THE NORTHERN MAIL failed yesterday from heyond Charleston. The papers due on Thursday came through.

opinion was tendered by Chief Justice Dapo, opinion was tendered by Chief Justice Dapo, and concurred in by five of his associates. Two of the judges, viz.: Gao. C. Controct and John W. Baows, offered dissequency opinions. A brief abstract of the wews of the Court is given by the Mergy the Golows:

Judge Denic examines the question as helic direct constitutionality of the District and of the settled of the appointments adopted is the bill, and declares that there is nothings adverse in the letter of the Constitution in either. The true remedy for unwise legislation is provided for in the Constitution by the frequent reseway of legislators. There is nothing in the Constitution probability the abolition of the local police arrangements of the city by the Legislature, or the remodeling of the force in any manner that the Legislature sees the The judgment of the Supreme Court is therefore affirmed. The opinion also mays that other points have been wread, but as the judgment confirms the constitutionality of the law, it is not necessary to consider them.

We experience unailty ed graftleatfon in recording this highest evidence of a law-abiding, law-respecting spirit. When we hear in minetthat the city of New York numbers a majority of a least forty thousand electors, who are invincibly hostile to Black Republican ductrines and domination, and that the Metropolitan Poince bill was expressed by framed to place in power the representatives of a level of minerity, and to marest them with the extehded authority over the police previously wielded by the Mayor and Common Chuncil; that by this act a framedicus ameinst of political patronage

Sabuid they sanc-tion the action of the Legislature, an appeal still lies with the people. By the peaceful agency of the bullet be x popular sovereignty can always rebulk originate and ensure re-form. Suppose this remedy proves inade-quate—suppose the people confirm the de-cisions of the Courts and the ancetments of the Legislature, what further redress may be held. We know the more.
