde had become conscious and was able to give his name and address.

Miss Annie Dewhurst, another witness, stated that the deceased was not knocked unconscious at all, and that at the time he was being carried into the shop he was in possession of his faculties. She also stated

### TOO LATE TO CLASSIFY

EXCHANGE—Grocery, about \$2,000, will take as part payment. Apply quick, Box 914, Times.

THE HOLLIES, 539 Michigan. Room and part board, very moderate rates, hot and cold water. Phone 3994L.

## WOMAN WANTED TO ADDRESS PEACE FORUM

New York, June 8.—Jane Est. an I. W. leader, who took an active part in the descent of the churches by that organization last winter and was arrested in April after a disturbance in Dr. Parkhurst's church, was arrested again to-day when she interrupted a religious meeting of the peace forum. She demanded that she be allowed to take the stand and address the audience.

## ODD FELLOWS IN

### REBEKAH ASSEMBLY AND ENCAMPMENT MEETING TO-DAY; GRAND LODGE TO-MORROW

Largest Annual Gatherings of Branches of Order Mark Fiftieth Year

KEEN COMPETITIONS FOR VALUABLE PRIZES

By every train and boat Odd Fellow continue to arrive for the celebration of the jubilee of the order in British Columbia, and the accompanying annual meetings of the highest provincial courts of the various branches, of the I. O. O. F. To-morrow will begin the most important meeting of the series, the fortieth annual session of the grand lodge of British Columbia, which will open in the large hall of the order's building on Douglas street at 9 o'clock.

To-morrow there are expected to be somewhere about five thousand visitors in the city to attend the sessions, and the hotel accommodation is being taxed to the utmost to provide for them. The all-time committee has its headquarters in the large hall of the order's building on Douglas street at 9 o'clock. To-morrow there are expected to be somewhere about five thousand visitors in the city to attend the sessions, and the hotel accommodation is being taxed to the utmost to provide for them. The all-time committee has its headquarters in the large hall of the order's building on Douglas street at 9 o'clock.

This morning two of the branches of the I. O. O. F. began their annual gatherings, and continued through the greater part of the afternoon. The sixth annual session of the Rebekah assembly opened under the presidency of Sister Parker, Cranbrook, president of the Rebekah assembly of British Columbia. The twenty-third annual session of the Grand Encampment, I. O. O. F. of British Columbia, is holding its session with Brother Alexander Cleland, Vancouver, grand patriarch, in the chair.

At both these gatherings there is a larger attendance than usual of delegates, and close attention is being paid to the mass of business which is before them. In both the morning was occupied with the reading of the annual reports of the officers and the discussion of these, which was continued on into the afternoon. The grand encampment concludes its business late this afternoon, but the Rebekah assembly will have their sessions to-morrow morning, and on Thursday to elect officers and close up the business of the annual meeting. The grand encampment will be banqueted this evening in the I. O. O. F. hall by the members of Vancouver Encampment, No. 1.

The department council of B. C. Patriarchs Militant, concluded its business before proceeding to the drill hall to begin the competitions in individual and canton drill, for which large prizes are being given. This year's gathering of the council was the largest yet held, and this city on Friday evening was fuller than ever of optimism and of word of progress in every direction of the activities of the Patriarchs Militant.

The officers in attendance at the council were Col. N. Jansen, Vancouver, president; Lieut.-Col. F. C. Dillabough, Victoria, vice-president; Capt. McLean, Vancouver, secretary; Major Perry, Vancouver, officer of the day; Captain Graham, Nelson, officer of the guard; Major Proudfoot, Nelson, chaplain.

The degree competitions, for which very handsome money prizes are being offered, began last evening in the hall of the Knights of Pythias with that of the exemplification of the Rebekah degree, continuing this afternoon and evening. Colfax lodge, No. 1, Victoria, put on the work last evening, this afternoon at 4 o'clock Miriam lodge, No. 3, Nanaimo, competed, and this evening at 9 o'clock Miriam lodge, No. 2, Vancouver, will have its turn.

The judges for this competition are Brothers A. H. Blackie, Toronto, grand patriarch of Ontario; J. G. Miller, grand master of Manitoba; and H. Webber, Vancouver. The committee in charge of the arrangements for the competition are Brothers R. Livingston, J. Wilby, Harrow and Thomas Steward.

The Encampment Royal Purple degree competition began in the large I. O. O. F. hall this afternoon at 1 o'clock with the entry of Acme Encampment, No. 10, of Vancouver, and the general session of the grand lodge will follow at 9 o'clock this evening.

The judges for this competition are Brothers William H. Cullin, and Andrew Sheret, Victoria, and Thomas Embleton, Roseland. The committee in charge of the arrangements are Brothers David Dewar, Deacon, Tuck and Babington.

In the initiatory degree competition the first staff to compete will be from Victoria lodge, No. 1, which will put the work on in the Knights of Pythias hall this evening at half-past seven, followed at 8 o'clock to-morrow morning by Mount Pleasant lodge, No. 19, Vancouver, and at 4 o'clock in the afternoon by Island lodge, No. 24, Eburne.

For this degree the judges are Brothers Fulton, Ladysmith; Dr. W. J. Wriglesworth, Vancouver; and E. J. Cavalsky, Nanaimo. The committee in charge are Brothers E. Wright, D. DeWart, McKelvie, J. Hay and Ventris.

In the first degree competition the first team to be judged will be Columbia lodge, No. 2, Victoria, which will go on to-morrow evening in the Knights of Pythias hall at 7 o'clock, followed at 9 o'clock by Royal City lodge, No. 3, of Norfolk, which has been charged with being judged on Thursday morning.

The judges are Brothers J. W. Dick-

At both these gatherings there is a larger attendance than usual of delegates, and close attention is being paid to the mass of business which is before them. In both the morning was occupied with the reading of the annual reports of the officers and the discussion of these, which was continued on into the afternoon. The grand encampment concludes its business late this afternoon, but the Rebekah assembly will have their sessions to-morrow morning, and on Thursday to elect officers and close up the business of the annual meeting. The grand encampment will be banqueted this evening in the I. O. O. F. hall by the members of Vancouver Encampment, No. 1.

The department council of B. C. Patriarchs Militant, concluded its business before proceeding to the drill hall to begin the competitions in individual and canton drill, for which large prizes are being given. This year's gathering of the council was the largest yet held, and this city on Friday evening was fuller than ever of optimism and of word of progress in every direction of the activities of the Patriarchs Militant.

The officers in attendance at the council were Col. N. Jansen, Vancouver, president; Lieut.-Col. F. C. Dillabough, Victoria, vice-president; Capt. McLean, Vancouver, secretary; Major Perry, Vancouver, officer of the day; Captain Graham, Nelson, officer of the guard; Major Proudfoot, Nelson, chaplain.

The degree competitions, for which very handsome money prizes are being offered, began last evening in the hall of the Knights of Pythias with that of the exemplification of the Rebekah degree, continuing this afternoon and evening. Colfax lodge, No. 1, Victoria, put on the work last evening, this afternoon at 4 o'clock Miriam lodge, No. 3, Nanaimo, competed, and this evening at 9 o'clock Miriam lodge, No. 2, Vancouver, will have its turn.

The judges for this competition are Brothers A. H. Blackie, Toronto, grand patriarch of Ontario; J. G. Miller, grand master of Manitoba; and H. Webber, Vancouver. The committee in charge of the arrangements for the competition are Brothers R. Livingston, J. Wilby, Harrow and Thomas Steward.

The Encampment Royal Purple degree competition began in the large I. O. O. F. hall this afternoon at 1 o'clock with the entry of Acme Encampment, No. 10, of Vancouver, and the general session of the grand lodge will follow at 9 o'clock this evening.

The judges for this competition are Brothers William H. Cullin, and Andrew Sheret, Victoria, and Thomas Embleton, Roseland. The committee in charge of the arrangements are Brothers David Dewar, Deacon, Tuck and Babington.

In the initiatory degree competition the first staff to compete will be from Victoria lodge, No. 1, which will put the work on in the Knights of Pythias hall this evening at half-past seven, followed at 8 o'clock to-morrow morning by Mount Pleasant lodge, No. 19, Vancouver, and at 4 o'clock in the afternoon by Island lodge, No. 24, Eburne.

For this degree the judges are Brothers Fulton, Ladysmith; Dr. W. J. Wriglesworth, Vancouver; and E. J. Cavalsky, Nanaimo. The committee in charge are Brothers E. Wright, D. DeWart, McKelvie, J. Hay and Ventris.

In the first degree competition the first team to be judged will be Columbia lodge, No. 2, Victoria, which will go on to-morrow evening in the Knights of Pythias hall at 7 o'clock, followed at 9 o'clock by Royal City lodge, No. 3, of Norfolk, which has been charged with being judged on Thursday morning.

The judges are Brothers J. W. Dick-

## RESSENTMENT IS FELT

### BY BOARD OF TRADE

Conduct of the Cost of Living Commission Calls for Condemnation by Council

Strong feeling was in evidence this afternoon at the meeting of the council of the board of trade in regard to the manner in which the royal commission which is holding an inquiry into the causes of the cost of living in Canada is doing the work allotted to it by his royal highness, the governor-general.

Several very severe reflections were made upon the chairman and the members of the commission as a whole owing to the way they stole into Victoria, so to speak, and the scant opportunity they gave to those who would have been able to give them valuable information.

The commissioners arrived in the city without anyone having received the slightest intimation that they were coming, or any advice having been sent to public bodies here as to the possible dates of any sitting on Vancouver Island.

Beaumont Boggs, who is chairman of the special committee of the board which is dealing with this matter, reported that he had attended before the commission with H. A. Munn when they learned that it was in town, but they went as private citizens, and what they stated to the commissioners was given as their own views and not as those of the board, seeing that the board had not had the courtesy of any intimation of the coming of the commission.

They had noticed the conveners of the Local Council of Women's special committee there, but had found out afterwards that when these ladies called to give evidence the commission had closed its sittings here.

The secretary was instructed to write to the department at Ottawa, expressing the regret of the board of trade of Victoria that in such an important matter it had had no opportunity to lay its views on this subject before the commission which was supposed to be touring the Dominion with the object of getting information.

One of the committee reports received this morning stated that the receipts from the sick mariners' dues last year were \$10,000 in excess of the amount paid out for the care of sick seamen at this port.

Other matters dealt with to-day were in regard to the imperial trade commission, which is expected to sit here towards the end of the year; lumber exports, the appointment of a Canadian customs officer at the port of New York, the appointment of a trade commissioner with knowledge of the products and manufactures of the western provinces, western freight rates and the Esquimalt dry-dock.

## PLUME DEALERS WANT LEGISLATION REMOVED

Paris, June 9.—Called to defend their industry against what is termed destruction on the part of bird protectors, the international congress of plume dealers met here to-day. The deliberations will continue several days.

Edmond Morin, vice-president of the French association of feather merchants and manufacturers, told the delegates that what must be obtained was the repeal of that section of the United States tariff act prohibiting the importation of plumes. Knowledge of the decree recently promulgated in Canada, and also the prevention of proposed legislation in Great Britain.

## I. O. O. F.

The officers and members of Victoria Lodge No. 1, Columbia Lodge No. 2, Dominion Lodge No. 3, and Vancouver Encampment No. 1 are requested to meet on Wednesday next, the 10th June, 1914, at 12.30 p. m. in the hall of the order, for a grand parade and attending a mass meeting in the Royal Victoria Theatre.

The members of Victoria Lodge No. 1 and Vancouver Encampment No. 1 will meet in the large hall, members of Columbia Lodge No. 2 in the centre hall, members of Dominion Lodge No. 3 in the library. Members are requested to bring their badges.

BY ORDER OF THE COMMITTEE.

## CORPORATION OF THE DISTRICT OF SAANICH.

Collection of Garbage.

Tenders will be received up to noon on the 19th of June for the collection of garbage. Specifications will be supplied on application to the undersigned.

HECTOR B. COWPER, C.M.C.  
Royal Oak, B. C., June 8, 1914.

## TO THE BOARD OF LICENSING COMMISSIONERS, CITY OF VICTORIA

TAKE NOTICE that application will be made to the Board of Licensing Commissioners of the City of Victoria, at their next sitting to be held at the City of Victoria, for a transfer of the retail restaurant license to sell spirituous and fermented liquors, held by me from the premises known as the Esquimalt Hotel, situate on Government Street in the City of Victoria, to the premises known as the Rainier Cafe, situate at No. 560 Johnson Street, in the said city, and for a transfer of such license from me to Lorenzo Joseph Quagliotti, of the City of Victoria.

Dated this 1st day of May, 1914, at the City of Victoria.

MICHAEL YOUNG.

## CLABBY AND MCGOORTY.

Sydney, N. S. W., June 9.—Jimmy Clabby, who by popular decision of press and ring fans was robbed of his victory by the referee in his fight against Jeff Smith, of Philadelphia, Saturday night, has been matched to meet Eddie McGoorty, of Oshkosh, Wis., here July 4 for the world's middleweight championship.

## GIBBONS TO MEET MURRAY.

Chicago, June 9.—It is announced that Mike Gibbons, of St. Paul, has been matched against Billy Murray, of San Francisco, who claims championship honors as a middleweight pugilist. The contest is to be before the Stadium Athletic club in New York June 18.

## ACCUSED OF CHOKING WIFE.

Norfolk, Neb., June 9.—Frank Judd, of Norfolk, is under arrest, accused of choking his wife to death early to-day. He alleges she told him she loved another man.

## DOLLAR DAY AROUSES CIVIC ENTHUSIASM

Thousands of Shoppers From Outside Are Looked for on Saturday Next

It is with the utmost confidence that the merchants of the city look for thousands of shoppers on Saturday next, to take advantage of the very exceptional bargains that are being offered in every store. The inauguration of Dollar Day in Victoria is expected to mark the opening of a new era in the business of the city, and to draw to Victoria hosts of buyers who will come again.

In the columns of the Times Wednesday will be found a hint of the sort of bargains that are being placed on the counters on Dollar Day, and it will pay everyone to watch for these and read them carefully. Not only will the shoppers of the city be able to take advantage of these but the thousands who are in the city for the I. O. O. F. convention and the thousands more who will be in by boats and trains on Saturday will be in a position to profit by these.

The Retail Merchants' association is sparing no pains to make the day a success, and is taking steps to advertise the fact of the great bargains to be had here as widely as possible. The same success which has met the day elsewhere is looked to to mark it here, and there is no reason why it should not.

Victoria is the natural shopping centre of Vancouver Island, and it only needs such an occasion as Dollar Day to prove it to the people of the island and of the city as well. The day is one to arouse the greatest enthusiasm on the part of every Victorian, and it goes without saying that everyone will do his or her utmost to make the day known and the bargains that are to be had here on Saturday next.

On all the railway and steamer lines there are being special return fares given, so that there should be a large influx of shoppers.

From every part of the surrounding country it will be made profitable for shoppers to come to Victoria, and there is no doubt that they will avail themselves of the chance.

The Dollar Day scheme is of advantage to the merchant as well as to the purchaser, and it is the recognition of this fact that has led to the ready consent of practically every man in town, large or small as his business may be, to give his support to the movement. At the same time that he is giving the shopper something more than the usual good value for his money he is bringing into his store a host of people who may be made new customers.

People from adjoining towns will also be given an opportunity to see that it is to their advantage to do their business in Victoria regularly as well as on Dollar Day, and in this way the city will receive a benefit generally from the enterprise of the merchants.

Irishmen nearly always possess a thick skull.—Dr. Wynn Westcott.

## SEVEN DAYS' RACING

Oak Bay Municipality Tells City It Must Be Responsible For Willows Races.

The stand of Oak Bay municipal council on racing at the Willows ground was again set forth in a communication sent to the city council and read last evening, the attitude being indicated in a letter from Reeve Oliver.

The city had asked the suburban council to take such steps as might be necessary to prevent any violation of the law in regard to race meets within the limits of Oak Bay municipality. The reeve said that Oak Bay municipality had no intention of granting any permit for race meetings within the municipality, saying only such as might be applied for by the city to be held upon the city's property at the Willows. He added that if such permit was applied for by the city, and granted by Oak Bay, the city should take the entire responsibility for such meeting and assume all liabilities of whatever nature arising therefrom and that the conduct of the proceedings should be in the hands of the Oak Bay police.

The communication added that Oak Bay had every confidence in its police force discharging its duties without any request from outside parties, but if there were any special phases of race meetings which the city council had in mind in wording its resolution, Oak Bay would like clearly to understand what they were, so that its police might know how to cope with them. If the city had in mind betting, he was directed to say that betting at a race meet was no violation of the law, and therefore it was out of the power of Oak Bay to prevent it once the meeting was approved.

He asked the city council to settle whether it intended to ask for a permit or not.

On the motion of Alderman McCandless the council decided to ask for a permit for seven days' racing, the solicitors of the two municipalities to confer on the matter.

## To Have Perfect Skin Throughout the Summer

These days the face needs special care and attention. Flying dust and dirt, the beating sun, are severe on any skin. Their despoiling effects are best overcome by the application of pure mero-cosized wax. This keeps skin and pores in a cleanly condition, the complexion beautifully white and spotless. Discolored, freckled and roughened cuticle are actually absorbed by it. One ounce of mero-cosized wax, obtainable at any drug store, is sufficient to completely renovate a soiled complexion. It is used like cold cream, allowed to remain on over night, and washed off in the morning. As the skin tends to expand in warm weather, causing wrinkles to form, a good astringent lotion should be used. Dissolve 1 oz. powdered mero-cosized wax in 1 pint witch hazel. Bathe the face in this during the heat of the day or before going out for theatre or social affairs. It is used like remarkable skin tightener and wrinkle eraser.

There are some services which, from their nature, have come to be regarded throughout the world as being distinct from ordinary commercial undertakings, in that they are operated primarily to serve social needs. Railways are one of these services, just as much as the post office, the telephone service and the public roads.—Mr. Emil Davies

## Appropriate Souvenirs of Your Stay in Victoria

Odd Fellows Are Welcome to Make Good Use of Our Rest Room and Other Store Service

The famous "Elkington's" English silver-plated ware, the popular "Roger Bros. 1847" products, cutlery from the leading Sheffield manufacturers; fine art china, including such lines as the Royal Worcester and Royal Crown Derby; choice art wares, including Josiah Wedgwood's Blue Jasper and Black Basalt wares—in fact, such a host of souvenirs your friends will appreciate that it is impossible to describe them.

## Beautiful Dinner Sets of 105 Pieces in Austrian China

New Patterns at \$30 and \$35

Our window displays tell the story of their worth and beauty far better than any word picture. Nothing we can say here will flatter them in the least and those who need a new set, a set they will be proud of, should see them without delay. Of course, we will arrange easy terms for you.

Open Stock Sets are here in abundance. Anything from neat and inexpensive patterns in English semi-porcelain up to the finest Haviland Limoges china are to be had.

Popular Priced Sets in choice designs are well represented and our special values at \$25.50 and \$25.00 deserve special attention.

## Dollar Day Bargains

Watch Our Window Displays. The Bargains Are Great

## Much Enjoyment and Benefit From a Small Investment

A Hammock can be bought at such a small cost that it is difficult to imagine why so many people forego the luxurious comfort that it affords.

Your porch, veranda or shady spot in the garden will afford you much greater pleasure if a Hammock is swung this season. Get the full benefit of the fresh air and enjoy the most luxurious Summer lounge that we know of.

Prices up to \$6.50 from only \$2.75.

## "The Elite" Limoges China Open Stock Dinner Ware

This beautiful ware is now to be had in the ever popular "Bridal Rose" pattern or the plain white edged with burnished gold.

Our stock has been renewed, and all lines are to be had. Few lines quite as attractive, and should be considered before you make up your new set.

The "Bridal Rose" pattern may be had in a fine quality of Austrian china.
