Dear Ms Chan

I refer to the application for Distinguished Talent visas (subclass 858) that was lodged on 07 September 2011 by Vello Vaartnou (born 17 July 1951).

Decision

I am pleased to advise that on 30 November 2011 the application was approved and Vello Vaartnou was granted a Distinguished Talent (Class BX) (Subclass 858) visa. This is a permanent visa.

Grant ID

Primary applicant: Vello Vaartnou (born 17 July 1951) – grant id 8079579505842

Label Free

Australia's modern electronic visa system does not require a visa label to be placed in the holder's passport to confirm immigration status and entitlements in Australia, as the visa information is held electronically. However, should you particularly want a visa label, you may present your passport and a copy of this letter to any DIAC office in Australia.

Conditions of your visa

There are no conditions attached to your visa.

The visa is valid for **indefinite** stay in Australia. It also allows multiple travel to and from Australia until **30 November 2016**. Should there be a need to travel in and out of Australia after this date, you should either apply for and acquire Australian citizenship and obtain an Australian passport, or apply for a Resident Return Visa.

Passport

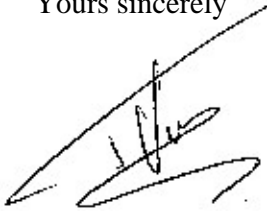

The visa is linked to the passport number that was provided in the application (81257294). If a new passport is obtained after receiving this letter, the department should be advised of the new passport details. If details of any new passports are not provided, significant delays may be experienced at the airport.

Settlement

I have attached a sheet containing information about settling and living in Australia. I hope you will find this useful. A settlement survey (Form 886) is also attached, which can be completed and returned to the address shown on the form.

I wish you all the best for your new life in Australia

Yours sincerely
