

**AT THE HIGH SCHOOL**

**SPANISH CLASSES PLAN SOCIAL AFFAIR FOR TONIGHT—WILL INITIATE.**

Much preparation is being made by the members of the different Spanish classes of the school today in an effort to make this evening's entertainment one of the best of its kind ever given by a school organization. The affair will be in the nature of a social and will take place at 7:30 o'clock in the gymnasium room. The program will be handled by members of La Tertulia, the Spanish club, assisted by Miss Fenton, the Spanish teacher. The decoration committee, of which Ruth Ryan is chairman, have planned some novel decorations, and all the other members of the club are working to make it a success. The first part of the evening will be given over to the initiation of several new members, which in itself should prove to be worth the whole show, after which a musical program and some Spanish games will be enjoyed. As this will be the last entertainment given by La Tertulia an exceptionally large crowd should turn out to make a big success.

After one of the most successful seasons ever enjoyed by a Glendale High School tennis organization the four members of this year's squad decided last Saturday to disband the team until next year. At the same meeting it was decided upon to hold the election for next year's captain and manager. However, as there was only one candidate eligible for either position on next year's aggregation, Roscoe Puffer was unanimously elected to fill both of them. He will have quite a difficult task in rounding up a team as good as that of this year but as he has executed seemingly impossible feats before it is highly probable that Glendale will be in the possession of another championship tennis banner next year.

Besides winning the championship banner of their league this year the boys have earned considerable distinction in several of the tournaments all over Southern California. At the annual Ojai Tennis Tournament Carlton West and William Balthis displayed exceptional form and the next week Balthis kept up his sensational playing by fighting his way up to the semi-finals in the Dudley Cup Tournament at Santa Monica. Roscoe Puffer made fame for himself last week in the annual Y.M.C.A. Handicap Tournament in Los Angeles by defeating some of the best racquet wielders of the State. The members of this year's team in their playing order are as follows: Carlton West, William Balthis, Lehman Crandall and Roscoe Puffer.

The harmony classes of G. U. H. S. in charge of Mrs. Dora L. Gibson are planning to give a program Friday afternoon, June 8, in the high school auditorium, to consist of original compositions. The public is invited.

**GIVE TRAVEL TALKS.**

Mr. and Mrs. Charles M. Turck, 521 North Glendale avenue, Tropic, are in the habit of entertaining a group of boys and a group of girls once every two weeks. Wednesday evening twenty girls between the ages of 12 and 15 were guests of Mr. and Mrs. Turck and were royally entertained in their hospitable home. Mr. and Mrs. Turck have traveled abroad often and extensively and have such a rare collection of articles and views secured in foreign countries and they can describe so vividly the places they have seen, that their little travel talks are most enjoyable. On Wednesday evening the girls were entertained with a talk on Venice, Italy, illustrated with the mirascope and were wonderfully delighted with the descriptions given and the views shown.

Mr. and Mrs. Turck are very generous in giving so much time to the young people, in thus storing their minds with valuable information while they are being entertained and the little group entertained is not confined to the friends of the Turcks. They invite and welcome any little girls who are interested in this sort of entertainment and all girls are. Announcements of future meetings both for boys and girls will be given through the columns of the News.

**MRS. RICHARDSON RECEIVES CABLEGRAM.**

Mrs. Ella Richardson received a cablegram from her son, Burt, Wednesday, stating that he had arrived safely in Paris, Francis. It will be remembered that this young man sailed several weeks ago from New York with a number of Yale College boys, all of whom have enlisted in the service of the United States.

**GARDEN SHOWER**

**NOBLE RIPLEY THE VICTIM OF A PLOT PERPETRATED BY SUPPOSED FRIENDS.**

Friends and associates (of the masculine gender,) to the number of two score, assembled at the K. P. Hall, Tropic, Tuesday evening for the purpose of perpetrating what they called a "garden shower" on Mr. Noble Ripley, who is to forsake the joys of bachelorhood on June 12 when he will become the life partner of Miss Katharine Hobbs of Tropic. With the blandness and cunning of an Apache, Mr. Joe V. Griffin inveigled the victim into attending an imaginary "committee meeting" at the hall and the unsuspecting one in childlike innocence walked into the trap to see enthroned at one end of the hall an immense scarecrow flanked on either side with rakes, hoes, a plow and other implements of the garden soldier, while at its feet were a score of smaller tools, boxes of cigars and other appropriate gifts.

Notwithstanding stage fright and consternation Mr. Ripley delivered himself of a hearty, albeit disjointed speech calculated to express his appreciation, after which a short program was presented. Messrs. Jame Shea and Harry Hayward rendered several vocal solos with banjo accompaniment; Mr. Joe V. Griffin recited "Casey at the Bat" and Mr. W. J. Hibbert presented a series of stereopticon studies of Flora and Fauna.

After indulging in light refreshments the company was regaled with a well selected program rendered by the Tropic Concert Band.

Inasmuch as a large percentage of the guests, including Mr. Ripley, are registered in the defense of their country, patriotism ran riot and the evening closed to the strains of the "Star Spangled Banner," while Old Glory, in the hands of Owen Rhodes, was carried about the hall proudly floating from its oaken staff.

Taking it all in all, the affair was a huge success and it is safe to say that "Rip" was a very greatly surprised young man.

**PROGRESS IN MUSIC.**

Glendale people musically inclined have watched with interest the progress of the pupils who have been applying themselves to the various branches of this art under the direction of Mrs. Dora L. Gibson, director of music in Glendale Union High School. Mrs. Gibson has secured phenomenal and wonderful results in her glee clubs and orchestras during the years she has had supervision of this work, and yet she has worked so quietly and so modestly that the public in general has not fully understood and given her credit for what she has accomplished.

The harmony classes of Glendale High School, under Mrs. Gibson's direction, will give a program Friday afternoon, June 8, in the auditorium of the high school. This program is to consist of original compositions. The fact that high school pupils are doing this sort of work is remarkable in itself and we venture that those who have not been following the work of the school along this line will be more than surprised at the results. This program is open to the public and there should be a large attendance.

**MUTUAL BENEFIT READING CIRCLE.**

The Mutual Benefit Reading Circle met yesterday at the home of Mrs. Charles H. Toll on Kenneth Road. Twenty-seven women were present, two of whom affiliated with the circle. Mrs. Frank C. Ayars and Mrs. J. P. Hilbert. Visitors were Mrs. E. Willard Burr of Hayward, Alameda county; Mrs. C. E. Cutter, Mrs. G. F. Gairing of Los Angeles, Miss Estelle Geis of San Pedro, Mrs. William S. Porter and Mrs. Sam Wilson. Mrs. James E. Peck of Brawley, Cal., became a nonresident member of the circle, conducting the work by correspondence.

Luther Burbank's interesting little volume, "The Training of the Human Plant," was completed and reviewed. The members found the chapter on "Character" especially fine and full of suggestion. William A. McKeever's book, "Training the Girl," was begun. This is a companion book to his volume, "Training the Boy," recently read by the circle. Mr. McKeever treats his two interesting subjects in much the same way, considering the industrial training, the social training, the vocational training and the service training in each case.

**WEATHER FORECAST**—Fair tonight and Friday. Foggy along the coast. Westerly winds.

**AMERICAN WARSHIPS REACH FRANCE**

**FRENCH REJOICE WHEN HUGE AMERICAN TRANSPORT CARRYING FOODSTUFFS REACHES THAT COUNTRY**

(Special Service to Glendale Evening News)  
PARIS, June 7.—American warships are now anchored on the coast of France according to an official statement made to-day. These vessels conveyed a huge transport laden with wheat and all France is rejoicing at these visible signs of America's co-operation in the war. Already great preparations have been made to dispose of Pershing's troops when they arrive. Camps have been selected and aviation grounds provided for the first American contingent.

**ON THE AUSTRIAN FRONT**

**VIENNA AND ROME REPORT RESULTS OF AUSTRIAN COUNTER ATTACK AGAINST ITALIAN OFFENSIVE**

(Special Service to Glendale Evening News)  
VIENNA, June 7.—Ten thousand, two hundred fifty prisoners were captured in an Austrian counter offensive of three days strenuous fighting over battlefields strewn with Italian corpses, an Austrian official statement says.

ROME, June 7.—Furious but futile counter attacks cost Austria 5,000 in casualties, Italian officials declared to-day. At no place did the Austrians succeed in denting the Italian line which is pushing forward toward Trieste. It is said that 100,000 of the enemy participated in the counter attacks.

**FORGE REGISTRATION CERTIFICATES**

**GOVERNMENT INVESTIGATES COMPLAINT THAT SLACKERS ARE SECURING COUNTERFEIT CARDS**

(Special Service to Glendale Evening News)  
WASHINGTON, June 7.—Agents of the Department of Justice are investigating reports from West Virginia that a certain group of men have secured possession of registration certificates and are distributing them to slackers. It is assumed that a fac-simile of the certificate has been forged.

**BRITISH WIN ON FRENCH FRONT**

**GENERAL HAIG'S FORCES TAKE IMPORTANT POSITIONS IN TREMENDOUS SURPRISE ATTACK TO-DAY**

(Special Service to Glendale Evening News)  
LONDON, June 7.—The town of Messines and a score of other important points were captured by the British in a tremendous blow by Gen. Haig's forces this morning, according to official reports. The prisoners taken already number thousands.

**REGISTRATION RETURNS**

**THIRTY-TWO COUNTIES OUT OF FIFTY-EIGHT REPORT A TOTAL OF 180,789. MORE THAN 300,000 EXPECTED**

(Special Service to Glendale Evening News)  
SACRAMENTO, June 7.—Thirty-two counties out of fifty-eight and seven cities out of 10 report only 180,789 registered for draft. Of these 125,000 claim exemption. It is still expected that the total registration in the state will exceed 300,000.

**SLACKERS GO THIRSTY**

**EUREKA SALOONKEEPERS REQUIRE YOUNG MEN TO SHOW REGISTRATION CERTIFICATES WHEN THEY BUY**

(Special Service to Glendale Evening News)  
EUREKA, Cal., June 7.—Slackers must go thirsty here. "Show your card," instead of "what will you have?" is the greeting the bartenders extend to their patrons. Saloon proprietors have agreed that if a man can't fight he can't get a drink. The proposition is two-edged as it discovers slackers and prevents youths under 21 from securing liquor.

**"SILVER SHELL" SUNK SUBMARINE**

(Special Service to Glendale Evening News)  
WASHINGTON, June 7.—The "Silver Shell" is the American steamer which the state department reported yesterday had sunk a German submarine in a running fight of an hour and a half.

**BRITISH IN AIR RAID**

(Special Service to Glendale Evening News)  
LONDON, June 7.—British airplanes made another successful bombing raid over the German airdrome at Nieu-Monster to-day.

**SUICIDES TO ESCAPE CONSCRIPTION**

(Special Service to Glendale Evening News)  
SAN FRANCISCO, June 7.—Fearing that he would have to shoulder a rifle and fight his own brothers on European battlefields, Otto Japsen committed suicide here to-day.

**MOTOR EASTWARD**

**GLENDALE BOYS TO CROSS CONTINENT IN EL PAJARO AZUL.**

All the young men of Glendale are envious of Tom Philp, 225 Orange street, and Hubert Buzzell, 471 East Second street, who left this morning on a motor trip across the continent. They have equipped a natty little car that will attract attention everywhere it appears. It is painted a bright blue and is indeed a bird. It is labeled in neat letters, "El Pajaro Azul" of California. The camping equipment and baggage is neatly and compactly packed. The boys expect to camp out at night, do their own cooking and carry their commissary department with them. Their first objective point is Illinois where they will visit friends and later go on to the New England States. The boys will follow the Santa Fe Trail through the South and will wander about at their own sweet will, visiting the places where their inclinations lead them. They have set no time for returning but their friends hope to see them back in Glendale again in the early fall. The Blue Bird will likely lose its brand new appearance before it has crossed the continent twice.

**IMPORTANT CHAMBER OF COMMERCE MEETING.**

Monday evening at 7:30 in the Chamber of Commerce rooms, 1010 West Broadway, will be the regular monthly meeting of the Chamber of Commerce and its executive board, which will meet at 7 p.m. sharp. It is particularly important because the president, Mr. W. J. Clendenin has resigned, on account of his business, which requires so much of his time in Baltimore, Md. Director M. B. Hartmann has also resigned from the executive board. Another president should be elected at the meeting Monday evening, and other important matters considered.

It is hoped that all members, including the new life members, will be present at that meeting. Conditions are such now that the Glendale Chamber of Commerce should be able to do a great deal for Glendale.

Those who have lately become life members are:

- Charles H. Toll.
- John Hyde Braly.
- Ezra F. Parker.
- F. H. Vesper.
- A. M. Teele, M. D.
- J. Herbert Smith.
- Glendale Grocerteria.
- Litchfield Lumber Company.
- Frank J. Kuntzner.
- Glendale Paint and Paper Co.
- L. H. Hurtt.
- Palace Grand Theater.
- Los Angeles and Salt Lake R. R. Company.
- Southern California Gas Company.
- Mrs. John Hyde Braly.
- Mrs. Ella W. Richardson.

**P. E. O.'S ENTERTAINED.**

One of the most enjoyable parties of the year was given by Mrs. Freeman Kelly of 453 Colorado boulevard, assisted by Mrs. Frank Arnold, Friday, for the members of Chapter B. A. P. E. O., and their mothers and adopted mothers for the day.

A cheery greeting was given by the president, Mrs. A. L. Weaver, who closed by reading a beautiful poem, "My Mother, God Bless Her." Mrs. Frank Arnold delighted all present by singing "Mother McCrear" and "Believe Me, If All Those Endearing Young Charms." Mrs. Willisford and Mrs. Hunchberger gave excellent readings. The refreshments and decorations were carried out in the chapter colors, yellow and white, and each one received a white carnation, the members reading a toast to "Mother." Those present as guests were Mrs. George Adams, Mrs. A. E. Williams, Mrs. Cunningham of Culver City, Mrs. Case, Mrs. Winters, Mrs. E. C. Coles Mrs. Lund of Los Angeles, Mrs. Martha Morris, Mrs. Arnold and Mrs. Adams of New York, Mrs. Hunchberger and Mrs. McCoy.

**SHAKESPEARE SECTION.**

The Shakespeare Section of the Tuesday Afternoon Club held their last meeting of the club year at the home of the curator, 1325 North Central avenue, on Monday afternoon. A musical treat of rare delight was rendered by Mrs. R. W. Masters and Miss Nellie Mal Williams in excellent voice sang in her usual charming manner, accompanied by Mrs. Emma Williams Peterson. A fairy dance by Miss Lois Naudain was pictured with most excellent grace and charm, followed by a Shakespearean game of intricate value for brain fatigue was indulged in by the club

**B. S. AND B. C.**

**SOMETHING INTERESTING IS SCHEDULED FOR SATURDAY NIGHT.**

By WALT LE NOIR CHURCH.  
"B. S. and B. C." Boy Scouts and Band Concert.

Why, yes! Be on hand at Broadway and Louise Streets, alongside The Evening News Office, Saturday evening, before 8 o'clock, and you will see and hear something new and interesting. If you co mein your auto, whether a flivver, a skipper, a buzzer or a noiseless, you had better arrive early if you want a good place to park where you can both see and hear.

Our patriotic bandmaster, Hicks, has arranged this program for band concert. Saturday, June 9, Boy Scouts night.

- March, "Boy Scouts of America"..... Sousa
- Overture, "Morning, Noon and Night in Vienna"..... Suppe
- Chillian dance, "Manana"..... Missud Waltz,
- "Daughter of Love" Bennett Humoresque, "Coming Thru the Rye"..... Bellstedt
- Grand selection, "Faust"..... Gounod
- Potpourri, "America"..... Tobani
- Finale, "Star Spangled Banner".....

Then will follow "some doings" by Glendale Boy Scouts. Troop No. 1, Scoutmaster, C. B. Guthrie.

This will be a rare combine of attractions. Do not miss it.

Monday's Evening News gave an account of the two-days' hike of Troop No. 1, Glendale Boy Scouts, in San Dimas Canyon, which, joyously and most unexpectedly, became a four-days' glorious picnic, by reason of a truculent truck which may have been a disguised emissary of the enemy who considers a solemn written treaty but "a piece of paper." Anyhow, it broke a hamstring, a king bolt, a propeller shaft, or some other run-around, so it could not take the young heroes-in-khaki back to home and friends and school, Sunday evening, as was programmed. Hence those hilarities.

But The News promised "more, anon." Well, listen, it is now "anon." First, you will probably like to know the names of the Scouts who were in it. Here is the official record of Scoutmaster Charles B. Guthrie; (Continued on Page 3.)

**HENRY-BROWN COMPANY.**

It is indeed good news to the citizens of Glendale to learn that the Henry-Brown Company, manufacturers of mixed beverages, are installing their machinery in the Anderson building at the corner of Broadway and Isabel, where they will continue to serve the public with the most popular temperance drinks that are placed on the California market.

It is voiced about that the boys and girls will soon have a chance to form as many words as possible from the firm name "Henry-Brown Company," and those turning in the greatest number of words will likely receive a case of the mixed beverages. The members of this firm are real live wires and are no strangers to this territory, for they have been operating a very up-to-date and sanitary plant at La Crescenta. A formal opening at their new location will be announced later.

Mrs. G. F. Colson of 1516 Burchett street, Glendale, is entertaining her daughter, Mrs. Richard McGregor of San Francisco, for a few days. Mrs. McGregor has charge of university extension work at San Francisco, and while here she will tour Southern California with Miss Crump, who is the general superintendent of this work, with offices in Los Angeles.

The result was a tie between Mrs. H. P. Goodwin and Mrs. H. D. Thaxter, so each received a bouquet of flowers. After the program the party assembled around tables under the pepper tree in the garden and indulged in high tea. The tables were profusely decorated with pansies and the drawing rooms and patio with a wealth of sweet peas, which blended with the opalescent shades of the gowns of the congenial wearers of all the fair ladies present that made a picture that has never been revealed on canvas.

The guests of honor were Mrs. H. E. Bartlett, retiring president of the Tuesday Afternoon Club, and Mrs. William Ramsay, president-elect. All present expressed their delight of a profitable year, well spent, and are looking forward to the coming year when the study of Romeo and Juliet will be taken up with renewed vigor. Mrs. Mazie Fullman Garrett was retained as instructor for next year and each member hopes to present at least one new member.

GLENDALE, CALIFORNIA, THURSDAY, JUNE 7, 1917.

## THE TRUE BOOSTING SPIRIT

The man who is the true and earnest booster in a community does not make any public boast of his public spirited actions, but he goes on favoring this good project and that good project very quietly. In fact, the man of a community who is in a position to do the most good in the way of building up business and creating a healthy commercial state of affairs is the one who does his work mainly in the background without even being known to the public.

True it is necessary that some one take the lead in public affairs, but usually the person who does take the lead meets with considerable opposition just because he is of an aggressive make-up, and such a person sometimes finds it impossible to get the co-operation of a majority of the people in his locality.

## "CLOSE-UP" OF GENERAL J. J. PERSHING

Someone once said that genius is a matter of detail. If that someone was right, then Maj. Gen. John J. Pershing, who will command America's first expeditionary forces in France is a military genius. He is a regular demon for detail.

An inspection is a military formality not popular in the Army and an inspection by Gen. Pershing is always anticipated with fear and trembling. "Thorough" hardly describes it.

Last September Gen. Pershing conducted an inspection of 3000 troops stationed at the base of the Mexican punitive expedition in Columbus, N. M. It occupied five hours and when completed the General knew the fitness for immediate field service of every man in the command.

"Shave off those decorations" was a frequent order to those cultivating beards. Dirty rifles aroused the General's ire. "That's a fine looking instrument. Been using it for a hoe, have you?" he would ask. Down the line he went, his eyes taking in every detail. "Take off your uniform when you sleep" he would snap. "Don't you ever wash those pants?"

Without stopping to eat or for a moment's rest he kept at his task through the infantry, the signal troops, the ambulance and hospital units and along the long line of motors and drivers in the truck companies and the aviation corps.

Pershing knew what he had in men and equipment every minute he was in Mexico. And he saw that his men lacked nothing. And so in France he will know every minute what he has in men and soldiers and he will see that they lack nothing to make them efficient soldiers. For Pershing, in the phraseology, is a "hound for detail."

## FAITHFUL ARMY HORSE HONORED

"Foxhall, Faithful Army Horse, Died January 10, 1916, at the age of 38." This is the mark on a tombstone that has been erected at Fort Sam Houston in Texas, and tells in few words the long, faithful record of one of God's noblest animals, and the affection in which he had enshrined himself among the men of the fort.

In 1889 he was purchased for the army, and thereafter for twenty-four years he was in active service in various artillery batteries. He served in Cuba and later made a one-thousand-mile march with his regiment. In 1913 Secretary Garrison placed him on the retired list—the only animal ever so treated.

During the later years of Foxhall's service his duties were to haul supplies from the quartermaster's storehouse to the bread kitchen. He made these rounds without a driver. He would go with a written requisition, back up to the different storehouses, get his supplies and bring them back to the kitchen, being always rewarded at the bakery with a small loaf of bread. He never tired of the duties of the post life, and was the pride of the soldiers.

John Wesley expressed the fervent belief that he would see his faithful white mare again in heaven.—The Christian Herald.

## SOCIAL WORKERS DISCUSS CHILDREN'S PROBLEMS

Juvenile courts, illegitimacy and the best means of dealing with it, were the leading questions discussed at the second day's session of the National Conference of Charities and Corrections in Pittsburgh, Pa., to-day. In joint session with the National Probation Association, delegates to the corrections conference took up juvenile court problems this morning. Judge Frederick Cabot of Boston led with an address on "The Legal Powers of the Juvenile Court." Social problems of the war were scheduled for discussion later to-day.

## AMERICAN RELIEF COMMISSIONERS SAIL FROM VANCOUVER

Bound for Persia and the Caucasus, two American relief commissioners sailed from Vancouver to-day. They are Dr. William T. Ellis of Swarthmore, Pa., and Charles E. Beury of Philadelphia. Both are members of the American Commission for Armenian and Syrian Relief. Their task is to investigate and report upon the work of their organization. The trip will be made over the Trans-Siberian railway.

## GRAND SPANISH FIESTA PROGRAM IS ANNOUNCED

Among the performers of international reputation who will appear in the "Fiesta of Spanish Story, Song and Dance," to be given by the F. P. Newport Co. at the formal opening of Selvas de Verdugo (Verdugo Woodlands) Saturday, June 9th, and Sunday, June 10th, will be Matildita, conceded to be the foremost exponent of the Spanish dance in America and who had charge of the Spanish dancing in the Mission Play; Estelle Heartt Dreyfus, well known not only in Los Angeles, but in music centers abroad, who has made a special study of the early Spanish life and of Spanish music and has been called one of the most capable American singers of Spanish songs in the United States; and Senor Luis Ferrazzano, baritone, formerly star of the Buenos Ayres Grand Opera Company and

whose singing has recently caused a sensation in Los Angeles music circles. Spanish dances will also be given by Pepito and Leola Ferrando, whose names are familiar to Orpheum Theatre patrons. They will dance their charming "La Malaguena y El Torero," never before danced in the United States. Madame Matildita will present her company of Spanish dancers—some twenty-six or more—which will render a number of the vivid and tuneful dances of old Spain.

Addresses will be made dealing with the interesting early history of Southern California, by Ex-Senator R. F. Del Valle, father of the charming Lucretia Del Valle, Dr. Chas. F. Lummis, President of the Southern California Landmarks Club, J. S. Thompson, Mayor of Glendale, and J. McDowell Mathews, well-known lecturer. A delightful musical program has been arranged by the Selvas de Verdugo band under the direction of J. W. Havener. Program begins at 1 p. m. Saturday and Sunday.

Take Montrose car at Brand and Broadway—or motor up Verdugo Canyon Road to Canada Boulevard, to Selvas de Verdugo. Admission free.

## GERMANS WARRING AGAINST "FRENCH BLOOD AND RACE"

"We are not making war solely against the French army and French territory but against Frenchmen generally, your women, children and everything that belongs to the French blood and race." This is what the German commanding officer in Noyon told Senator Noel, mayor of Noyon, before the Germans sacked the town. Shortly before the destruction began, the commander summoned Noel and demanded that he name specific instances of senseless atrocities and vandalism committed by the kaiser's troops.

Noel put in 15 minutes—the time allowed—naming instance after instance with full details. The crimes charged included rape, burglary, assault, arson and murder. After having listened, the commander excused such conduct by saying his countrymen were warring against "French blood and race." One of the instances cited was the case of little Andre Labot, a child who was beaten with a cane for failing to salute an officer, then forced to salute a dummy draped with a German uniform until he fell exhausted, and finally bayoneted and killed.

## ROME REPORTS ATTEMPT TO ATTACK POPE

Pope Benedict has suddenly suspended all public audiences. His act is reported to be due to the fact that many threatening letters have been received. At a recent audience, it is declared, a war-crazed man attempted to attack the pope. He was seized by guards.

Ohio grangers, 75,000 strong, to-day launched a mammoth summer drive on the "Hindenburg hunger line." L. J. Tabor, master of the Ohio grange, led the campaign to boost Liberty Bond sales Granges met throughout the state. "Every farmer will be urged to buy a Liberty Bond," Tabor said to-day. "Public sentiment will be created to prevent use of grain for alcohol during the war. Farmers will take steps to curb food speculators." The campaign opened to-day with a farmers' and merchants' picnic at Zanesville.

The following words from the President's message to Congress find a quick response in the hearts of America's best men and women: "We are, let me say again, the sincere friend of the German people, and shall desire nothing so much as the early re-establishment of intimate relations of mutual advantage between us—however hard it may be for them, for the time being, to believe that this is spoken from our hearts."

He was a wise man who said, "Tolerance means reverence for all the possibilities of Truth."

**HOW TO SETTLE THE LABOR SHORTAGE.**  
(By F. O. Moore, Glendale, Cal.)  
For heaven's sake do not import laborers here; give people a chance to earn their bread by the sweat of their brow that never did before. They can call it a vacation or imagine they are on the golf links. Anyone should be willing to work five or ten days at least, for the benefit of the war. If they cannot give it all at one time give forty or eighty hours at odd times.  
Have another "Registration Day" which should also be volunteer day. Volunteers should be allowed the hours that would interfere the least with their regular duties, if possible.  
Registration age should be from 6 years old to 90; all under 6 and over 90 should be exempt from conscription; THAT'S ALL.  
The little tots under the instructions of a kindergarten teacher could pull weeds, pick berries, sort fruit or swat flies to keep them from carrying germs to our soldier boys.  
There can be a judge, or board of equalization in each community to classify the work for different individuals, according to their ability to do it; and for each hour of actual time devoted, could be deducted from

**Personals**

Miss Louise Ramsey of 1449 Pioneer Drive is spending the week with her cousins, Mrs. George and Charles Ramsey, in Los Angeles.  
Miss Roberta Coles of 523 West Ninth street left Sunday for the "Pines" near Fresno on a two-weeks' vacation.  
Mrs. P. W. Frank of 611 West Broadway leaves today for Long Beach where she will spend a week or more visiting her sister-in-law, Miss Mary Frank, who has been here with her for a week.  
Mr. and Mrs. P. H. Curtis of 1330 North Maryland leave Sunday for Portland, Or., to attend the annual rose festival in the northern city. They will spend a few days in San Francisco on their return.

Mr. J. W. Usilton of West Seventh street and Dr. J. E. Rochester of the Easton Hotel are spending the afternoon with friends, golfing at the Griffith Park links. Dr. Rochester is a specialist of Chicago and is visiting here for several weeks.

Mr. and Mrs. Alexander of the Glengarry Studio at 1206 1/2 West Broadway are in attendance at the Eastman School of Photography in Los Angeles this week. While absent from their studio the business is in competent hands.

F. Mahoney is the new proprietor of the Glendale Poultry Exchange at 301 South Brand boulevard, having purchased the same from C. E. Battey, who has so successfully conducted it for the past six months.

Mr. and Mrs. J. A. Newton of Los Angeles were the week-end guests of friends in Casa Verdugo last week, returning to their home on Monday morning. Mr. Newton is a teacher in one of the city schools.

Members of the Glendale Garden Society should bear in mind the business meeting of the society this evening at 8 o'clock in the library of the Third street school. This is an important meeting as the usual election of officers is to take place.

Mr. and Mrs. Sutherland and daughter of San Francisco were guests the first of this week in the Francis J. W. Henry home, 1324 Arden avenue. The Sutherland family may return to Southern California to reside.

Earl Brown, who is a member of the senior class at the high school, has invited several of his friends to enjoy an informal party and dance this evening at his home on the corner of Second and Louise streets. About twenty guests will attend.

Earle Merritt, who is attending school in this city and living at the Victor Hotel, spent all day Tuesday with his parents, Mr. and Mrs. L. A. Merritt of Alhambra. Merritt is a member of Battery A of the California Field Artillery, and is expecting to be called out in the near future.

John Stauffacher, who lives with his parents, Mr. and Mrs. J. W. Stauffacher of 421 Orange Grove avenue, returned to his home Tuesday after spending several months in the northern part of the State. He has spent most of the time in Chino, where he was employed by the Pacific Light and Power Company.

**MASS MEETING IN LOS ANGELES.**  
On Friday afternoon in Los Angeles at 2:30 o'clock at the headquarters of the State Council of Defense, second floor, 719 South Hill street (the old Tribune and Express building,) a public mass meeting will be held. All parts of the State will be represented. Some of the speakers will be Gov. William D. Stephens, Mrs. Maynard Force Thayer, president D. A. R.; Mrs. Stella B. Irvine, president State W.C.T.U.; Dr. Jessie Russell, president of California Congress of Mothers; Mrs. Herbert A. Cable and other prominent women. The general public is invited.

their forty or eighty hours, or whatever the president decides we should do.  
Farmers, gardeners, or any person needing laborers to help the cause can report to this board and they can supply them from the volunteers and conscription. They can pay for this labor in produce of various kinds, which can be canned, dried, preserved, etc., by the women, cripples or persons not able to do hard manual labor.  
On registration day each person should be given a time card with blank places for oath or witness; also printed instructions for preserving, canning, drying or preparing edibles for shipment to the trenches or where it is the most needed.  
While we are in the war against our will, any person who will not willingly do ten days' actual labor for the cause should be conscripted and made to do it; it would be as justifiable as conscripting the boys to go to the trenches, and we have enough people to do the work if they will do it.  
And we can find out who would be a SLACKER.  
All editors in favor of the above will signify the same by saying Aye (and publish.) Contrary No (and publish.)  
Unanimously carried (I hope.)

Saturday, June 3, there was a great "Horse and Rider" contest. A small boy (knight,) rides on the shoulders of a large boy (horse,) each knight trying to unhorse the other. After tremendous struggles and very spirited "fighting," lasting a long time, the contesting finals were down to two pairs. Knight Franklin on Horse Melford, who won from Knight Kenneth Whaley, on Horse Max Price. Three hard-fought rounds were necessary. Once Whaley got hold of Franklin and pulled him clear over with head down to the ground, but he snatched victory from the jaws of defeat by unexpectedly swinging himself upright on his "horse" again, then got a savage grip on his opponent and downed him proper. Great stunt. Some nerve. Bully gritty athletics. A hard-fought battle, creditable alike to victor and vanquished.

Say, ask Gerald Toll and Max Price if the snipes bit pretty well. Out in the mountains, cold and bare, Far off from the good warm camp; Where they watched and waited in the pale moonlight,  
With many a grunt and a cramp, "I don't think," groaned Gerry, "they'll bite tonight;  
So it's back to the farm for me." But Cassibianca Max stood fast and firm as a young oak tree.  
"If the snipes won't bite, it is not my fault.  
But I'll hold this bag till day. I am a Scout who asks not why; Content if I obey."  
Good old Scout!

His loyal obedience, without question, really put the joke on the fellows who put up the job on him. But all enjoyed it together. Older and wiser, because more experienced, fellows than Max have been taken in by that ancient snipe hunting, bag holding fake. That's what is meant by a fellow being "left to hold the bag."  
Max really thought he had a snipe once. Yet the fellow who rolled that

**Last Chance**  
Young men who have "registered" (and all others) have a last chance to secure insurance protection for their families against the hazard of war, or any other fatality, in a policy without any war-clause or extra premium, which will cost somewhere between \$37.50 and \$150 per thousand.  
Our company, for various reasons, has delayed the insertion of a "war-rider" but is now compelled to insert it, and it will go into all policies issued on June 16th and later.  
If you want a clear policy you must see me at once, because the application must reach the Home Office by the 16th.  
**W. B. KIRK**  
Home-Protector

Residence, 718 W. Broadway, Glendale

boulder against the bag held by Max and knocked the light out did not see any snipe. But the best of friends sometimes differ.

When Gerry came in and acknowledged the corn, he took a bunch of fellows out and brought Max in. Max still insists that he heard something very like a snipe sniping around through the bushes close to his open snipe bag, and if the bunch had stayed away just a little while longer there is no telling what might have happened. "All things come to him who waits," is the slogan of patient, faithful old Max. Good Scout Max.

Say, Gentle Reader, did you ever go "Goover Fishing?" Great sport. The moonlight has to be just right or goovers won't bite at all. So the whole bunch caught only four, and because of the belligerent attitude of the goovers, the troop hospital was overcrowded for a time. But goover bites do not pain you very long. Just rub the spot with the juice of three kinds of weeds, with a little salt and chile-con-carne, and you are all right in a jiffy or two.  
It is whispered around that "Howlet and Townsend were in at the finish." "What" Don't ask me!

On Monday they took a five-mile hike to Sycamore Flats, via Glendora; shortage of food—had to do something strenuous to forget that, as Napoleon said, "an army travels on its stomach." What do you think happened Tuesday, Registration Day? Why, every bloomin' Scout went up to headquarters at Camp Guthrie in San Dimas Canyon and registered early, and wanted to do it often, but the Scoutmaster would not stand for it.  
Why? What's wrong in that?  
Well, nothing particularly wrong, but there was not enough to go around more than once.  
Enough what?  
Well, you see, being short of grub, and entirely out of "blue tickets," when a Scout registered, he got a dollar pancake; that is a pancake about as big as a silver dollar of the daddies. Not a single delinquent, and no exemptions claimed—a most truly loyal and patriotic bunch. Great snakes! what fun they had. Tuesday afternoon they were enabled to get home by reason of the kind and friendly auto chariots that came for them, piloted by C. F. Farrow, S. R. Frazee, C. R. Coleburn, H. L. Whaley and Mrs. C. B. Guthrie with the mascot.

But there would have been shortage in carrying capacity but for three kind strangers who came down the canyon in their autos, just in time to take all the unplaced Scouts and transport them literally and figuratively. Though the boys were strangers the strangers took them in and took them home, just as Mr. McAfee took Scoutmaster David Pollard and this war correspondent home Sunday evening after the ge-busted old truck busted up all existing transportation arrangements. Many thanks for same to Mr. and Mrs. McAfee and their mother. Are Scoutmaster Guthrie and Troop No. 1 grateful to those three strangers? Well I should say. But from Pasadena to Glendale some rippin Frazee took ten scouts in, on and piled over his auto. That is not a mere estimate, but actual count.

If all the fathers and mothers of the Boy Scouts could realize how much interest strangers take in their youngsters in khaki, perhaps more of said parents would wake up to what is going on. The new organization of Boy Scouts in Glendale has a permanent governing committee, of which Mr. C. H. Toll and Mr. John Robert White are the deeply interested chairman and secretary. It is intended to have a parents' auxiliary for each troop and it is whispered that Mr. Charles B. Guthrie will be district scoutmaster. All the Glendale district boys eligible will have opportunity to join one of the several troops in the Glendale Union High School district. Note: Do not let all this make you forget to be present to see the interesting Boy Scout stunts Saturday evening after the band concert.

Attention, Boy Scouts! A union meeting of all Scouts in Glendale will be held at the Congregational Church Friday evening of this week. Something doing.  
BERKELEY, June 7.—There are few idle students of the University of California this year.  
A recent inquiry made by the University authorities showed that of one Greek letter society with 36 undergraduate members only two were idle, both of whom are freshmen. One member was driving a motor ambulance in France, four at the Presidio training camp, while all other members within the age limit had applied for admission. One is running a boarding-house, two are attending summer school, ten are selling insurance, collecting bills, working in factories or in newspaper work. Another fraternity had six out of thirty members in the Officers' Reserve Corps camp, five drilling aviation students at the university summer school, one studying to enter West Point, one a drillmaster, six on farms, one clerking in a store and two in engineering camps. The occupations of five were unknown.

### LA CRESCENTA.

Next Tuesday will bring us dear old "hoss trader" David Harum with William H. Crane in his famous characterization. This portrayal of genial and quaint old Deacon is one of Crane's masterpieces.

David Harum, country banker, horse trader and philosopher, lives comfortably but not extravagantly with his sister Polly. He is at heart a philanthropist but is known as a crusty old miser. He is being systematically robbed by his bookkeeper, Chet Timson. He writes his old friend General Wolsey to send "me a clerk who is honest and can stand my rough and ready ways." The general responds by sending John Lennox, a young man who just lost his father and his fortune. John Lennox arrives and Timson, furious at his discharge, posts Lennox as to David Harum's rough and unendurable nature, sharp practices at horse dealing and stinginess in money matters. John pays little attention to these things and he and his employer become great friends. Aunt Polly persuades him to leave the hotel and come live with them where she can "mother" him to her heart's content. John had, before the loss of his fortune, fallen in love with Mary Baker, a young and pretty heiress, but feeling that now he was not her equal in wealth, does not dare follow up his romance. Mary determines to win her own living and writes to her father's old friend, General Wolsey. He in turn sends her to David Harum to apply for the school in the village. John and Mary meet again and to David's great delight, when he finds they are old friends. The romance ripens into an engagement, when the envious Chet Timson makes trouble. There is some counterfeit money afloat. John is arrested and thrown in jail and it looks pretty bad for him until David overhears the real crooks plotting. He wrings a confession from Chet, saves John from the mob and John regains his sweetheart. David celebrates his success as a detective by giving a widow back her home which she has supposed forfeited, and treating his favorite horse to an extra currying and a fine dinner of oats.

"Some fleas is good for a dog—they keep him from thinking he's jest a dog."

Mrs. A. C. Turner, frequently a guest at the La Crescenta Hotel, is building a beautiful home just off of Briggs avenue and will soon be able to occupy it.

Mr. J. Nichols has a charming little English cottage on Briggs nearly completed, which they will be able to use in the near future.

Dr. and Mrs. John R. Haynes have

purchased 6 1/2 acres from Mrs. Gustave Escalle, just adjoining the Seymour Thomas place and will improve it by well planned buildings and gardens adapted to its natural beauties at a very near date.

Brombacher's garage was started this week and they will have the house under way in a short time. This will be a boom down Honolulu way.

Erhart's house on Montrose avenue is looming up and will be a big addition to "the end of the line" section.

H. L. Scherbe, up on Rosemont avenue, is building a large reservoir.

The dance last Saturday was a joyful affair. The attendance, while not as large as at some others, was good and the young folks (and old, if we have any old folks) had a jolly time.

Mrs. Alma True Roberts of Marquette, Indiana, who has spent the winter at Long Beach, has recently been a guest at the La Crescenta Hotel, while sitting for her portrait to Seymour Thomas.

Mrs. D. McCay has just returned home after a week end at the Hi Up Ranch.

The Childrens' Day Exercises will be held next Sunday at 11 o'clock at the church. The program is entirely in the hands of the children and we are promised a very interesting hour.

Our local potato magnates are getting ready to dig their spuds. "They did their bit." They report the crop as a success.

Our boys came up to the registration 34 strong. We are a growing community.

Miss Molly Brown, who has been teaching in Arizona, is home for the vacation and has had Miss E. Snyder of Glendale for a week-end guest.

The Hamlins have returned to their La Crescenta home for the summer. Welcome to our village.

The school trustees will greatly improve the school grounds during the summer with trees and grading.

### LA CANADA.

Another chance to boost the valley along! Saturday night, June 9, the valley people and their friends are invited to trip the light fantastic in a remodeled La Canada club hall.

This dance is given by the young men of the valley, assisted by a few young ladies. They have secured music (violin and piano,) from Pasadena and have taken up a collection in order to have refreshments. If you have danced on the hall floor before, don't be discouraged. A committee has been commissioned to scrub the floor and wax it. The girls have furnished modest decorations and colored Jack o' lanterns. The only worry the instigators of this dance will have is if anyone in La Canada misses the dance. The proceeds from the affair will probably go toward remodeling the old hall for dancing or to the Red Cross.

The advantages of the Liberty Bonds to the individual and to the nation were discussed by Attorney Frank Doherty of Los Angeles and Mr. Fenton Wight of L. C. last Saturday night at the regular meeting of the La Canada Improvement Association, held in the school house.

Mr. Doherty has been in a position for the past few years, among government authorities, to become acquainted with this subject.

"There is no question now," said Mr. Doherty, "about going to war, but rather what is the best, quickest, and most economical way to close it, and to win. The great need today of our government is men and money. If we cannot give ourselves to that great cause which every true American believes to be right, then we surely can lend our aid in money."

The sentiment of the association was strongly in favor of organizing La Canada into districts in order to make a complete canvas of the valley for Liberty Bond subscriptions, as had been suggested by Pasadena.

Mr. Fenton Knight talked along the same line as Mr. Doherty, only going into finer details regarding the bonds. Mr. Knight spoke particularly of the security of investment. He said that a person buying a Liberty bond is in fact buying his own bond. The people are the ones who stand back of that invested money and it is U. S. or the people who make the money good. Aside from that there is strong evidence that the bonds will increase in value.

Mr. Knight explained the territorial division, arranged to conveniently canvas the valley. Mr. Mackay, Jr., was appointed by a committee in Pasadena to take charge of the bond issue in this territory. Four other men were appointed to assist.

Mr. W. Seright took the territory from Commonwealth, including Haskell street, due west to Burr avenue. Mr. Mackay, including Burr avenue, west to Palm Drive. Mr. Hubert Bently, including Palm Drive on west. Mr. William Flint, including Commonwealth east, also the territory south of Michigan avenue. Mr. Johnson took the strip west of the church and south of Michigan avenue. In this way each one of the committee will be able to personally canvas each house in his district.

Because of registration day Tuesday, June 5, the La Canada Red Cross agreed to postpone the regular meet-

ing last Tuesday afternoon for one week. The women felt that this one day of the year when all mothers were drawn together with a common bond of sympathy was best reserved for the home. Next Tuesday the women will meet as usual in the school house. The Red Cross has a steadily increasing membership, and expects to take in more now that the schools are closing.

After a prosperous and happy married life of fifty years, Mr. and Mrs. Henry Stutman of Redondo, former pioneers of La Canada, will celebrate their golden wedding anniversary Wednesday, June 20, at their home, 310 Catalina avenue.

The Stutmans are natives of Indiana. Shortly after their marriage in 1867 the lure of the West impelled them to migrate to Kansas. Mr. Stutman sunk a few hundred dollars in Kansas farm land which has since become very valuable. After a few years had passed Mr. Stutman began to look toward the West again—California was his goal. In the fall of '89 they crossed the Rockies and made their home in La Canada. The old settlers in La Canada who knew Mr. and Mrs. Stutman are of one opinion that they are the true, honorable, self-sacrificing type; the backbone of our country.

After leaving here the Stutmans moved to Redondo where they expect to remain. Their three sons and two daughters are now living in California. Mr. John O. and Will Stutman are in La Canada. Mrs. Rufus Small is in Long Beach; Mrs. D. A. Peet, who owns property in La Canada, is in Lancaster, and Mr. Frank Stutman is in a northern lumber camp.

"June 20 will be the greatest day of our lives," said Mr. Stutman. "Our five children and their families, together with old-time friends, will celebrate here in Redondo. We wish that others might enjoy as long and happy a life as we."

Only two more are needed to complete the required ten in order to begin the proposed class in First Aid here in La Canada, under the supervision of Miss Dobbins of Pasadena. If the additional two can be secured within the following week instructions will begin as soon as convenient for Miss Dobbins; probably within two weeks.

Several women have spoken of entering the class if it were postponed for a month or six weeks. This, it has been discovered, will undoubtedly interfere with a number of the girls who return early to school. Nevertheless if it is impossible to find the two to complete the ten, the class will be postponed. The girls feel that if they become organized and start the work they could, during the summer weeks, work up a benefit for the Red Cross.

Miss Rowena Green has taken charge of collecting the names of those who enter the class. The eight who have signed up are Mrs. P. H. Johnson, W. Seright, H. Bently, T. F. Knight, Miss Rowena and Lulu Green, Lillian Selleck and Helen Cooper.

Any who wish to talk over the work before signing up might see either Miss Green or Mrs. Murray.

With giant oaks and close growing shrubbery as a setting and with the weather favorable for all sorts of fairies and mysterious mystics Miss Rowena Green of La Canada, who has been teaching in Sunland for the past year, gave her final program in the form of the operetta "Florenda," last Friday night in the Monte Vista oak grove.

A number from La Canada attended the performance. The operetta was peculiarly suited to the natural scenery. Fairies and witches danced and sang in their own individual style.

The Monte Vista oak grove is the same one used a few years ago by Mr. Egan of the Egan Institute of Dramatic Art when he presented "Wan o' the Woods."

Several young people from La Canada were guests at the La Crescenta dancing club last Saturday night at the school house in La Crescenta. Misses Dorothy Lester, Rowena Green, Helen Cooper, Aldine Norton, Mrs. Max Green, Messrs. Howard Stickney, Robert and Edwin Cooper, Max Green and Lawrence Lester attended. Mr. Maygrove of Sunland, assisted by two of his pupils, furnished the music.

Anyone interested in the Farm Loan Bank might see Mr. Seright who has charge of that here in La Canada.

Thirty-eight young men, between the ages of 21 and 31, registered Tuesday, June 5, in the La Canada precinct. The poles were open from 6 a.m. until 6 p.m. It was not a day similar to an election, as one might imagine. Something of the election atmosphere was lacking. Perhaps it was the absence of the excited electioneering, and the general hum and buzz. Perhaps it was the thought of something deeper and more intense. The boys went quietly to the poles, registered, then went again to their work. It was a quiet day for all parties concerned, including the registrar, Thomas W. Sloan, and his daughter, Miss Myrtle Sloan, who sat that fifteen hours in the Club Hall, anxious for the day to be over.

Even though some out of the 38 are called, every American knows it is for the best and that in the end "reason and the will of God must prevail."

On Wednesday, June 13, at 8 p.m., there will be given in the auditorium of the school house a benefit for the La Canada branch of the Red Cross. The children will repeat the operetta "The Posy Bed," which met with such favor on its first presentation. In addition a musical program will be furnished by Mr. and Mrs. John Marquardt of Pasadena. Mr. John Marquardt is a violinist of international fame. He studied at the Royal Academy of Berlin, and with the eminent French violinist, Emile Sauret. After his studies he traveled in Germany, England and France, achieving immediate recognition as a virtuoso. When he came to the United States he was engaged by the Boston Symphony Orchestra. He also toured this country with the famous Mendelssohn Quintette of Boston. Later he was concert master and soloist of the Theodore Thomas Orchestra, and Walter Damrosch in New York and the Philadelphia Orchestra. Mrs. Alexandra Marquardt was born in Petrograd, Russia. She is the pupil of her father, who was harpist of the Imperial Court Orchestra of Russia. Mrs. Marquardt appeared in a number of concerts in Europe. When 15 years of age she appeared for the first time in New York with Adelina Patti. She was also harpist of several of the prominent orchestras of the country. Mme. Melba engaged her when in San Francisco. The charm of her playing has been recognized in all countries of the globe. The Marquards made several world tours, appearing together in Australia, New Zealand, India, Java, Sumatra, China, Japan and Siberia, where they were eminently successful. Mrs. Marquardt has been styled the Paderewsky of the harpe. Both Mr. and Mrs. Marquardt add the charm of personality to their musical accomplishments. The Marquards will give a concert program, which precedes the play.

Program.  
Violin and harp, "Ave Maria"  
.....Schubert  
Harp solo, "Chants Seraphiques"  
.....Parish-Alvares  
Violin and harp—  
(a) "Aria," from Sampson and  
.....Delilah-Saint Saens  
(b) Mazurka .....Musin  
(c) Humoreske .....Dvorak  
A silver offering will be taken and it is earnestly desired by the committees in charge that not only will the people of La Canada respond generously but also our near neighbors, La Crescenta Tujunga, Sunland, Glendale and Pasadena.

### TUJUNGA

The Woman's Club had their regular session on Thursday. Forty varieties of wild flowers were brought for exhibition and also to be named. Mrs. Linnaberry proved herself very capable and gave the names of most of the flowers. Miss Julia Culver gave a fine talk of her life in Italy, of its people, and conditions of the middle classes as well as a number of humorous adventures. Later the ladies enjoyed a social time and a light lunch of tea and cakes was served by the committee.

Dr. White, with her daughter Rebecca and son-in-law Mike Wharfield, left Friday morning for an overland trip in their auto, going as far as Chicago and camping out by the way.

Mrs. Miles of San Ysidro with her children and mother, Mrs. Davidson, will camp out for the summer near the Ventura river, where they have camped for the past two years.

It is not all pleasure and profit in the bee business, as Miss Elizabeth Brissenden can attest. In the past two weeks two swarms have thrown out seven. On Tuesday afternoon she discovered another on a post that held a blackberry vine. She offered it to anyone who would transfer it to a hive. No one responded so she undertook the job and by the looks of her face she succeeded. On one side it looks as if she had the toothache, but unfortunately the next sting was near the temple and that bulge so counterbalances the other side that her face looks as if it were built on angles instead of the natural girlish curves. Her own friends can hardly recognize her, but nevertheless she hived the bees and can add one more experience to her list. Vagrant swarms are being caught nearly every day on the tract, and in every instance by those who have none but desire some. Usually things are not balanced this way.

Mrs. Charles Dean brought some very fine ripe potatoes to the market of the Oregon Burbank variety.

Mr. and Mrs. Keyser have moved into the Maxwell home on El Centro vacated by Miss Culver.

Mr. Harry Behrens and family have purchased a home in Fresno county and are preparing to move there. Jack Radcliffe has exchanged his home and will accompany them.

Mrs. Norton from Laurel Canyon was in the village Monday looking after her half acre on Pine street.

Mr. and Mrs. Ben Clark moved to their new home at Long Beach on Tuesday. Mr. Stewart moved them with his auto and trailer. Mr. Clark will remain in Tujunga during the summer and look after his place, caring for the fruit and garden.

Miss M. E. McGarraugh and Mrs. E. F. Crosthwaite, Los Angeles, who are owners of Lot 122 on Pine street, were in the village looking after their interests.

## VACATION TRIPS AT REDUCED FARES

THE SALT LAKE ROUTE OFFERS VARIOUS ATTRACTIVE TRIPS AT GREATLY REDUCED FARES:

EAST AND BACK. To many Eastern cities on various dates in June, July and August: Chicago \$80.00, New York \$118.20, Boston \$120.20, St. Louis \$77.50, Missouri River Points \$67.50, and many others.

YELLOWSTONE & GLACIER PARKS. Favorite places for vacation trips, and more popular every year as they become better known. Truly Wonderlands of Geysers, Waterfalls, Glaciers and Mountain Scenery.

ZION CANYON—UTAH'S NEW WONDERLAND. A new resort, just opened in Southwestern Utah, and one of the most magnificent scenic regions of America.

Camp under "Wylie Way" management, same that made Yellowstone Park popular. Full particulars of all of these, together with illustrated folders, at all offices of the

Miss Cora Bracewell of Glendale Sundayed in Tujunga.

Miss Sandborn and daughter were at their home on San Ysidro street on Thursday also, to look after the newly purchased property on Sunset boulevard.

Mrs. Teel, a former resident of San Ysidro road, died at her home in Highland Park last week.

The little German playlet, "Hansel and Gretel," was given at Bolton Hall by the pupils of the Glorietta Heights school and proved a very enjoyable affair for all who attended. The leading parts were taken by Grace Greenfield, Gladys Maygrove and Virginia Petrotta, who executed the parts with great credit to themselves.

The meeting of the Railroad Commission has been adjourned from the 8th to the 15th of June.

Wilnot Parger was in Glendale on Wednesday on business.

Miss Zoe Gilbert was returned from a week's visit with friends in Pasadena and Los Angeles.

The Ladies' Aid held their monthly meeting with Miss Atkinson on San Ysidro road on Thursday.

Mr. and Mrs. Joe Carr and son spent Wednesday as guests of H. S. Humphrey and wife in Los Angeles. All friends of Mr. Humphrey will be pleased to learn that he has nearly recovered from the injuries received in an auto accident some months ago.

W. G. Billinger of Pasadena is taking a vacation and busily engaged in putting his ranch on Walnut drive in order.

Dave Costello has been notified that his services are needed by the Federal government. But in what capacity has not been decided.

Mrs. Maygrove is visiting in Los Angeles.

Fred Johnson of Rose Hill was spending the day in Tujunga on Wednesday.

### SUCH AN INTELLIGENT DOG.

There was, once upon a time, an old lady who rented a furnished villa for the summer, and with the villa a large dog also went.

In the sitting-room of the villa there was a comfortable arm chair. The old lady liked this chair better than any other in the house. She always made for it the first thing. But, alas! She nearly always found the chair occupied by the large dog.

Being afraid of the dog, she never dared bid it harshly to get out of the chair, as she feared that it might bite her, but instead she would go to the window and call "cats."

Then the dog would rush to the window and bark, and the old lady would slip into the vacant chair quietly.

One day the dog entered the room and found the old lady in possession of the chair. He strolled over to the window and, looking out, appeared much excited and set up a tremendous barking.

The old lady arose and hastened to the window to see what was the matter, and the dog quietly climbed into the chair.

Baby cuts his teeth before he is on speaking terms with them.

### UNIVERSITY OF CALIFORNIA EXTENSION.

As arranged, the Executive Committee of the Glendale University of California Extension work met at the Chamber of Commerce on Tuesday, June 5. A quorum only was present, for when the first meeting adjourned to meet June 5, no one remembered it would be a holiday, and that several had to be absent from Glendale on that date.

The full committee is composed of Mrs. H. E. Bartlett, chairman; Walter LeNoir, church secretary; Mrs. C. E. Hutchison, Dr. Jessie A. Russell, Profs. Richardson D. White and Herman C. Joy, Dr. Charles R. Lusby and Mr. Irving H. Oliver.

This committee was to have appointed a large board of patrons so that the work could be well distributed all over the Glendale Union High School district, but because of the importance of such appointments in a matter of such deep interest to the whole district, it was thought best to adjourn the meeting so that the subject might be well considered, and the best possible appointments made, for it is considered an honor to receive such appointments and have the responsibility of aiding in a movement of such educational magnitude and interest to all in the district, whatever their position, avocation, business, profession, calling or employment. Instruction and entertainment may be provided for everybody, and anybody, anywhere in the district. The committee will meet again at the Glendale Chamber of Commerce next Monday afternoon at 4:30 o'clock.

Each one of that committee has personal friends well qualified to become such patrons and receive such honor. Is there not an obligation on the part of each one of the committee to be present at that meeting, so such personal friends may be so appointed? This is a good opportunity to do good service to Glendale or whatever other part of the district most interests you. Is it not something more than an individual matter? It will bring practically free education of the practical type, suited to your individual needs, right to your door. Why not investigate?

WALT LE NOIR CHURCH, Sec. Glen. Div., U. C. Ex.

SACRAMENTO, June 7.—Whether the investigation into the adequacy of depot facilities maintained at Sacramento by the Southern Pacific Railroad Company is to be postponed until after the unmerger suit of the government against the Southern and Central Pacific railways is decided, is one of the questions which was considered today by the Railroad Commission at a session of the hearing held here. Several postponements on request of the Southern Pacific and the Sacramento Chamber of Commerce already have been granted.

BERKELEY, June 7.—That with wine grape prices as they rule at present and the present abnormally high grain prices, vineyardists in many instances would be making more money by feeding their dried wine grapes to stock in place of half of the grain ration, according to the result of experiments at the University of California. A plot of two and a half acres of grapes grown by the university at the Kearney Experiment Farm yielded \$200 worth of grapes per acres when used for stock feed.
