Scale – Warning: Soil Map may not be valid at this scale. Enlargement of maps beyond the scale of mapping can cause misunderstanding of the detail of mapping and accuracy of soil line placement. The maps do not show the small areas of contrasting soils that could have been shown at a more detailed scale.

Use – Data derived from the Web Soil Survey, U.S. Department of Agriculture, Natural Resources Conservation Service may be used as a reference source. This is public information and may be interpreted by organizations, agencies, units of government, or others based on needs; however, they are responsible for the appropriate application which may not reflect U.S. Department of Agriculture, Natural Resources Conservation Service standards.
