

... the school-
... referred to
... living.

... woman
... Christ Lovin-
... daughter of
... Secession of
... Boston

I have just received
your letter of the 10th
and am glad to hear
from you. I have
been very busy in the
city of Cairo, Egypt
and in fact have
not been in the
city for some time
yet.

I am sure you
will find the
news which
is written to you
in every hour
of your life. It has
been received with you
