

# Cómo hacer que las caras y las voces queer sean visibles y oídas en línea

**El papel de Wikipedia y Wikidata**

**John Samuel**

Queering Wikipedia

17 de mayo de 2023

# Introducción

- Colaborador activo de Wikidata
- Trabaja en el modelado de caras, voces y temas queer en Wikidata
- Rompe con el mundo binario para abrir a un mayor espectro de valores
- Información de la diversidad

# Cómo documentar la historia queer

# Wikidata

- Comenzó en 2012
- Es una base de conocimiento, abierta, libre, enlazada, estructurada, colaborativa y multilingüe.
- Surge de sitios de Wikipedia multilingüísticos de multisubdominios a un sitio multilingüístico de un único dominio.

# Un artículo LGBT+ en Wikidata

The image shows a screenshot of the Wikipedia article for 'LGBT'. The title 'LGBT' is highlighted with a red box. Below the title, there is a 'Wikipedia article' section. The main text of the article is visible, including a paragraph about the initialism and its use as an umbrella term. A 'Tools' menu is open on the right side, with 'Wikidata item' and 'Wikimedia Commons' highlighted by red boxes. The text 'Wikidata item' and 'Commons' is overlaid on the image in a large, bold font. The 'Tools' menu also includes options like 'What links here', 'Related changes', 'Special pages', 'Permanent link', 'Page information', 'Cite this page', 'Download as PDF', 'Printable version', and 'In other projects'.

**LGBT**

Article [Talk](#) Read [View source](#) [View history](#) [Tools](#) ▼

## Wikipedia article

*This article is about the initialism. For the community it references, see [LGBT community](#). For other uses,*

**LGBT** is an [initialism](#) that stands for "[lesbian](#), [gay](#), [bisexual](#), and [transgender](#)." In use since the 1990s, the initialism, as well as some of its common variants, functions as an [umbrella term](#) for certain [sexualities and gender identities](#).<sup>[1]</sup>

The LGBT term is an adaptation of the initialism **LGB**, which began to replace the term *gay* (or *gay and lesbian*) in reference to the broader [LGBT community](#) beginning in the mid-to-late 1980s.<sup>[2]</sup> When not inclusive of transgender people, the shorter term LGB is still used instead of LGBT.<sup>[3][4]</sup>

It may refer to anyone who is [non-heterosexual](#) or [non-cisgender](#), instead of exclusively to people who are lesbian, gay, bisexual, or transgender.<sup>[5]</sup> To recognize this inclusion, a popular variant, **LGBTQ**, adds the letter *Q* for those who identify as [queer](#) or are [questioning](#) their sexual or [gender identity](#).<sup>[6]</sup> The initialisms *LGBT* or *GLBT* are not agreed to by everyone that they are supposed to include.<sup>[7]</sup>

### History of the term

Further information: [Terminology of homosexuality](#)

The first widely used term, *homosexual*, now a term used primarily in scientific contexts, has at times carried negative connotations in the United States.<sup>[12]</sup> [Gay](#)

# Un artículo LGBT+ en Wikidata (Q17884), Wikipedia, y en Commons

The diagram illustrates the interconnected nature of Wikimedia projects. It features three central nodes connected by a red line:

- Top Left Node:** Wikimedia Commons logo, representing a repository for media.
- Top Right Node:** Wikipedia logo (a globe with letters), representing an encyclopedia.
- Bottom Node:** Wikidata logo (a barcode), representing a structured multilingual data repository.

Text labels are placed around these nodes:

- Media: Images, Audio and Videos** is positioned between the Commons and Wikipedia nodes.
- Articles** is positioned between the Wikipedia and Wikidata nodes.
- Structured Multilingual Data** is positioned between the Commons and Wikidata nodes.

The background of the diagram shows three overlapping screenshots of the LGBT+ topic page in each project:

- Wikipedia (top left):** Shows the article title "LGBT [Collapse]", a description "lesbian, gay, bisexual, and transgender persons", a rainbow flag image, and navigation links like "Upload media", "Wikipedia", "Wikiquote", and "Wikinews".
- Wikipedia (top right):** Shows the article title "LGBT", a description "From Wikipedia, the free encyclopedia", and a paragraph of text starting with "This article is about the initialism. For other uses, see LGBT (disambiguation).".
- Wikidata (bottom):** Shows the item "LGBT (Q17884)", a list of aliases in various languages, and a table of "Also known as" including terms like "GLBT", "LGBTI", "LGBTIQ", "LGBTQ", "LGB", "QUILT BAG", "LGBTQIA", and "LGBTQIAPN".
