

CONCERT BY PHONE

MR. FREEMAN KELLEY DESCRIBES WONDERS OF MUSIC BY LONG DISTANCE WIRE

"I was among those who were invited to listen to the joint transcontinental concert by telephone, given by the Mendelssohn club of New York city in celebration of their fiftieth anniversary, Wednesday evening, Feb. 9. The Mendelssohn club had invited the Ellis club of Los Angeles, a male choir of 100 members, to co-operate with them in the celebration.

"The club and its invited guests assembled in the Gamut club auditorium, 1044 South Hope street, to hear for the first time in the history of the world choral selections rendered 3500 miles away. Expensive preparations had been made for this event by the American Telephone and Telegraph company. The club members and their guests had each the exclusive use of a telephone receiver connecting with the Mendelssohn club, which sang at the Waldorf-Astoria hotel in New York City.

"Edmund S. Shank of 1533 Riverdale Drive, Glendale, is a member of the Music committee and was actively engaged in making the arrangements for this concert. The audience was seated by 7 p. m., as the concert began in New York City at 10 p. m. eastern time.

"All along the line other cities were switched on and San Francisco, Kansas City, St. Louis, Buffalo, New York, as well as Los Angeles and others were on the circuit. All the principal cities of the transcontinental line answered the roll call; toasts were given by the toastmasters; the Mendelssohn club sang the "Stein Song." Mr. Clifford Lott of Los Angeles sang "Israel." Mr. Witherspoon of New York sang "The Two Grenadiers." Other talks were made between New York and Los Angeles. New York sang; Los Angeles responded. Everybody heard the roar of the Pacific ocean from San Francisco accompanied in New York by motion pictures. San Francisco sang "The Star Spangled Banner" and then every city bade the listeners good-night.

"This remarkable concert was a great revelation to those who have had an idea that telephoning between New York and San Francisco is a mere amusement and not a commercial reality. As a matter of fact, the whole concert was heard as distinctly as though the performers had been on a platform in a public hall and the distance were no greater than between the footlights and the back row seats. To have heard such a concert the first time such a performance was given is something to be remembered long after New York and Los Angeles are in the habit of speaking as frequently as the inhabitants of this city speak with each other."

DEATH OF MRS. W. M. BROWN

Mrs. W. M. Brown, who has been residing for some time in Glendale, died at her temporary home in this city, 126 S. Central avenue, Thursday. Mrs. Brown was the wife of W. M. Brown, attorney-at-law, Orange City, Cal. She was 43 years of age and had been a great sufferer for a long time and her husband had brought her to Glendale hoping that the climate would assist her to get better. She benefited little from her stay here as her illness was too far advanced when the change was made. The funeral arrangements are in charge of Breese Bros., 855 Figueroa street, Los Angeles.

DR. BARKLY B. YOST DIES

Dr. Barkly B. Yost of Center Point, Iowa, who had been a resident in Glendale for a time, died here Wednesday at the age of 44 years. He leaves a wife and two children. His sister, Mrs. W. E. Porter, of Aberdeen, S. D., will take the remains for interment to Center Point, Iowa. Dr. Yost is also survived by his father, a hale and hearty man of over 80 years. The funeral arrangements are in charge of Paris, Carmichael & Co., Los Angeles.

MEETING FOR FLOOD CONTROL

The Board of Supervisors of Los Angeles County will meet with the Los Angeles County Flood Control association Saturday, Feb. 12, at 10 a. m., in the Los Angeles Institute of Technology, 125 Temple street. All municipalities, municipal organizations, civic bodies and commercial organizations are invited to be present to discuss the matter of powers for the bond election for flood control. One of the questions to be discussed is whether the bonds should be voted on conjointly or separately. The sum is \$3,600,000—\$1,600,000 for check dams, \$1,000,000 for rights of way and \$1,000,000 to divert the flood waters to Alamitos bay.

TO DEBATE FOR CUP

GLENDALE HIGH SCHOOL WILL MEET PASADENA TONIGHT FOR CHAMPIONSHIP

Tonight, at Pasadena High School auditorium, Glendale High School's picked debating team will contest for championship honors with Pasadena's best debaters. The winner of this evening's contest will be awarded the gold cup of the Southwestern Debating league and the winning debaters silver medals.

Glendale's team—Mr. Howard Stickney and Mr. Samuel Durand—is out to win. The question to be debated is: Resolved, That the United States should adopt a one year term of enlistment for the regular army. The Pasadena team will take the affirmative while Glendale will defend the present system. Pasadena's representatives will be Messrs. Cooper and Metzger.

In the debate yesterday afternoon with Huntington Park High School Glendale won the double tie by the decision of five out of six judges. At Huntington Park, Messrs. Durand and Stickney ably supported the affirmative. They won two judges decisions out of three. At Glendale Mr. Frank Bridgeford and Mr. Joseph Maier supported the negative in a very clever manner and won all three judges' decisions. The latter team has been a consistent winner against Huntington Park.

In selecting the team for this evening's debate, Mr. W. D. Root, the High School coach, stated it was a case of which team would receive the greatest advantage. Both teams were very good. He made his decision solely because two University of Southern California law scholarships are to be awarded from the Pasadena platform and that either Mr. Stickney or Mr. Durand will be able to make use of them more immediately than the other team.

Glendale students and citizens will be well represented in the audience at Pasadena tonight. Glendale is closer to the championship than ever before. Its team should win the league's gold cup, the medals and the law scholarships.

The local team will, however, work at some disadvantage, inasmuch as they have heretofore spoken affirmatively and tonight, by necessity, they will have to speak from the negative standpoint. But the boys are versatile with the subject and are sure to make an excellent showing.

GLENDALE BASKETBALL TEAM DEFEATED AFTER CLOSE STRUGGLE BY LOS ANGELES

Glendale Athletics lost their basketball game with the Los Angeles Athletics by one point, Thursday night, in the Los Angeles Athletic club's gymnasium. There was a large attendance and the game was hotly contested from start to finish. The official score is given as 25 to 22 in favor of the L. A. A. C., but one of the goals counted was protested and disallowed, bringing the score down to 23 to 22 in favor of the L. A. A. C.

Those who witnessed the game say that it was one of the fastest and most keenly contested of any that have yet been played. The whole Glendale team distinguished itself and its loss by one point was as much bad luck as anything else.

Following was the lineup: Glendale—Bidwell and Littell, forwards; Taylor, center; Farnor and Stone, guards.

Los Angeles Athletics—Blair and Laswell, forwards; Slaughter, center; Wilson and Brandstetner, guards.

The next game will be played Tuesday, Feb. 15, against the leaders of the league, Whittier College. This team, which has won national fame for itself, should make the game interesting. Glendale, however, is confident that it will conquer. Thursday night's game showed that Glendale is the equal of any team in the league. The game will be played in Glendale in the club's gymnasium, corner of Glendale and First.

Glendale lightweights will play the Whittier Crescent lightweights Friday night, Feb. 11, at 8 o'clock, in the clubhouse, Glendale, First and Glendale avenue. This is certain to be a well-contested game. Come out and see it and help to boost your home team. Admission 15 cents.

PROTECTIVE ASSOCIATION

Ladies of Glendale are specially invited to attend the regular open meeting of the Juvenile Protective association, in Hotel Clark, Monday, Feb. 14, at 10:30 a. m. The special subject will be "Moving Picture Censorship." Mr. Thomas Dixon, Sr., will be the speaker.

FLOODS THREATEN PORTLAND, OREGON

COLUMBIA AND WILLAMETTE RIVERS RISING RAPIDLY—WATER FRONT FLOODED

(Special Service to Glendale Evening News)

PORTLAND, Oregon, Feb. 11.—With the Columbia and Willamette rivers rising rapidly Portland is threatened with serious floods from two sides today. The water front is already inundated. Some damage has been done in the lower parts of the city. Cellars are full of water. Livestock and produce have been washed away from up the country. There is no abatement of the flood likely soon as more rain is predicted.

GARRISON OUT OF POLITICS FOR GOOD

EX-SECRETARY OF WAR WILL NOT OPPOSE WILSON—TAKES UP LAW PRACTICE

(Special Service to Glendale Evening News)

NEW YORK, Feb. 11.—Secretary Garrison stated today that he was out of politics for good and that he would not consider taking the stump against President Wilson. His resignation is stated to have been caused by differences of opinion regarding preparedness. It was not a political move. Garrison will resume his practice of law here. He formerly had an excellent practice.

GEN. SCOTT HEAD OF WAR DEPARTMENT

WILSON APPOINTS U. S. CHIEF OF STAFF TEMPORARY SECRETARY OF WAR

(Special Service to Glendale Evening News)

WASHINGTON, D. C., Feb. 11.—President Wilson today formally designated Gen. Scott, chief of staff of the United States army acting secretary of war. The appointment of a successor to Garrison will probably be made within twenty-four hours.

NO PROTEST AGAINST NEW GERMAN RULE

UNITED STATES HAS NOTHING TO SAY ABOUT ORDER TO TORPEDO ARMED MERCHANTMEN

(Special Service to Glendale Evening News)

WASHINGTON, D. C., Feb. 11.—It was declared on the highest authority today that the United States did not intend to protest the proposed torpedoing without warning of armed merchantships by submarines, as announced by the Central power. Americans are warned to avoid sailing on armed belligerent vessels.

FRENCH RECAPTURE LOST TRENCHES

FIGHTING IN ARTOIS REGION GOES AGAINST GERMANS—BRITISH ARTILLERY ENGAGED

(Special Service to Glendale Evening News)

LONDON, Feb. 11.—In a series of counter attacks today the French recaptured a considerable part of the trenches taken by the Germans in the Artois region. The troops of the Republic also were victorious around Frise. The action, which was very fierce, spread to the British line where the artillery was busy for twenty-four hours. On the east front the Russians are assailing the entire line from Bessarabia to Volhynia.

COURTMARTIAL BEGINS NAVAL TRIAL

OFFICERS CHARGED WITH LOSS OF NAVAL CODE BOOK BEFORE COURT TODAY

(Special Service to Glendale Evening News)

SAN FRANCISCO, Feb. 11.—Naval officers sitting in court-martial today began the trial of Ensign Kirkpatrick and Lieutenant Jones, charged with being responsible for the recent loss of a naval code book from the destroyer Hull. The code book would be of invaluable service to an enemy in time of war or peace. If it should not be found it may be necessary to change many important signals.

(Later)—Ensign R. E. Kirkpatrick pled guilty this afternoon to a charge of culpable negligence and inefficiency, in losing the code book of the Hull. His attorney urged leniency.

ROOSEVELT SCORES WILSON POLICY

SAILING FOR WEST INDIES EX-PRESIDENT RIDICULES LUSITANIA SETTLEMENT

(Special Service to Glendale Evening News)

NEW YORK, Feb. 11.—Colonel Roosevelt sailed today for the West Indies on a six-weeks' pleasure trip. He will visit Cuba and Jamaica and will probably go to see the interesting pearl fisheries of Turk's island, and may examine at first hand the condition in Haiti. Speaking of the Lusitania case he said: "If a man slapped your wife's face and you did nothing about it for nine months it would be of little consequence what you might do afterward."

FOR JEWISH RELIEF

COMMITTEE HAS SECURED PROMINENT SPEAKERS AND GATHERING WILL BE SUCCESS

Preparations for the great mass meeting Sunday, Feb. 13, in the Palace-Grand theater, for the purpose of raising funds for the relief of the Jewish sufferers in Europe have been advanced to a point where the success of the affair may be predicted. The committee has been working faithfully on the arrangements and has met with a liberal and willing response on the part of the people.

It is expected that a very large sum of money will be raised throughout the United States for the relief of the Jews in Europe, who in every country where the war operations have extended have been the greatest sufferers. Relief has been extended to them by their own people, but the problem is too big even for their liberal charity to solve. It was this that moved President Wilson to set his stamp of approval on the movement for raising funds in this country to aid the suffering Jews of Europe. The movement also has the backing of Gov. Johnson of California and of the mayors of all the cities in the State and throughout the country.

Many persons have already sent in their contributions to the fund and all merchants and business people and others who intend to contribute are requested to send their contributions to Mayor O. A. Lane, treasurer of the movement; Mr. A. T. Cowan, of the Glendale Evening News, secretary, or to the members of the committee, Mrs. E. W. Kinney, 1223 W. Seventh street, and Mr. S. H. Goldstein, 717 W. Fifth street.

The movement in Glendale is being heartily supported by all the churches, the fraternal societies and other public organizations and has already elicited much kindly comment and support. Tag day, Thursday, Feb. 17, will be a stirring occasion. Under the direction of Mrs. E. W. Kinney, a large body of ladies has been organized who will sell tags to individuals that day and will see that every house and place of business is properly tagged.

The secretary of the committee has received the following letter in connection with the arrangements being made for the speakers:

Mr. A. T. Cowan, Secretary, Jewish War Fund Association of Glendale, 920, W. Broadway, Glendale, Cal.

Dear Sir: This will acknowledge receipt of your letter advising me that I have been placed on the program as one of the speakers at the mass meeting to be held in Glendale next Sunday. I shall endeavor to adjust my engagements so as to be present with you. With best wishes, I am, Sincerely yours, JOSEPH SCOTT.

Mr. Scott is a prominent Los Angeles attorney and an orator of recognized capacity and experience. Other prominent speakers are being arranged for and with the large orchestra organized by Mr. Lowinsky and some well-known vocalists the afternoon's entertainment should be enjoyable and instructive.

CITY LOSES DAMAGE SUIT

In the Superior court, Los Angeles, before Judge Wood, the suit of Mrs. Kenyon, Second street near Verdugo road, for damages done to her property, was decided in favor of the plaintiff, with an award of \$250. Mrs. Kenyon claimed that her property had been damaged to the extent of \$1500. The consequence of this award is that the plaintiff will have to pay her own costs.

WOMAN SUFFRAGE WANTED IN THE NORTHWEST

The prairie districts of Canada, Manitoba, Alberta and Saskatchewan are presenting bills for woman suffrage. "It may be," says an English paper, "because the intercourse of Manitoba and Alberta with the enfranchised states of the union is so close that they have been won over to suffrage by seeing it in practice." In Manitoba a government woman suffrage bill has been drafted, while a similar bill is being drawn up in Alberta. Suffragists confidently believe that women will win equal suffrage rights in those two provinces within a few months. There are also good hopes for suffrage in Saskatchewan. It is expected that Dominion franchise will automatically follow the provincial vote for the women of Manitoba and Alberta, as in any province all those people vote for the Dominion Parliament who are qualified to vote for their own provincial parliament.

DEATH OF LINCOLN

UNPUBLISHED STORY ABOUT MURDER OF LIBERATOR OF SLAVES

Mrs. Martha Morris of 336 Everett street, mother of Mrs. C. E. Stanley, with whom she lives, sends the following interesting letter regarding the assassination of President Lincoln. Mrs. Morris, who is now 84 years of age, had an intimate personal knowledge of President Lincoln. Her husband was an army officer and fought through the Civil war. Mrs. Morris lived for a long time in Washington, D. C., and has many friends in official quarters. She writes:

EDITOR GLENDALE EVENING NEWS: This is a narrative, heretofore unpublished, in regard to the murder of President Lincoln. You may like to place it in your valuable paper. It is from a correspondent who is visiting the Southern golf grounds, a very reliable person. He was evidently won by the sincerity and earnestness of the narrator. MARTHA W. MORRIS.

Following is the letter: "I met an old gentleman from Tennessee who had served three years in the Confederate army during the Civil war and spent one year in a prison camp near Philadelphia. He was a most interesting man, who loved to talk over old times. In one of his anecdotes you will be interested. It is entirely new, so far as I ever heard—and you knew Lincoln so well.

"He said that about a dozen prisoners in the camp where he was imprisoned, who were all his chums, planned an escape on the Fourth of July. Most of them, including himself, were recaptured; but three or four escaped. Two of these, one an especially able and attractive man and officer, made their way to Canada, where they organized a plan for the release of Confederate prisoners from one of the Lake Erie prison camps, which was unsuccessful. Later this officer was captured within the Federal lines in the United States. Under these circumstances he was tried and sentenced to death as a spy.

"He was an intimate friend of Wilkes Booth and that individual made a most urgent and humble plea to President Lincoln for a commutation of the sentence. The president promised to grant the request and issued the required order, which was probably held up by Secretary Stanton, as seems to have been the case in other instances.

"This apparent ignoring of the petition rankled in Booth's heart. This, my southern acquaintance asserted, was the moving cause of Booth's hatred against Lincoln and was the real reason why he planned and carried out his attempt on the life of the president."

LUNCHEON EVENT

Red tones predominated at the valentine luncheon given by Mrs. H. F. Clewett in her home at 710 West 9th on the 10th inst. Large red hearts in keeping with the day near at hand, and the liberal use of red and white carnations intermingled with ferns, formed a most attractive table setting. Cards decorated with cunning cupids and darts marked places for Mrs. Albert Matthiesen of Hollywood, Mrs. Frank Matthiesen and daughter Dorothy of Glendale, Miss Edna Phillips of Tropic and Mrs. Clewett.

Y. P. B. PRESIDENT RESIGNS

Miss Vivian Engle, president of the Y. P. B. of the W. C. T. U., announced her resignation of that office by letter to the regular meeting of the Branch, Tuesday evening, Feb. 8. The meeting took place at the home of Miss Jennie Lacy and was presided over by Mrs. George Lemon. The president's resignation was laid over till next meeting. A social hour with refreshments was enjoyed in serving which the hostess was assisted by her mother, Mrs. Rebecca Lacy. Next meeting will be held Tuesday evening, Feb. 22, at the home of Mrs. George Lemon, 119 E. Broadway.

DINNER AND CARDS

Mr. and Mrs. E. T. Sherer and Mr. Wm. Ryan of Los Angeles, the James Perrys, with Mr. and Mrs. Robert Harland, were privileged to enjoy the dinner and evening at cards extended by Mrs. Sallie Braden in her home at 1304 Arden avenue. The dining-room decorations were effectively carried out in red and green, carnations and feathery ferns being used and also predominating in the living room. Card scores were kept on the back of Valentines in verse and at the close of the evening prizes were presented to Mr. and Mrs. Sherer, marking highest scores.

WEATHER FORECAST—Fair to night and Saturday; north winds.

SOCIAL AMENITIES FOR BOARDING GIRLS

Life for girls who have to work all day and live in a city rooming or boarding house and make both ends meet on a weekly starvation sum of \$6 or \$10 or even less has not much pleasure in it. From time to time the sordidness of such a life is revealed in some tragedy, one of the few that get into the newspapers. In the midst of a whole cityful, as Hood sings, such girls often have not a single real friend.

To remedy such lamentable conditions Miss Blanche Geary, National Economic Building Specialist of the National Young Women's Christian Association is working hard. She is seeking to show that the ideal family life can be made possible with large numbers under one roof. She wants to develop a spirit of independence and self-government, and to grant the freedom that stops short of license—freedom plus standards.

Wage-earning girls are away from their families and it will never be possible for any single organization to meet their housing needs. Miss Geary says that the association is eager to have others build homes of which it would assume the management. It would also like to see boarding homes built and operated by individuals or groups of individuals who have the true welfare of girls at heart.

According to this plan the boarding home would have a fun and frolic room, a recreation hall where girls could gather for entertainment of their own devising and have general good times; beau parlors where girls could meet their young men friends and not be interrupted; or have too close supervision. It is the desire of the association to permit the girls to have a chance to set up relations that would result in a happy home life some time later on.

There should be kimono parlors, says Miss Geary, on one of the upper floors in which the girls could lounge in freedom and have a good time after the day's grind in the shop or factory. There should also be a kitchenette where fudge parties and birthday spreads could be planned and carried out.

It can easily be seen that Miss Geary has given this matter careful consideration when we find her not neglecting to provide an infirmary for temporary illness and a roof built to stand the wear and tear of recreation on summer evenings, which would prove a complete counter attraction to the glare of the lighted streets and the roof cafes that so often are destructive of all that is best in a girl's life.

There is one drawback in Miss Geary's plan,—finance. She proposes to finance her plan by charging different prices. That may be all right under certain circumstances and at the same time it may be fatal to such a scheme. It seems to perpetuate the social or rather financial distinctions that are the very curse of the lives of such girls. Imagine the heart bitterness that would ensue when a \$6 a week boarder succeeded in getting possession of some of the privileges or perhaps the beau of the \$3.50 boarder. It may be true that such an institution cannot be financed for less than an average of \$5 per girl; but the moment the money distinction enters the republican equality vanishes. Still Miss Geary is doing an excellent work that deserves encouragement and a way may be found out of any difficulty that may arise.

PRODUCTION OF RADIUM

If anyone in traveling over the mountainous sections of California should happen to stumble on a very heavy, shining piece of rock, semi-polished and of the color of gunmetal it would be well for that party to stop and mark the place where the ore was found, for such a piece of ore is likely to be pitchblende, the ore from which radium is extracted. Should anyone be fortunate enough to find such an ore he or she would be gratified to learn that the radium product which is extracted from it is sold for \$120,000 a gram.

Pitchblende has not as yet been found in the United States and all the radium manufactured in this country comes from uranium ore. In this case as in so many others the war has had a marked effect on the production of radium. The United States has much the largest known radium-bearing deposits in the world; but the market for radium is mostly in Europe; for though Americans like to feel that they are sufficiently progressive to take hold of and use to the full the new discoveries, inventions and processes; yet the European municipalities and hospitals have been buying and utilizing most of the radium produced. When the war broke out, therefore, European money began to flow into other channels than those that led to the use of radium. There has, therefore, been practically no market for radium or uranium ores in the early part of 1915, and very little market during any part of that year. The National Radium Institute was the only establishment, which, under the supervision of and in co-operation with the Bureau of Mines was able to handle this ore.

The Radium Institute mined nearly the one thousand tons of ore contracted for from the Crucible Steel Mining & Milling Company's claims in Long Park, Montrose county, Colorado, and obtained 70 tons of concentrates, carrying about 3 per cent of uranium ore contracted for from the Crucible Steel Mining & Milling Company thrown on the dumps.

During the year the Institute delivered 3,006 grams of radium at a cost of \$37,599 per gram. That was a very pretty item of cost; but it well repaid the efforts of the Institute which sold it for nearly four times that sum. The process of extracting radium from uranium is complicated and expensive as is seen in these figures. It would be a relief to the scientific world if some one would discover a pitchblende mine. That ore, however, is seldom found in connection with the hematite ores so common in many parts of California.

If one is to discover a deposit of this ore it will be necessary to search in some of the mountain regions of Sonora and some other provinces of Mexico, where indications of pitchblende have already been discovered; though the war has put an end to all search for this highly valuable ore. The time is rapidly approaching, however, when Mexico will again be opened up to the prospector and then there will be an excellent chance for some diligent mining man to find a fortune in the turning of a shovel or the driving of a pick.

Do you want a Home in Glendale?

Sell you a fine lot on Maryland or Louise, "NOTHING DOWN" and loan you 1-3 of cost of building. Long time, easy terms.

Personals

Mrs. A. N. Burger of 533 Orange
Grove spent the day with Los Angeles
friends.

The E. M. Hitchcocks of 1460 West
Broadway were dinner guests of Los
Angeles friends Thursday evening.

Mr. Wm. J. Button of 1307 West
First street is still very ill and con-
fined to his apartment in the Glen-
dale Sanitarium.

Mr. and Mrs. Albert C. Read with
their two little sons, Masters Francis
and Wilbur Read, residing at 1456
West Broadway, were guests of relatives;
Dr. Wilbur Townsend and fam-
ily of Los Angeles, over Thursday.

As week-end guests the J. S. Neels
of 1451 Salem street spent a delight-
ful two days in the home of Mr. and
Mrs. E. Pierson of Los Angeles and
on Thursday dined with Mr. and Mrs.
Raymond Best, also of Los Angeles.

The Saint Margaret Guild mem-
bers will preside as hostesses over
a prettily appointed dancing party
this evening in the Masonic hall, and
will be assisted by Mesdames John
T. Crampton, F. J. Willett, Chas. L.
Peckham, T. S. Provolt, George Ban-
nock and Chas. H. Morse as patron-
esses.

GLENDALE SHAKESPEARE CLUB

Next meeting of the Glendale
Shakespeare club will afford a rare
treat to the women of Glendale and
vicinity. The meeting will be held
at the home of the president, Mrs.
Coral Harrison Sloan, 1550 Myrtle
street, Wednesday, Feb. 16, at 10 a.
m. Mrs. Sloan will give readings
from the play of "Macbeth." A cor-
dial invitation to be present is ex-
tended to every woman of Glendale
and vicinity. The meeting will be of
an informal nature.
D. L. BONNELL, Cor. Sec'y.

WINTER INDOOR PICNIC

A thoroughly delightful form of
entertainment held the attention of
ten charming girls, when on Thurs-
day evening they assembled at the
home of their Sunday School class
teacher, Miss Rosemary Button, of
1307 West First street and enjoyed
the delights of an indoor picnic.

At the hour of six, preparations
for the meal began, "waffles" were
roasted before the spacious fireplace
aglow with embers and when nearly
ready to burst were "pipped" be-
tween the halves of hot rolls. Many
goodies completed the supper course.

The popping of corn, music, games
and dancing furnished diversion for
the evening. Miss Button was as-
sisted by her mother, Mrs. Wm. J.
Button, in dispensing hospitality to
the young guests, who included the
Misses Ethel Preston, Kathryn
Coates, Carol Willisford, Hazel Ty-
ler, Augusta Otto, Edna Heacock,
Elsie Tyler, Julia Grassel, Marian
Lane and Miss Madge Preston of Pas-
adena.

THE LOCOMOTIVE IN AMERICA

America has known the locomotive
for just about 100 years. The
"Stourbridge Lion," which was built
in England, was put into operation
on the Delaware and Hudson Canal
Company's railroad in 1829. It was
called an "iron horse," but it was
only powerful enough to pull two or
three small cars, while the "Matt H.
Shay," now in service on the Erie
railroad, is the largest locomotive in
the world, being 105 feet long. It
weighs 853,050 pounds and can haul
a train 4½ miles long. The Erie
is using this great engine in pusher
service, and it is so satisfactory that
three more engines like it have been
ordered. They are given the name
triple, or "Centipede," because they
have 24 drive wheels which give
them a tractive power of 160,000
pounds.

BARACA PRAYER SERVICE

"Christian Preparedness" was the
subject at the midweek service con-
ducted in the First M. E. Church
Wednesday evening, Feb. 9. Charles
Moore, Charles Hezmalhalch and the
Rev. B. Dudley Snudden were the
speakers. Others who assisted were
Ralph Lusby, who conducted the ser-
vice of song, and Miss Lillian Sher-
man, who presided at the piano.

**TWO-WHEELED TRAILER FOR
MOTOR CAR**

In order to provide additional seat-
ing capacity for his motor car, an
Iowan has constructed a two-wheeled
trailer which he employs when he de-
sires to carry more passengers than
the machine will comfortably seat.
The trailer is provided with a steel
chassis, says Popular Mechanics, and
is attached to its tractor by means
of a tongue that bolts to a cross bar
fastened to the rear springs of the
automobile. It is also provided with
a windshield which screens its oc-
cupants from any dust that may be
thrown back by the wheels in front.
Two persons may be comfortably
seated.

VALENTINE DANCE

The managers of the Penny Dances
at Butler's hall are making prepara-
tions for a big time tomorrow even-
ing. Besides giving pretty valentines
to all dancers they will have a post-
office where comic or pretty valen-
tines will be distributed to anyone
in attendance. 14611

NOVEL VALENTINE DANCE

Quite a novelty in the way of a St.
Valentine dance is that which is be-
ing engineered by the originators of
the Penny dances at Butler's hall.
On Saturday, Feb. 12, the dance in
Butler's hall will be enlivened by the
giving away of beautiful valentines,
while a post office will deliver other
missives to the dancers. These dances
are largely patronized and being con-
ducted with every regard to the prop-
rieties are immensely popular.

ROOTS OF PLANTS

It is well known how important it
is to water plants in order to keep
them green. Water is taken in by
the roots and from them drawn up
the stem by the leaves. This makes
the flow of sap. Plants feed chiefly
by means of their leaves on the air,
but a few necessities are added from
the soil. These can only come in
liquid form so the roots have to dis-
solve the grains of earth before they
absorb them. Thus even solid rock
is gradually eaten away. It is com-
monly said that the roots reach out
just as far as the branches and this
is quite true; in fact the circle of active
rootlets corresponds to the outer rim
of the foliage. Rain runs off a tree
just as it does off an umbrella, fall-
ing in a circle on the ground far
from the trunk and exactly where it
is wanted.

A second duty of roots is to anchor
the tree to the ground or in the case
of some creepers to the wall or rock
up which they climb.

A third is in special cases to store
up food for the future use of the
plant. Many herbaceous plants spend
their first year in forming a thick
root under ground without flower-
ing or seeding. Next year from this store-
house a stem is thrown up and seeds
produced, the root giving up its food
for the purpose and shrinking away
to a small size. They form a large
and important class called biennials,
because they last for two years.
Many kinds of these enlarged roots
are among the natural foods of man-
kind. Carrots, turnips, beetroots and
parsnips are in universal use.

Another way in which roots do a
world-wide service is by binding the
soil together and preventing the rain
from washing it away, at the same
time making the firm and spongy
surface which becomes saturated
with rain water and so keeps the
steams running long after the rainy
weather has stopped. It has been
said that forests precede mankind
while deserts follow him. Now that
people are finding out how useful
tree roots and therefore forests are,
they do not cut them down without
replanting the ground with saplings
or with some kind of crop in order
that the fertile wood soil shall not be
washed away nor the countryside
deprived of its never-failing streams
that turn the mill wheels and water
the lower plains. So it is truer now
to say that wild forests give way
under human influence to well
managed plantations and profitable
farmsteads. In order not to mis-
understand what botanists mean
when they talk about roots, it must
be remembered that the true root
never sends out new shoots. The
under-ground part of an iris, for in-
stance, produces shoots from the top
and roots from the under side; in ac-
curate language it is, therefore, not
called a root but a rhizome.

LITTLELANDS

Woman's Club

The regular meeting of the Wom-
an's club occurred Wednesday af-
ternoon at 2:30 o'clock. There was
a debate on suffrage. Subject: Res-
olved, that women cannot accom-
plish great results by voting. Affirma-
tive, Mrs. Brissenden; Negative,
Mrs. Marston.

Bazaar Monday Evening

A bazaar will be held next Mon-
day evening, Feb. 14, at Bolton hall.
Various articles will be on sale. Re-
freshments served and fortune teller
will be on hand from Los Angeles.
The proceeds are for the benefit of
the Monte Vista Valley Band. Every
one is invited. Admission free.

dustries of the Portland Chamber of
Commerce received a letter from the
Napier Chemical Company of New
York, asking for names and address-
es of persons in Oregon from whom
ton lots of flowers petals may be
secured.
"We are importers from Europe of
many varieties of dried flowers,"
says the letter, "and it occurs to us
that some similar flowers could be
obtained in your state, although
freight rates are much less from
Europe than from the Pacific coast."
"We can use in ton lots red rose
leaves and rose buds, rose geranium
leaves, lemon verbena leaves, lemon
leaves orange blossoms, violets, car-
nation pinks and, in fact, almost any
kind of dried flowers, either of
brilliant color or sweet odor."—
Portland Oregonian.

en sisters to whom these ladies are endeavoring to send the light of the gospel. Forty-two ladies were present to enjoy the unique program. The hostess, Mrs. Hoskyn, served dainty refreshments, assisted by Mesdames Jordan, Doty and Henderson. All felt that they had enjoyed a pleasant and a profitable time.

WILKINSON FOR CITY CLERK

Frederick Wilkinson of 221 Central avenue, Glendale, has announced himself as a candidate for City Clerk. Mr. Wilkinson came to Glendale in 1909 and immediately built the residence in which he now lives. He was born in Illinois and resided in Kansas many years. Taught school in earlier days and later published a paper. Clerical work has been his specialty, and publicity has always been his hobby, believing that the people have a right to know what use is made of their money. He outlines his platform as follows:

If elected, I pledge myself to aid in giving the City of Glendale an economical and efficient business administration:

I will give my personal attention to the duties of the office, and will be there during all the regular office hours:

I will engage a competent stenographer, at my own expense, to attend all meetings of the Board of City Trustees and take a verbatim report of all proceedings, and I will furnish copies of the same to the local papers for publication:

I will make complete, explicit reports of all financial transactions of the office, showing to whom and for what all moneys are paid, and will make regular statements of the city's financial condition, and furnish copies of same to the local press for publication.

DOMESTIC SCIENCE CLASS

The ladies of Glendale who have taken an interest in domestic science were given a delightful treat on Wednesday p. m., at the domestic science room in the Intermediate school, by Miss Wooldridge and her charming assistants, six young misses of the 8th grade who served most daintily the nut croquettes and nut bread sandwiches they had prepared for the lecture.

By a series of charts Miss Wooldridge showed the comparative food values in the various kinds of nuts and elevated the unappreciated peanut to an enviable position. It was a pleasing and profitable afternoon and a vote of thanks was tendered Miss Wooldridge.

The March lecture will be upon the food value in rice. These lectures are given under the direction of the Glendale Federation of P. T. A. and are open to the public.

THE BREAKFAST SONG

At five o'clock he milks the cow,
The busy farmer man,
At six o'clock he strains the milk
And pours it in the can.

At seven o'clock the milkman's horse
Must go to town—"Get up!"
At eight o'clock Nurse Karen pours
The milk in baby's cup.

At five o'clock the baby sleeps
As sound as sound can be.
At six o'clock he laughs and shouts,
So wide awake is he.

At seven o'clock he's in his bath,
At eight o'clock he's dressed,
Just when the milk is ready, too,
So you can guess the rest.

—Emilie Poulsson.

SUNLAND

Eugene Shelly has returned from the north and is improving his property on Hill street.

Mr. Healy from San Francisco, an uncle of Miss Ethel Martin, visited her home last week.

Eustace Rowley entered Los Angeles High school on Monday where he will take a special course of study.

Mr. Eagler announces that he has funds on hand from the Farmers' & Merchants National Bank of Burbank for cashing checks.

A. V. Stack of Hansen Heights has moved to his new ranch in El Monte. His son, Harold, will care for his interests in Hansen Heights.

The damage done the Hansen Heights water system by flood water has been repaired and service has been resumed.

Miss Jackson, who, on account of illness, was away from her school for two weeks, resumed her duties on Monday morning.

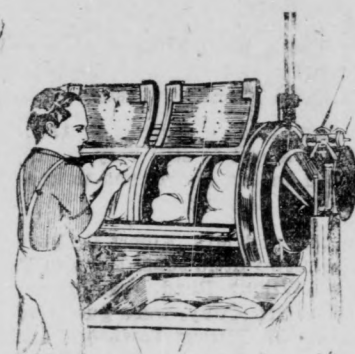

Little Mildred Ryan celebrated her fifth birthday anniversary by entertaining a number of friends on Saturday afternoon. Refreshments of cake, cocoa and candies were served.

Mr. and Mrs. D. E. Ryan and family will move soon to Garvanza so that Mr. Ryan, who is in the employ of the city of Los Angeles, may be nearer his work.

Roads around Monte Vista park are being improved. A crew of men were busy the first of the week filling in the muddy spots with decomposed granite. The Roscoe road is now in first class shape.

J. T. Fitzgerald of Los Angeles, the music man, is improving his ranch with a new reservoir, also

"Olmstead" his canyon a la Haines canyon to prevent erosion and increase his summer flow from the mountains.

Mr. Noel Edwards and wife of Hollywood visited Sunland Sunday last.

A year ago the valley faced an expenditure estimated at \$85,000 for a storm drain system. The expenditure of about \$10,000 in check dams in Haines canyon has made the storm drain unnecessary.

Mr. and Mrs. George Corey left

Sunday for Arizona where they will make their residence till summer. Mrs. Corey is a sister of Mrs. L. T. Rowley and has been a guest at the home of Mrs. Rowley for several months.

Stage Changes Ownership

Last week Earl Simms purchased the interests of the Pioneer Stage line from "Mike" Warfield and now is the sole owner. Mr. Simms has been identified with stage lines at Sunland for the past five years and through his untiring efforts has greatly improved the service.

GETTYSBURG TONIGHT

The stereopticon lecture on the beautiful military park at Gettysburg, Pennsylvania, will be given tonight in the High School Auditorium, at 8 o'clock, with over 100 beautiful pictures. This will be preceded by a fifteen minute musical program by Prof. Laichinger with patriotic airs, and Elizabeth Mottern, the talented daughter of Rev. Mottern, the lecturer, who will play Haydn's great piece, "The Heavens Are Telling." Following this the High School Orchestra will give a number. The fine picture of Lincoln will be presented to the school room having sold the largest number of tickets. Following this the lecture of the evening, "The Battlefield of Gettysburg in Picture and Story," will be given, its opening number being our national song, "The Star Spangled Banner," illustrated, sung by Elizabeth Mottern. The lecture will conclude by a recital of the great peace jubilee in Gettysburg July 1-4, 1913, and the audience singing our great national hymn, "America," most beautifully illustrated.

PRESBYTERIAN CHURCH NOTES

Beginning next Sunday evening and continuing through the entire week, a series of travelogue lectures, circling the globe, by C. W. Guthrie of Los Angeles, will be given in the First Presbyterian Church. The views are beautifully colored, and are said to equal the famous Burton Holmes pictures. The officers of the Presbyterian church have arranged this course of popular lectures for the good of the entire community, and the general public is most cordially invited. Remember the date, Feb. 13-19 inclusive.

CHURCH VALENTINE PARTY

The primary department of the Christian Church will hold a Valentine party Saturday afternoon, from 3 to 4 o'clock, in the bungalow. This department is becoming quite a factor in the Bible school. A graded primary was organized a year ago with its own separate room. It started with three classes and in one year has grown to six classes. They are planning for a good time this coming season. Their slogan is, "Don't worry; watch us grow!"

METHODIST LEAP YEAR PARTY

Leap year festivities are in full swing. That this is so was evidenced at the residence of Mr. and Mrs. C. W. Ingledue, 725 West Third street, Thursday evening. The young people of the Senior department of the First Methodist church Sunday School enjoyed a unique leap year party. The spacious rooms of the Ingledue's hospitable home were filled with merry-makers. About ninety were present to enjoy the festivities. That religion and laughter need not be divorced was thoroughly manifest.

While the guests were assembling the large orchestra under the direction of Miss Dorothy Lee played several selections. The applause that greeted the various numbers showed the appreciation of the hearers. The orchestra added much to the pleasure of the evening.

The rooms were decorated with greenery and red hearts. The decorations were arranged by several of the young ladies of the department and testified to their ingenuity and taste. The evening was spent in novel games which offered amusement and every means for acquaintance and fellowship. The opening number, a dispeller of diffidence and a means of introduction, was a large

heart hung between the living and dining room. The young ladies were assembled in one room, the young gentlemen in another. Strings, with small hearts attached, ran through the large hanging heart, and by selecting one of these strings partners were secured for the first game. So on through the evening novel and ingenious ways were used for passing from game to game and securing partners.

During the evening Russel Laichinger delighted all with his piano selections, and Miss Addison charmed her hearers with well rendered vocal solos.

At the close of the delightful and entertaining program refreshments were served. As the guests departed they all declared, "One of the best socials I ever attended," "The best ever," "It was just splendid."

Mr. and Mrs. Ingledue and family did everything possible to make the evening a happy one. They radiated welcome and gladness everywhere. The classes having the affair in charge left nothing undone to make the evening a memorable one.

The classes in the department and behind the social of last night are the Philathea, the Junior Philathea, the C. C. C.'s, and the Junior Baraca class.

NORTH GLENDALE

Mrs. Theo. Goossen of the Peerless Laundry company of Los Angeles has moved to North Glendale with his family and is located on Ruth street.

Mr. S. Beck of Los Angeles was in North Glendale on business on Thursday.

Mrs. Edward Gibson of Valley View road was the guest of friends in Los Angeles during the mid-week.

Mr. J. W. Cousins of 1501 Lorraine street left on a business trip last Wednesday evening, after spending several weeks with his family at home.

Mrs. J. A. Small of Los Angeles, who is a talented musician, being noted for her beautiful lyric soprano voice, was the house guest of Mrs. George H. Marsh of 1109 San Rafael street during the past week.

Mrs. J. A. King of Los Angeles was the luncheon guest of Mrs. Judson A. Mead of 1648 Ruth street last Wednesday.

Miss Lucille Pittman of 1001 North Pacific avenue was the dinner guest of Miss Marguerite Hershey of West Thirty-sixth street on Thursday evening.

Mrs. Charles Aageson of 1620 Ruth street was the guest of Mr. and Mrs. Cleggett of San Fernando on Thursday of this week.

Mrs. A. B. Clement of 1321 North Pacific avenue entertained at luncheon on Thursday, her guests being her sister-in-law and niece, Mrs. R. D. Greer and Mrs. Hal V. Caldwell of Los Angeles.

Mr. and Mrs. George H. Marsh of 1109 San Rafael street entertained with a charmingly appointed dinner last Tuesday evening. A beautiful floral decoration adorned the center of the table and covers were arranged for eleven, the guests including Mr. and Mrs. J. A. Walker and son Master John of Los Angeles, and the parents of the hostess, Mr. and Mrs. Andrew E. Wilbur of Rancho La Solano San Gabriel.

WELCOME NEW MEMBERS

The Woman's Foreign Missionary Society of the West Glendale Methodist church held their regular monthly meeting Thursday afternoon at the home of Mrs. E. Hoskyn, 1504 W. Colorado street. This meeting was in the form of a reception to the new members added to the society during the past six months. The program was opened by the singing of one of the Jubilee songs of the society, followed by devotional exercises led by Mrs. Adams. The rally jubilee song followed and after reports and the business of the society had been disposed of the new members were formally received. Each one was called by name and exhorted to be faithful to all the interests of the society as well as to enjoy its privileges and final rewards. Sixteen new members will aid in strengthening the work and sending the gospel beyond the seas.

A social hour followed. Rev. Hartsell took a picture of the ladies from which stereopticon slides will be made. These may go to the foreign field and be viewed by the health-
