

# TROPICO INTER-URBAN SENTINEL

*Devoted to Tropic, the San Fernando Valley and Southern California*

VOL. VI

TROPICO, (Los Angeles Postoffice) CALIFORNIA, WEDNESDAY, AUGUST 30, 1916

NO. 34

## FLOOD CONTROL PROJECTS

Thursday afternoon County Engineer Reagan sent his assistant, Mr. Lee, to Tropic to discuss with the city officials problems of flood control, particularly work to be done in Sycamore Canyon wash before the winter rains.

Mr. Lee brought with him a fine map of the district prepared in Mr. Reagan's office showing the irregularities of the creek and the many twists and turns which, in the opinion of the engineers, impede the flow of water and check the rapidity of its discharge to the river. The chief purpose of his visit was to enlist the help of Tropic officials in securing easements or rights of way from the owners of all the parcels of land through which the wash runs which would give the flood control people the right to go in and clean the channel of trees, weeds and debris or straighten it and make its course more direct.

Several interested property owners had been requested to meet Mr. Lee but Mr. Stoddard was the only one who appeared. He protested against any change in the course of the stream through his land declaring that at no time had it failed to carry its load of water. Engineer Wattles and Mr. Lee explained that the steps which Glendale is taking to drain flood waters into the wash will put more water into it the coming winter than it has ever had to carry before, but Mr. Stoddard's confidence in its capacity remained unshaken. He stated however, that he would be glad to have the channel cleaned of weeds and brush and would cheerfully give the engineer a permit for that purpose.

Mr. Lee set forth the objections to the pockets caused by the irregular course of the stream where water collects and overflows, and also to the tree growths which catch debris

and build up dams. He explained that in all cases where new channels were cut, the banks would be protected by abutments of some sort. Thirty feet is the average width of the easements the Commission is seeking to acquire. "It is the policy of the Commission," said Mr. Lee, "to get everything they can without cost. We have two men in the field now getting rights of way. On the Verdugo they have easements on nearly all the property clear through to the river. We want the city of Tropic to do what it can to get easements for a right of way down here. There is a form of easement that is like a road deed and gives the right to go in and do anything that is necessary."

## BAND REORGANIZATION

Reorganization into a beginner's band has been effected by the Tropic Band. This will make conditions more favorable for the players who are least advanced and will also attract new members. Mr. Danner will be continued as manager, Ed Moniot will be secretary and treasurer, and L. Goddard, librarian. The leader will be a Los Angeles musician and rehearsals will be held weekly on Tuesday evenings in the K. P. Hall.

## DESIGNATION OF TROPICO

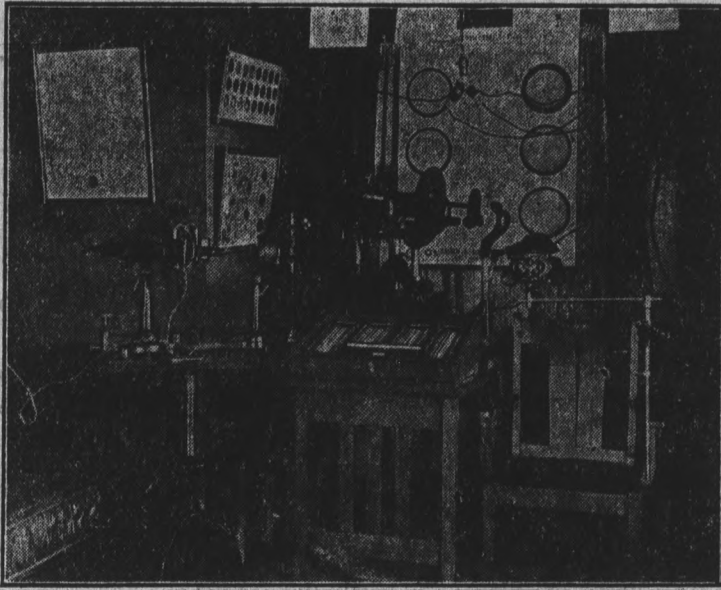

At last Tropic is to be designated on the line of the Pacific Electric Railroad and hereafter no tourist who makes the run from Los Angeles to Glendale or to Burbank will be in ignorance of the whereabouts of our city. Since "none see her but love her," the reason for the designation is obvious.

Along the right-of-way where Brand boulevard crosses the San Fernando Road, two conspicuous signs four feet high and twelve feet wide, with a headboard and wide border, will be

placed. They will be in easel form and so placed as to attract the attention of passengers on either side of the car. They will be painted in a neat but effective color scheme, calculated to bring out the legend which will read: TROPICO. The Growing Center, with a hand pointing in the direction of the business district. Vacant space will be left for future lettering and Mr. F. A. Stroup, the real estate dealer who inaugurated the movement to secure the signs, will canvas the business men of Tropic for suggestions in regard to additional text.

## MOVIES FEATURE TROPICO

Spasmodic bursts of band music delivered with enthusiasm and abruptly hushed aroused the curiosity of residents in the neighborhood of the Southern Pacific station in Tropic last Friday. The small crowd of women and children who collected on the platform discovered that the eccentric music was merely a part of the production of films by Lasky Company players who were assembled on the tracks in front of the station engaged in making scenes for a big picture drama entitled "Heir of Hurrah" written by Beatrice De Mille featuring Thomas Meagher and Miss Anita King and produced under the direction of William C. De Mille. It is a mining story about the discovery of a great gold lode and the scenes made here were all taken at the station where the aforesaid music, hurrahing, wild west riding and shooting furnished considerable excitement. An automobile beautifully decorated with ferns and flowers was one of the conspicuous "properties" of the company and most of the actors were men in cowboy makeup. A slight commotion was caused among the spectators by the fainting of Miss Irene Rich, who was overcome by the sun.

It is not phenomenal, but common reasoning, why I am getting the results and giving satisfaction to those who have needless trouble and discomforts due to their eyes.

Guesswork is unknown to me, for after I have finished my examination, which is conducted under the most scientific conditions,

# I KNOW.

The ladies and gentlemen whose names and addresses are below found this to be so, and have received the best there is in the optical profession, at prices that have surprised them :

MISSION HOSPITAL

cal attendant.

ANNA W. WRIGHT,

Superintendent.

Phone Glendale 753.

That our facilities and standing as a thorough and modern institution for the care of the sick may be known to you; The Mission Hospital and Sanitarium, 525 North San Fernando Boulevard, Tropic, California, announces its greatly increased equipment and that the extensive improvements arranged for will make it in the near future, known not only in the San Fernando Valley and in Los Angeles, but in all parts of the state and throughout the United States.

Moderate rates, the employment of only well recommended and selected graduate nurses, its fine system of private baths, the installation of the most recent electrical and bath equipment, its excellent home like surroundings and superior cuisine, its sanitary construction, and many other features, make it without comparison as a health resort for all surgical, medical and obstetrical cases, and for those requiring rest and care during convalescence.

We feel that we first must have the endorsement of the people of Tropic, and consider that we merit it. We ask you to visit our institution and to feel that your sanction of our Hospital will be one of the factors in our success. Tropic deserves to be better known, and no better declaration can go forth to the outside world than to announce it as a health resort. Your active co-operation is therefore requested.

We take no tubercular or other contagious diseases. Patients have the privilege of selecting their own medi-

#### FOUR GENERATIONS

Four generations were housed under the roof of Robert Danner of 331 Gardena avenue during the recent visit of his mother, his sister and nieces who have been spending some time visiting relatives in Tropic and who returned to their home in Walnut, Kansas, last Saturday. Mrs. J. R. S. Danner represents the first generation, Mrs. Mary Creagar the second generation, Mrs. Edith Bingham the third, and Eunice Bingham the fourth. Mrs. Creagar has been a rural mail carrier out of Walnut for thirteen years and was the first woman appointee to a rural route in the United States. She won it on her high standing in a civil service examination and has always held high rank.

#### TROPICO CHARMS

Mr. and Mrs. E. D. Northup and Miss Northrup of Duarte, Mrs. Jane Martin and Mr. Charles Northup of Pasadena spent an hour in Tropic Monday morning motoring about the city and calling at the Sentinel office. All were enthusiastic over the charm of the city and Mr. Charles Northup, who is in touch with eastern capitalists looking for investments, was much impressed with it as a possible manufacturing center. He announced that he would return soon and look into the situation more thoroughly.

# Lake Tahoe

## IN THE HIGH SIERRAS

Tickets include trip around the lake.

Fares proportionately as low from all points in Southern California.

Tickets honored on Pacific Electric cars for connection with Southern Pacific trains.

**SOUTHERN PACIFIC**

## PROCEEDINGS OF BOARD OF TRUSTEES

When President Peters struck the gavel to call the Board to order Tuesday evening, all members were in their accustomed seats, including Trustee Boyce.

Written communications read by the Clerk included: Notification of 9th Annual meeting of League of California Municipalities at Visalia, October 10th and request to send delegates. Ordered placed on file.

Acknowledgement by State Compensation Insurance Fund in re Jones injury. Ordered filed.

Inquiry by Railway Commission as to whether all pole lines had been reconstructed in accordance with the law of 1911. The City Attorney stated that transportation and power line poles were referred to and the law does not apply to any poles maintained by the city. Ordered filed.

Application by E. Schilling for a 30-day extension on Moore and Adams street contract. Moved by Henry that extension be granted. Seconded by Alspach. Carried.

Proposal to rent equipment to do street repair work by Peter L. Ferry. Ordered filed for reference.

### Garbage Contract

In re the garbage contract, City Attorney Shaw reported that under its terms it could not be terminated "without just and reasonable cause;" that the contract was dated April 1st and runs for one year. Trustee Seal recommended the discontinuance of the contract on the ground of neglect, citing one instance of common knowledge where a pile of refuse had been left by the garbage man for three weeks. Trustee Alspach protested against change because of possible trouble about a dumping place. Carried over for a week.

### Larson Contract

Attorney Shaw reported that Mrs. Larson had called upon him bringing the contract between herself and husband and the city; that he had made a copy of the contract for the city files and herewith presented it. The Clerk then read the copy which recited the giving of a deed by the Larsons to the city of land to be used for street purposes, and provided that in the event of improvement of said street the Larson property should not be assessed more than 10c per foot of frontage, the same to be provided for in the ordinance of intention. It also provided for the payment by the City of Tropico out of the general fund of \$300 on the assessment. Provision was likewise made that "the grade shall not be above the present ground as it now exists" (Signed) A. P. Goodwin, as

authorized by the Board of Trustees, and Lelah and H. P. Larson.

### Budget Ordinances

The two ordinances—No. 117 fixing the amount of money necessary to be raised by taxation, and No. 118 fixing the tax rate, were given a second reading and adopted.

### In Re Heavy Traffic

Engineer Wattles recommended that streets be closed to the damaging wear and tear of heavy traffic particularly Moore and Adams. The posting of notices was suggested and the matter was referred to City Attorney.

### Acacia Street Bids

Bids by three contractors on the Acacia street work between Brand boulevard and Central avenue were opened and read by the Clerk.

The first bid by Peter L. Ferry was as follows: macadamizing, including concrete pavement 4c; grading per lineal foot 40c; cement curbing per lineal foot 25c; sidewalks per square foot 10c; accompanied by a cheque of \$350.

Second bid by E. Schilling of Burbank: macadamizing 4c; grading 25c; curbing 24 1-2c; sidewalk 9 1-8c; cement paving 13c accompanied by personal bond.

Third bid by E. S. Groshong of Burbank: macadamizing 4c; concrete paving 28c; curbing 25c; sidewalk 10c. Accompanied by bond for \$300. The bids were referred to Engineer Wattles who figured the cost under the three propositions and reported his calculations as follows: Schilling, \$2228.98; Groshong, 2327.68; Ferry, \$2433.44. Schilling was declared the lowest bidder and on motion of Trustee Boyce a resolution of Award of Contract to E. Schilling was adopted.

### Acacia Inspectorship

Moved by Trustee Seal that Sam Brown be named as inspector on the Acacia street job. Some discussion of the appointment followed and Mr. Brown, who was present, requested Mr. Seal to withdraw the motion, which was done. Mr. Henry then moved that the job be given to E. Fram. Trustee Seal protested on the ground that jobs should not go to men who are not loyal to Tropico and Mr. Fram had favored consolidation, also that the application of Mr. Bullis should have consideration. The motion for Mr. Fram's appointment was seconded and carried by three votes, Trustee Seal voting no.

### Replacement of Electrolier

Marshal Gould reported that nothing had been done about replacing the electrolier on San Fernando Road, broken by a woman automobilist, and that she had moved from the address given him. Moved by Henry that the City Marshal be instructed to order the Keystone Iron Works to replace the broken standard. Seconded by Alspach. Carried.

### Cleaning of Playground

President Peters reported an ap-

plication to have the Municipal Playgrounds cleared of weeds by the city in preparation for the proposed circus. Dr. Mabry urged the granting of the request and the Board asked the President to instruct the Street Superintendent to send a man to clean the grounds under the direction of Dr. Mabry.

### Tree Trimming

The trimming of street trees was discussed in connection with a report of personal injury from a drooping limb on Acacia avenue, but no action taken.

### Curb and Sidewalk Offenders

Marshal Gould reported he had put a stop to violations of ordinance by the man on Park avenue who has been driving over the curb in an automobile without proper approach, and that now he leaves his machine in the street; also that the man had furnished a list of about 15 other violators, four or five on Blanche avenue and one or two on Acacia. Mr. Gould wished to know the extent of his authority in the premises. Trustee Alspach protested, saying: "I object to our streets being made storage places for machines. Let them build a garage and make a way to get in on their property."

Mr. Peters: "It should not be allowed."

Attorney Shaw: "Unless you already have an ordinance, you will have to have one to handle the matter." Referred to City Attorney for report.

Engineer Wattles recommended an arch over the curb as better than an apron as an entrance but Trustee Henry and Dr. Mabry objected on the ground that it interferes with the approach to the curb.

### Criticism

Trustee Seal complained of trips to Los Angeles made by the Street Superintendent during working hours, leaving a substitute. Henry and Alspach defended Mr. Wasson and no action was taken.

### Demands

The following demands were allowed: J. S. Ripley, street labor \$15; Tropico Sentinel, notice to file bids \$27.90; League of Cal. Municipalities, annual dues \$10.00; Engineer Wattles for clerical work and incidentals \$41.80; salary \$40.65; Tropico Sentinel publishing resolution 235 \$31.13.

### Fire Company Donation

Fire Chief Gould reported the receipt of \$20 from the Kalem Company for the services of the Tropico engine and company at the burning of the skeleton house in Glendale. Moved by Henry that it be distributed among the ten company members who attended. Carried over the protest of Seal who said that some of the \$20 should be retained for incidental expenses of the department. Trustee Henry declared the engine ought not to be permitted to leave Tropico. The Board then adjourned.

# TROPICO INTER-URBAN SENTINEL

(Established 1910)

Published every Wednesday at Tropic, California, and devoted to the best interests and future welfare of the most healthful city in the San Fernando Valley. Come and see for yourself.

Gertrude Gibbs ... Editor and Owner  
Edith A. Cross .... Associate Editor  
Telephone: Glendale 1500.

"Entered as second-class matter May 23, 1916, at the postoffice at Los Angeles, Cal., under the Act of March 3, 1879."

OFFICIAL PAPER OF THE CITY  
Subscription, \$1.00 per year.

Advertising rates furnished on application. The value of the Tropic Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

## JITNEY CIRCUS

Barrels of fun are being secured for the circus to be given on the playgrounds, which will hereafter be known as the Jitney Circus, because the admission will be only a nickel. The committee wants to bring it within reach of every child in Tropic, big and little, hence—

A partial list of the ladies who have consented to act as patronesses includes the following names: Mesdames Charles Toll, Charles A. Barker, Stuart M. Street, A. L. Bancroft, Leigh Bancroft, Emil Toll, J. Herbert Smith, Wesley Bullis, John A. Logan, Charles Turk, Willy Kohl, John Seaman, William Harvey Jr.

## FIRE AND FILM

Wednesday evening of last week Tropic's engine and fire company went to Glendale to protect the studios of the Kalem Film Company during the burning of a skeleton house for a scene in a big picture play which the Kalem Company is producing. The studios are at too great an elevation to get much force from the Glendale water system and the Glen-

## TROPICO Interurban SENTINEL

dale engine has no such pumping equipment for throwing the water as has our local engine. For that reason the company petitioned the council through Fire Chief Gould to permit the company to attend the fire, agreeing to be responsible for all costs, including the pay of the fire laddies, which the council readily granted. The boys did not participate in the picture but protected the buildings near the doomed house and extinguished the blaze after the picture was completed.

## YEOMAN EVENTS

Tropic is unmistakably on the map in Yeoman circles. At the big picnic which the Order held last Saturday at Redondo, local lodge members secured a long list of prizes. First and foremost was the banner for attendance, won for the third time and which may become the property of the lodge. The prize list follows:

Lightest Benefit Yeoman, \$2.50 merchandise, Mrs. Wool.

Peanut Blowing contest, 2nd prize, 25c, Joseph Eyraud.

100-yard relay race (ladies and gentlemen) 2nd prize, Emma Moniot, manicure set, and Chas. Bruck, box of cigars.

Sack race (boys 10 to 14) 3rd prize, 25c, Jos. Eyraud.

Ladies' potato race, 2nd prize, Mrs. Harry Schaeffer, silk hose.

50-yard dash, (married ladies) 1st, Mrs. Harry Schaeffer, silk parasol.

Girls' race, 50 yards, 2nd prize, Kewpie doll, Blanche Moniot.

Archery contest, 2nd prize, Chas. Bruck, score 14 out of 15, \$5 in gold.

Theatre tickets were given to all making 3-8 or 12 in three shots and the winners included Charles Bruck, Herbert Crane and John Lawyer.

A goodly number of the Tropic members remained over night and got up at 5 o'clock to fish from the pier. All had very poor luck except Julius Moniot who brought home 8 mackerel. A second archery contest was held in which Colbert Eyraud scored 14 out of 15 winning a prize of \$2 in cash while Chas. Bruck won a necktie as sixth prize.

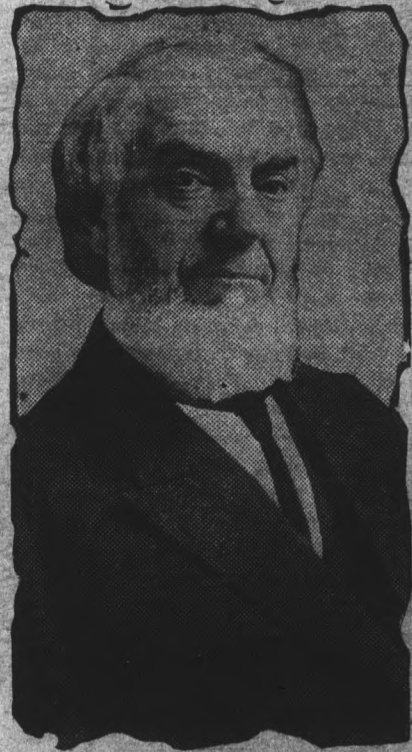

\* \* \*

The Yeoman dance last Friday evening was a big success, the attendance being larger than ever before, and the receipts to the treasury bigger.

Public Address by Pastor  
Russell at Temple Auditorium,  
September 10, 3 P. M.

Mr. and Mrs. E. V. Coleman will motor to Santa Barbara and spend Sunday and Monday there.

Mr. and Mrs. Jackel and Mr. and Mrs. Newman of Chicago are visiting at the home of Mr. and Mrs. Andrew Dorschner of Riverdale Drive, Glendale.

Mrs. Weldon and daughter, Mrs. M. S. Reynolds, of Visalia, came South by auto last week and will spend a fortnight here visiting their relatives, Mrs. Charles Bruck and Mrs. Crane of Glendale avenue.

Mr. and Mrs. H. E. MacMullin write: After visiting a number of resorts in the San Bernardino mountains we not only find Pine Crest the most attractive but cleanest and most restful, with many amusements.

Prof. R. L. Kennedy, Supt., of Tropico schools, his brother and two friends in Los Angeles went North Wednesday on a hunting trip. The party will camp on Mount Fraser in Ventura County and will be gone about a week. They plan to return with eight bucks.

Miss Rosella Dorschner of Glendale and Teresa Hogan of Los Angeles have just returned from a week's visit in San Diego where they saw the Exposition and took in all the sights, including Tia Juana, The soldier's camps, Mission Cliff Gardens, La Jolla and other places of interest.

#### BEACH PARTY

Mrs. D. H. Imler of Palm Villa, chaperoned a party of young people at Balboa last week, the list including besides Eugene and Margery Imler Misses Ernestine Lyon, Esther Schremp, Evangeline Hunchberger, Juanita Emery, Katherine Renshaw, Messrs. William Renshaw, Howard McGillis, Charley Phillips, Archie Ladder, Arthur Cooper of Los Angeles, Fred Dodge, Floyd Stokes, Ross Miles, Wilford Long. A delightful week was spent canoeing on the bay, bathing in the surf, fishing and watching the movies, who were there in great numbers. One of the pleasant excursions of the week was a trip to Rocky Point, or the Palisades as it is now called.

**FAVORS WOMAN SUFFRAGE.**

Some time ago, a consideration of our economic conditions and tendencies, of the position of women in gainful occupations, of the nature and course of the demand, led me to the conclusion that the granting of suffrage to women is inevitable. Opposition may delay, but in my judgment cannot defeat this movement. If women are to have the vote, as I believe they are, it seems to me entirely clear that in the interest of the public life of this country, the contest should be ended promptly. I favor the vote for women. —From Mr. Hughes' speech of acceptance.

**MAINTENANCE OF AMERICAN RIGHTS**

Had this Government by the use of both informal and formal diplomatic opportunities left no doubt that when we said "strict accountability" we meant precisely what we said, and that we should unhesitatingly vindicate that position, I am confident that there would have been no destruction of American lives by the sinking of the Lusitania. There, we had ample notice; in fact, published notice. Furthermore, we knew the situation and we did not require specific notice. Instead of whittling away our formal statements by equivocal conversations, we needed the straight, direct and decisive representations which every diplomat and foreign office would understand. I believe that in this way we should have been spared the repeated assaults on American lives. Moreover, a firm American policy would have been strongly supported by our people and the opportunities for the development of bitter feeling would have been vastly reduced. —From Mr. Hughes' speech of acceptance.

The Sentinel goes to press Wednesday. It is desirable that all copy intended for publication the same week should reach the office Tuesday morning and not later than Tuesday afternoon.

Eagle Rock is to vote September first on the question of a \$60,000 bond issue for school grounds and buildings. It is also considering another bond issue of \$50,000 to \$80,000 for the purchase by the city of the pumping plants and distributing system of the Eagle Rock Water Company. It is declared that its purchase would enable the city to reduce water rates from 25 to 30 per cent and that the income would take care of the debt.

**WHAT ONE BIG MAN THINKS OF ANOTHER**

President W. H. F. Faunce, of Brown University, is a pretty live wire who keeps abreast of the times, has keen powers of observation, and knows a good man when he sees him. Here is what he has to say about the Republican Candidate for the Presidency:

"I have known Justice Hughes intimately since we were students together at Brown and have seen him a thousand times at work and at play. No man of our generation has a finer combination of character and intellect. Absolutely fearless, unselfish, loyal to American ideals, he is worthy of a nation's trust.

"All his friends know that behind the dignity of bearing is a rich fund of humor and good fellowship. Whether he is climbing a mountain, reading novels, playing with his children, resisting a political lobby or delivering the opinion of the Supreme Court, he is ever the same rugged, democratic, fair-minded American. His varied experience has given him wide horizon and sympathy with every aspect of American life.

"He possesses two qualities rarely found together—the judicial temper and the capacity for swift and resolute action. Under his administration the fog which now begets many public questions would be cleared away.

"His penetrating mind goes to the heart of any subject he selects and strips off the irrelevant at once. Such a mind is peculiarly needed amid the intricate problems that now confront America.

"We need more than good intentions. We need clear vision, sound judgment, strong will, unhesitating decision. In short, we need Charles E. Hughes."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

### TROPICO'S MILK SUPPLY

Health Officer Mabry fears that a misunderstanding may grow out of the summary published by the Sentinel of his remarks at the Council meeting of August 8th in which he criticised the quality of the milk being sold in Tropico by an outside creamery company. He has therefore asked that the following statement be published:

"To the Sentinel:

The report of my remarks regarding the milk situation in Tropico, appearing under notes of the Board of Trustees session of August 8th, did not exactly express my ideas. I find that the dairies supplying Tropic with milk are as a rule in a fairly satisfactory condition and that milk is delivered to customers within a few hours after milking time. Anyone receiving this milk and "Pasteurizing" the same, i. e. heating it at a temperature of 137 to 145 degrees Fahrenheit for twenty minutes, and then properly caring for it, will have about the best milk it is possible to obtain.

The large dairies and creameries receive milk from their own dairies and various outside dairies, some as far away as 250 miles. This milk is shipped in, stored, treated to bring it to about 4.8 per cent fat (i. e. if fat contained is too low, cream is added; if too high skim milk is added) bottled and pasteurized and it reaches the consumer at an age of thirty-six to forty-four hours. This milk is without doubt good milk and safe, of fixed composition, and it is a matter of individual choice which class one wishes to buy.

Lately a classified list of dairies supplying Los Angeles was prepared on the following basis, 100 being a perfect score:

- 35 points for bacterial count.
- 25 points for flavor and odor.
- 10 points for absence of sediment.
- 10 points for butter fat.
- 10 points for solids not fat.
- 5 points for acidity and
- 5 points for appearance of package.

Under the pasteurized class the Crescent Creamery, wholesale (no retail) milk heading the list, as supplied in Tropic, was rated 88.75.

Los Angeles Creamery grocery milk, 80.95.

Los Angeles Creamery family milk, 78.6.

Under the "raw" class sixty dairies

(Continued on page 13)

# Mt. Lowe Cottages

—Ye Alpine Tavern, Mt. Lowe, has just opened the coziest, shadiest and most complete housekeeping cottages in the mountains.

—electric-lighted, and fully equipped with all comforts and conveniences—only \$8 per week for two persons, \$2 for each additional person.

## REDUCED HOTEL RATES

—Hotel rooms or cottages, with board, \$3 per day, \$15 per week—a few rooms slightly higher, some with private baths.

—Reservations and full details at P. E. Information Bureau—five trains daily from 6th and Main—excursion fare \$2—get tickets from agents.

# PACIFIC ELECTRIC RAILWAY

## LOCAL HAPPENINGS

Mrs. Jenkins of Hermosa Beach spent Thursday with Mrs. Dutton of Cypress avenue.

Mrs. Ireland, wife of the manager of the Stadler Grocery on Brand Boulevard, is very ill.

The Illinois Picnic will be held at Eastlake Park, Los Angeles, all day Saturday, September 2nd.

Mr. N. C. Burch is quite ill with what the attending physician has pronounced membranous croup.

Mrs. R. Hagan of Gardena avenue has broken up housekeeping and taken her little son to the mountains for a month in the expectation of improving his health.

Mr. J. C. Balch, manager of the Pacific Tile Works, has taken the Henry house on Park avenue and will move to Tropicco about the first of September.

The Adams-Moore street improvement has been approved by the City Engineer and Street Superintendent, who found it up to specifications under which the work was undertaken by Contractor Schilling.

Mr. and Mrs. W. C. Anderson, their daughter Jean and Miss Frances Hardy, sister of Mrs. Anderson, left Thursday by Santa Fe for San Diego, returning Sunday evening after thoroughly doing the Exposition and points of interest.

An old folks' reunion, a picnic for Southern Californians who were born more than seventy years ago, will be held at Sycamore Grove, Los Angeles, September 2nd. Secretary F. O. Hart, 509 Stimson Bldg., Los Angeles can give information.

Individual members of the Twin City K. P. Lodge will participate but no delegation representing the lodge will take part in the Saturday parade which will take place in Los Angeles in connection with the great Pythian Fiesta of Saturday, Sunday and Monday.

Mrs. Haggood and Mrs. Susie Peck returned last Thursday from the Encampment at Huntington Beach.

Mr. and Mrs. Harry Cross and daughter Katherine of Mira Loma avenue have gone to San Diego for a week.

Mr. Eugene Imler has just received from Monterey the beautiful silver cup which he won in the base ball contest. It is pronounced a beauty by all who have seen it.

Mr. and Mrs. James Webster and their daughters Lerola and Laura left Tropicco by auto last Saturday for Holtville in the expectation of stopping at San Diego enroute.

Mr. and Mrs. H. E. Fry of Cerritos avenue and Mr. and Mrs. Merritt Ludden spent the week end in Placerita Canyon camping under big oaks in the same spot where the J. Herbert Smith family recently camped.

Messrs. F. A. and G. W. Stroup and their families enjoyed a week end camp outing at Bear Lake in the San Bernardino mountains, about which Mr. F. A. Stroup gives enthusiastic reports. They secured quite a string of fish though not as many as they planned to catch. On the return journey they took in Lake Elsinore.

A parade of not less than seventy-five automobiles filled with boosters for Stephen C. Packer, candidate for the supervisorship of this district and bearing Packer banners, left Glendale Saturday afternoon and made the tour of the district, passing through Tropicco, Pasadena, Garvanza, Eagle Rock and other municipalities. The participants report great enthusiasm all along the route.

The Sentinel is advised that Mrs. Oliver Spear and son Ralph left Thursday evening for Imperial Valley where Mr. Spear has a homestead of 160 acres of rich soil. The Spears expect to be back in Tropicco the latter part of October. In the meantime they will enjoy the fishing, swimming and hunting in the region

of their homestead. Lebron Spear, the other son, will stay with his grandparents in Grace Court during the absence of his parents.

### PYTHIAN OFFICIALS INSTALLED

Installation of officers of the Twin City Lodge No. 330 was accomplished at the meeting held Thursday evening last in K. P. Hall. The officials thus inducted were: H. B. Eachus, C. C.; Samuel Brown, V. C.; Landon C. Haynes, Prelate; Ed. Shipman, M. of W.; George M. Howe, K. of R. and S.; E. V. Coleman, M. of F.; E. R. Best, M. of E.; George Tauxe, M. of A.; S. Berman, I. G.; C. E. Nicholson, O. G.; E. D. Johnson, T. J. Hammond and J. J. Burke, Trustees.

It was an interesting ceremony lasting nearly an hour and was witnessed by about one hundred persons, as it was an open meeting to which members were privileged to invite their wives and women friends. A dance followed the program.

**PROSPERITY IN THE EAST**

Rev. O. P. Rider, pastor of the Presbyterian church, returned Saturday looking much rested and benefitted by his trip to the Atlantic coast. He spent some time with relatives and friends in New York and also visited in Hamilton, Ontario, and in Iowa. He declares that business is lively and prospering all through the east and middle west, with lots of work to be had and a scarcity of laboring men, particularly in Canada, where preparation for war is very much in evidence. "Everybody there," said he, "is anxious and ready to sacrifice to any extent to win. Soldiers are drilling on the streets and commons everywhere, enlisting, and passing on to the larger camps. Canada has furnished 500,000 men for the war thus far. Manufacturers told me it was difficult to get competent, efficient help and that wages are good. Large harvests of wheat have been gathered in Alberta and Saskatchewan and young men in the cities are giving up their work at desks to go into the fields as harvest hands.

"I was surprised to find the cost of living very high both in Canada and the middle west. All the necessities of life are higher at Cedar Rapids than they are here.

"As a sample of how things are booming in Hamilton, a friend of mine who had bought a house for \$2800, after making a few improvements sold it for \$7000, and now the same house cannot be had for less than \$12,000. Land all about there is held at \$500 an acre and is used for just such garden truck as is grown in the San Fernando Valley."

**NEW RESIDENCE**

Mrs. Tompkins, sister of Mrs. J. C. Green of Moore avenue is about to build an attractive little home on Green street. The permit was taken out last week by C. M. Retts, the contractor. Mrs. Tompkins came to California from Michigan and has lived in Tropico in the home of her sister for a year. She has decided to make her permanent home here and has chosen a site near Mrs. Green.

Mrs. John Lawyer and children who attended the Yeoman picnic at Rondo, are remaining there for a week.

(Continued from page 8)

scored higher than the pasteurized milk supplied by the Crescent Creamery, and 95 higher than the family milk sold by the Los Angeles Creamery. Unfortunately the local dairies either are not selling milk in Los Angeles or are not classified in this list.

I might add that a milk is not necessarily safe because it is scored high in the list, so far as bacteria is concerned the pasteurized milks are undoubtedly far safer and the "raw" milks can only be made safe at home by careful pasteurizing.

The dairy score is different from the milk score. In this dairies are marked as to equipment, methods, cattle, care in handling, storing, and marketing milk.

According to this the dairies supplying Tropic are scored by Mr. Ray Hasson, State Inspector as follows, for August, 1916:

MacMullin's Sanitary Dairy ..	72.
Pomeroy's .....	68.
Phelp's .....	62.5
White Bros. ....	61.
Shattuck's .....	59.5
Comyer and Morgan .....	57.
Morgan's Sanitary Dairy ....	57.
Crawford's (selling to Morgan) ..	37.

Los Angeles last scored any of these dairies last May at which time MacMullin received a score of 68 and Morgan 57.75.

All of these scores are within 1 to 3 per cent of my own markings for these dairies.

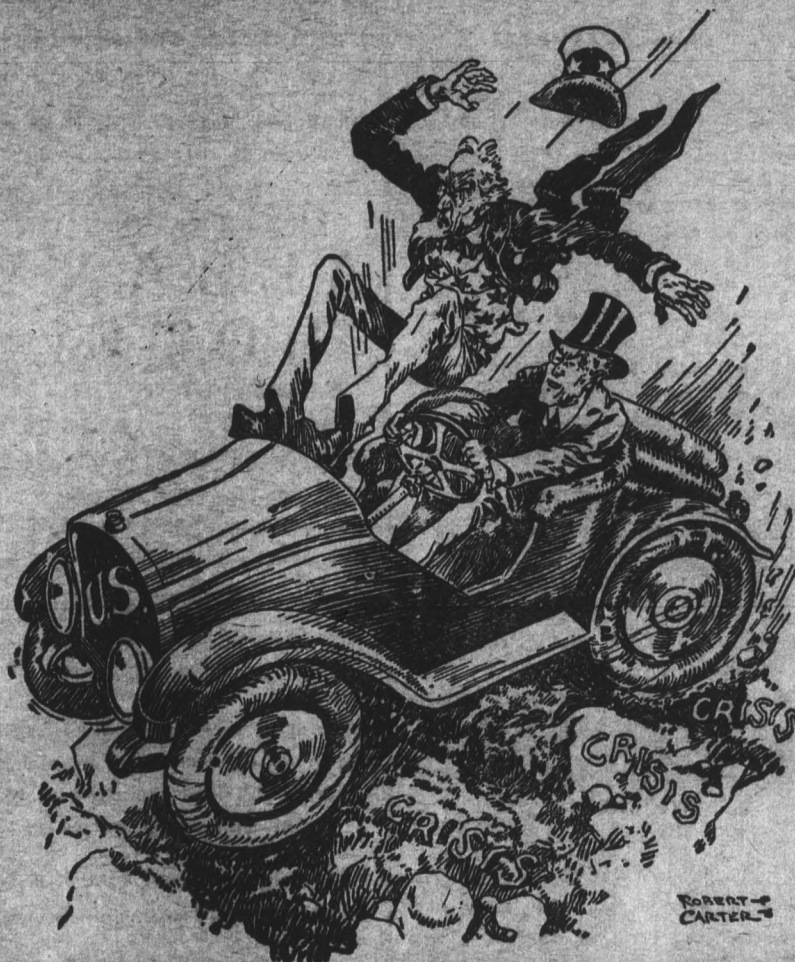

Respectfully,

WM. C. MABRY,  
Health Officer.

The Southern Pacific Railroad is doing some unique but practical sociological work. Under Foreman Taft of Superintendent Whalen's Division are an extra section gang making up a crew of fifty men, with wives and children to the number of twenty-five. That they may have schooling the road has fitted a box car with benches and provided a teacher who instructs them daily in English, Spanish and primary work. The school car moves with the gang and the children never have to lose a day's attendance. An old passenger coach which can be heated is to be equipped for winter use, and a hospital car will also be provided by the road.

The Fullerton Union High School district recently defeated the pro-

posed \$35,000 bond issue, \$25,000 of the city gave a big majority vote which was to be used for building against the proposition, while Olinda, an addition to the manual training Brea and Yorba Linda voted in favor building and \$10,000 for a swimming of the bonds. The total vote of the pool. The Fullerton Chamber of Commerce endorsed the bond issue, but against.

**CLASS MEETING**

Mrs. Frank Ashton's class in the Tropico Presbyterian Sunday school was entertained by Miss Esther Black at her home in North Glendale Saturday, August 26.

Pleasure and business were combined.

New officers for the class were chosen. Esther Black succeeded Gladys Goddard as president, Ruby Stone succeeded Marion Kennedy as treasurer, Leona Hibbert succeeded Helen Searle as secretary and Helen Keating was chosen general assistant.

Those present were Mr. and Mrs. Black, Esther Black, Mrs. Frank Ashton, Helen Richardson, Helen Heartwig, Leona Hibbert, Ruby Stone, Kigoko Funatsu, Ida Wilbur, Margaret Werve, Bessie Wood, Gladys Goddard and a visitor, Thelma Gridley.

Everyone reported an enjoyable time. "I count one" was chosen for the class motto.

**WHISKERS**

Are not always a sign of old age; neither is second hand furniture always old furniture—in fact I have several pieces that you can hardly tell from new, and at much lower prices. Unless you ride on a pass don't go to Los Angeles to buy what I can sell you for the same or less money. Be a booster! Note some of my prices and come in and investigate the quality. Two quart ice cream freezer \$1.00; 2 refrigerators, 100 lb. capacity each, one \$7.00 the other \$14.00; oak writing desk, \$5.75; Singer sewing machine, \$3.00; dressers, \$4.00, \$4.50, \$9.00, \$20.00; extension tables, \$2.50 up; V. M. child's crib, \$5.00, W. E. crib, \$8.50; beds \$2.00 to \$17.50; an assortment of gas ranges from \$3.75 to \$10.00; 2 and 3 burner gas plates, oil stoves, gasoline stoves, sanitary couches, \$1.75 up; laundry tray, \$7.00; kitchen cabinet tables, high chairs, screen, dishes, hammocks, clocks, pillows, mattresses and miscellanies.

I buy, sell, trade, repair, or make furniture to order. Satisfaction guaranteed. Give me a trial.

**It's Perfect Sanitation all the Way**

Why use pasteurized milk which is 24 to 36 hours old from outside dairies when you can get fresh raw milk from your own home dairy, delivered morning and night, two hours after milking? Doctors recommend raw milk, not pasteurized from dairies like McMullins, for babies.

**FOR RENT**—Four-room furnished apartment. 123 Laurel Ave., \$15.00.

Lace and bungalow net curtains hand-laundered 25c per pair. Phone Glendale 887. Called for and delivered.

**WANTED**—To find purchaser and good home for male and female pure-bred white Angora cats, each valued at \$25. Have taken apartment and must sell. Will dispose of these pets to right parties for one-fifth value. Address Sentinel office.

**FOR EXCHANGE**—233 acres of land in Lake County 4½ miles from County Seat; hog tight fencing on three sides; modern house and barn; water from perpetual flowing spring piped to the house; 40 per cent. of land tillable; fine pastures, many springs; land adapted to deciduous fruit or walnuts or live stock farm; 1000 cords of wood in sight for which there is a ready market at \$6 to \$7 a cord in Lakeport and Kelseyville; rainfall 27 inches, average; very mild climate; elevation 1500 feet; very beautiful situation overlooking Big Valley and Clear Lake; price \$6500, incumbrance \$2200. Want property in Southern California. H. D. C. Sentinel office.

Charles L. Peckham is laid up with a sprained ankle.

Mr. and Mrs. C. L. Copeville and Mrs. C. L. Jennings had a most enjoyable three days' auto trip last week during which they visited old-time friends in San Bernardino, Riverside, Pomona and vicinity. They left Wednesday and returned Saturday. At San Bernardino they ran into a hard shower which was almost a cloudburst.

Mr. and Mrs. G. E. Martin chaperoned a beach party recently. They went to Venice where they dined and supped upon the sand, spending the intervening time bathing and sight-seeing. The young people were: Misses Winnie Bacon, Gladys Goddard, Geneva Martin, Agnes Haggerty, Messrs. Robert Haggerty, Leslie Haggerty, Harold Hyde and Francis Bacon.

Persons who contemplate a trip to San Diego or a stay in Los Angeles are urged to call at the Sentinel office. We can furnish you with hotel accommodations at a price which it will be worth your while to investigate and can refer you to Tropic people who have tested them.

### CHINA WEDDING

As announced last week Mr. and Mrs. G. E. Martin of 215 North San Fernando Road entertained last Thursday evening in celebration of their twentieth wedding anniversary.

Forty guests, all of whom had been old friends and neighbors in and around Walnut, Kansas, were present to congratulate the host and hostess and exchange reminiscences with them and each other. They now represent many different towns in Southern California: Los Angeles, San Pedro, Long Beach, Pasadena, Glendale and Azusa. One guest was from far away Clovis, New Mexico. Walnut, where their acquaintance began, is a town of less than one thousand population. The gathering well illustrates the lure of Southern California. They have been Californians for from 5 to 15 years.

Mrs. Martin was the recipient of beautiful gifts which included a dinner set, a breakfast set and many handsome odd pieces.

### BRIDAL SHOWER

Mrs. H. Colby of Laclede avenue in the Atwater Tract, gave a shower and luncheon last week for Miss Gertrude Culley who is to be married on the 9th of September to Mr. Floyd Charles. There were twelve guests most of them neighbors in the Atwater Tract. The luncheon was served at three o'clock, the table decorations, which were very beautiful, carrying out the pink and white motif which dominated the function. The shower rained cut glass, linen, fancy work and other things most acceptable to a bride to be. The young people are to have a church wedding at Long Beach and a bridal trip to Catalina after which they will be at home to their friends at 3529 Perlita avenue in the Atwater Tract. Mr. and Mrs. J. W. Culley, parents of the prospective bride, have bought the Pierce house on Perlita avenue and will take possession of it as soon as a garage is built and other improvements made.

Mr. and Mrs. M. M. Eshelman are attending the Brethren Conference at Long Beach this week as delegates from the church of the Brethren in Tropic.
