Internal Incident
WII-123
Italy

Pfc Del Grosso was transporting men and equipment in his DUKW from Tarbole, Italy to Riva, Italy in rough water. To my knowledge the DUKW was loaded with twenty five (25) men and two (2) 75 MM Pack Howitzers, which in all probability caused it to sink due to the rough condition of the water.

CONFIDENTIAL.
In recent amphibious operations on Lake Garda, 10th Mountain Division lost 25 personnel when duck sank at approximately A-560032.
