Date: 12/05/2014

Start Time: 15:00h

End Time: 17:00h

Place: Groep T

Absences/Apologies:

Agenda

- Discussing and divide activities to be performed by each member.
- Discussing about new model.
- Progress of the new model and corrections to be done.

Minutes

A feedback session on SSV part 2 has been organized by our coach and all were present on there. Team members explained the works done by them in the fablab. Fully fledged work was done in fablab, as time was near for final race, group leader guided the team to correct the mistakes in the new model. The idea of painting the car in red and black was also described. design on the SSV was discussed in more detail (about the patterns on the car).group leader and chaitanya decided to go to hardware shops and get the materials required, other member were given work in fablab.

Member Name	Activity
Praveen Saragadam	Design SSV/ shopping of materials
Sanjay Kandukuri	SSV design/fablab/2d design/
Anjali Nedunuri	Reports / fablab
Surendra Botu	fablab
Anoop Nuka	fablab
Chaitanya Ketha	Fablab/ shopping of materials

Weekly Progress Report:

SSV was almost done, and the progress was good, second collision test was also done. The SSV was quite strong and as we expected.
