AFFIDAVIT

I, Gardner C. Carpenter, being first duly sworn, do hereby, according to my best knowledge and belief, depose and say as follows:

I am an officer of the Department of State in the Division of Foreign Activity Correlation. As an officer of the Department of State, I was stationed in Marburg, Germany from April 30, 1945 to December 1, 1945.

The documents hereunto attached, listed in the attached list and certified by the Acting Secretary of State, are true prints of microfilms in the files of the Department of State which were made between May 1945 and February 1946 by a joint American-British team in Marburg, Germany, of documents from the files of the German Foreign Ministry then located at the Document Center, maintained by the United States Department of State and the British Foreign Office at Marburg.

These documents had been captured by American military forces in Germany.

The original microfilms thereof, which were made as stated above, were forwarded during the period between May 1945 and February 1946 from Marburg to the British Air Ministry in London, where duplicates were made and forwarded to the Department of State through the American Embassy in London.
