What can I do?

WIKIMANIA
CAPE TOWN

- Create and edit Lexemes <Special:NewLexeme>
- Try if it's working with your language
- Suggest or discuss new properties Wikidata:Property_proposal/Lexemes
- Discuss with the community about how to model words
- Report any bug or wish for the future Wikidata_talk:Lexicographical_data
- Try the existing tools Wikidata:Tools/Lexicographical_data
- Suggest ideas of tools Wikidata:Lexicographical_data/Ideas_of_tools

What will come next?

WIKIMANIA
CAPE TOWN

- Better search features
- Improvements on the interface
- Senses
- Possibility to build queries with the data
- More tools
- More editors, more diversity in the languages!

So let's edit!

By groups of 2, during the next 40 min

Goal for you: learn how to edit Lexemes
and feel comfortable with the interface

Goal for us: get feedback on the usability
and the modelling of many different languages

WIKIMANIA
CAPE TOWN

Editor

- **Go to** Special:NewLexeme
- **Create a word in your favorite language**
- **Improve it by adding statements and Forms**
- **Create other Lexemes or items if needed**
- **Explore the interface**

Observer

- **Take notes on**
<https://huit.re/lexdata>
 - **Describe what the editor is doing**
 - **Describe the problems**
 - **Help the editor if necessary**
- Wikidata:Lexicographical data

Wrap-up
