Resister, Mond. A.M. 21st Oct.

¹⁸⁷⁸ Thank you for kind invitation to attend
the greeting to Garrison, - just
come, but too late for me to reach
you. Forty three years! what an
eternity to look forward to - how
brief, when gone! What wonderful
works have been done in that time!
Courage! & overcome the prevailing igno-
rance, sensuality, & corruption. L.H.
