“As a community we are great to organize the world's knowledge but we suck to organize our own knowledge”

Kippelboy (talk) 11:44, 8 February 2016 (UTC)

We support community leaders to navigate the seas of our connected world

We are here to help leaders scale programs

Getting Started

Getting Help

Getting Global

Getting Great

Learning Days

Focused on **affiliates & programs**

Getting organized and focused on **what works**

Making **connections** & learning new **strategies**

Connecting with other people like you

Before we get started...

Question 1

How long have you traveled to be here today?

A	B	C	D	E
1-3 hours	4-5 hours	6-10 hours	11-15	More than 15 hours

Question 2

What portion of your Wikimedia time do you spend on programs and events?

A	B	C	D	E
0-20%	21-40%	41-60%	61-80%	81-100%

Question 3

What WMF grants programs do you have the most experience with?

A	B	C	D	E
Travel or Participation Scholarship	Individual Engagement Grant	Project or Event Grant	Non-FDC Annual Plan Grant	FDC Annual Plan Grant

Participant Goals for the Pre-Conference

Our Pre-Conference Goals

Participants gain increased fluency in
a **common language** of programs and
evaluation and **understanding of**
available resources

Participants learn ways to **identify**
measurable outcomes and tools for
measuring program impact

Participants **work together** as a network of community leaders **to share learning**

Participants learn how to bring their learning home to their communities

Overview

Session Evaluation

Exercise

Please mark which sessions you attend

The Form

Wednesday Sessions			Share something you...
Time	Exchange sessions (Room A)	Workshop sessions (Room E)	liked the best in the session:
900	[Shaded]	Leadership Orientation	<p>... and fill in answers for the three evaluative questions for those sessions in the spaces provided</p>
1000	Welcome and Orientation	[Shaded]	
1100	Rotations: Logic Models	ABCDs of Storytelling	
	Rotations: Outcome Mapping		
	Rotations: Survey Questions		
	Rotations: SMART Targets		

The Questions

1. What did you like best about this session?
2. What would you suggest for improving next time?
3. One action step you plan to pursue to develop as a leader in the next 30 days.
