

The German Ambassador.

Tokyo, September 27, 1940

G No. 1001

Strictly confidential.

Excellency:

I have the honour to acknowledge receipt of Your Excellency's Letter Jyo - ni Nr.133 of this date with the contents as follows:

"I have the honour to inform Your Excellency that, the Japanese Government earnestly share the hope with the Governments of Germany and Italy that the present European War will remain limited as far as possible in its sphere and scope and will come to a speedy conclusion and that they shall on their part spare no effort in that direction.

However, the conditions actually prevailing in Greater East Asia and elsewhere do not permit the Japanese Government to rest assured in the present circumstances that there is no danger whatever of an armed conflict taking place between Japan and Great Britain, and accordingly they desire to call attention of the German Government to such a possibility and to state that they feel confident that Germany will do their utmost to aid Japan in such eventuality with all means in their power."

I take this occasion to note the contents of Your Excellency's letter.

I avail myself of this opportunity to renew to Your Excellency the highest consideration.

signed: Ott.
