APC 500  
ATTN: Reparations Section

1. Physical inspection on 5 February 1951, revealed that the fourteen (14) items listed on the attached application are of scrap value only. The two (2) pumps, Code Nos. 27-03-4588 and 27-03-4589 were not inspected. During the inspection these two (2) items could not be located. The custodian claims that they were stolen over a year ago. All other items have been out in the open for the past five years with no degree of maintenance. Therefore, it is recommended that they be released as melt down scrap.

SUBJECT: Non-Industrial Reparations Equipment

TO: Chief, Civil Affairs Section  
GHQ SCAP  
APO 500  
ATTN: Reparations Section

1. Reference is made to the Economic Conference held in Tokyo on 30 November 1950, where verbal instructions were issued to forward applications for removal from reparations of all non-industrial equipment.

2. In compliance with the above reference, transmitted herewith are two (2) applications requesting deletion from reparations, items that are classified as non-removal, non-industrial, and non-productive. It is highly recommended by this headquarters that these items be released in "as is" condition, for this equipment is of no reparations value.
