OUR TOWN

THE ALL-YEAR-ROUND
HOME TOWN

VOLUME II. NUMBER 3

NARBERTH, PA., THURSDAY, OCTOBER 28, 1915

PRICE TWO CENTS

PUBLIC SCHOOL TO RUN ON PART TIME

First, Second And Third Grades
Affected By Change Due To
Inadequate Accommodations
—Change To Go Into Effect
November 1st—Board of
Directors Considered
Move Carefully

On Monday evening at the regular monthly meeting of the School Board, it was decided that the first grade (first and second sections), and the second and third grades be put on part time, beginning November 1, in order to discontinue the present arrangement of using the Y. M. C. A. Building.

This move was made after seven weeks' careful consideration by the board, and it was the last thing it wanted to do in order to better the present over-crowded condition.

The first grade will now hold its classes in the public school on the hill, alternating with the second and third grades as follows:

One week, second and third grades in A. M. The next week in P. M.

On November 1 the first grade will meet at the public school at 12.30 P. M.

AN INTERESTING EXTRACT.

Our Town has come into possession of a little pamphlet entitled "One Way Out," issued by the Bureau of Municipal Research. We print some of the contents below, and will let our readers take the extract for what it is worth:

"According to newspaper reports there were about 18,000 part-time pupils in the public schools of Philadelphia at the opening of the fall session a few weeks ago. This is a highly deplorable state of affairs and one's impulse would be to criticize those responsible for it.

"Councils can no longer be held to blame for school matters, and the captious critic would be inclined to be harsh in his judgment of the educational authorities, who, under the school code of 1911 have ample authority, as well as ample financial resources.

"But there are some factors entering into the part-time problem which it behooves the thoughtful citizen to consider. In addition to the rapid increase in social population in our larger cities, is the added fact of the shifting of population within the cities. When it is taken into consideration that ordinarily it takes from one to two years to build a modern schoolhouse, it becomes apparent how easy it is for a newly developed section of the city to go for a long while with its school wants uncared for. On the other hand, it seems clear that when a neighborhood gradually ceases to be residential, the use of the schools there provided becomes less and less. This is illustrated in Philadelphia by the Vaux School at Twelfth and Wood streets, which is an excellent plant but which, because of a comparatively rapid change in its neighborhood is of no use as a school, and stands vacant.

"Regarded in the light of its social bearings this matter of not providing each child with a place where he can get a full-time education, is a crime against posterity—regardless of who is to blame. This is true because the problem is entirely possible of solution. While it is, of course, a problem that is mainly pedagogic and sociological, it has mechanical or engineering aspects. Given a certain number of children, a variable but not unlimited rate of increase, a time element, a cost element, etc., etc., a way out is ascertainable.

"No industrial plant could stay idle 165 days out of the 365, and 18 or 19 hours out of 24 and be a success. Measured by these standards our schools, which are in fact used but 200 days a year, and only five or six hours a day, are most extravagantly employed."

UNCLAIMED LETTERS.

Miss Abby Kurtsman, Mrs. J. McCauley, Mr. E. M. Johnson,
Edward S. Haws, P. M.

A PERSONAL LETTER FROM THE EDITOR

When the Editor took charge of Our Town, just two weeks ago, he was assured that he need have no concern as to financing the paper. This part of the work was to be cared for through other sources.

Of course, this was quite a satisfaction, for, to know where one can go for money is, in any stage of life, a wonderful condition, but the Editor, not being satisfied just to edit Our Town, looked very carefully into its other departments, and found a condition, of which he is going to tell you.

Our Town is a losing proposition as far as its revenue (advertising and subscription income) is concerned. In many is-

ues there is a deficiency to make up, and which is done by several of our various organizations, together with a few of our enthusiastic Townsmen. We have in Narberth many organizations and Prince-men who are always ready to help along any good and just cause to a greater extent than in only giving words of encouragement.

Encouragement is a wonderful thing. It inspires men to reach for great and noble things, but, oftentimes, to accomplish certain ends, money is a greater factor indeed.

You say "Our Town is needed. It is a fine, newsy little sheet," but with this encouragement, your dollar for your subscription will work wonders. We want a subscription from every resident of Narberth, for surely if Our

Town isn't worth that dollar, it isn't worth anything.

For one dollar mailed promptly, we will send you Our Town for the balance of this year and all of next year. This concerns only the matter of new subscriptions. As far as renewals are concerned, these will be taken up at a later date.

Will you be one of at least twenty-five to send in a dollar right now so that we may have a good showing for the coming week?

Do not let our organizations and a few people make up this weekly deficiency.

It is the support of the many that we need.

This week we have received subscriptions from the following people: F. G. Gishop, M. D., Harry Street and T. A. Johnson.

COMMUNITY CLUB.

The tea on Tuesday, October 26, was in charge of Mrs. C. T. Moore, assisted by Mrs. Clement Booth and Mrs. William Parker.

The following Tuesday, November 2, Mrs. C. T. Faries will preside, and the members of the club with their friends are cordially invited to come in from 3 until 5 o'clock to pass a pleasant afternoon meeting new as well as old friends.

At this time Mrs. Carroll Downes, who has charge of the branch of Queen Mary's Guild at Narberth, will have more to tell us of the work we are asked to do for the soldiers in Europe.

DOMESTIC SCIENCE IN OUR SCHOOLS.

Work has actually begun in the Domestic Science Department of our Narberth School. This result was brought about by a determined effort on the part of those interested, after the most careful planning and studying of the whole proposition. The outlay of money was very small indeed, and for such a small outlay, the lines on which the domestic science department is working are very simple, but practical and efficient.

Seventy girls are taking the course. There is a class daily from 1.10 to 3, with twelve to fifteen in a class. The course now includes cooking only, with elementary household management. Unlike most first-year domestic science schools that give girls only actual cooking without any knowledge of the products with which they are working, the Narberth girls are learning about the common household groceries.

There has been installed an adequate commercial museum, containing samples of raw products as well as other products in the various stages of manufacture, with photographs and explanations of the same.

The second and third year course will include household economics, and other useful and essential information.

As soon as funds are available the domestic science course will be supplemented by domestic arts, the latter consisting of sewing, dressmaking, as well as interior decorating.

Our taxpayers should not lose sight of the fact that the domestic science course is not costing them anything. The present board believes in this course, and if funds were available for this purpose it would not hesitate to support it financially. But there being no appropriation for this undertaking, a few individuals have taken the responsibility upon themselves, and patrons and friends have contributed the amount necessary to purchase the desk-tables and gas plates.

By a special arrangement, Miss Fryer is able to devote a portion of her time to this course, being well qualified for the work, having stood among the highest in her class at Drexel Institute.

You are welcome to inspect the work of this department any afternoon, from 1.10 to 3.

With the addition of the domestic science course, two of the four long-needed necessities are realities, namely, D. C. course and warm lunches.

EVERYTHING READY FOR THE BASEBALL BANQUET

Narberth Citizens, and Guests,
To Honor Main Line Cham-
pions—You Can Get a
Ticket At The Door—Big
Crowd Expected

"Are you going to the baseball banquet?"

This question has been on the lips of many enthusiastic citizens during the past few weeks. Every one they have met has been queried, and the answers have been generally cordially affirmative.

One hundred and fifty persons should be seated at the tables in the community room of the Y. M. C. A., Thursday night, when the chairman of the Citizens' Committee introduces the toastmaster.

The officials of the Main Line League and the managers of the five other teams have been invited to be present. Also several Drexel Hill rooters and officials of the Interborough League will be present as the guests of individual Narberth fans.

The trophies are ready for distribution—and Narberth folk have "done handsomely" by their favorites.

If you haven't been accosted by one of the enthusiasts hereinbefore mentioned, don't be left out in the cold. The caterer has been advised to prepare for a "few extra," which insures all who want to come, but haven't a ticket yet, just as good a meal as the fellow who bought the first ticket. Come along and join in the big boost.

WHAT I WANT TO KNOW IS

How Charles McCarter, Jr., can general a foot ball team, manage a basket ball team, help edit a paper, play tennis and study? This boy is sure starting early with Character, Capacity and Capability, all valuable assets for a young man.

Would I be entitled to \$25.00, as per Section No. 1, Borough Ordinance No. 50, if I should peach on a neighbor who used five shots to put a cat out of its misery a few evenings since?

Whether, if Mr. Hill had heard the report of the actual shot fired at Narbrook instead of the echo, could he have beaten his record by three minutes?

If Dr. Chas. E. Becker could have bested Mr. Taft at boxing, if Mr. Taft had been an ordinary individual instead of the President of the United States?

Why anyone should kick about the erstwhile issues of Our Town containing too much sporting and church news, when we have always been led to believe that men are of two classes, the good and the bad? Surely this covers things, and besides, we haven't any police court reporter.

Why the man who returned Our Town and only stated that he doesn't want the paper, didn't keep in mind the ad. for Postum?

Whether or not it would seriously excite the small children of the borough if, while attending school in Elm Hall, an alarm of fire should be turned in.

Whether or not it would not be wise to let the men, whom we have elected to represent us in school affairs, decide what is the best possible arrangement for meeting and disposing of the present school problem.

Why Betty Baxter has so many re-

DOMESTIC SCIENCE ROOM, NARBERTH PUBLIC SCHOOL

MUSICALE FOR NARBERTH.

A delightful program has been arranged for November 22nd, at 8.15 P. M., to be held at the Y. M. C. A. Hall. The participants will be William H. Carmint, tenor; Gertrude E. Wright, soprano; Plotr Wizla, baritone, and Mrs. B. Franklin Armiter, reader. Dancing will follow the musicale.

porters that she reports the same dinner twice.

Why the meeting of Councils held on October 11, was referred to as the "last" meeting of Councils.

HEALTH HABITS THAT KEEP MEN YOUNG

George W. Braden, Physical Director Central Branch Y. M. C. A., Philadelphia, Gives a Few Rules To Keep Us In The "One Hundred Year Club"

Let us all join the "100-Year Club." We may not reach the 100 mark, but the "health habits" we form will carry us a great deal further than as though we had gone "jogging along" in the old careless way. Why not make superabundant "on-your-toes," "always-up-and-at-it" health our 1915 hobby?

Spasmodic efforts at good living are worthless. My point is illustrated by a story which Dr. Steiner told me at Silver Bay on Lake George some years ago. He said: "I was going through a certain state institution for the insane, when my attention was called to one of the inmates who was riding a hobby-horse. 'That's a fine hobby-horse you have,' said I. 'It's not a hobby-horse; it's a horse,' he replied. 'Well,' I said, 'will you tell me the difference between a hobby-horse and a horse?' 'Sure,' said he, and his reply came from a brain that still possessed some good 'horse sense.' 'The difference between a hobby-horse and a horse is this: you can get off a horse, but you can't get off a hobby.'"

The best rules for conserving health and vigor are not found in text-books. They come from the experiences of men who have kept in "fighting trim" in spite of adverse circumstances. Following an address before a men's club I met a Scotchman who was hale and hearty at seventy-three. He said that although he had been somewhat of a weakling up to nearly thirty years of age, careful living since that time had kept him in good health. I am meeting men constantly who by simple living and regular exercise have kept themselves "fit as a fiddle" beyond the sixty mark. More and more men are coming to see that my making sound health their hobby they can greatly extend the years of successful service and purposeful living.

Here are some health habits from the lives of men who have lived well and long:

Study your own needs as to exercise, diet, sleep, rest and recreation; then "hew to the line" to meet those needs.

Begin the day by drinking a glass of cold fresh water; five minutes' exercise for the big muscles of the legs and trunk; then a quick graded shower or sponge bath.

Don't let your emotions run away with you; needless worry, bad temper, supersensitiveness and pessimism play havoc with the nerves.

Your legs were made to walk on—use them! Walk to and from your work, up stairs and down; don't use a machine, car or elevator when you can "hoof it;" take a hike whenever possible; find out where the beauty-spots in nature are and go to see them. The largest muscles in the body are in the legs—exercise them!

Don't bolt your food—the teeth were made to chew with, not simply as ornaments. There are no teeth in the stomach. If your meal hour is cut short, eat accordingly. A little food properly digested is better than a big, juicy steak, French fried, pie and coffee "put away in a hurry."

Don't coax your appetite with stimulants and condiments. The appetite is nature's guide as to the amount of food you should eat. Americans generally eat too much. You do not whip a sick horse because he refuses to work, or fly a red flag in front of a heifer. Use a little common sense and give the stomach a square deal.

Keep your head high; neck hard against your collar; chest up; breathe freely and deeply (don't wear a tight belt); "look the world squarely in the face." Good posture not only

(Continued on Fourth Page)

Why we wouldn't be justified in saying "Nearly everybody reads Our Town," just as "Nearly everybody reads the Bulletin," when it is a fact that some of us only look at Mutt and Jeff.

EDITORIAL NOTES

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

Only nine more weeks till Christmas. Do your shopping early.

A few of our subscribers looked for a "Supplement" in our last issue. We can't promise one every week.

We regret to have omitted, last week, the regular notices of the Merion Meeting House and St. Margaret's Church, under the church notices.

Our classified advertisements are interesting. One of our townsmen received four replies, and told us to discontinue his notice as he had located the very thing wanted.

Photographs of home scenes and of people you know are always interesting and appreciated. During the past year Our Town has reproduced quite a number of photographs of clubs and people you know. The one shown in this week's issue is interesting indeed, the half-tone being donated by our principal, Mr. W. M. Melchior.

Oftentimes our readers have one or two little items of local interest, which they think are, perhaps, not worth considering sending to Our Town. "Too small an amount of news to mail in," said one of our readers. Of course, while we do not agree with him, we're going to suggest to him—and to you—to call us up on the phone Monday evening from 7 to 10 at which time we will make it a point to take down your items, or even an item, of news. Phone, Narberth 662D.

Our Town has discovered in Narberth, a real author, who sends us in this week, an article signed "Busybody." Of course, we wouldn't care to give his name right now, yet we will say that we believe he is really sincere in asking some of his questions. He is quite a curious fellow, and we like him for not hesitating to ask what he wants to know. At any rate, we hope he will ask us some more questions in the near future, for his original manner, and simplicity, is very interesting.

AUTOMOBILE MAIL SERVICE PROIVING SUCCESSFUL
More than five hundred Automobile Rural Routes have been authorized by Postmaster General Bursleson, of these 288 are now in operation.

Their preliminary experience has convinced postal authorities that the new service will greatly improve the farmers' mail and express facilities.

COMMUNICATIONS

ARE WE DOING OUR PART?

We have been very proud of the lawns and gardens in Narberth this summer. Each resident in all parts of the borough seemed anxious to make the best of whatever space he had, and so our eyes have had a continual feast.

Have we all done our part to keep the property around the station, especially the south side in the same spick and span condition? I fear not. We would not deliberately throw paper and other rubbish on our own lawns, much less would we permit others to do it, and yet we open our mail at the station, tear up and throw the envelope anywhere, but in the box placed there for that purpose. Cigarette boxes, cigar bands, in fact all sorts of rubbish, is gathered every day by men employed by the Pennsylvania R. R. whose task seems hopeless from the fact that their efforts to keep the place clean are not respected by us.

We have no more moral right to throw rubbish on railroad property than we have to throw it in our own or our neighbor's yard. Have we? Then let us all work together for a perfectly spick and span railroad property.

E. H. B.

ARE THE CITIZENS OF NARBERTH INTERESTED IN THE AFFAIRS OF MONTGOMERY COUNTY?

We were pleasantly interested three years ago when the tax rate was reduced from three mills to two mills. Mr. Herman Bready, one of the County Commissioners, held out successfully for this reduction against the desire of the other two Commissioners to prevent it, and invest some \$300,000 of the county's funds in New York City bonds. It is conceded by all who are in a position to know, that Mr. Bready is an excellent County Commissioner. At present there is about \$350,000 surplus in the county treasury. Mr. Bready favors a further reduction of one-half mill in the tax rate. It is claimed that the necessary improvements in the county can be accomplished with this further reduction if its affairs are administered in a business-like manner.

Mr. Bready is a candidate for reelection. Jonathan Y. Keck, a successful business man of Pottstown, is his running mate on the ticket. Neither one of these gentlemen are contractors or are in any way connected with any contracting firm or corporation. With some \$400,000 of funds to be expended in the next year or two in Montgomery County for new bridges and the construction of roads, it would be well for the taxpayers to consider carefully all candidates before voting for the office of County Commissioners.

TO FRIENDS OF EDUCATION IN NARBERTH

The article in last week's issue of Our Town by Mr. Loos on the School Problem, was read with enthusiasm by our faculty and pupils. I am glad the matter of a new building is being agitated, fostered by a man of Mr. Loos' experience and ability.

If more of you interested citizens do likewise, good must come from it. I have no comment to make, nor suggestions to offer at present. May I urge that you all, or your representative, visit the school in the near future? See two or three classes reciting and other pupils studying in one large room; note the strain and tension on each of the teachers and pupils. Visit the "English Cloak Room," or drop in to see the fifty-five little tots of the first grade.

We will not take your time to "explain" or "argue." Five minutes of your time will convince you. Seeing is believing.

Very sincerely yours, in the interest of our boys and girls.

Wm. T. Melchior.

SCHOOL TAXES.

The public schools are quite as beneficial to the community as they are to the boys and girls for whose particular benefit they exist. The average citizen either has children or grandchildren. The education of the children in a country where all the people are supposed to be equal, and where all the men, at least, have a vote, is an imperative necessity if the liberties secured by the founders are to be preserved. Every patriotic citizen sincerely desires to do his part toward preserving national prosperity and individual freedom, and he knows very well that general intelligence is one of the vital necessities in a liberal government.

It is generally accepted that the majority of the citizens of America pay their school tax with gladness, for the reason, that they feel they are really contributing toward the preservation and maintenance of an educational system that has no equal anywhere.

Faultless it is not, since it is a human institution and naturally partakes of the weaknesses of its founders, but it has wrought a great work in the United States since its establishment here by our wise ancestors, and it is getting better with each passing year.

It has a great many critics, too, some of whom are sincere and therefore, fair, while others are neither friendly nor fair. Still it has maintained its onward and upward way and it will continue to do so.

In the meantime, it must be supported, and the state expects every citizen to do his duty by the way of paying out annually a reasonable sum for the maintenance of the system.

It is a great privilege, this of paying taxes for the support of an institution which is doing far more than any other secular force in the country to make good American citizens out of the children of men and women who come from every land the sun shines on.

And we are quite sure that the people of Narberth so regard it, even those who have neither children nor grandchildren to send to school.

A WORD TO THE STOREKEEPERS OF NARBERTH.

The writer has read with interest the editorial on the first page of last week's issue entitled "Do You Patronize Narberth's Enterprises as Much as You Consistently Can?"

The impression on the first thought was "do the Narberth business men display their wares and conduct their business in such a manner as to make it inviting for Narberthites to shop there?" Mr. Editor, I don't want to be misunderstood, because Narberth can justly be proud of its varied business interests. My idea is to ask YOU, Mr. Storekeeper, if you ever put yourself in the position of a pedestrian or a prospective customer? Does it ever occur to you that the pleasant smile of yours or your clerks does not offset the fact that your customer has had to thread his way through a number of boxes spread out on the pavement or maybe some new stock is arriving and your customer has to dodge articles thrown from the curb to your front door? I repeat that we consumers are justly proud of our stores, but I believe in the theory of "creating a market", and ask you, Mr. Business Man, to stop for a little introspection. Do you very often sit down and look your business square in the face and wonder what you can do to stop the market baskets from going in town? Do you ever plan to organize your store in such a manner as to make it inviting to your townsfolk or do you ever leave any unmarketable, either rotted or stale, products lying around? Remember, sir, the first impression your customer receives is very often a lasting one and one that is a controlling factor in the quantity of business done. Don't have a customer because you are the handsomest man with whom he can deal, but have him because he is in the habit of coming to an inviting store on which he can rely.

Mr. Storekeeper, we thank you for what you have done for Narberth and hope that you will understand the plaintive plea of one who has your interests at heart because he is a strong booster for Narberth.

CHANGES IN TIME OF MAILS.

The time for the departure of mails from Narberth is affected by the change in railroad schedules as follows:

Week Days.

East bound mail for all points sent formerly at 11.59 A. M. will go at 12.18 P. M.

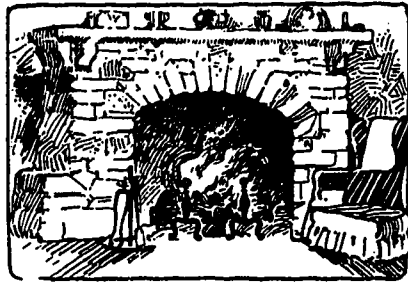

East bound mail sent formerly at 12.29 P. M. will go at 12.18 P. M.

Sunday.

Mail for all points left formerly at 5.59 P. M. will be sent at 5.48 P. M. All mail to go out on Sunday should be in the drop in door of post office not later than 5.35 P. M., instead of 5.45 P. M. as heretofore.

Edward S. Haws, Postmaster.

Don't forget to visit the Y. M. C. A. Building on Friday night. It is YOUR night. See the special notice in this issue.

THE FIRESIDE

Betty Baxter's Gossip.

As Hallowe'en will come on Sunday this year, most of the celebrating will be done on Saturday. Narberth folks are planning various entertainments for that day and for all of this week. There will be dances, teas, luncheons and old-fashioned Hallowe'en parties.

As Our Town goes to press, arrangements are being completed for a masquerade dance in the Y. M. C. A. Community Room on Wednesday evening. The "Ghosts" have made elaborate arrangements for the entertainment of their guests, and expect to make their dance a most enjoyable affair.

Miss Hilda Smedley, of Narberth avenue, has issued invitations for a "500" at her home on Thursday afternoon.

Miss Jane Laird, of Essex avenue, will entertain at luncheon on Saturday.

The Women's Community Club will give a reception to the new members on Friday evening. The members of the Social Committee, with Mrs. Fletcher Stites as chairman, are preparing an interesting Hallowe'en program, and hope to make the evening a most delightful occasion.

Miss Adah Durbin has issued invitations for a masquerade party at her home on Saturday evening.

The bazaar at Elm Hall, on Friday, which was given by the Ladies' Aid Society of the Presbyterian Church, proved a most successful and enjoyable affair. The hall was beautifully decorated with autumn leaves and crepe paper in autumn colors. The fishing pond proved quite an attraction for the children in the afternoon. Supper was served to about two hundred and fifty people, and the entertainment in the evening was quite as well attended. The program for the entertainment was very interesting. Miss Dorothy Beatty and Miss Ruth Haws gave a sketch, under the direction of Miss Melchior. Miss Madeline McCoy and Miss Agnes Rose played a pretty piano duet. A vocal solo by Miss Wilson and a sketch by Miss Philipps and Mr. Philipps, of Philadelphia, completed a most delightful program.

Mrs. George Gifford has recently returned from Washington, D. C.

Mrs. George D. Grover, 203 Hampden avenue, Narberth, Pa., entertained the little folks on Saturday, October 23, from three until five o'clock, in honor of the sixth anniversary of their daughter Gladys. Mrs. Grover was assisted by her sisters, Mrs. Edwin H. Vare, Mrs. William S. Vare and Miss Nellie Morris, and Mrs. William B. Grover. The invited guests were Misses Beatrice Vare, Mildred Vare, Flora Vare, George A. Vare, Abigail Vare, Elizabeth Saunders, Anna Cora Compton, Betty Jones, Ellen Shaw, Dorothy Vare, Margaret Murphy, Marie Murphy, Madeline Grover, Alice Grover, Alma Grover, Emily Garnet and Dorothy Saunders.

Mr. and Mrs. George D. Grover celebrated their tenth anniversary on Sunday, October 24, and had for their guests at dinner Congressman and Mrs. William S. Vare, Senator and Mrs. Edwin H. Vare, Mr. and Mrs. William B. Grover, Miss Nellie Morris, Mr. and Mrs. John L. Murphy. The dining-room was attractively arranged with dahlia, autumn foliage and Hallowe'en festoons.

Mr. and Mrs. Andrew G. Fuller and Mr. and Mrs. Ralph Fuller, of Bass Point, Massachusetts, are the guests of Mr. and Mrs. George H. Gifford, of Woodside avenue. Last week they motored to Washington, D. C., Mrs. Gifford accompanying them to the Capitol City. The party was fortunate on their trip in being introduced to the new White House baby, the young son of Mr. and Mrs. McAdoo.

The Evangel Circle of King's Daughters will hold a bazaar in the community room of the Y. M. C. A., Saturday, November 13; open at eleven o'clock P. M. There will be a table of fancy articles, and a table of home baked pies, cakes and other baking; also there will be on sale home-made colonial rugs.

Elmwood avenue, from Maple avenue to Wynnewod Road, was opened to the public last week.

Mrs. Miller Burkhardt, of 100 Maple avenue, entertained at dinner on Saturday October 16, thirty-five young ladies of the Queen Esther Circle, of Tioga M. E. Church. This society is actively engaged in charity work and has distributed several thousand dollars for this purpose since its organization. Mrs. Burkhardt also entertained as week-end guests, Mrs. Chas. Anderson, of Schwenkville, Pa., and Mrs. Clara S. Street, of Philadelphia.

Prizes for the best-kept yards and gardens on the Main Line have been awarded by the Main Line Citizens' Association. Each contestant had to take care of his own garden and could not hire assistance, under the rules of the contest. They were 75 entries. The Main Line was divided into three districts for the contest—Haverford and Preston, Bryn Mawr and Rosemont and Ardmore.

The Chi Pi Sorority met at the home of Miss Linda Kirk, on Friday evening, to make arrangements for their season's social activities.

The Women's Gymnasium class met at the Y. M. C. A. at 10.30 on Wednesday morning. Miss Christman was in charge and was delighted with the interest displayed by the women of Narberth. The large attendance seemed to promise a most successful season for the gym class.

Miss Margaret Mays is visiting her grandfather in Lewistown, Pa.

Mrs. Keys, of Narberth avenue, is spending a few days in Baltimore, Md.

Miss Eleanor Ensinger, daughter of Mr. and Mrs. Charles Ensinger, of Montgomery avenue, Narberth, and Mr. Charles Coon, of Westerly, R. I., will be married in St. John's Episcopal Church, of Lower Merion, on Wednesday, November 10. Miss Ensinger will be attended by Miss May McConnell, of Cynwyd, as maid of honor. The bridesmaids will be Miss Sarah Pedrick, Miss Katherine McDowell, Miss Isabel Dodds and Miss Florence Wyatt. Mr. Charles Ensinger, brother of the bride, will act as best man. The ushers will be Mr. Arthur McConnell, Mr. William Durbin, Mr. Nelson Ensinger and Mr. Edward Ensinger.

Miss Alice Thompson, of Philadelphia, has been spending a few days with Miss Carolyn Irwin, of Essex avenue.

The monthly luncheon of the Ladies' Aid Society of the Presbyterian Church, on Tuesday, was very well attended.

Mrs. Clement Booth entertained the Thimble Club on Wednesday afternoon.

Miss Mazie Simpson, who has been very sick the past week, is recovering, although still unable to leave her room.

On Tuesday afternoon, Mrs. Clifford Moore gave the first of a series of weekly teas to be given by the members of the Community Club.

Owen Humphreys was quite seriously injured in a basket ball game on Saturday evening. Owen's friends express their sympathy and hope for a speedy recovery.

Mrs. Charles Scribner, of North Chelmsford, Mass., is visiting her two nieces, Mrs. W. Arthur Cole and Miss Bertha Piggott, of Woodside avenue.

Mr. Charles Mirick, of North Narberth avenue, who has been confined to his bed with pneumonia, is improving and may sit up this week.

Miss Maizie Simpson, of Essex avenue, went home from the Women's Community Club reception, on Tuesday a week ago, suffering an attack of bronchitis. She is rapidly recovering from her illness, and may soon be out among her friends.

METHODIST EPISCOPAL CHURCH.

"The Little Church on the Hill."

Rev. C. G. Koppel, Pastor.
Sunday, October 31st:
9.45. Sunday school. Bible study classes for men and women.
11.00. Public worship. Sermon by the pastor.
7.00. Union Young People's meeting.

7.45. The church will unite with the Baptist and Presbyterian churches in the monthly union service held in the Baptist Church.

Adult Bible Classes.

At the annual meeting of the Woman's Bible Class officers were elected and new members received. Under the efficient leadership and teaching of Mr. Edward H. Dilkes the systematic study of the Bible is arousing great interest and enthusiasm.

Twenty-six men attended the regular business meeting of the Men's Bible Class Tuesday evening. Dr. F. W. Sadler, in recognition of his services as teacher, was presented with a Masonic watch charm.

Committees were appointed to arrange for the annual class banquet Tuesday, November 16, and the giving of another successful musicale.

The president, Robert E. Pattison, Jr., announced after revising the records there were forty-four enrolled. The social committee maintained its reputation by supplying "good eats."

Hallowe'en Supper.

The ladies will serve an appetizing supper Friday evening in the lecture room at 6.15. There will be home-made pastry for sale.

Henry, C. H. McCarter, Vernon Fleck, Irvin Ward, T. R. Coggeshall, Fred Stone, J. B. Esenwein, E. E. Seaver, T. C. Trotter, Dr. R. C. Hoffman. Board of Managers: Chairman, T. R. Coggeshall, H. C. Gara, W. Arthur Cole, F. W. Stites, R. H. Savill. Executive secretary, O. L. Hampton.

EPISCOPAL CHURCH NEWS.

The services at All Saints' P. E. Church, Montgomery and Wynnewood avenues, for next Sunday, are as follows:

8.00 A. M. Holy Communion.
9.45 A. M. Sunday school.
11.00 A. M. Morning prayer with sermon.

4.00 P. M. Evening prayer.

The next regular meeting of the Guild will be held Monday afternoon, November 1st, at 3 o'clock at the residence of Mrs. James N. Knipe, 129 Argyle avenue, Ardmore. As this is an important meeting, all members are earnestly requested to be present.

There is a possibility of a free bus running from the station at Narberth to All Saints' Church on Sunday mornings. This will be a great convenience to the residents of Narberth.

The committee introducing the Duplex Envelope System have been very successful in their work. Any persons whose names have been inadvertently overlooked may obtain a package of envelopes by applying to the rector, Dr. Andrew S. Burke.

The work of the Sunday school is progressing nicely, and a cordial invitation is extended to any children not attending Sunday school.

THE PRESBYTERIAN CHURCH.

Rev. John Van Ness, Minister.

The Sabbath school will convene as usual next Sabbath at 10 A. M. The attendance in the school continues to be most encouraging.

Public worship at 11 o'clock. Mr. Van Ness will preach on "The Cure for Care." This quartet will sing.

This congregation will join in the Union Meetings, to be held in the Baptist Church next Sabbath evening.

The study in the Epistle of James will be continued in the Wednesday evening prayer meeting. These studies are proving to be very helpful.

Plans are being formulated for the celebration of the fifth anniversary of the present pastorate, next month.

The following letter, received by Mr. George S. Rose, has been handed to Our Town for publication. Such true spirit and initiative to any good cause is commendable and most appreciated:

Narberth Athletic Club:

Find inclosed my check for \$5. This is my contribution to help out the committee in its effort to partially reward the base ball boys for all the pleasure they afforded us this summer.

I enjoyed each and every game, and I am proud to think I am a citizen of Dynamic Narberth, where the people never seem to grow "older."

MERION MEETING HOUSE.

Montgomery Avenue and Meeting House Lane.

Merion Meeting House is opened for worship every First-day at 10.30 A. M. Visitors are cordially welcome.

A registry book is kept for visitors. All are asked to register their names

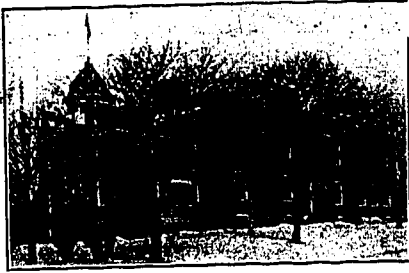

ST. MARGARET'S CHURCH.

Early Mass on Sunday from April 1st to October 31st at 6.30 A. M. From November 1st to March 31st at 7 A. M. Late Mass, 9.30 A. M. throughout the year. Masses on holydays, 6.30 and 8.30 A. M. Weekdays at 8. Evening devotions and other services at regular times.

BIDS WANTED FOR WYNNEWOOD ROAD

Pennsylvania State Highway Department, Harrisburg, Pa. Sealed proposals will be received at said office until 10 A. M., November 4, 1915, when bids will be publicly opened and scheduled, and contract awarded as soon thereafter as possible, for the reconstruction of 1756 lineal feet of bituminous or cement concrete pavement, 16 feet wide, situated in Narberth Borough, Montgomery county. Plans and specifications may be seen at office of State Highway Department, Harrisburg; 1001 Chestnut street, Philadelphia, and 903 Hartje Building, Pittsburgh, Pa. Full particulars and information on application to R. J. Cunningham, State Highway Commissioner.

Don't forget to visit the Y. M. C. A. Building on Friday night. It is YOUR night. See the special notice in this issue.

SCHOOL EDITOR'S WEEKLY NEWS TIMELY

Interesting Topics From Various Sources—Word of Appreciation For Our Town—Arbor Day Exercises a Success

—Program in Detail— Bird Day Exercises Held On Friday

School motto:
Without halting, without rest;
Lifting better up to best.

—Emerson.

Extemporaneous Speaking.

For the last two weeks the chapel exercises have been in the hands of the pupils and many extemporaneous speeches or talks have been given by them. This is of great value to the pupils for the future. The pupils consider it a great opportunity to obtain self-confidence. As yet there has been no pupil decline this opportunity, for of course it is optional. This goes to show what kind of a student body we have.

We wish to state our appreciation for the conspicuous space given to the school notes in the last issue of Our Town.

The pupils wish to acknowledge the kindness of Mr. Bowman, their janitor, who recently presented four large boxes of plants to the school.

Why do not others follow this good example?

Events of Interest.

Last Friday morning the pupils, teachers and friends of the Narberth Public Schools met in Assembly Hall for the purpose of celebrating Arbor Day. The Flower Committee deserves to be congratulated upon their artistic arrangement of the platform. The decorations consisted of large bunches of autumn leaves combined with brightly colored astors and dahlias. A novel effect was obtained by leaves which fluttered down from the ceiling during one of the recitations. Miss Agnes Rose, of the Senior Class, was in charge of the exercises. Program: Song, "Arbor Day," entire school; "We Have the Trees," four pupils of fourth grade; song, "Autumn Winds," second grade; "Baby-Grass Tree," seven girls of second grade; "What Do We Plant When We Plant the Tree," Lucia Keim; song, "Cat-tails," second grade; "Gladness of Nature," fifth grade; "Oh, Woodman Spare That Tree," Morgan Smith; song, "King of the Forest Am I," chorus of high school girls; "The Tree," five boys of third grade; "Choosing Trees," two girls of fourth grade; conundrum, boy and girl of second grade; song, "We Love the Grand Old Trees," seventh grade girls; "The Tree's Rebellion," Elizabeth Harsch; "Falling Leaves," five pupils of third grade; song, "Hail Pennsylvania," entire school.

Bird Day exercises celebrated Friday afternoon. Miss Margaret Eyre in charge. Program: Song, "Star-Spangled Banner," entire school; recitation, Grace Houston; Remorse, four pupils of the third grade; song, third grade pupils; recitation, Robert Savill; "An Eastern Legend," Miss Melchior; High School Girls Chorus, Bob White; Gordon Harris, Bobolink; song by fifth grade and Elizabeth Southerland; "Who Stole the Nest?" seven pupils of third grade; reading, Ester Richlin; "Whip-poor-will," song by girls chorus.

Mr. Coggeshall, member of the School Board, gave us a little talk, Wednesday, October 20, on the new "Athletic Field." In his talk he requested the aid of the pupils in planning for the athletic field. The pupils should take hold of this great opportunity and get busy and help the School Board.

Any pupil studying music at home a certain number of days in the week will get credit for this work.

Mr. Kehler, our sixth grade teacher, has been teaching the younger boys how to play foot ball. These boys certainly show great ability and look good for a future team in the high school.

I wonder what has happened to all of Miss Turner's pencils? Who knows?

The following schedule has been made up for the use of the Y. M. C. A. floor by the basket ball teams: Boys—Mondays, 3 to 4; Wednesdays, 3 to 4; Fridays, 3 to 4.30. Girls—Tuesday, 2 to 3; Thursday, 3 to 4.30. Boys games on Friday afternoons.

The following pupils of the high school have gotten 100 in spelling for both September and October: Freshman—E. Eyre, D. Wilson. Sophomores—R. Haws, J. Nevin. Juniors—L. Hastings, M. Eyre. Seniors—E. Cohic, J. Justice, C. McCarter, Jr., A. Rose, H. Smedley, M. Trotter, A. Witherow.

Last Friday Mr. Melchior requested the attendance of any pupils who could possibly get to the lectures, held during this week at the Montgomery County Institute Week. He said that they would be very beneficial to the students.

We received our monthly reports on Friday which was a great relief to some and a ? to others.

Why were Helen Duff and Margaret Mayes so anxious to buy class pins the other day?

Courses in picture study and current events are given this year, and they are very beneficial to the pupils. Also large choruses have been organized.

The 1916 banner was seen for the first time this year floating over the platform during the exercises on Arbor Day.

THE NARBERTH ATHLETIC CLUB.

Through the kindness of the Y. M. C. A. authorities, a room on the second floor of the Y. M. C. A. building has been reserved for the use of the club. The members have fitted up the new quarters and are holding meetings there. Two new members were admitted last week, when George Cummer and George Rose were initiated. One feature of the initiation was a new style of hair treatment, which consisted of a very thorough application of molasses and saw-dust. At last reports, the owners of the heads so treated were disinclined to speak favorably of, or recommend, the new tonic, although they are fair enough to admit that further experiments (on someone else's head) may be necessary to determine its efficacy.

On Saturday evening, the 23d inst., the basket ball team played its first game of the season against the fast Merrill Boys' Club of Philadelphia, and the superior weight of the latter was a little too much for us, particularly in our first game of the season, and we lost by a score of 45 to 17.

The features of the game were the playing of Lewbert, of Merrill, and C. Humphreys and J. Jefferies, of Narberth. Owen Humphreys, who played center for the first few minutes of the second half, broke a small bone in his shoulder, which will keep him out of the game for some time. The line-up was as follows:

Narberth A. C. Merrill B. C.
C. Humphreys..forward..... Bunin
F. Winne.....forward.....Lewbert
C. Downes.....center.....Greenwall
J. Jefferies.....guard..... Weinstein
C. McCarter.....guard..... Mondros
Field goals—C. Humphreys, 1; F. Winne, 3; J. Jefferies, 2; Bunin, 3; Lewbert, 6; Greenwall, 8; Mondros, 1; Kirschner, 1. Foul goals—J. Jefferies, 5; Mondros, 7. Substitutions: Narberth—O. Humphreys for C. Downes, G. Sheldon for C. McCarter, C. Downes for O. Humphreys. Merrill—Gottlieb or Weinstein, Kirschner for Bunin, Melnick for Greenwall, Wienberg for Lewbert.

MOONLIGHT REPARTEE.

Boaz—Didn't I meet you here two summers ago?
Ruth—Why—er I think so. Your face feels familiar.

"Jones tells me he has just started a bank account for his new baby." "I see; a fresh heir fund."—Baltimore American.

SPECIAL NOTICE

The new residents of Narberth are invited to visit the Y. M. C. A. Building, on Friday evening of this week, the 29th instant, to attend a reception given by the Y. M. C. A. to all those who have moved into the borough within the past year.

This event marks the first community night of the Y. M. C. A., and every resident of the town is urged to be present and enjoy the evening.

An entertainment will be furnished by the Glee Club and others, and refreshments will be served during the evening.

A thoroughly enjoyable time is predicted, and all our people are invited to join heartily in making the occasion a complete success.

MUSIC.

Have you set aside November 8 for your evening with the Men's Club of the Presbyterian Church? We have been working hard to provide a program that will equal any that has ever been produced in our town before. The members of the club extend the invitation to the ladies as well as the men; no admission charge at the door, just a collection during the evening to defray actual expenses.

To those of our friends who have attended our affairs before, we invite confidently because we have been successful in the past and to those who have not had that opportunity, we invite, expectantly hoping for more boosters for our cause.

Don't forget! A musical treat for you at the Presbyterian Church, November 8th.

FOOT BALL.

Manager Jones' squad of huskies completely out-classed the A. M. A. team of the P. R. R. on Saturday, the 16th, by the score of 13-10. The details of the game reached us too late for publication in our last issue.

Captain Durbin scored the first touchdown on a brilliant 40-yard run, dodging through the entire opposing team. Although he missed the goal, Narberth was not to be denied, but scored again in the second half when Mowrer fell on the ball for the second touchdown of the game. Captain Durbin then kicked the goal.

The railroaders outweighed the local team, but did not have the punch which was back of our borough-ites. The Narberth team has yet to be scored on, and they are working hard to keep their record clean.

"Now, Jimmie," said the teacher, "let us take the verb to be. What is the past of is?" "Was," said Jimmie. "Very good," said the teacher. "And what is the past of be?" "Buzz!" roared Jimmie.—Judge.

"Why get together any more money?" asked a friend of the late Russell Sage. "You can't eat it. You can't drink it. What good will it do you?"

"Ever play marbles?" Uncle Russell asked.

"Yes, when I was a boy."
"Couldn't eat 'em, could you?
"Couldn't drink 'em, could you? No use to you, were they? What did you play marbles for?"

The Doctor—Mrs. Brown has sent for me to go and see her boy, and I must go at once.

His Wife—What is the matter with the boy?

The Doctor—I do not know, but Mrs. Brown has a book on what to do before the doctor comes, and I must hurry up before she does it.—Christian Register.

HEALTH HABITS THAT KEEP MEN YOUNG

(Continued from First Page)
makes your clothes hang better, but
increases your self-respect, enlarges
your business opportunities and in-
duces good health.

Get as much sleep as possible before
midnight—get it regularly and the
amount you need; most men need at
least eight hours. If you can't sleep,
don't lay awake and worry about it;
get up and walk a mile or so, and
then go to bed and sleep. Two hours
of sound sleep are better than a night
of broken, feverish sleep. I knew a
man who got along on five hours' sleep—he was buried with proper
ceremony.

Booze and tobacco put more men
"on the shelf" than lack of exercise,
overwork, loss of sleep and inclement
weather.

Take regular, systematic exercise;
don't work at it—play at it. Learn
some good game, such as hand-ball,
soccer, volley-ball, tennis or golf; join
a gymnasium class; renew your
youth; be an enthusiastic member of
the 100-Year Club!

BETTY BAXTER'S GOSSIP.

(Continued from Second Page)

Mrs. Charles Verna was noticed on
Atlantic City's Boardwalk, Sunday
morning.

Arrangements have been completed
for the musicale and dance to be held
at Elm Hall, November 22. W. H.
Carmint, Gertrude E. Wright, Piotr
Wizla and Mrs. B. Franklin Armingier
will assist in the evening's entertain-
ment.

Mr. and Mrs. Aldine K. Siler and
son have just returned from a trip to
New York, Massachusetts and New
Hampshire.

Mrs. C. H. Churchill entertained on
Thursday, the following ladies at a
luncheon: Mrs. F. K. Woodworth, Mrs.
Emmett and Mrs. Carroll Downes.

Mr. and Mrs. A. H. Reese and daugh-
ter Elma are making a two weeks' visit
in Niagara Falls and Buffalo.

Mrs. O. L. Hampton is able to walk
again, after being laid up four weeks
with a sprained ankle.

Mr. Albert Nulty spent Sunday at
the Delaware Water Gap.

Don't forget to visit the Y. M. C. A.
Building on Friday night. It is YOUR
night. See the special notice in this
issue.

"And her mean husband thinks she's
extravagant."

"Why?"
"Just because she insists on having
Fido's monogram stamped on his dog
biscuits."

A youthful attorney, the greater
part of whose time was spent in an
endeavor to appear busy and prosper-
ous, went out for a while, leaving on
his door a neat placard:

"Will be back in an hour."
Upon his return he found that a
lawyer across the hall had inscribed
underneath:
"What for?"

Y. M. C. A. NEWS COVERS VARIOUS FIELDS—SOME NEW

First English Class For Foreign-
ers a Big Success—Bowling
Club Will Enter New Main
Line League—Business
Men's Gym Class Ac-
tive—New Camera
Club

English for Foreigners
In last week's issue of Our Town
we were only able to give you what
we hoped to accomplish along this line
of educational work. The following
is something more definite.

The meeting of all interested in this
course, which was called on last
Thursday night at the Y. M. C. A.,
was a splendid success. Promptly at
8 o'clock the door of the Y. M. C. A.
opened and fourteen Italians walked
in, it was a grand sight. These men
were anxious and all they wanted was
the opportunity. Secretary Hampton
was assisted by Messrs. Sharpless
and Shipley, of Haverford College, in
getting the men lined up and divided
into two groups—namely, those who
can speak English and those who can-
not or a Beginners' and an Advanced
Class.

The Beginners will meet at the Y.
M. C. A. on Wednesday nights and
the Advanced Class will meet on
Thursday nights. This is exceedingly
interesting work and judging from the
conversation it looks as though we
might have difficulty to keep them all
from coming on the same evening.

Bowling.
Big meeting of all men interested in
bowling at the Y. M. C. A. this Wed-
nesday night. Full details will be
given at this time, of the conditions,
rules, etc., that will govern the newly
formed Main Line League. The teams
that compose this league are as fol-
lows: Wayne, Paoli, Berwyn, Bryn
Mawr, Ardmore and Narberth.

Already interest is running high in
this sport, and with good hearty co-
operation, Narberth ought to win out.
Don't forget Wednesday night—we
will also have some bowling competi-
tion.

Business Men's Gym Class.
Special—Last Friday night as a lady
was walking down Haverford avenue
near the Y. M. C. A. she was passed
by two boys, who were running to-
ward the Y. M. C. A.—as they passed
she heard one boy say: "Gee, I'll bet
there's a fight in the gym."

As the boys passed her on the way
back, she asked what the trouble was,
to which one boy replied: "Oh, nuthin',
'twas only the Business Men's Class,
they sure do make some racket." Nuf
sed.

Boys.
Our Boys' Gymnasium Class started
last Saturday morning. Thirteen were
present and all seemed to have a good
time, Secretary Hampton was in
charge. We are planning to work
this class through a group of "Boy
Gymnasium Leaders." This class will
meet twice a week, Tuesday, 4 to 5
P. M. and Saturday, 10 to 11 A. M.
Special.

Last week in our column, we asked
this question: "What are you doing
to better the existing conditions of our
thriving, progressive borough?"

Here is one opportunity, we propose
to start our Boys' Bible classes soon.
Teachers are needed. How about you?
Drop in and talk it over with Secre-
tary Hampton.

Library.
The Narberthites are certainly using
the library these days. We have lots
of good books. Free.

Camera Club.
What is nicer than to have a camera
and be able to take pictures, real
artistic pictures? So many times we
have only one opportunity to take a
picture, yet when it is developed we
are sadly disappointed.

To learn the art of taking and de-
veloping one's own "snaps" is, to say
the least, fascinating.

Several "Narberthites" have already
expressed a desire to be in a Camera
Club. If you are interested, send in
your name. Do it now. Drop us a
card or Phone 694 W. You enjoy
photography—why not make it a
hobby?
