## COMBINES QUALITY AND ECONOMY

**QUALITY**—Coleo is made by the Premier Soap Makers of America—Colgate & Co. It is guaranteed to be made entirely of vegetable oils: olive, palm and coconut. The use of a soap marked "Colgate & Co." convinces a patron that the hotel wants him to have the best.

**ECONOMY**—Special wrapping, stamping and imprinting are eliminated, thus reducing the cost of production. The saving thus effected gives hotels the greatest possible soap value.

So popular has the Stewart become, that two additions became necessary. The Stewart is located in the very center of the shopping, theatre and cafe districts. ## HIGHLAND COURT HOTEL

**S**ET among trees, lawns, and flower gardens, with an absence of dust, noise, and commotion, HIGHLAND COURT HOTEL invites you to a good meal, a pleasant evening, and an undisturbed night's rest—and withal convenient to every business and attraction in Hartford.

Hardwood floors—Eastern rugs—marble baths—well-selected furnishings—beds that insure comfort—and above all a cleanliness and neatness that is beyond reproach, are features of this "Hotel for Home Lovers."

The service aims to be unobtrusive, but the comfort of guests is watched and studied always. The Restaurant Service has many features those traveling miss in ordinary hotels. Motor accommodation to and from the Union railroad station, with porter in attendance, is provided for; five street car lines make it easy of access; and the walk through park-like streets is a matter of but a few minutes.

**Lock Box No. 167, Chicago, Ill.**

The hotel business is the fourth largest of the world's business industries.

From the sub-basement to the roof garden of the modern hotel there is concerned nearly every material and social element of civilization.

Public opinion is molded to a large extent by the broad minds of the men who publish the large daily papers. So hotel men are influenced by the publications which represent their business.

THE HOTEL WORLD—Published weekly since 1875—has been a big factor in molding the opinions of hotel men.

Every Bath and Treatment as given at European Spas, with the additional advantages of sea-breezes and sea-bathing.

### GOLF EVERY DAY IN THE YEAR

The Eighteen Hole Golf Course of The Chamberlin is one of the finest ever; designed and laid out by authorities on the "Royal and Ancient" game. Convenient to the hotel, and, being owned by The Chamberlin, it is managed in a way to suit *you*.

### TURF FAIRWAYS, GRASS PUTTING GREENS

Alex. Simpson "Pro" in charge. A dainty and comfortable Club House—by trolley, from directly in front of The Chamberlin to directly in front of the Club, six minutes. A colored Aeroplane Map of the Course, which is the only one of this kind ever made in America, as well as our booklet "Golf," will be sent you, if you wish.
