Agenda discussion

- Briefing with coach Tan Ye

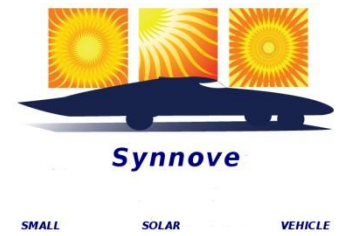

During the meeting we had a look at the intermediate test and discussed our latest progress in relation to the SSV race and the case SSV part II.

- SSV race

The SSV race could be next week, so we further improved the steering of our SSV. After the improvements, we retested the SSV on the test track.

- Case SSV part II

By next week Friday (10/05/2013) we need to hand in case SSV part II and the final version of our process report. Case SSV part II consist of five tasks: the correction of the Sankey diagram, the analysis of the drive shaft, the 2D technical drawing, the collision and the exercise of the biker. We divided the different tasks.

Tasks

Correction of the Sankey diagram: Jisca, Gertjan and Arnout Dejans

Analysis of the drive shaft: Michiel

2D technical drawing: Arnout Dejans

Collision: Rik

Exercise (biker): Arnout Van Tricht
