s Two years.

The Society for providing Evangelical Religious Literature for the Blind, whose managers are Right Rev. O. W. Whitaker, D. D., President, and George D. Boardman, D. D., of Philadelphia; Talbot W. Chambers, D. D., and William B. Wait, Superintendent of the New York Institution for the Blind, Prof. R. E. Thompson, D. D., of New York, R. S. Storrs, D. D., of Brooklyn, and Bishop Cyrus D. Foss, D. D., Vice-President, has continued the publication of the Sunday School Weekly through the American Printing House for the Blind. An edition in Roman or line letter, also one in New York Point, has been published regularly. This publication contains the International Sunday School Lessons; and, at the suggestion of Mr. H. L. Hall, the agent and manager of the society, the lessons for the vacation have been supplied to the various institutions in advance, so that copies could be distributed to the pupils, in order that they might attend their local Sunday Schools with well-prepared lessons, and keep up regular religious study during the summer vacation.

The American Bible Society has contracted for stereotyping and printing a complete edition of the Bible in the New York Point letter, which will probably be finished during the year.

The new books for the year will be found in the appendix.

The New York Institution for the blind has, as usual, used its quota under the direction of Mr. Wait in preparing and publishing music in point notation.

All of which is respectfully submitted.
