B. As Singer Sewing Machine:

Settled in Sept. 1949

Based on the instruction of the chief of Special Property Department, Reparation Board, dtd August 18, '49, concerning the looted Singer Sewing Machine (AF 025514) owned by Ri Fukuyo, Korea, in Hanadate-mura, Semboku Gun, we negotiated with the owner on August 29 at the spot over the transfer of the property and other proceedings in order to transport it to the designated collection place.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

However, the owner firmly claimed that he would never deliver the property unless he receives the money (about 38,000 yen) which was paid to Ko Fujiya, salesman of sewing machine, master of Happy Sewing Machine Omagari Agent.

In consequence, we decided to take a proper action towards the case upon an instruction from the central government.

(In reference to this case, we have had a connection with the central government by phone and mail. And so we shall have any instruction in a day or two.)
