## 凡 例

- (一) 本刊所列貨品係依據本處所造呈部季報刪繁就簡以期切要爲主旨
- (二) 本刊所列貨價均係躉售貨價計每星期調查一次至月終按算術平均法登記故與各個的實在成交價不能盡同
- (三) 各種貨物均冠有牌號等標識以免含混籠統之弊
- (四) 各種貨價參列兩種貨幣本位列規銀所以便調查列關銀所以資比較至上海規銀與江海關關銀之比率則爲一百一十四兩四錢與一百兩之比
- (五) 上海爲通用銀兩碼頭而習用洋碼者亦頗不少本刊仍按當時釐價折合規元以歸一律
- (六) 買賣單位悉從市面習慣
- (七) 本刊目次略按上海市場分業狀況分爲五部八類並分別載明稅則號數以資參考
- (八) 本刊並用中英兩國文字以便中外商人參證

## PREFATORY NOTE

- (1) The commodities contained in this quarterly are selected from our quarterly report to the government and are compiled in an abridged and concise way.
- (2) This quarterly contains wholesale prices only. Investigation is once a week and the average price is calculated by the arithmetic method and recorded at the end of month. Thus a slight difference is likely to happen between that and the actual price.
- (3) In order to be more specific, every kind of commodity is affixed with its trade mark, brand and, in some cases, the name of the company.
- (4) Every price is expressed in Shanghai Taels and HK. Taels. The first is used because of its convenience in investigation and the latter for comparison. Their ratio is as 111.4:100.
- (5) Since taels and dollars are in dual use in Shanghai, all prices in dollars are converted to taels as per the rate of dollars during the occasion.
- (6) The units or measures are based upon the custom of the market.
- (7) The commodities are classified into five parts, eight groups in accordance with the division of trade in the Shanghai market. Tariff numbers are inserted for reference.
- (8) This quarterly is published both in English and Chinese for the reference of all native and foreign merchants.

## 卷 一

### 市 況 說 略

#### 海 味

本季爲新陳各貨交替之期。故交易例形清淡。各月情況。以四月爲最佳。六月適當霉令。貨物易於發霉。各幫少辦。市氣閑靜。惟售價轉因到稀存薄。反見上漲。

海參 十番參來貨之缺。爲往昔所未有。售價迭次增高。與前季相較。約高卅兩左右。八脚參在四月中銷暢盤堅。五月來貨較旺。銷路轉滯。跌去十餘兩。六月益疲。

魷魚 季初到存稍厚。市氣平平。五月中長江各幫略有採辦。價稍見漲。季末除川幫有成交外。餘均不動。市氣轉沉。

洋菜 爲夏令銷品。自始至終。銷暢價堅。

干貝 在四五兩月市氣平穩。六月天氣漸熱。各幫恐其生虫受損。不敢多辦。市存復厚。遂致削價出售。惟大中貨少。跌勢較緩。

蝦米 金鈞在季初頗不振。至五月底漢幫動辦。始見轉機。因該貨以漢口爲大宗銷場。市面變遷。常以該幫之動靜爲進退也。

#### 糖

糖市自春末以來。平疲不振。究其原因。蓋自外洋甜菜製糖盛行以來。本季糖產估計。又見增加。洋糖進口。繼續不絕。本國糖復時有運到。供過於求。銷路呆滯。市面乃逐步見小。同業中又乘機操縱。狂漲巨跌。因而虧耗者甚巨。至六月末。價稍穩定。以秋銷發動。躉批零售均稱不惡。嗣後宜有起色之望。但以存貨未清。新貨續至。情形

仍未十分良好也。

東白在上季末因業中投機。拋額過鉅。多頭揚稱收貨。市價抬高至十二兩以外。未幾復歸正市。平均常在十兩左右。五月間曾有一度轉機。旋因到貨回跌。本季期貨成交廿八萬餘包。以天津等帶採辦爲多。贛浙次之。

荷白荷赤。因荷蘭產額增加。地價見軟。進口甚旺。實銷呆滯。價格下落。惟四月間稍形挺秀。然爲時極促。當時荷白號存之貨。以論價不符。竟未開盤。荷赤現貨開出亦無幾。拋貨稍有成交。本季荷白開出四千九百餘袋。北方採去爲多。荷赤開出七千餘袋。爲長江一帶去路。

呂青季初開盤。二號小包八兩三錢。三號小包七兩八錢。客帶進辦頗湧。求過於供。市價步漲四五錢。新貨既到。青赤均湧。開價次第廉宜。成交亦不甚暢旺云。

### 洋酒食物

本季洋酒來自法國者。因匯水關係。價格咸有趨漲之勢。其來自英國者。則無若何變動。法國海內斯白蘭地。際此銷路暢旺之時。忽受法匯影響。拆價轉高。幸本埠存貨豐富。尙無突躍之勢。法國老牌萬滿。六月間存貨不多。加以新到之貨成本加重。市價隨漲。水菓汁亦當銷令。價格穩定。其中尤以華爾取葡萄汁與林姆求四銷數爲最大。其次當推雷仁皮拉門四瓜四也。

罐頭水菓。銷路已有轉機。但以定價便宜。市價依然趨跌。

各種淡奶自日本地震以後。價格大都上漲。刻已漸次恢復原狀云。

### 棉花

世界原棉之供給。年來咸抱不安之象。猶憶去歲美棉。因收成未達一千二百萬包。曾引起絕大惶慮。謂當一九二四年新陳不接之際。市面緊張。勢難倖免。今其時矣。而現在形勢。非但供給上未感缺乏。世界棉市反搖曳靡定。跌多漲少。似乎適得其反。而不知前此所惶慮。今不致成爲事實者。則以本季棉市。適值種種外因。如紗銷之遲滯。紡織廠之減工。棉織品之呆頓等。間接使現需舒緩。價格無由騰高耳。

本埠棉市。四月間頗形堅挺。雖海外電訊頻頻報跌。猶能屹然不動。良以內地各路來源稀少。本埠存底實枯。於是執有現貨者。以爲新棉尙未播種。陳棉供給顯已不敷。大可乘機居奇。以求善價。而用戶則鑒於市面清淡。外棉頻跌。冀俟漲焰稍息之時。落手買進。故價格雖堅。買賣雙方絕鮮接近之機會。嗣以美棉。印棉幾度回躍。本埠人心隨之向上。內地各路。僅有陝、鄭、漢等處。零星裝來。點綴市面。因之價格更堅。迨至季末。形勢一變。(一)巨量印棉漸次輸入。(二)美棉報告轉佳。可望豐收。(三)國內植棉各地晴雨得時。棉苗優秀。(四)適值農忙。機上之工作銳減。棉用清淡。(五)華商紗廠實行停工減工。隨陳花之量而支配工作。以俟新花接濟。(六)各洋行向海外訂購原棉頗巨。有此六種原因。市面轉鬆。價亦平疲。本季得以安渡。可謂大幸。雖然世界棉需之浩急。日甚一日。我國於棉區之擴張。產品之改善。實不容緩也。

## 棉 紗

本季華紗、日紗。情形迥異。華紗尙稱平穩。起落甚微。日紗則步步趨跌。印紗陸續輸入。市情尙佳。

本埠紗市。始以英、美、印棉訊起色。正頭走銷轉佳。及東洋紗市回好等訊息。頗有步漲之傾向。嗣雖棉訊轉鬆。而各幫買興仍濃。其

中尤以川帮倍形活動。加以國內花價昂貴。廠商多議決減工。故市面益形堅穩。

但如是佳况。日紗並未久享。綜其原因。約有五端。(一)東匯頻軟。(二)日商銀根緊急。(三)進口較增於前。(四)遭美棉下跌之牽掣。(五)適值蠶忙。織機暫停。致交易銳減。四五二項原因。固屬共同。而前三項則爲日紗獨受之痛苦。於是日商不得不削價求售。五月中旬比較初旬。竟跌去七兩有奇。甚至日商直接運往漢口、天津等處兜銷。當大阪紗市不佳之際。更向吾國商場大批拋出。所有各種日紗均願賤賣。惶迫情形。概可想見。波瀾所及。即平穩之華紗。亦受影響。時逢端節。更屆田忙。同時復有巨量印棉輸入。及繼續起裝之謠言。人心軟化。交易冷靜。成交之數。六月首尾相較。竟相差過半。日紗愈跌。華紗與英印各紗亦相率陷入蕭條之境地矣。

## 正 頭

孟徹斯德市面仍堅。此間往購者。雙方執價相差百分之十。白貨、花色貨偶有成交。爲數殊少。蓋原料騰貴。廠家不願遷就以招虧蝕也。原布 (Hornby's 84 lbs.) 無大變動。五月上旬漲六辨士。爲十九先令。斯時輕貨 (Lighter Wrights) 及花色貨。需要較多。市氣稍振。迨至六月。十磅楷爾維 (Calverts 10 lbs.) 由廿四先令跌至廿三先令三辨士。雙方已有接近之傾向。漂布及花色貨亦各有訂定者矣。至於本埠市面。本廠貨較爲佳勝。東西各貨。俱屬平疲。分述如下。

西貨 本季叫莊。計成交四十一萬三千九百五十二疋。比前季多拍四萬二千四百十七疋。而比去年同季短拍九萬八千五百五十疋。市情四月上旬半頗佳。北帮及津漢兩帮。交易均甚暢旺。公平。元芳之泰西緞。堅挺異常。而元羽綢、原布、漂布、更繼續騰漲。迨後半月。交易銳減。漲少跌多。除漂布較好外。餘均岑寂。五月中旬

以後。形勢驟轉。公平、元芳各貨。俱有起色。而以元芳情形爲尤佳。(下身漂布仍微跌)端節停拍後一週。益形暢旺。而公平之原布陡漲五錢。元芳之羽綢復高三錢。尤足使市面生色。惜不旋踵跌風反勁。蓬勃一時之市氣。乃寂然無聲。定貨情形。比較叫莊爲劣。客路走銷不暢。花紗搖撼。影響甚巨。時入農忙。卽當令夏貨。走場亦均呆鈍。加以東貨步跌。叫莊漲跌靡常。在在均足令其陷於困境。猶幸來源不旺。存底不豐。各貨市價。尙無急劇變動。而川漢兩幫之於漂布。獨多購運。尙爲差強人意者也。

東貨 本季之初。花色貨有長江幫購辦。略爲起色。白貨則漂布、細布亦佳。不意東匯驟縮。同業以成本較輕。多貶價脫手。致市面趨疲。去路寂寞。來源轉湧。端午節關。銀根緊急。各貨乃步跌不能復振。六月間偶因匯價回漲。天津、長江、本街各幫。心思轉佳。但夏貨如洋紗、蓆法等。向非東洋產品。夏令花色各貨。亦以西貨爲多。是故蕭條景象終較西貨爲甚也。

### 呢 絨

來源不斷。存貨充盈。交易步趨清淡。市價彌覺疲軟。素嗶嘰、雨衣布尙稱平定。元直貢則每况愈下。冬令所需之厚貨漸形活動。寬緊駱駝絨。長江各幫略有辦進。夾呢、黑槍絨、黑子羔等。京津幫間有動辦。第人心閑散。價難抬高。執貨之家。祇求脫手。甚至售盤有不及成本者。今年自春徂夏。市面迄無活潑氣象。秋銷瞬息。或有起色之望云。

### 綢 緞

應時各貨。均甚活動。毛葛、香茂、軟緞、縐緞等貨。來源不多。銷路暢盛。有新樣花色到埠。各幫每爭先採購。市價益堅。五六兩月。市况

雖稍稍回軟。價格亦漲跌互見。但如喬治縐、印花綢、重縐、洋紡、東緞、實地紗、絲紗等。客帶去胃仍暢。本街亦甚發達。全季市情足稱堅穩云。

### 麻 貨

新舊麻袋。交易均不暢盛。而以市面缺貨。乃無若何變動。小熟登場。正爲二磅五新綠巾袋銷令。新袋價昂。小麥改裝舊袋。而安東、營口、青島、牛莊各埠。僅四月間稍事採辦。市面平疲。二磅二五新藍巾袋。定價鬆軟。例應看跌。嗣因東洋莊裝出數百件。價格由疲趨堅。至於舊袋。如冲新綠巾袋。徐、淮、無錫等處。銷胃驟增。糖斜紋袋。蕪湖裝出數十萬只。是以六月間市面尙較好也。

### 五 金

本季市情。按月遞降。比較前季尤爲惡劣。據本處所發表指數以觀。如錫、鋼、鐵、銅、鋅等品。均低於前季。是其明證也。其中跌落最甚者。當首推錫類。平均較前季跌落一七·九。與三月單獨相較。竟有五·六·三之差。蓋自前季市價陡漲後。進口漸多。銷路轉呆。四五兩月產地價堅。跌勢較緩。六月到數益多。產價轉軟。申市遂一落千丈。其次則爲鋼、鐵、鋅等。鋼、鐵類花色繁夥。其市氣之混雜。非他類之所可比擬。譬如同一白鐵皮。而有英美牌號之分。同一牌號又有號數之別。其中未始無一二小花色偶然告漲。但就大量觀察。存厚銷微。跌多漲少。據調查員報告。五月中法西釘存貨。可供往昔三月之用。鐵管子等。該業曾屢次集議。公定發售價格。以免競賣虧本。至若五金市場上素稱中堅花色之鋼板、竹節鋼、平白鐵、馬口鐵、元鋼等。或因到湧銷滯而跌價。或存雖淺而價難提高。或銷雖暢而價仍步落。市氣不振。於斯已極。鋅、銅兩類。供過於求。售價無不下落。本季鉛、錫之平

均價格，雖較前季為高，但詳審其各月價格，均趨落勢，與其他品類始無相異，亦因到旺銷滯，產地價落故也。

## 木 材

本季市情，暢滯不一。除東木及紅白板等見漲外，其餘大都下落。尤以美松為甚。四月價格，已較前季相差十兩左右。五月又猛跌十兩。時甫經月，相差竟達廿兩之巨。而六月中驟然回漲。其變化之迅速，為年來所不多見。致此之由，始因到貨湧旺，加以美國產量過多，原價漸趨落勢，太平洋運率，適又低減，咸料日後到貨，必多且廉。木客各幫，不敢多辦，市價遂一落千丈。終因迭次跌價，幾與東白相埒。往昔以其價高而不用者，咸轉用之。銷路驟見暢達。該業領袖，亦鑒於價格之一再下落，有礙血本，邀集同業，公議維持方法。售價乃得轉低為高也。企口板與美松，本有連帶關係，但售價直下，始終未能回漲。留安木價格雖較前季略低，到銷兩平。市氣尚好。柚木價格過高，銷不甚暢。紅白板初因到少存稀，銷路暢達。價頗堅俏。後以到濃銷淡，價遂轉軟。然仍較前季為優。東木銷路雖不甚暢，緣到源稀少，售價有增無減。其中銷路略大者，如麻栗、桂木、亞克等，無不步漲。即如白松一項，受美松價廉之影響，銷路絕無，而價仍能上升。其市氣之堅俏，於斯可見矣。

## 煤

本季煤市，各方需要減少，市價平疲。茲將各貨情形，詳述於後。本國煤，直魯產之開平一二號層、華水納子、中興統、中興層、及悅昇統等貨，其初尚稱平穩。各方去路亦佳。自五月中旬後，因北方來源稀少，此間底存缺乏，一二號層價格上漲，用戶不願囤進，致六月份之銷路頓衰也。

外國煤 白煤四月份銷路尚活潑。五月份大英松價雖疲軟。而客銷仍不起。加以霖雨連綿。各方俱不願裝運。入六月份後。市場頗現供過於求之勢。暗盤疲軟異常。烟煤塊在四月份頭二三號各貨。除三號中之高尾、松浦、肥前、各煤。因蘇屬各埠採辦踴躍。市價堅穩外。餘若頭二兩號貨。均見下跌。中以二號之新手、高江、高松、福島、等貨爲最甚。五月份頭號杵島、相知等煤。因兵艦銷路盛旺。市盤復漲。惟二號貨依然暗鬆。三號貨亦屢次跌價。六月份市况更疲。各煤去路均見呆滯。蓋亦時令關係也。烟煤統季初頗爲不振。三號貨尤甚。凡開新盤。價必步跌。二號貨因普通工廠購胃甚弱。價亦下沈。獨頭號貨因底存缺乏。盤尚堅固。入五月後。如杵島、克拉子、等貨。市盤回漲。惟二三兩號貨。始終一蹶不振云。煙煤屑今年絲市蕭條。絲廠工作減少。需煤之量。較往年奚啻霄壤。本季煤屑頭二三號各貨。受此種影響。形勢當然不利。四月份廠銷停滯。走胃甚呆。有存貨者。俱願放盤脫貨。五月份雖新絲登廠家需要。似應稍有起色。然按之實際。則各方仍鮮採辦。六月份受絲廠罷工影響。走場大受打擊。統計本季中所銷之貨。尚不及去年十二月一月之多。故市盤屢見跌落也。

## 紙

本季紙業以進口不絕。實銷呆滯。市面未見起色。五月中華嘉洋行運到大宗十七磅有光紙。削價求售。同業大受影響。乃由紙業公會出而維持。公議十七磅有光紙自六月朔起。一律每令售一兩三錢。同業互保。如違照罰。市面始得稍定。茲分述如次。

十七磅有光紙卅七磅報紙兩種。存底既厚。來源亦旺。四月下旬稍有交易。並無起色。迨受華嘉削價影響。同業受創太深。至六月間客銷仍淡。而外洋到貨仍有。有光紙竟至每令售一兩二錢三。報

紙亦跌去五分左右。以後能遵照公會辦法。業中或不致受累甚巨也。

玻璃紙素以英美烟公司銷場爲最。南洋公司次之。去歲兩公司行銷該紙不尠。各行向外洋定貨頗夥。今年兩公司忽而停辦。存貨儲積。價遂下落。兼以內地水災。福建、湖南、天津等處行銷又弱。二三等之貨。去歲售價爲二兩五錢。今則售二兩或一兩八錢五矣。

黃板紙爲吾國自製。近來各廠互相競爭。六月間每噸跌去四五兩。

道林紙礪紙兩種。陸續有到。五月上旬價均穩定。客幫銷場亦稱不惡。但受華嘉出貨之牽動。價遂逐步軟跌。六月間礪紙仍漲一錢左右。然交易均不甚巨。

## 染 料

各色染料。夏令將屆。市况清淡。惟漂白粉於四五月中。各方銷路暢旺。雖到貨源源不絕。尙不足以供需求。價格頗爲堅定。硫化碱例於夏季銷場較呆。但四月間市盤尙穩。直接、酸性、鹽基等染料。客幫銷胃薄弱。無大批成交。本埠坊戶及廠家。需要亦屬零星。價格均甚疲軟。惟淺色各貨。因時令關係。銷場較爲活潑。市盤亦稱平穩。硫化元銷路。本以夏季爲最呆。客幫添進頗少。本埠成交更爲清淡。市價俱帶軟勢。

靛油到貨壅塞。去胃有限。雖市盤未見大落。然存貨之家。力求脫手。暗中貶價。內盤鬆軟殊甚。快靛受靛油影響。市况亦呈衰弱云。

## 煙 類

紙煙 本季紙煙市情。無甚變動。惟同行競爭頗烈。公會於月終雖有一度之集議。商訂零躉價目。而各同行多陽奉陰違。暗中扣貼。

如三五牌紙煙。公會議價。本定每千十六元。而市價祇售十五元五角。區區千支之數。暗貼五角之多。實為向來所罕見。紅屋、名人、吉士、等牌。就本埠之銷路而論。沉寂達於極點。然其品質實未可厚非。品海（俗稱老牌）為在華紙煙之鼻祖。後因抵制美貨。一蹶不振。近則漸受吸客歡迎。將來或能恢復原狀。三炮台在前門未銷行之前。銷路之暢。無出其右。近則一落千丈云。

雪茄 美女牌耶地利（即方鬼婆）因來貨不多。存積稀少。故市面頗呈活動之象。亨白廠煙。市價如常。近煙業公會接該廠函稱。斯馬脫煙葉。Sumatra Wrapper 為荷蘭採去多量。現貨缺乏。成本驟增。故本埠同行。已決於七月一日起實行增價百分之五。老球牌來貨甚稀。但存底尚足供需求。市價站穩。

煙葉 四月份銷路最暢。因資本充足之煙廠。咸於此時大宗購入以備數月之用。蓋新貨到埠。必在秋後。此數月中。價格絕難便宜也。五月銷路略為減色。至六月則大衰。較之四月。約減少三分之二。因黃梅時節。各廠皆不敢積存。恐遭霉爛損失也。

## 西 藥

自五月中旬以後。愛蘭漢百利洋行。及重松藥房之藥品。價格漲落。較前相距遠甚。竟有超過二倍以上者。究竟其品質有無差別。抑來價有貴賤不同。在此無團體組織之藥業。於化驗上未有相當之設備。欲明其真相所在。亦冥冥乎難矣。茲就其變動較大者。列表比較如下。

類 別	藥 名	藥 行	單 位	本 季 價 格	前 季 價 格

## 電 料

今年電料營業頗為清淡。計不及去年四分之一。燈泡一項。尤為疲乏。查電料銷場以燈泡為最廣。約占全部十分之三。考其滯銷原因。蓋由於去年各項燈泡價格大跌。本外埠一般同行。及消費較大之用戶。咸視為難得之機會。儘量吸收現貨。消費未盡。致今年市面停頓。各牌之中。以奇異銷路為最。其故有二。一因輕重磅之貨咸備。一因銷售已久。信用卓著。他如華吞、非利浦、亞司令等牌。祇本埠門莊略有銷售。去年春初。售價且較奇異牌高出五兩左右。後因存貨堆積。不得不陸續減價。現已與奇異牌同值矣。橡皮電線。自日本震災後。到源甚稀。市上所售之貨。大都係日商在滬所設之中華電線廠出品。但以出貨有限。故較德貨稍昂。S. E. S. 牌馬達。銷路甚廣。因其價廉。且能出票保用。廠家多樂就之。電扇為夏令應時之貨。往年銷出以五月份為中心。今年氣候較遲。客幫採購。不甚踴躍。六月以來。雖漸轉熱。然僅本埠稍有起色。外埠依然無活動之象。存貨堆積。尤以奇異牌為多。蓋因該牌去年銷數最好。各批發商以有利可圖。定貨較去年約多三成。現因銷路停滯。遂不得不減價脫貨矣。

## 洋 廣 雜 貨

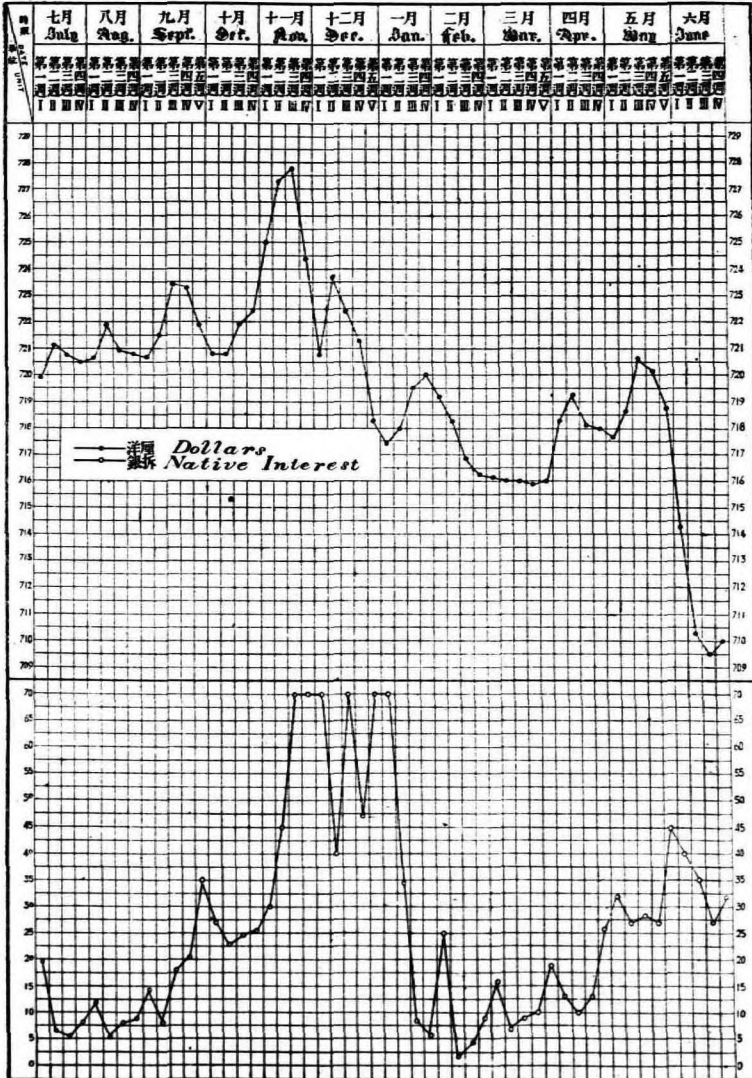

本季營業。較去年同期為遜。自四月以來。氣候溫和。夏令用品。

客銷不旺。門市亦極寥落。進口到貨不絕。季末天時如故。各商急於脫貨。減價求售。幸夏盤開出時作價尙高。雖見挫落。尙不致受損甚鉅。其中以派勒帽、梳燈等走銷爲暢。派勒帽。四月間天氣仍寒。價格時有漲落。五六月市價堅挺。客幫本街採辦踴躍。以德記公義等牌銷路爲尤廣。定貨者獲利甚豐。惟東貨羅克帽因到貨過多。上落靡定。六月銷路更稀。價遂不起。汗衫以東貨銷路爲佳。西貨洛士利等牌反爲減色。卒以氣候關係。交易未見暢達。季末各商均跌價出售。梳燈去路以川幫爲大宗。本季採辦不尠。價格始終穩固。搪磁玻璃諸器存積甚豐。來源湧旺。四月東匯暴跌。日貨充斥。市面頓受影響。日商亦懼虧耗太大。不敢多做定貨。然東西各貨進口仍夥。商家急於求售。無如市氣呆滯。以致味架每打竟跌十餘兩。東貨全白盆跌二三錢不等。五月末錫器、料器、及磁器等。漢口、天津、營口、均有採辦。然交易不巨。價仍步跌。而各商以到存既厚。銀根緊急。仍謀脫卸。以後價或再落。亦難預料也。肥皂。華廠出品。不亞於外洋。價格平準。均得盛銷市上。各外埠代理處因手續簡單。出貨日期正確。均樂與往來。洋皂因而見擠。然價格較之去年同期跌四五錢不等。蓋新廠增設。互相競爭。同業傾軋。市價反趨跌勢。卜內門、利華到貨極湧。行銷外埠居多。洋燭。船牌今春漲價頗巨。較本燭增昂一倍。各經理處因漲價之故。門市出售。多以本燭應市。

## REVIEW OF THE PERIOD

### SEA PRODUCTS

Sea products were in a transitional period this season. April saw a comparatively better business, while June had a common dull outlook because of the rainy season. On the contrary, however, quotations rose, as the market was short stocked then.

Bicho de mar: "Jih Fan" registered a rise of about \$30.00 more than last season due to a scarcity of supplies. "Pa Chia" had steady sales in April, falling about \$10.00 in May, and became duller in June.

Cuttle fish was quiet at the beginning, but prices rose in the middle of May at the purchase of the Yangtse Valley. However, business resumed a weak tone at the end. Transactions practically came to a standstill except for a small quantity shipped to Szechuen.

Isinglass is a summer article and enjoyed good sales throughout the season. Compoy was steady in April and May but turned sluggish in June, as the weather became warmer, the first and second grades being comparatively slow in falls.

Dried shrimps imported from Hongkong were dull at first but became brisk in the end of May owing to the purchase of Hankow merchants.

### SUGAR

The sugar market continued weak since the end of spring on account of the increased estimation of the sugar production and the successive supply of foreign as well as native sugar. Violent fluctuations were caused partly by speculators which resulted in great losses. Sales were a little better at the end of June, when merchants bought goods for their summer requirements. The speculators over sold a great amount of forward cargo and this lifted the market price up above \$12.00. Later quotations rounded at \$10.00. The market experienced a revival in May, but a reaction soon set in. The total forward cargo this season amounted to approximately 80,000 bales being sold principally to Tientsin and the provinces of Kiangsi and Chekiang.

Dutch white and brown sugars saw a lower cost and an abundant supply. The market displayed a general weak tone except an interval in April when business seemed a little fair. This season Dutch white sugar had a total sale of about 4,900 bales which were largely shipped to the North and about 7,000 bales of brown sugar were purchased by the Yangtse Valley.

The quotations for Manila green sugar, at the beginning, were \$8.30 and \$7.80 for second and third grades respectively. The price rose \$0.5 higher later owing to active purchases of outport customers. However, the market declined shortly when abundant new cargo arrived in.

## WINES, BEER, SPIRITS, TABLE WATERS &amp; CANNED GOODS

French wines displayed a general upward tendency owing to the rate of exchange, while English imports remained as before. Hennesay's 3 Stars brandy, which enjoys a good market in summer was selling higher among dealers, but the large local stock prevented the rate appreciating. Nailly Prat Vermouth Wine experienced sudden rises in June owing to scarcity of supply and increase in cost. Fruit juice was also in good demand and had steady prices. Welch's grape juice, lime juice had the largest business and Lzenby's lemon Squash next. Canned fruits turned a little bullish, but cheap costs kept their market prices continually downwards. Cream milk which has had an ever rising tone since the Japanese earthquake, has now gradually returned to their normal position.

## COTTON

The supply of raw cotton has for long been below the world's demands. Last year when the total production of American cotton was given out at approximately 12,000,000 bales there were fears that the world would experience a shortage. Contrary to expectation, no shortage was experienced, due largely to the slow sales of yarn and piece-goods which lessened the demand for raw cotton.

The local market was quite steady in April in spite of the repeated falls of oversea markets. Arrivals from the interior were small and the local warehouses were short stocked. Dealers who had spot goods, in view of the exhaustion of the old stock, held their goods for speculative purposes while consumers, realising the loose demand and the fall in foreign quotations, refrained from placing orders. The tone of the local market then turned brisk by the recovery of the American and Indian staples. Quotations became steadier as small quantities were being received from Hankow, Chengchow and Shensi. At the end the market turned sluggish and quotations became easier owing to the following reasons:

(1) Receipts of large quantities of Indian cotton were arriving, (2) better American reports of cotton production, (3) good weather in the country which gave hopes of a good yield, (4) native cotton mills actually decreased production or suspended work, (5) abundant quantities ordered abroad by foreign firms.

## COTTON YARN

This season native and Japanese cotton yarns displayed various tendencies. The former remained fairly steady throughout the period whereas the latter met continual falls. Indian cotton yarn arrived in copious quantities and a normal business was done in them.

At the beginning, the local cotton yarn market showed an upward trend owing to the temporary appreciation in values of British, American and Indian cotton and the revival as well of the Japanese market. Although afterwards oversea cotton markets declined, customers continued to

buy actively, especially so was it in the case of Szechuen merchants. Moreover, most cotton mills decided to decrease working hours owing to the dearness of native cotton and this had a further effect upon the yarn market.

However, the rise in Japanese yarn was short lived accounted for by the following factors: - (1) The repeated drop in exchange rate of the yen. (2) Financial stringency in Japan. (3) Larger imports. (4) The fall of American cotton which indirectly affected Japanese yarn. (5) The silk worm rearing season arising this time with all household spinnings practically shut down. The first three reasons resulted in the Japanese cutting down their prices. Compared with the first part of May there was a decrease of about ¥7.00 per picul. The Japanese merchants sent direct shipments to Hankow and Tientsin for disposal and furthermore sold to native dealers a large quantity of forward cargo. At the approach of the Dragon Festival and the farming season coupled with the abundant arrival of Indian cotton, the market was further weakened. The transaction of Japanese cotton yarn at the end of June recorded a drop of about half amount less than in the beginning of the month. This inevitably caused corresponding falls in native, British and Indian yarns.

#### PIECE GOODS

The Manchester market continued steady showing quotations 10% higher than the offer of local buyers. Only small sales of white and fancy goods were consummated, because manufacturers were reluctant to sell low on account of the rise in raw materials. Hornby's 8½ lbs. grey shirtings experienced little change and were quoted at 19/- in the first part of May, during which lighter weights and fancy goods met with increasing demand. Until June Calverts 10 lbs. decreased from 24/- to 23/3. Quotations turned a little favourable and some white shirtings and fancy goods were ordered by local dealers. The market in this port saw a better demand for local products while European and Japanese goods were alike weak.

#### European Piece Goods

The total turnover this quarter amounted to 413,952 pieces being 42,417 pieces more than the previous season and 98,550 pieces less than the corresponding period of last year. The market was fairly good in the beginning of April, during which large transactions were carried with Hankow and the North. The cotton venetians of Kung Ping and Yuen Fong were very brisk. Black Cotton Italians, and grey and white shirtings ascended continually. However, business decreased apparently in the latter part of the quarter, all kinds turning quiet with the exception of white shirtings. This continued until the middle of May, when a trade revival set in. Kung Ping and Yuen Fong auction markets were both bullish especially the latter. Low white shirtings fell still slightly. After Dragon Festival holidays the outlook turned even brighter and Kung Ping grey shirtings and Yuen Fong cotton Italians were ¥0.5 and ¥0.3 better respectively. It was a pity that the market soon relapsed to quietness.

Indent houses had a less favourable turnover, selling little to outports. Import and cotton goods were seriously affected by the fluctuations of cotton and yarn. Business was further blocked by the repeated fall of Japanese goods and the frequent changes at the auctions. Fortunately, a normal supply was able to prevent quotations from violent falls, while purchases of white shirtings by Szechuen and Hankow merchants, no doubt, encouraged the tradespeople.

#### Japanese Piece Goods

The beginning of this period saw some purchases of fancy goods by the customers of Yangtse Valley and some white and grey shirtings were also in good request. The sudden decline in Japanese exchange made possible for business houses to sell their stock at a discount and this, coupled with the tightness of money during the Dragon Festival, weakened the market. In June, hopeful signs were witnessed on occasional rises of the exchange rate, principally among Tientsin, Yangtse and local merchants. Summer articles such as lawns and vestings were generally dull for Japanese goods.

#### FLAX, HEMP & JUTE GOODS

Both new and old gunny bags were sluggish this season, but scarcity of stocks prevented quotations from fluctuating violently. Enquiries for 2½ lbs. new green stripe gunny bags continued during the time of marketing the new wheat, but old gunny bags were generally used instead, owing to their being comparatively cheaper. The customers of Antung, Yingkow, Tsingtao and Newchwang placed only small orders in April. Quotations for 2.25 lbs. new blue stripe gunny bags were weak but strengthened later, when shipments of several hundred packages were made to Japan.

As for old gunny bags, June found a comparative better market. The demands for old green stripe bags grew larger in Hsuchow, Huai-An and Wusih and some 100,000 pieces of twill gunny bags were shipped to Wuhu.

#### SILK GOODS

All seasonable articles were fairly active. Poplin, shamur, soft satin and silk crepe de Chine had small imports and prosperous sales. New descriptions were immediately disposed off on arrival. Quotations tended from steadiness to firm.

In May and June, though the general business tone fell a little, yet such articles as georgette, printed silk, silk crepe de Chine, soft silk, Japanese cotton and silk satin, and gauze were continually in good demand by outports as well as in this port. The market remained bullish throughout this season.

#### WOOLEN GOODS, COTTON & WOOL UNIONS

The market carried heavy stocks from last season and was continually supplied with new imports. Weak sales caused the quotations to keep going down. Plain serge and waterproof were

comparatively steady, whereas black venetians declined lower than before. Winter goods were a little active. Some fleece lining was shipped to the Yangtse Valley, overcoating, black mohair seals, black astrachan being occasionally purchased by Peking and Tientsin merchants. However, these had no steadying influence. Firms were anxious to put their goods at immediate disposal and some houses sold their articles below cost. The market showed no signs of revival between spring to summer and still lacks healthy prospects in spite of the approach of the autumn.

#### METALS

Metals fell successively in these months. As judged from the index number published by this Bureau all these commodities, tin, steel, iron, copper and lead, were lower than last season. Tin had the greatest fall being 17.9 less than the average of previous season and 56.3 lower in comparing with March. Since its sudden rise happened in the last period, imports grew gradually big, but sales turned abruptly sluggish this season. Business was somewhat slow during April and May owing to the steady quotations in producing countries but reached the minimum in June. Steel, iron and zinc had slow sales. The stock of wire nails in May was sufficient for three months' supply. Dealers have several times called meetings to decide uniform quotations for iron tubes as a means of avoiding loss. The markets in ship plates, bamboo steel, plain iron sheets, tinned plates, mild steel round bars were disorderly. Zinc and copper were excessively stocked with declining prices. Lead and antimony showed a better average than in the last period, but their prices declined month by month.

#### COAL

Coal showed a quiet demand with declining prices. Native coals had a steady market in the beginning, but after the middle of May the rise in prices frightened customers.

Foreign coals: Annam anthracite was comparatively better in April, falling in May with further declines in June.

In April all kinds of lump coals except Takao, Matsanra, Hizan were abundantly shipped to Soochow and its neighborhood, prices fell alike, notably in Arate, Takamatsu, Takao and Fukushima. The first grades of Kishima, Ochi saw certain demands from batter-ships in May, but the second and third grades remained weak. The market witnessed further declines in June.

Mixture coal was at first extremely dull especially the third grade. Kishima and Karatsu experienced certain rises in May, while the second and third grades remained as dull as ever.

Dust coal had a very unfavourable outlook due to the decrease in production of the silk filatures as a result of the dull silk business this year. Dealers were obliged to sell their goods at a discount. In spite of the fact that new cocoons were placed on market during May little sales were effected. Business suffered a further blow in June because of the strike in silk filatures. The total transactions in this season amounted to even less than that in the single month of December last.

### TIMBER

The timber market this season alternated in a peculiar manner. With the exception of Japanese timbers and planks, all other kinds generally dropped in value, especially Oregon pine. Prices were at the beginning about \$10.00 lower than the previous period in April but decreased \$1.00 further in May. The middle of June saw an improvement. This quick fluctuation was due, at first, to abundant arrivals assisted by the dropping market in America and also by the reduction of Pacific freights. Dealers were frightened to store up as they feared further falls. The declining tendency was continued until it reached the level of Japanese white pine, when a revival set in, chiefly the result of the united efforts of timber merchants to prevent prices falling down further.

T. & G. Flooring naturally follows the movement of Oregon pine, but it remained weak throughout the period, luan being slightly lower than before.

Teakwood was handicapped by its excessive high price. Red and white planks were very brisk at the beginning owing to small arrivals and scarcity of stocks, but a reaction set in afterwards. Japanese timber was imported in small quantities. Ash, katsura and oak experienced continual rises. Even white pine, which was seriously affected by the decrease of Oregon pine, showed a rise.

### INDIGO & ANILINE DYES

All kinds of aniline dyes lacked a healthy trade in view of the approach of summer. Bleaching powder was the only article which had enjoyed a steady tendency and was in abundant demand in April and May by different places. Sodium sulphide was comparatively steady in April. Direct acid and basic aniline dyes were on the decline. Business was done on a small scale with outports and local dye houses. Owing to seasonable demands light colors were comparatively steady. Sulphur black was likewise dull without much business. Artificial 20% indigo was overstocked and met with discounts. Reduced indigo was sluggish in response to artificial 20% indigo.

### PAPER

Paper was imported successively, but had weak sales. In May, Siber, Hegner & Co. imported a large quantity of 17 lbs. M. G. Cap Paper which they sold at very much lower than market prices. Business houses suffered from this greatly and the paper guild was compelled to fix the quotation of M. G. Cap Paper at \$1.30 per ream. This tended to steady the market.

Both 17 lbs. M. G. Cap Paper and 3 lbs. News Printing Paper were heavily stocked and had great imports. They achieved a little business in the latter part of April and were afterwards seriously handicapped by the cheap sale of Siber, Hegner & Co. Until June the former decreased as low as \$1.23 per ream and the latter fell about \$0.50 downward. The future tendency depends largely upon carrying out the decision of the guild. Glass paper had usually the largest business

with British-American Tobacco Co. and Nanyang Brothers Tobacco Co. The demands of those two companies last year resulted in local firms ordering large quantities abroad. This year the two tobacco firms suddenly stopped buying and this together with the floods in Fukien, Hunan and Tientsin drove the quotations downwards. The second and third grades were sold between ¥2.00 to 1.80 as compared with ¥2.50 in last year.

Strawboard paper was supplied largely by native factories and saw a decrease of approximately ¥5.00 in June owing to sharp competition.

M. F. Book printing paper and unglazed printing paper imported continually and prices were steady at the beginning of May. Being subjected also to the influence of Siber. Hegner & Co. their prices likewise dropped step by step. Unglazed printing paper saw a recovery of about ¥0.1 higher in June, but small sales were recorded in both cases.

#### TOBACCO

The cigarette industry is practically the same as it was before. Intense competition was shown by discounts on sales in spite of the public quotations as decided by the guild at the end of every month; for example, the guild quotation for State Express 555 was \$16.00 per 1,000 pieces, but sales were made at, as low as \$15.50. Sales of Old Mill, Rex and Chesterfield cigarettes were extremely dull this season, but their qualities are worthy of mention. Pinhead was the pioneer in the cigarette business in China, but after a long period of prosperity it was completely destroyed by the later boycott towards American goods. It has, however, recently met a revival and is likely to regain its former business in the future. Three Castles was supreme before placing Chienmen on the market, but it has now declined very considerably.

Small supplies of Londres cigars tended to make prices bullish. Alhambra products continue at the same prices. This factory has, however, communicated to the local tobacco guild to the effect that due to abundant purchases of sumatra wrapper by Dutch interests they were left with a short supply and a rise in the costs will consequently follow. Thus the local guild has decided to increase its quotations by 5% from July 1st. Nuevo Cortado had a normal stock and a steady business.

The highest sale of tobacco leaf took place in April as it was the time for manufacturers to stock up for their summer requirement. As new cargo usually arrives after the autumn, prices are likely to stand firm for the present. A decrease of sales occurred in May and June. Prices fell to 2/3 of April prices due particularly to the rainy season.

#### DRUGS

Since the middle of May a great change occurred in the prices of the drugs of Allen Hanburys and Kasamatsu. A few showed 50% higher or lower than their former quotations. Owing to the non-existence of a public guild, it is difficult to ascertain whether these rises and falls were due to the difference in quality or the increase in cost. The following table is interesting:

Kinds of Group	Name of Drugs	Dispensary	Unit	Price in this season	Price in last season
Acid Salicylate	Acid Salicyl	Allen & Hanburys	pound	\$ 2.00	\$ 1.60
	"	Kasamatsu	"	1.45	1.30

Santonin					
	Santonin	Allen & Hanburys	ounce	26.00	23.00
	"	Kasamatsu	"	20.00	26.00

ELECTRICAL SUPPLIES

Electrical supplies this year have had only one-fourth of the volume of business of last year. Among the different articles lamp had the usual largest demand occupying about three-tenth

of the whole business, but this year it has been extremely dull due to the abundant stocks stored up by traders and consumers during last year, when the price of lamps fell down heavily. G. E. has enjoyed the best sale of lamps, partly because it provides a variety of volts and also because it has long been in the field. Wotan, Philipo and Osram are confined largely to local sales. In the spring of last year they were nevertheless quoted about \$5.00 higher than G. E. Over-stock has, however, caused continual drops in prices so that they are now on the level of G. E.

Rubber wire imports have greatly decreased since the Japanese earthquake and the goods at present in the local market are chiefly the products of "Chung Hwa Electric Works, Ltd.", a Japanese concern in Shanghai, whose quotations are a little higher than the German imports. S. E. S. motor which is moderate in price and guaranteed by manufacturers has been sold extensively.

The electric fan is a seasonable article in summer and usually has its best sales in May. Owing to the late turn of weather in this season demands were quiet during the first part but turned slightly better in June at local sales.

#### MISCELLANEOUS GOODS

The market of miscellaneous goods is inferior than that in the corresponding period of last year. Sales of summer goods were delayed owing to the mild weather and dealers were compelled at the end to dispose off stocks at cheaper prices. Fortunately, the opening quotations of summer goods did not fall extremely low and no heavy losses were effected.

Panama hats experienced occasional fluctuations in April and grew gradually prosperous in May and June, those of Bradley and Arthur & Co. enjoying the largest sales. Japanese straw hats showed unfavourably.

Cotton shirts found best sales in Japanese imports. Western imports such as Loxley had an inferior record. The end of season saw decline in quotations.

Lanterns had the largest sales from the Szechuen merchants and were constantly steady this season.

Enamelled and glass ware had large stocks and were abundantly imported. In April, the violent depreciation of the yen filled the market with Japanese imports which resulted in heavy fall of prices. Bottles cruite stand decreased about \$10.00 while all white Japanese dish declined approximately \$3.00. In May, Hankow, Tientsin and Yingkow placed some orders of aluminium tool, glass and Chinaware, but these displayed no steady influence.

Native laundry soaps had competed fairly well with foreign products. Outport agents took to the former, because of the prompt service of native factories, but prices showed a downward trend when compared with the corresponding period of last year owing to competition. Brunner-Mond and Sunlight had abundant supply and were largely sold to outports.

"Price's" candles doubled its price in the spring and resulted in a decrease of sales as retail shops generally used native products instead.
