PICTURESQUE REGATTA IS HELD TO-DAY

Vimy Monument to Canada's Glorious Dead Is Unveiled

Premier Meighen Performed Ceremony on Historic Ridge To-day; "Cross of Sacrifice" Marks Resting Place of Hundreds of Brave Canadians.

Vimy Ridge, France, Sunday, July 3.—(By Grattan O'Leary, Staff Correspondent, Canadian Press)—Hard by The Lus, where stupendous French industry, despite the magnitude of the task and despite this year's almost unexampled drought, has turned the blasted and bleached surface of the ridge to fresh greens of growth and mellow yellows of an on-coming harvest, Right Hon. Arthur Meighen, Premier of Canada, this morning unveiled the Cross of Sacrifice erected in the cemetery where rests hundreds of Canadian dead who fell at the capture of this famous height four years ago; Crowns Ridge.

The site of the monument is distinguished. It crowns the ridge and looking west across the valley one sees the white ruined tower of the church of St. Eloi. Westward stretches the gentle slope of Douai plain. The cemetery is but one of hundreds dotting the whole country, side, which when they are completed will be places of pilgrimage and devotion for generations to come. Scarcely together comprised in the same officer and ranker: English, Scottish, Canadian, Australian and South African, beneath uniform headstones, under the shadow of a number of Bloomfield's magnificent Cross of Sacrifice, and the massive stone of remembrance, both exist in line and proportion, worthy members of the immortal dead below. Some of the cemeteries are completed, and when the whole great task is completed the result will be one which the British may well regard with pride.

Solemn Setting. This morning's ceremony was held while the church bells in nearby villages were summoning the faithful to Mass. It was a befittingly solemn setting. The large number present, which included the chairman of the Imperial War Graves Commission, General Sir Fabian Ware, commander of the British troops in France; the French general commanding the Arras Division, the Prefect of Pas de Calais, the Mayors of surrounding towns and villages and a number of British and Canadian visitors, stood with bare heads as Premier Meighen, who spoke with more emotion than his wont, delivered the oration.

The Address. His address, which was afterward repeated in French, follows: "The great war is past—the war that tried through and through every quality and mystery of human mind and might of human spirit; the war that closed, we hope forever, the long story of the arbitrament of men's differences by force. The last clash and crash of earth's millions now over, there can be heard only the sporadic conflicts, the moan of prostrate nations, the cries of bereaved and desolate, the struggling of exhausted peoples to rise and stand and move onward. We live among the ruins and echoes of Armageddon. Its shadow is receding backward into history." (Concluded on page 8.)

University School Wins Rifle Honors. Victoria High School Teams Seventh and Eighth. Kingston, Ont., July 4.—The interschool rifle competition, conducted throughout Canada by the Royal Military College, was won by the University Military School of Victoria with a grand total of 211 points. The Halifax County Academy of Halifax was second with 208, and other competitors with their score were: Central High School, Calgary, 206; Crescent Heights High School, Calgary, 203; South Calgary High School, Calgary, 200; Collegiate Institute, Kingston, first team, 183; Victoria High School, Victoria, B. C., second team, 171; Victoria High School, first team, 168; Collegiate Institute, Kingston, second team, 156. The last six schools have a handicap of 16 points.

Plot at Vladivostok Is Reported Unearthed. Tokyo, July 4.—Discovery of a conspiracy among followers of General Semenov, the anti-Bolshevik leader in Siberia, to overthrow the Merkuloff Government in Vladivostok, is reported in newspaper dispatches from that city. Twenty-three persons, including three officers, have been arrested in connection with the alleged plot.

Japanese Denial. Vladivostok, July 4.—The Japanese command here, as a denial of the accusation made in some quarters that the Japanese aided General Semenov, the anti-Bolshevik leader, to escape from Vladivostok, has issued orders for his arrest if he threatens communications between Vladivostok and the outside world. This action is interpreted here to indicate that the Japanese will not permit General Semenov to inaugurate an armed local revolution.

GERMANS KILLED WOUNDED SOLDIERS

More Evidence Given at Leipzig Trial

Leipzig, July 4.—During the course of the trial of Lieut-General Karl Stenger and Major Bruno Crusius, charged by the French Government with having ordered the troops under their command to take no prisoners and to kill wounded men, Dr. Wenger, an Alsacean, testified Saturday that two Frenchmen, wounded, who were found on August 28, 1914, by a German ambulance corps, were shot by order of Crusius. Dr. Wenger testified he remonstrated with Crusius, who replied he could not do otherwise, adding that a non-commissioned officer had declared the execution was carried out in conformity with an order that no prisoners should be taken.

TRIPLE DROWNING.

Patchogue, N. Y., July 4.—Harold D. Heath, his wife and his employer, Charles H. Bennett, were drowned today when the two men swam to the rescue of Mrs. Heath, who had been caught in a strong undertow. The triple drowning was witnessed by Bennett's daughter, his wife and his father, who were helpless to aid.

All Private Stocks of Liquor Must Be Sealed and Recorded by July 15

All private stocks of liquor must be sealed by Government seal and recorded before July 15, according to instructions issued to-day by the Liquor Board.

Owners of stock will not have to pay the Government for the seals which must be attached to each bottle. The owner may do the sealing himself, but his work will be closely inspected afterwards by Government officials. "Possession Approved" will be the official mark upon the seal.

Application for "Possession Approved" seals must be made in person at the Liquor Board offices, Belmont House. Each sealing label will then be numbered. The applicant for self-sealing must state in writing when he is applying for seals how much stock he has on hand and what it consists of. Seals for that amount will be furnished, and when sufficient time has elapsed an inspector will be sent out to check it up.

Of the seven inspectors appointed under Chief Inspector George Miller of Vancouver three are former army officers with excellent war records and two others are non-commissioned officers.

Organization Pleases Public. Members of the Liquor Board are holding special meetings here to-day to discuss the details of the new liquor law, at which they are receiving the views of the public. Commissioner James Falconer arrived here from Vancouver to-day to give details of the Board's business progress in Vancouver.

Public approval is being expressed as the result of the satisfaction with the Board's organization everywhere, it was reported.

Four More Stores.

Four more liquor stores are now being opened in addition to the twenty-three now in operation in various parts of the Province under the Liquor Board. The new stores are to be at Chilliwack, Nelson, Cumberland and Courtenay. They will be ready for business late this week or early next week.

J. Fred Hume, former Minister of Education in the British Columbia Government, is being appointed vendor at Nelson.

N. B. Calder, of Kelowna, brother of the late James Calder, is being appointed vendor at Courtenay.

Hugh Stewart, prominent in political life in Comox, is being appointed vendor at Courtenay.

Charges Laid Over.

The prosecution of the Great War Veterans' Club on three charges arising out of alleged breaches of the Liquor Act has been remanded for another week. The liquor for sale, a charge of selling liquor and a charge against George Bowen, the club's bar steward, of selling the first raid on the club and the second out of a subsequent raid a week later, both by the city police.

Except for these prosecutions, a few charges of intoxication are the only cases dealt with locally under the new liquor act. All hotels and clubs here are observing the new law rigidly.

TWO DROWNED.

Portage la Prairie, Man., July 4.—Walter Sharp, of this city, and Miss Edith Sande, of Amarant, Man., were drowned yesterday while bathing at Delta.

FORTHCOMING PICNICS

July 6—Garden City Methodist, Patricia Bay. July 6—Country Fair, St. Aidan's Mt. Tolmie. July 6—Bread and cake manufacturers, at Deep Bay. July 9—Postal employees, Experimental Farm. July 9—Provincial Civil Service Association, at Metchoin. July 9—Shrine Club, at Deep Bay. July 12—Kiwanis Club picnic, at Deep Cove.

Leading Figures in the International Meeting

In the above picture, which is published by the courtesy of The Seattle Post-Intelligencer, are shown Captain Ted Geary, of the Sir Tom, the holder of the Lipton Cup for Class R boats on the North Pacific, in the upper left, Captain Ronald Matland, of the Patricia, who commands the challenger, in the upper right, and Captain James Griffiths, Admiral of the Regatta, who was photographed aboard his flagship, the Suez, in the lower central place.

GENERAL SMUTS TO VISIT IRELAND

Rumors Concerning Movements of Premier

London, July 4.—Rumors reached London to-day that General Smuts, the South African Premier, had been in Ireland in connection with the peace movement. Neither the Dublin nor the Belfast correspondent of the Association Press, however, was able to give any corroborative evidence, beyond the fact that General Smuts's secretary had been in Dublin.

The London Times learns from its Dublin correspondent that General Smuts has not yet visited Dublin, but that he is expected there soon.

The correspondent reports an intense desire throughout the country for the success of Monday's conference between the representatives of Northern and Southern Ireland. The influence of all churches, he said, is being strongly exerted toward the cause of peace, and prayers for the success of the conference were offered Sunday in churches of various denominations.

NEW YORK "WETS" PROTEST DRY LAWS

New York, July 4.—"Wets" appeared in force on Fifth Avenue to-day to march in protest against dry laws and to express their hope for a return to more moist days. The organizers of the demonstration said that people of all ages and sexes who had signed cards pledging themselves to participate totalled in six figures, but the actual marchers were considerably short of that. The organizers blamed the heat and legal restrictions on certain methods of alleviating it that once were in vogue.

CANADIAN PIPERS ASSIST SEATTLE IN CELEBRATING FOURTH

Seattle, July 4.—Hundreds of Canadians from Victoria and Vancouver joined Seattleites in celebrating the Fourth of July to-day. Six Scottish pipe bands composed of veterans of the world war, were to engage in a competition this afternoon.

Religious Education Underlies All True Liberty, Says Rabbi

Religious education underlies all true liberty, all true greatness and is the rock upon which all true character is built, the Very Reverend Dr. Joseph H. Hertz, Chief Rabbi of the United Congregation of the British Empire, told the Canadian Club in an inspiring address delivered at its luncheon in the Empress Hotel to-day.

Intense loyalty to the countries in which they live is an "ethnic passion," a fixed part of the character of all Jews, Dr. Hertz declared. This loyalty, he pointed out, had been reflected by the response of Jews all over the British Empire to the call to arms at the commencement of the Great War and subsequently by the heroic deeds of Jewish soldiers at the front. The natural patriotism throbbing in the heart of every Jew, he said, developed and flourished in the British Empire because the Empire encouraged the individual and national development of the nations which composed it.

The British Commonwealth of nations was the most perfect political combination the world had seen because it allowed its many different peoples to live in their own way, he declared. It did not crush out national patriotism with the juggernaut of uniformity—it did not demand of its peoples that they should think alike, live alike and speak alike. The natural patriotism throbbing in the heart of every Jew, he said, developed and flourished in the British Empire because the Empire encouraged the individual and national development of the nations which composed it.

The British Commonwealth of nations was the most perfect political combination the world had seen because it allowed its many different peoples to live in their own way, he declared. It did not crush out national patriotism with the juggernaut of uniformity—it did not demand of its peoples that they should think alike, live alike and speak alike. PRINCE OF WALES TO SAIL FOR INDIA BY END OF OCTOBER

London, July 4.—(Canadian Associated Press)—The Prince of Wales will sail for India at the end of October.

International Yacht Races Are Held On Royal Roads Course

Pretty Spectacle Off Esquimalt Harbor As Yachtsmen of British Columbia and Seattle Test Their Skill and the Qualities of Their Sailing Craft

In a lazy Summer breeze, under an unclouded sky, the sailing craft of the Seattle, the Royal Vancouver, the Cowichan and the Royal Victoria Yacht Clubs are racing to-day in the Royal Roads, the chief event being the contest between the sloop Patricia, of Vancouver, and the sloop Sir Tom, of Seattle, for the Sir Thomas Lipton Challenge Cup. At the time of writing there are two races in progress, the light sloop class and the heavy sloop class, and the Patricia-Sir Tom race will be held this afternoon, starting at 3.30.

Train for Struggle. At present the skippers and crews of both the Patricia and Sir Tom are beating and running around the course, familiarizing themselves with it in preparation for the struggle this afternoon, which will be the second of the series, the first having been run at Cowichan Bay. If Sir Tom wins this afternoon's race will be the final one. If Patricia should win there will be another race, as Sir Tom won at Cowichan Bay.

Slops. In the light sloop class three craft started, Dione, of Vancouver, with Henry Bell-Irving, as skipper; Turanga, of Vancouver, with E. T. Rogers as skipper, and Spirit II, of Seattle, with Mr. Brindley as skipper. Turanga got across the line first, followed about one minute later by Dione. Spirit II got away almost four minutes later than Turanga, they sailed into the eye of the three-knot breeze to the first buoy. Only a minute separated Dione and Spirit at the first buoy, but Turanga was some distance behind, having to take an extra leg to get around the buoy.

It was between the first and second buoys that the skipper of Turanga displayed the finest seamanship. Both Dione and Spirit II failed to allow for the heavy tide which was setting across their course, with the result that both missed the buoy and had to put about on the port tack, which they had to fight the tide. Turanga came from behind and rounded the buoy fully six minutes ahead of Dione, Turanga then reached for the finish line and had a comfortable lead as these lines were written.

(Concluded on page 8.)

SUMMER SCHOOL OPENED TO-DAY

Teachers From All Province on Record Enrolment

Experienced teachers and teachers recently graduated from the Normal School eagerly seized the advantage offered by the Department of Education to increase their proficiency through the Summer School which opened at the Victoria High School this morning, and will continue until August 5.

Teachers from practically every part of British Columbia were present to avail themselves of the excellent opportunities which are offered both of those desiring to specialize in single subjects and those desiring a comprehensive course to refresh themselves on school knowledge.

Traveling fares of all students at the school are paid by the Government, and this privilege is extended to teachers who gained their certificates before the Summer school opened. A Wide Selection. There is a wide selection of courses, and care has been taken to secure experts in each line of instruction. Rural science, primary grade including songs, stories and guests of the City at the Guildhall.

May Send 2,000 Idle To Prairie Wheatfields

Two thousand men are to be sent from the cities of British Columbia to the harvest fields of the Middle Western Provinces, according to plans being discussed here by officials of the Provincial Department of Labor.

It is not yet known to what extent the Government will be able to assist these men in their transportation. This wholesale emigration of males is being planned because of the serious unemployment conditions in most of the cities, especially Vancouver. Latest reports to the Department show that there are more than 4,000 registered unemployed in Vancouver. Besides these there are many others unemployed who have not registered and whose numbers it is difficult to estimate.

Employment Not Improved. The plan of the Labor Department is to give as many as possible of the unemployed a chance to earn some money during the late Summer and Fall to help ride their "over the Winter." Employment conditions in the Province have not improved, it is indicated.

(Concluded on page 8.)

CHINA RESTORING STATE OF PEACE WITH GERMANY

Paris, July 4.—A Peking message states that ratifications of the treaty between China and Germany, restoring a state of peace, were exchanged July 1.

CLEARING WRECKAGE CAUSED BY TORNADO

Property Damage in South Dakota About \$350,000

Aberdeen, S. D., July 4.—Work of clearing up debris and restoring telegraph and telephone communication which was interrupted by a tornado which swept this section of South Dakota late Saturday night, was well under way to-day. Early to-day the death list still stood at one with the known injured placed at nine. The tri-State fair grounds here were badly damaged by the storm, a number of buildings being unroofed. It was expected, however, that a four-day sports programme, scheduled to begin to-day, would not be interrupted. Damage to property in this section was estimated at about \$350,000, including \$100,000 at Frederick.

The storm came as a climax of several days of heat, and although it caused great property damage, agricultural authorities believe crops will be saved as the result of the moisture, which was badly needed.

A train was derailed at Tacoma Park when a stretch of track a mile long was lifted from the roadbed after the wind had excavated the right-of-way.

BELGIAN ROYALTY VISITING ENGLAND

King Albert and Queen Elizabeth Welcomed in London

London, July 4.—Albert, King of the Belgians, and Queen Elizabeth arrived in London to-day for their first visit of state to Great Britain. The royal couple were attended by the Duke of York and Princess Mary, escorted by the household cavalry. The royal party drove through cheering crowds to Buckingham Palace, where a banquet in honor of the visiting monarchs will be given to-night. This afternoon's programme included the placing of a wreath on the cenotaph in Whitehall and another on the grave of the unknown soldier in Westminster Abbey, by the Royal visitors. To-morrow they will be the guests of the City at the Guildhall.

TRIBUTE PAID BY JAPAN TO CANADA

Notable Speakers at Dominion Day Dinner in London

London, July 4.—(By Grattan O'Leary, Staff Correspondent of the Canadian Press).—The Dominion Day dinner was the largest and most successful ever held here. Sir George Perley, Canadian High Commissioner, presided, and the speakers included Prime Minister, Hon. Arthur Meighen, the Duke of Canning, the Japanese Ambassador, Sir Arthur Currie and the Hon. Hugh Guthrie. Premier Meighen pointed out the difficulties with which Canada had to contend, owing to the fact that it included many races, but he expressed the opinion that she would succeed in the mission before her. The Japanese Ambassador, whose presence at the gathering was regarded as significant, in view of the position taken by Hon. Mr. Meighen at the Conference of Premiers, paid a glowing tribute to the Dominion and hoped that the two countries would continue in friendly co-operation.

HOT IN MONTREAL

Montreal, July 4.—This city experienced the two hottest days of the year Saturday and yesterday when the mercury reached 92.5 degrees each day.

NOMINATIONS FOR ALBERTA CONTEST

Calgary, July 4.—Hon. C. R. Mitchell, Provincial treasurer, was nominated by the Liberals of Bow Valley riding at a convention on Saturday. George Skedding, of Macleod, was nominated by the Liberals of Macleod riding. Percival Baker, prominent official of the U. F. A., was nominated U. F. A. candidate for Ponoka riding at a convention held on Saturday afternoon.

PLAN TO LEAVE SOVIET RUSSIA

Letter Indicates Some Bolshevik Looking Abroad

According to recently intercepted correspondence from Communist officials in Moscow to Communist agents abroad, advising them of the "inside situation" in Russia, South America is looked upon as a final haven of refuge by many of the less hopeful Bolshevik leaders in event Russia becomes too hot for them, says an Associated Press mail dispatch from Reval, Esthonia.

One of these letters, published in a Reval newspaper, The Poslednie Novosti, advises one of the officials' friends, who now is apparently in Germany, to "convert your valuables into dollars as frequently as you can or better still, into South American currency."

"The Octobrists," the letter adds, meaning by them those Communists who participated in the October, 1917, revolution, "are frequently sending their families abroad. Soon, it may be, I shall send my wife across to you, in which case try to put her up as best you can."

Lenina Weakening

Referring to the political situation, this Communist wrote: "Ilitch (meaning Lenin, that being his middle name by which he is popularly known in Russia) is weakening. Zinovieff has grown too fat. Trotsky alone remains an old the unrecognised Napoleon, but he is 'evolutionizing' also."

In connection with the sending abroad of the families of the "Octobrists," this letter goes on: "Will you kindly keep a detailed account of their arrivals and of their means? Further, by a decision of the military department of the party, I want you to withdraw the banks all the deposits at your disposal and put them in safe hands. Bring to Switzerland one-third of the 'iron fund' and hand it to B—. The rest can be left in Germany for any eventualities."

Too Fast.

The writer constantly refers to the ruling councils of the Bolsheviks as "the Olympians," and remarks that "our Olympus is going the pace too fast."

"From January," he says, "the situation in the council of the party and in the Central Committee has come to a point to the last degree. The result of these conflicts was the expulsion of Comrades Krylenko, Bontch-Bourouvietch, Dubov, Blumenthal and many others. This was the last gesture of the gay party gods. For a word said against Ilitch, Krestinsky or Zinovieff, even not in public, ostracism is imminent."

OBREGON GOES WITHOUT ESCORT

Mexican President Shows Confidence in People

President Obregon has shown on numerous occasions lately that there is nothing of the aloofness and unapproachability about him that characterized his predecessor, Carranza. He frequently dines in public with his wife, and at one cafe where there is dancing he may be found at times escorting a friend in promenade, although he does not dance, according to an Associated Press mail dispatch from Mexico City.

At a recent wrestling match he aroused much applause when he quietly slipped into a box, and was not at all backward in picking his man to win.

He still refuses to use Chapultepec Castle, the beautiful presidential home, for a residence, preferring to live in a modest cottage nearby. The Castle, however, is frequently used for small parties and the circle of Obregon friends is well entertained.

MANITOBA MOVE AFFECTS TEACHERS

Higher Qualifications for Public Schools Advocated

Winnipeg, July 4.—Insisting on higher qualifications for public school teachers, a movement has been launched to raise the standard of education in Manitoba. There is no shortage of teachers in the province, and it is now believed that the time is opportune to raise the standard. The proposition is to make the necessary qualification grade twelve instead of grade eleven, and to increase the period of normal training.

Dr. Thornton, Minister of Education, was waited upon by a delegation from the Teachers' Federation regarding the extension of professional training for teachers. The teachers claimed that the grade twelve academic training should be the minimum for second class teachers, and that the normal training should be extended. Grade eleven is the present standard for Manitoba teachers, and normal training now consists of nine months. Dr. Thornton promised to give the request consideration.

BRITISH REVENUE SHOWS DECREASE

London, July 3.—(Canadian Associated Press)—British revenue for the last quarter is down nearly £111,000,000, while the deficit will total £67,000,000.

The Treasury estimates that the recent coal strike involved the state in additional expenditures totalling £75,000,000. The indirect loss in revenue can not yet be estimated, but the prospect of a budget surplus has entirely disappeared.

Do not suffer another day with itching, smarting, itching, or protruding piles. No surgical treatment required. Dr. Chase's Ointment will fit, soothe, and cure. It is sold in 50c a box; all dealers, or Edmanston, Bates & Co., Limited, Toronto. Sample free if you mention this paper and enclose 3c. stamp to pay postage.

LORD EUSTACE CECIL DIED IN LONDON

London, July 4.—Lord Eustace Cecil, second son of the Marquis of Salisbury, died yesterday. He was born in 1854.

Lord Cecil was late chairman of the Foreign and Colonial, American, Foreign and General, and Alliance Trust Companies and a director of the Great Eastern Railway.

GREAT AIRSHIPS NOT SOLD QUICKLY

London, July 3.—Dirigible airships appear to be in little demand here. A number of them that cost the British Government large sums of money to build are now practically going begging.

The Air Ministry announced some time ago that it was prepared to give up airships if they were not taken over by private persons for commercial purposes. It now states that it has been decided that unless an offer that amounts to something is received before August 1, all its airship activities will be discontinued.

The airships, stations and material will then be handed over to the Disposals Board to get rid of, as the Air Ministry, it is stated in the official report, "does not feel justified in continuing expenditure on this service."

The Air Ministry offers to sell the R-80, R-33, R-34, R-37 and the former German airships L-71 and L-64.

TWO SINN FEIN RAIDERS KILLED

Dublin, July 4.—Fifteen armed Sinn Fein held up a train at Ardara, County Kerry, Saturday, and, according to an official statement on the raid, tried to seal the mails. Four raiders, of whose presence on the train the Sinn Fein were unaware, fired, killing two members of the raiding party. The train proceeded under fire but no one aboard was injured.

A mine exploded on a road near Middleton, County Cork, yesterday as a detachment of soldiers was passing. Three of them were wounded.

ALPINE RAILWAYS FOR ITALIAN TOWNS

Ancient Hill Habitations to Be Improved

Hill towns of Italy which dot the landscape from north to south and have been the subject of writers and painters for centuries are threatened with an invasion of modern mechanical contrivances which will rob them of their aged romance and unspoiled picturesqueness, according to an Associated Press mail dispatch.

The hill towns are relics of the old feudal system. The lord of the manor built his castle upon a hill and the whole of his vassals clustered their habitations about him. Positions on almost inaccessible heights were sought for safety from invading neighbors. These towns, dotting the hills, stand to-day almost untouched by the centuries. The walls of the houses are thick and strong. Food has been hauled up to the hills by hand labor and horses since they were built. Women carried on their heads the water and other household necessities.

The plan now is to build Alpine railways from the plains to the hills and to connect the towns by Alpine cable lines which the Italian army built over the Alps during the war are being sought for the work. Already a number of the towns have applied to the Ministry for the discarded Alpine cables, so they can be erected for the towns.

171 MEMBERS OF SECT WERE KILLED

South African Police Were Forced to Fire

A native religious sect which calls itself—the—"Israelites," under a prophet named Enoch, who refused to evacuate Government land at Bulhoek, near Queenstown, Cape Colony, was forcibly ejected, losing 171 killed and 126 wounded in a fight with mounted police according to an Associated Press mail dispatch from Cape Town.

For some years past the Government had permitted the "Israelites" to celebrate "Passover" on a common but each year a growing number of pilgrims remained behind on what they called "holy ground" until a village of some 350 huts had sprung up. The sect forbade anybody to enter the village or to recognize any authority except orders from "Jehovah," the chief of Israel, as interpreted by Enoch the prophet.

Withdraw.

The Government some time ago endeavored to register the settlement but the police were obliged to withdraw to avoid bloodshed.

Peaceful efforts by the Secretary of Native Affairs and others to induce the "Israelites" to withdraw failed. They steadfastly refused to go.

Finally a force of 800 mounted police moved from Queenstown to demolish the village. The village was surrounded with shot and gas, the women crying out in a wailing and wailing chant. The police let them come on until within thirty yards, and then fired, with the result stated. Thereafter the "prophet" Enoch surrendered and the village is to be demolished.

The affair has caused some stir in the Cape House of Assembly. The Government declared that in view of the natives' obstinacy, there was no other way to make them understand that they must obey the law.

PEARLS STOLEN BY RAT IN ROME

Mrs. Helen Wenning, an Alsatian residing in a fashionable hotel in Rome, recently reported to the police that she had missed a pearl necklace from her jewel case. Everything was done to find out what had become of the gems. Detectives interviewed hotel employes, but no clue could be found. A day or two later, one of the men searching about the nooks and corners of Mrs. Wenning's room found a piece of the necklace near a tiny hole in the floor. A thorough investigation was then made, and from all that was found the detectives concluded that rats had stolen away with the lady's string of pearls.

SMYRNA PEOPLE THROWN INTO PANIC

Gasoline Depot and Ammunition Dump Exploded

Smyrna, July 3.—Panic reigned in Smyrna on Friday when the city was shaken by the explosion of a large gasoline storage depot and an ammunition dump. The explosion of the depot was in the outskirts of the city, and the people ran from their homes and fled through the streets.

There were rumors an attack had been made on King Constantine of Greece, who is staying at a villa in the suburbs, and fears that the Turkish Nationalists had launched an attack on the Greek forces outside the city helped to increase the terror of the population.

DEFIED LAW IN ZION CITY

Zion City, Ill., July 4.—Mrs. Sarah Johnson, nineteen and pretty, stood up in court Saturday and defied Wilbur Glenn Voliva and his dressing laws. She was arrested recently when she appeared on the street wearing a shirt waist that was not cut according to Zion City specifications.

"I bought it in Mr. Voliva's store," she told the jury. "If his policemen arrest me for wearing the clothes he sells, what is a poor girl going to do?"

The prosecutor suggested that she could have read the ordinance, which was posted on every corner.

"Do you think I will read any of your silly laws?" she said. "I am going to keep on wearing this waist as long as I please, and Voliva and his police can't stop me."

The jury agreed with her and registered the first official kick against the law that says women and girls must not expose their elbows or their throats.

BRITISH REVENUE SHOWS DECREASE

London, July 3.—(Canadian Associated Press)—British revenue for the last quarter is down nearly £111,000,000, while the deficit will total £67,000,000.

LORD EUSTACE CECIL DIED IN LONDON

London, July 4.—Lord Eustace Cecil, second son of the Marquis of Salisbury, died yesterday. He was born in 1854.

GREAT AIRSHIPS NOT SOLD QUICKLY

London, July 3.—Dirigible airships appear to be in little demand here. A number of them that cost the British Government large sums of money to build are now practically going begging.

TWO SINN FEIN RAIDERS KILLED

Dublin, July 4.—Fifteen armed Sinn Fein held up a train at Ardara, County Kerry, Saturday, and, according to an official statement on the raid, tried to seal the mails. Four raiders, of whose presence on the train the Sinn Fein were unaware, fired, killing two members of the raiding party. The train proceeded under fire but no one aboard was injured.

PILES

Do not suffer another day with itching, smarting, itching, or protruding piles. No surgical treatment required. Dr. Chase's Ointment will fit, soothe, and cure. It is sold in 50c a box; all dealers, or Edmanston, Bates & Co., Limited, Toronto. Sample free if you mention this paper and enclose 3c. stamp to pay postage.

The Health Drink for you who think

THE captains of commerce and industry are always seeking improved ways and means of increasing the efficiency of their organizations—and it is undoubtedly the human element which presents the most baffling problem. Personal efficiency solves itself into keeping one's body and brain as near as possible to the 100% standard, but in these strenuous days fresh air and exercise are very often out of the question. For this reason, the early morning glass of water sparkling with a dash of ENO is absolutely essential to safeguard the health of every worker, in every sphere of activity.

ENO'S FRUIT SALT

If everyone knew the merits of ENO—this Health Drink would be found in every home, office, and factory throughout Canada—for there is nothing to equal ENO as a regulator of health. Ask your druggist for a bottle and test ENO to your own satisfaction.

Prepared only by
J. C. ENO, LTD., "Fruit Salt" Works, LONDON, England

FETE AT ALBERNI

ON NATIONAL HOLIDAY

Successful Celebration Is Held on Dominion Day

Alberni, July 2.—Dominion Day was celebrated here yesterday in a very enthusiastic way on the City Recreation Park, when a large programme of sports for the children was carried through in the morning, followed in the afternoon by the field and track meet, which in turn was followed in the evening by water sports.

During the course of the afternoon an adjournment had to be taken for about a half an hour, owing to a rain squall, with the exception of this short break in the programme, everything went off in splendid style, although the rain made the track very heavy and muddy and made time impossible. The 100-yard dash which was run off just before the rain produced the fastest event of the day, and established the record for this track of 19.2 seconds. The full result of the various events follow:

100-yard dash—1. G. W. Blandy; 2. James Forrest.
 220-yard dash—1. G. W. Blandy; 2. James Forrest.
 Old men's race—1. G. Drinkwater; 2. J. E. Blandy.
 Sack race—1. Jack Cook; 2. R. George.
 Running high jump—1. G. W. Blandy; 2. G. Spencer.
 15 lb shot—1. W. de Shaw; Port Alberni; 2. Jack Peters, Dodgers Cove; Tossing the caber—1. E. M. Whyte; 2. J. Redford.

One mile race—1. A. MacIntyre, Port Alberni; 2. E. Tatopoul.
 Running broad jump—1. G. W. Blandy; 2. G. Spencer.
 Pole vault—1. G. Spencer; 2. Jack Cook.
 440 yards—1. C. Duff; 2. A. MacIntyre, Port Alberni.
 Standing broad jump—1. G. W. Blandy; 2. G. Spencer.
 One mile relay—Won by Alberni Volunteer Fire Brigade team, consisting of P. Miles, F. Miles, J. Forrest and G. W. Blandy.
 Five-mile race—1. E. Shevish; 2. C. Duff.
 20-yard swimming race—1. E. Christie; 2. P. Mack.

Great credit is due the committee in charge for the able manner in which they handled everything, there being only one protest lodged all day. The committee were as follows: F. H. Bishop, chairman; Leslie Gill, secretary; S. H. Toy, J. A. McNiff, C. S. Heslop and F. M. Whyte.

During the afternoon and evening the Alberni Girls' Club held a tag day and open air dance in aid of the West Coast General Hospital, and netted a considerable sum for that institution.

CUMBERLAND AND WATER CHARGES

Company Quotes Victoria and District Municipalities' Experience

Cumberland—The question of water charges to municipalities has been receiving a considerable amount of attention, and at the last meeting of the Council the accompanying letter was received and laid over for consideration at a special meeting:

The Board of Directors of the Cumberland and Union Waterworks Company, Ltd., have given the question of taxes levied by your civic board against this Water Company their careful consideration and having made enquiry about privately-owned companies in British Columbia, we find that, with one exception, all cities have been paying a fixed sum per month for years to privately-owned companies, from which you are exempt.

According to the Act of 1920 all mains are assessed at a minimum rate of \$1 per foot, which to our minds is absolutely prohibitive in Eastern Canada is still laughing, but he who laughs last laughs best. Wait for

proportion of revenue received, besides being unfair, as no difference is made between large and small sized pipes. We feel that it is just to our shareholders that this company should charge your city a fixed sum for fire protection. For your information the following rates are charged municipalities by privately-owned water companies.

CHILLIWACK—Free right-of-way for their pipe lines through the district and within the city.
A fixed charge of \$25 per annum for each hydrant in the city, and \$35 per annum for each hydrant outside the city limits.

MISSION CITY—The Mission Water and Light Company was assessed by the city \$1 per foot, but a satisfactory arrangement was privately entered into between the city and company, which the manager regretted he could not divulge.

ESQUIMALT—In this municipality there are 70 4-inch hydrants and 100 flush tanks, on which the following rate is charged:
\$16.30 per year on 70 hydrants \$3,360.00
\$16.30 per year on 100 tanks 1,630.00
Total \$5,040.00
And \$5 per month for private hydrants.

In return for this their pipe lines are assessed at \$1 per lineal foot.
VICTORIA—The charge for hydrants and flush tanks as matters of accounting for taxation purposes are \$2.25 per month per hydrant and \$2.50 per month per flush tank. The two by their water from the City of Victoria and this is what they are charged for fire protection.

It is in the opinion of the directors that the present law was made by the Legislature to enable the cities to partially reimburse themselves and offset the annual amount paid out for fire protection to private companies.
From data to hand it is questionable if there is a city in British Columbia better treated than your city, and we regret a private arrangement could not be made between your city and our company, and until further notice we are compelled to charge \$15 per hydrant up to 20 hydrants and \$25 per year for each additional hydrant, to take effect July 1, 1921.

The Board of Directors are willing to meet your board at any time.

COWICHAN BEAT ALBIONS AT CRICKET

Game Was Played on Grounds at Duncan

Duncan, July 4.—An all day match was played on Saturday between the Cowichan Cricket Club and Albion Cricket Club of Victoria. Splendid weather favored the game and good free cricket was in evidence. The special features of the match were the batting of Walton, 14, and Lethaby, 21, for Albion in the first innings, and Kilby, 25, A. D. C. Hilton, 12, and Sheppard, 25, for Cowichan in the first innings. Meakin, not out, 27, and Pite, 15, were top scorers. The Albions declared their second innings closed at 123 for three wickets, leaving Cowichan 95 to get to win in one hour. This the home team accomplished with the loss of six wickets. Appended are the full scores:

Albions—1st Innings.

| | |
|------------------------------------|----|
| Meakin, b Cole | 5 |
| Walton, c Hilton, Sr., b Cole | 14 |

Albions, 2nd Innings, 123 for 3, declared.

Cowichan, 2nd Innings, 95 for 6.

Sunlight does it

You who always dread wash day—because of the hours of weepy, wash-board rubbing, the damp steamy air, with perhaps your skirt and shoes saturated and soaked—just forget all that! Come into the ease and comfort of a Sunlight Wash Day.

Sunlight Soap will do the washing you can go out calling or shopping. Read the directions.

Insist on getting the Soap you ask for—SUNLIGHT.

COWICHAN WON FROM NANAIMO AT CRICKET

Duncan—An all-day cricket match, Nanaimo vs. Cowichan, was played at the Cowichan club's grounds and resulted in a win for the home team by 75 runs on the first innings. Douglas Carr Hilton's score of 86 and Kilby's 32 were the outstanding features in the batting line. Dobbie's bowling for the Cowichan Club was particularly good. He took five Nanaimo wickets for 27 runs in the first innings. The Nanaimo team were entertained at lunch at Leyland's restaurant, and tea was provided on the ground by the kindness of Mrs. Macbean and Mrs. Hoey. Appended are the full scores:

Nanaimo—1st Innings.

| | |
|---------------------------------|----|
| Paul, b Dobbie | 2 |
| Hines, b Sunderland | 4 |
| Grant, b Dobbie | 19 |
| Leighton, c Kilby, b Sunderland | 13 |

| Extras | 6 |
| Total | 176 |

Seven wickets down—innings declared.

Nanaimo—2nd Innings.

| |
|---------------------------|
| Five wickets for 57 runs. |
|---------------------------|

Sooke Flower Show

Sooke—The third flower show to be held by the Sooke Women's Institute takes place on Thursday at the Sooke Hall. Mrs. Hawkins, the secretary, reports that already entries are coming in for a show, and looking round at the various gardens of the district, there is every prospect that this year there will be a very good entry.

The decorated tables are to be judged by popular vote, as everyone attending the show and paying admission fee will have a chance to vote. E. W. White, of the Department of Agriculture, is to be the judge, and it is anticipated he will have a very busy time.

Sprout Lake

Port Alberni—The condition of the Sprout Lake road has become so poor that an appeal has been made to the City Council to see if they could assist in any way in securing help from the Government to repair it. The usual plea of lack of funds seems to be the only reason for not having the road in good condition for the tourist traffic, which is growing greater each day.

Successful Fete

Courtesy—The annual hospital fete was held at the Agricultural Grounds. In the afternoon there was an open air concert with a good programme. There were also attractions of all kinds to entertain the crowd, home cooking, art needlework, fish ponds, fortune telling, clock, golf etc. Splendid prizes were given, and all enjoyed themselves in spite of the wet weather. In the evening a carnival dance was held, which was well attended, and the hall was well decorated for the occasion. Refreshments were served at the close of the dance, which broke up at a late hour. Great credit is due to the committee for their help from the proceeds amounted to about \$500.

To Invite Miss Sproule

Nanaimo—At the last meeting of the W. C. T. U. plans were made to have Miss Agnes Sproule, the Dominion Superintendent of Work among miners, lumbermen and sailors, come here and hold a public meeting. Through the Northern Ontario in the camps Miss Sproule is known as St. Agnes.

Now in Arizona

Lady Smith—Miss C. Templeman formerly matron of the Lady Smith General Hospital, and who has been committee for the past five months in different parts of Southern California, is now located in Prescott,

Refused to Fight as Descamps Directed In Order to Show Pluck

Carpentier Would Not Listen to Advice to Stay Away From Dempsey; Said Americans Had Been Told He Was Game Fighter and He Was Going to Show Them He Was; Frenchman Tells Story of How He Was Defeated.

Manhasset, N.Y., July 4.—Georges Carpentier, through his comrades, told this story of the fight yesterday afternoon while resting on the front porch. He had been instructed by Wilson and Descamps to be wary and let Dempsey force the battle, but just before the opening bell he said to them: "The American people have been told that I was a game and courageous fighter. I must fight. Watch me."

When he came to his corner after the first round he told them that every one of Dempsey's blows had hurt.

"Then keep away from him," they said they told him.

Must Fight.
 "Never. I must fight with every ounce of power within me," he replied, as he rushed to the centre of the ring.

During the second round Carpentier said he hit Dempsey with three right hooks and three uppercuts and that all his power was behind them.

"When he did not go down under those blows, I knew I could not defeat him," the Frenchman said. "It was then a matter of going on and fighting, trusting to luck to escape his hardest punches."

"When I went at him in the third round I felt the pain in my right hand, and somehow I could not use it accurately or with power. I fought in several times, but I could tell that it had little effect. Then Dempsey's right hand caught me in the back of the neck just at the crest of the spine."

Body Went Numb.
 "My body was numb all over, and I thought I was gone, but managed to last the round."

"I felt a little fresher when the bell rang for the fourth, but at the outset Dempsey got to my body and the numb feeling returned so that I did not feel the blow that floored me. I gritted my teeth and managed to stand, but when the blow came it was a right to the chin, was the end."

Couldn't Get Up.
 "I kept saying to myself: 'Georges, you must get up; you must go on and fight,' but I could not."

PICTURES SHOW CARPENTIER NEARLY HAD DEMPSEY OUT

Jersey City, N. J., July 4.—Jack Dempsey, still the heavyweight champion of the world, celebrated the Fourth of July to-day in addition to celebrating his victory over Georges Carpentier, the European champion, Saturday.

The champion saw himself in action. He motored to a motion picture theatre that was showing pictures of the great encounter. He watched the punch that enabled him to retain the championship. He also saw the punches that in the second round caused the mass of humanity in the great arena to gasp in the belief that the French boxer was to make good his threat to carry the title across the sea. Dempsey saw himself totter and sway as the Frenchman sent those punches to his jaw. Perhaps not until he saw the picture did he realize just how near he had been to dropping to the canvas, for after the fight Dempsey declared the blows had not bothered him.

Capitals Take Another Beating From Tacoma

Tacoma, July 3.—Behind the steady pitching of Lanky George Gibson, the Tigers continued their merry way yesterday at the Athletic Park, and defeated the Victoria Caps, 5 to 1. It was the sixth straight win for the Bengals and clinched second place for Tacoma for the first half of the split season.

Summary: Stolen bases—Mullen, O'Brien. Sacrifice hits—Mullen.

Carpentier Will Fight Any Man in World But Champion Jack Dempsey

Georges Admits His Victor Is Too Heavy For Him; Frenchman Injured Hand In Training and As Result Secret Workouts Were Held So Public Would Not Know and Think He Was Preparing Alibi; Fighters Will Always Be Friends.

Manhasset, N.Y., July 4.—Georges Carpentier will not retire from the ring as a result of his defeat by Dempsey. He will fight any man in the world excepting the champion, whom he admits is his superior. This statement was made yesterday by Descamps, Carpentier's manager.

"I'll admit too," added Descamps, "that Jack Dempsey is the greatest heavyweight who ever lived. But I'll claim that my Georges comes next. Dempsey was too heavy and too powerful for Georges. We will not seek a return match. What we want now is to challenge for the world's light heavyweight title, which Carpentier holds by virtue of his victory over Levinsky."

Broken Bone Set.
 The broken bone in Georges' right hand was set today, and he said it felt much better, although it was still swollen and inflamed. The only other mark of any consequence is a cut under his left eye about two inches long. Georges said he would rest four or five days. He read newspaper accounts of the fight and expressed his delight at the favorable comment on his part of it. "I feel glorious, even in defeat," he smiled, "to think that I did what I wanted to do—show 'em I was game."

"We would like to get a match with Bill Brennan, or Tommy Gibbons," Descamps said. "The doctor says he'll be all right with careful nursing. We may remain here for a while in Manhasset. Georges will be in shape and breaking their winning streak and spoiling their chances of climbing out of the cellar for at least another week."

To McElvride, pitching for Yarrow, should be given the bulk of the glory for the Knights' downfall. He allowed but five scattered hits, fanned seven and had Mack's gang cut settled down and held them scoreless in the eighth and just to make things worse, drove in three more in the ninth.

Even at that, the game was not near as bad as the score might indicate, the Knights playing a grand brand of ball until they bumped into trouble, and then everybody went bad at the same time. Mack's youngsters are capable of lot better ball than they displayed in this game and will make them all hustle before the season is over.

Game To-night.
 To-night at 7 o'clock, the Conservatives and Elks will get together, and it is needless to say that this game will be a battle royal. The Elks made the game get back into first place again, while the Conservatives are capable of lot better ball than they displayed in this game and will make them all hustle before the season is over.

Always Friends.
 "You bet, Jack, always," Carpentier answered.

Many persons motored to the camp to-day and asked to see Carpentier, that they might express their admiration. He sent word to the gate that he appreciated their kindness and good will, but begged to be excused from interviews. He received only a few personal friends.

Fooled Geneva Fans.
 Geneva, July 4.—A pirate newspaper which appeared for the first and last time Saturday under the title of "Les Nouvelles Sportives," published a long and vivid account of how Carpentier defeated Dempsey by a knockout blow within thirty seconds after the fighters entered the ring.

The newspaper was eagerly purchased by rejoicing crowds in the cafes and hotels.

Couldn't Believe It.
 When reliable newspapers appeared an hour later announcing Dempsey's victory, the majority refused to believe the news. Geneva only learned the news definitely and the true facts Sunday morning.

Aeroplane With Photos Crashes.
 New York, July 4.—One of the hydro-aeroplanes which sped from Boyle's Thirty Acres Saturday night for European fans, failed to locate the Red Star liner Zealand in the dense fog hanging over the waters 75 miles offshore. The pilot and mechanic had a narrow escape from London on the return trip. Steering by compass for Fire Island light, they died out what seemed a flat patch of land ahead. As they descended, a house loomed up in the fog and in the crash the two flyers were thrown out, falling into shrubbery. Neither was seriously injured.

Colombo Was Anxious.
 New York, July 3.—There is one place in the world where the news of Dempsey's victory had not yet reached to-day. It was Colombo, Ceylon.

The Times of Colombo to-day carried New York asking that the result of the fight be transmitted to it at urgent rates.

SHAMROCKS TO PRACTICE.
 The Shamrocks lacrosse team will have a practice to-morrow evening at 7 o'clock at the High School grounds. All players are asked to turn out.

YAKIMA WINS EASILY

Yakima, July 4.—The Yakima Braves celebrated their homecoming yesterday by giving the Vancouver team a bad drubbing, 17 to 8. Yakima scored in every inning except one, hitting Marquis freely to all parts of the field. Cooper held the visitors to five scattered hits for eight innings. In the ninth the visitors staged a batting rally, made several hits and scored six runs.

| Score | | | | | | | | | | | | | | |

 Batteries—Mullen and Anfinson; Valencia and Carlson.

Richard to Promote Bout.
 New York, July 4.—Tex Rickard announced to-day that he was quite prepared to stage a bout between Champion Jack Dempsey and Jess Willard, former champion, but stipulated that Jess must get himself into fine physical condition.

Carries No Marks.
 Dempsey, happy at his victory over Carpentier and showing no marks of the encounter, passed as quiet a day as his friends and fight fans would allow him. He had to give up his suite at the Hotel Belmont which he occupied with his manager and trainers, and seek a room by himself because of the press of visitors.

After a week or ten days here finishing up business matters and answering the hundreds of letters and telegrams of congratulations, Dempsey will leave for his home at Salt Lake City and take a long rest.

Britain Chooses Team To Try and Lift the Davis Cup
 London, July 4.—Announcement that Maxwell Woosnam, F. G. Lowe, O. G. Neville Turnbull and Major Cecil Campbell will make up the British Davis Cup team, was made here yesterday. The tournament will be played at Forest Hills, N.Y., from September 2 to September 5 next. The first three have already accepted places on the team, but Major Campbell's acceptance is condition upon his receiving leave from the army.

Woosnam, who will act as captain of the team, is a comparative newcomer in international tennis, but his work during the present year, as well as the showing he made during the Olympics in Antwerp, has stamped him as a star of the game.

KNIGHTS RAN INTO BAD SNAG SATURDAY

Yarrows Show That They Have Pretty Slick Team; Fast Game on To-night

Macfarlane's pennant hopes got a severe set-back Saturday afternoon when Yarrows' crew of Shipbuilders handed the Knights of Columbus an awful lacing to the tune of 11 to 0. Breaking their winning streak and spoiling their chances of climbing out of the cellar for at least another week.

To McElvride, pitching for Yarrows, should be given the bulk of the glory for the Knights' downfall. He allowed but five scattered hits, fanned seven and had Mack's gang cut settled down and held them scoreless in the eighth and just to make things worse, drove in three more in the ninth.

Even at that, the game was not near as bad as the score might indicate, the Knights playing a grand brand of ball until they bumped into trouble, and then everybody went bad at the same time. Mack's youngsters are capable of lot better ball than they displayed in this game and will make them all hustle before the season is over.

Always Friends.
 "You bet, Jack, always," Carpentier answered.

Many persons motored to the camp to-day and asked to see Carpentier, that they might express their admiration. He sent word to the gate that he appreciated their kindness and good will, but begged to be excused from interviews. He received only a few personal friends.

SHAMROCKS TO PRACTICE.
 The Shamrocks lacrosse team will have a practice to-morrow evening at 7 o'clock at the High School grounds. All players are asked to turn out.

FREE HAIR CUTS AND MOTOR RIDES FOR MAN WHO BACKED DEMPSEY

Neillsville, Wis., July 4.—Floyd Hanson, local barber, bet on Georges Carpentier to beat Jack Dempsey Saturday, and as a result must shave and trim the hair of Arthur J. Haughen whenever he desires it until July 2, 1928. In addition, he must give Haughen a 50-mile automobile ride every Sunday for three months.

AUSTRALIANS ARE CONCEDED HONORS

English Cricketers Did Not Show Up any Too Well in Third Test Match

Leeds, England, July 4.—(By Canadian Associated Press.)—In the third test match here Saturday between the Australians and all-England team, the former completed their first inning for 407 runs. England followed and made 22 runs for two wickets. Woolley batted for a duck, and Hearn and Cleeburn, led by McDonald, made seven runs. Harding and Ducat are still in. Hon. L. H. Tennyson's injury is so serious that his further participation in the match is improbable. He sustained an injury in the hand while fielding.

McCarty's was the most brilliant innings, making his first century in the present test series. Armstrong played a forceful game. Between them McCarty and Fellow put up 161 runs in 76 minutes for the third wicket, while McCartney and Taylor put up 109 in an hour and a quarter. Armstrong's 77 runs included one six and ten fours. The last three wickets added 136 runs. Parkins's four wickets for 126 runs was the costliest bowling effort in the match, being no wickets for 70.

England lost two at the start when the light was poor and now their prospects of a win are practically hopeless. With two wins to their credit the Australians, even if they only manage to draw, must retain the honor.

LEONARD-FRIEDMAN FIGHT CALLED OFF

Benton Harbor, Mich., July 4.—The Benny Leonard-Sailor Friedmann fight for the lightweight championship, billed here for July 4, was postponed Saturday when an attack of rheumatism to the champion grew so painful that the Michigan boxing commission refused to permit the fight.

OH, THOSE! WHAT MONEY THOSE BOYS DID MAKE

New York, July 3.—"Tex" Rickard said that he has seen the net profit from Dempsey-Carpentier fight on Saturday would be in the neighborhood of \$550,000.

Expert accountants were busy all day checking and balancing the books used in the promotion of the contest. Rickard said he did not expect a final and accurate statement before Wednesday, but that expenses of all kinds would approximate \$350,000 and taxes on his share \$100,000, while the gross gate receipts were expected to exceed \$1,500,000.

It also was figured out that Dempsey earned in the neighborhood of \$29,000 per minute for his ten minutes and sixteen seconds of actual fighting. Carpentier's profits as the loser in the contest was \$19,500 per minute.

YANKEES CLIMBING FAST IN AMERICAN LEAGUE

Threaten Lead of Cleveland; New York Pitchers Are Going Exceptionally Well

Detroit Closing on Washington; Pirates Still Showing Way in National League

New York, July 4.—The lead of the Cleveland American world's champions is being cut down rapidly by the on-rushing New York Yankees while the Pittsburgh National League leaders appear to be gathering up speed for their eastern invasion this week.

The Indians who won yesterday are only two games ahead of New York who did not play. The Pirates dropped a game to Cincinnati but are playing their best ball since losing the leadership from New York in early June.

In the American League, New York's strong pitching should aid it in the chase after Cleveland, which is kept in first place mainly through heavy hitting. The Yankees have not called upon a relief pitcher in any of the past games, including those lost.

Tigers Have Recovered.
 Washington, with a record of scoring only one run in each of its last five games, is threatened by the climbing Detroit team which has recovered from its costly slump. The Tigers held the Cleveland team even in the series ended yesterday. Boston is getting fast pitching, but lost four straight to New York because of weak hitting. The Philadelphia Phillies and their pitchers are ineffective. The Chicago twirlers also have been hit hard. The Philadelphia boxmen have been splendid in pitching. The Athletics took four games out of five from Washington in the series ended yesterday.

REFORMERS WILL TRY AND ARREST DEMPSEY

Jersey City, N.J., July 4.—Efforts to bring about the arrest of Jack Dempsey will be made by the International Reform Bureau, its attorney, Herbert Gilson, declared yesterday. What charge would be brought against the champion he would not state.

PARIS SHOCKED WHEN ITS PET BOY LOST
 Paris, July 4.—The defeat of Carpentier was received with deep regret by all of Paris, and perhaps marked the scene of the posting of the first news of the match. An aged woman before the office of the Echo de Paris moaned as a final bulletin was posted and then reached for her handkerchief to dry an irrefrangible tear.

"BABE" SOCKS TWO MORE
 New York, July 4.—Babe Ruth crashed out two home runs on Saturday, bringing his total up to thirty. The first was clouted in the seventh inning of the first game with Boston, while the other was made in the first inning of the second game.

LACROSSE MATCH IS WON BY LOCAL TEAM

World's Champion Field Weak Team; Handed Nationals, of Vancouver, 6-5 Defeat

"Cotton" Brynjolfsson's bullet shot from a few feet out decided a close game between the Nationals, of Vancouver, and the Victoria lacrosse team, world's champions, at the Stadium on Saturday evening before several hundred people, the final score being 6-5.

The Nationals had it all over the local boys in condition, but as fate would have it, the victors in the champions' class. The Victoria boys have the ability to defend the cup, and when in shape there probably is no team on the continent that can beat them.

Both teams set a fast pace and there was plenty of excitement. Boss Johnson, captain of the Victoria team, did not turn out, but with a scratch team the locals more than held their own. Sid Lumber went in goal for this championship and did a fine job of getting his body in front of several hot shots.

The teams were as follows: Victoria—Simpson, Dick, Carier, Deibel, Marks, Gilmour, Peterson, McCreary, Morrow, Norton, Ems, Mellich, McDonald, Hanson and Johnson. Victoria—Humbert, Gattell, Kruger, Taylor, Johnson, Fairall, Popham, Alexander, McInnes, McGregor, Brynjolfsson, Mitchell and Shandley. "Sugar" McDougall refereed.

AUSTRALIAN TENNIS TEAM TO PLAY HERE
 Will Perform in Exhibition Games at Willows Courts This Afternoon

Cup Team Plays Canadian at Toronto; Includes Anderson, Hawkes, Peach and Todd

Australia's crack Davis Cup tennis team, which hopes to carry back the trophy to the Southern continent this fall, arrived in Victoria this morning on the Australian liner Niagara. They had planned to go through to Vancouver, but following representations by officials of the Victoria Lawn Tennis Club the famous players decided to leave the ship at this port and stage exhibition games at the Willows courts at 5 o'clock this afternoon.

The team this year is composed entirely of Australians, no New Zealanders landing a place. Norman Peach, captain, J. O. Anderson and V. Todd of New South Wales, and J. B. Hawkes, of Victoria. Only One Has Played Before.

Anderson is the only member of the team who has represented Australia previously. He was in the side that beat the British eleven team in the challenge tie of the Davis Cup competition in Sydney. In that tie he beat A. H. Lowe and lost to Colonel R. J. Kingscott. Although only 26 years of age, he has been a competitor in tournaments for many years, having won his first event when about 12 years of age. Since then he has won no fewer than 20 championships. It is thought that he will derive much benefit by the continuous practice that he will attain in America before the match begins, as his form always improves when an opportunity for sustained practice is afforded him.

J. B. Hawkes is the colt of the team, being only 21 years of age. He attracted attention at the early age of 14 years by winning the all schools championship of Victoria in 1914. He was the winner of this event in five consecutive years, never losing a set in the series. Each year has seen an improvement, his play during the New South Wales championship having been one of the features of the meeting. In addition to having control of a large variety of strokes, Hawkes is a player who uses his head well, as he studies the method of his opponents thoroughly and varies his game accordingly.

The Captain.
 N. Peach is 32 years of age. Although his advance in skill was not as rapid as that of the other members of his side, it has been steady and more marked during the past year or two. During that period he has achieved some of his best performances, notably a defeat of N. E. Brooks in the singles championship of Victoria, and in May he won from G. L. Patterson in the interstate match. In the New Zealand championships he took a set from W. T. Tilden, the world's champion. C. V. Todd won the City of Sydney

America held first place in the movie art, but John Bull has made up for the time he lost in the war. See **ALF'S BUTTON** A British Film

MANY RESOLUTIONS AT NATIONAL I.O.D.E.

(Continued from page 3.)

ter of Hearst magazines coming into Canada.

Imperial Conference
That the I.O.D.E. regarding the Imperial Conference being held in London as a most important event, beg to respectfully affirm their hearty support to any effort made by the Rt. Hon. Arthur Meighan, Prime Minister of Canada, towards strengthening of the bonds uniting Canada to the British sisterhood and for the safety of the British Empire.

"That a committee be formed to draft a new constitution for presentation to the National Annual Meeting of 1922, this committee to be composed of two representatives appointed by the National Executive,

Shave With Cuticura Soap The New Way Without Mug

"Oh, my sides!" said a Winnipeg critic when discussing

A British Film

and that a questionnaire be sent out to the Chapters immediately.

"That the National Chapter petition the Dominion Government to the effect that all Service Men who have died on their return from active service be given Christian burial, and that such soldiers' graves be kept up of this resolution be sent His Excellency the Governor General, the Minister of Militia and Defence, and by the Government and that copies to the Director of Soldiers' Civil Re-establishment.

"That a life membership once given in a chapter cannot expire while life lasts and that those members who have been created members retain their badges but cannot affiliate with chapters over them."

"That individuals guilty of treasonable utterances, seditious violence either in papers or elsewhere be punished by deportation from the country, and that a copy of this resolution with article contained in paper complained of be forwarded to the Prime Minister of Immigration at Winnipeg with request for action.

"That an annual laws and amendments committee be appointed by the National Chapter."

New Councillors
The announcement of the names of the 46 new councillors are given alphabetically in the list of officers elected follows immediately. Two ladies tied, namely, Mrs. Kieley and Mrs. Andrews Reid, necessitating the drawing of lots for the chair. However to save the President this embarrassment Mrs. Kieley graciously withdrew her name.

Miss Joan Arnold, Mrs. R. M. Ballfour, Regina; Mrs. W. H. Barker, Miss M. L. Bollert, Mrs. O. L. Boynton, Vancouver; Mrs. R. H. Brotherhood, Elkhorn, Man.; Mrs. John Bruce, Mrs. H. Burkholder, Hamilton; Mrs. W. Hamilton Burns, Mrs. Colin Campbell, Winnipeg; Mrs. R. S. Day, Victoria; Mrs. P. E. Doolittle, Miss Edwards Hamilton; Miss G. Palmer, Halifax; Mrs. C. M. Firnes, Quebec; Mrs. A. E. Gooderham, Miss W. Gordon, Kingston; Mrs. H. S. Griffin, Hamilton; Mrs. Selwyn Heilmann, Mrs. A. K. Ives, Halifax; Mrs. W. K. Jackson, Mrs. Henry

BUSY PROGRAMME FOR HOSPITALS' BODY

Ninety Institutions in British Columbia to Be Represented

Arrangements have been completed for the fourth annual convention of the B. C. Hospitals Association, which is to be held in Kamloops commencing Wednesday. This will be the first convention of the hospitals' association to be held in an interior city. Representatives from ninety hospitals of the province will be in attendance.

Among those to attend will be Dr. H. C. Winch of Hazelton, president, and Dr. M. T. MacEachern, superintendent of the Vancouver General Hospital, secretary. Officials of the Royal Inland Hospital are in charge of the local arrangements.

According to MacEachern the three main features of the convention will be: First, few papers and many round table conferences; second, a clearing house for hospital problems of all kinds; third, evolution of a definite financial scheme to be laid before the legislature. There will also be a large commercial exhibit of supplies, diets, etc., in connection with the convention.

The programme follows:
Nursing Session, July 6
10 a.m.—Reports of committees on nursing, including report on questionnaire issued during the current year; nursing care of tuberculosis patients in British Columbia; nursing service in hospitals employing graduate nurses only.

2 p.m.—General discussion of papers of previous session; round table conference; general discussion of report on questionnaire submitted in previous session living conditions for staff and pupil nurses in British Columbia hospitals; traveling instructors. Round table conferences: (b) examination and registration of nurses in British Columbia from the hospital point of view. Round table conference: (c) institute for superintendents of hospitals and training schools. Round table conference: (d) affiliation problems. Question drawer.

Public Meeting
8 p.m.—Address of welcome, Mayor Burton; chairman of board of directors, Royal Inland Hospital, Kamloops; president medical association Kamloops; president's address; address on Health Tax; address on Hospital Tax.

Medical Session, July 7
10 a.m.—Reports of committees on hospital standardization; the hospital and the medical staff; medical records in our hospitals.
2 p.m.—General discussion of papers of previous session. Round table conference: (a) anaesthesia. Round table conference: (b) infections. Round table conference: (c) tuberculosis. Question drawer.
4 p.m.—Motor trip to Tranquill, Sanatorium.

Public Meeting
8 p.m.—Hospital standardization; hospital service in the industrial community. Illustrated.

Business Session, July 8
10 a.m.—Reports of committees, including report of committee on hospital accounting; the present inadequate method of financing hospitals; standardization of financial and other records in small hospitals; the Workmen's Compensation Act and our hospitals.

2 p.m.—General discussion of papers of previous session. Round table conference: (a) purchasing. (b) collections. (c) economics. Question drawer.

Adler-i-ka Did It!

"Adler-i-ka has put me in good shape. I can eat and sleep now. It is the best medicine there is. I have tried many others, but none helped." (Signed) Mrs. Fred Holbe.

Adler-i-ka acts on BOTH upper and lower bowel, removing foul matter which poisons the system. Brings out all gasses, relieving pressure on heart and other organs. EXCELLENT for gas on the stomach or sour stomach. Removes surprising amount of foul, decaying matter which you never thought was in your system. Prevents appendicitis. Ives' Pharmacy, corner View and Douglas, Hall & Co., 702 Yates Street—Advt.

"How are you to-day, Sandy?" asked the landlord of his Scottish tenant, "Verra weel, sir, verra weel," replied Sandy, "if it wassa for the rheumatism in my right leg." "Ah, but you must not complain, Sandy! You are getting old, like the rest of us, and old age does not come alone." "Auld age!" exclaimed Sandy, "Auld age has naething to do with it. Here's my ither leg just as auld an' it's sound and soople yet."

One of the Best On the Best of Terms

It needs no extravagant statements to sell the "WILLIS" piano or player. It is one of those pianos whose name is a SAFE guarantee.

PROSPECTS BRIGHTEN FOR AUSTRALIANS

Serious Depression of Past Six Months Now Passing, Say Niagara Passengers

Admitting that money in Australia will be hard to come by for some time to come, the Hon. P. Taylor, M.L.C., of New South Wales, stated this morning.

The world wide depression existing in business did not hit Australia until about the middle of 1920. It has been extremely painful to industry.

Public loans are believed by Mr. Taylor to be one of the main causes for the stoppage of business.

Development Needs Men. To a considerable extent this opinion was borne out by Charles Dorman, of the great English steel fabricating firm of Dorman, Long & Co., Ltd., of Middlesbrough, another passenger on the Niagara.

Speaking of steel production, Mr. Dorman declared that Australia has now opened up great reserves of the finest iron ore in the world, and he foresees the time when the utilization of the baser metals will vastly outshine in importance the gold production for which Australia has been famous for more than fifty years.

NIAGARA HERE WITH RECORD PASSENGER LIST

Chief Rabbi is Welcomed by Public Officials and Leading Hebrews

With but sixty-five of her original crew aboard the Canadian-Australasian liner Niagara, Capt. J. T. Rolla, arrived in port about 9 o'clock this morning from Australasia.

A large percentage of the ship's officers and most of the ship's crew were placed in quarantine and the liner thoroughly disinfected before she was permitted to sail on her return voyage.

Almost All New Crew. With but few exceptions the entire crew is new. There were plenty of men available at Sydney, as the recent strikes in Australia had left many seamen on the beach.

The Niagara sailed from Sydney June 19 and cleared from Auckland June 25, touching at Suva and Honolulu en route. Capt. Rolla reported an exceptionally fine voyage.

Toronto, July 4.—Arthur Henderson labor leader in England, is planning a visit to Canada and the United States, it is announced by Herbert Tracey, who has had charge of Labor Party publications in the Old Country and who is now in Toronto.

GREAT BRITAIN IS SUFFERING DROUGHT

London, July 4.—(Canadian Associated Press)—Great Britain is suffering from a serious drought, scoring a record for the past few years.

TRADE DEPRESSION IN NEW ZEALAND

Rev. E. G. Maxted Says Dominion Reaps Aftermath of High Realty Boom

Conditions in New Zealand for business are uncertain, and not unlike those existing in Australia, according to the Rev. E. G. Maxted, who has been vicar of Aramoah, near Wanganui, for the past year, and who is now bound for Toronto.

False Land Values. While business conditions for the past six months have been at a standstill in New Zealand, Mr. Maxted blames much of this to the fact that land sales have been made so often regarding the same properties—that prices are now incredibly high, with so much sales paper in existence as to make all other business standstill until better conditions prevail in regard to the land.

Political Distraction. The great disadvantage of New Zealand to-day is that it is "too rurally minded" according to the Rev. Mr. Maxted. He points out that even church affiliations are being dragged into political matters by shortsighted leaders.

SUMMER SCHOOL OPENED TO-DAY

(Continued from page 1.) dramatization, manual training, art, home economics, including preparation of foods, health hygiene and sewing children's literature and school libraries, writing penmanship and physical training are among the courses from which those attending the classes can make their choice.

VIMY MONUMENT TO CANADA'S GLORIOUS DEAD IS UNVEILED

"At this time the proper occupation of the living is, first, to honor the dead; next, to repair the havoc human and material, that surrounds us; and, lastly, to lean aright and apply with courage the lessons of the war."

Social Functions.

The High School cafeteria will be open during the school hours to provide for the visiting teachers, practically every school from Alberni to Victoria being represented.

The Instructors.

It has been found necessary to make one or two changes in the personnel of the original list of instructors of the revised list of instructors and subjects being as follows:

NEWS IN BRIEF

Women's Auxiliary.—The regular meeting of the Ladies' Auxiliary to the Army and Navy Veterans will be held in the Ramsey Building on Tuesday at 2 p. m.

Summons Served.—With no less than six summons out J. E. Paine, whose application for investigation into his treatment at the hands of Detective McDonald caused a rupture in the police commission circles last week, has now been duly served. The investigation is to be taken up on July 19.

Kumtuka Club Meet.—To-night in the Alexandra Club, Pemberton Building, the Kumtuka will hold their usual monthly business meeting, commencing at 8 o'clock. Miss Monks will be the speaker. As many matters of importance will be discussed it is hoped that all members will make a special effort to attend.

Shrine Club Picnic.—The Nobles of Gizeh Temple Shrine Club will hold a basket picnic and sports at Deep Bay, on Saturday, July 9. Special cards leave the B. C. Electric Interurban Depot at 2 p. m. All Nobles of the Shrine, and their families are cordially invited. Tickets can be obtained from the committee, or the secretary, Norman T. Lee, telephone 718.

Church Parade.—The annual church parade of the Daughters and Maids of England took place last evening at the Metropolitan Church. There was a good attendance of both lodges. The Sons of England were well represented also. The juveniles, the pulpit and table were draped with Union Jacks, also the Emblem of the Society, white roses. Dr. Sippell conducted the service, which was very appropriate for the occasion.

St. Mark's Garden Party.—St. Mark's W. A. will hold a garden party on Wednesday afternoon at the home of Miss Bean, corner of Burdette and Dupplin Roads. Many articles of Summer wear, as well as delicious home cooking, candy, ice cream and other wares will be offered for sale at the stalls. Afternoon tea will be served between the hours of three and five o'clock, and supper from six till eight o'clock. Mrs. W. H. Beison will formally open the fête at 3 o'clock. In the evening the Salvation Army band will give a programme of selections.

Secure Dental Equipment.—The Saanich Health Centre Dental Clinic is now in possession of a first class set of instruments for its useful work among the school-children of the district. The Central Parent Teachers' Association donated \$375, and the Provincial Government, through Dr. Young, \$125 towards the cost of the equipment necessary. How the balance is to be secured has not yet been decided, but Mrs. Humphries, School Trustee, is now in consultation with Reeve Watson on this matter.

Catholic Women's League.—The Victoria subdivision of the Catholic Women's League of Canada met on Thursday evening and elected the following officers: President, Mrs. H. Fletcher; vice-presidents, Mrs. J. D. Carlin, Mrs. Douglas Hallam and Mrs. E. M. Gavin; corresponding secretary, Mrs. H. W. Ebbes-Cannan; recording secretary, Miss Frances Briggs; members of the council, Mrs. R. O. Clarke, Mrs. W. W. Baines; Miss Josephine Arthur, Linahair, Mrs. Sabin and Mrs. George Fraser. Mrs. J. D. O'Connell gave an interesting report of the national convention held in Toronto on June 1 to 5, at which she was present.

Tourist Traffic Heavy.—Although the big invasion of tourists from the United States or Eastern Canada, is not usually at its zenith until after July 4th, Secretary J. G. Thomson of the Victoria and Island Development Association reports a continual increase in registrations at the offices of the Association. In one day, Saturday, seventy registrations were made of U. S. visitors and tourists from the prairie states. There has been none of the severe hot weather east of the Cascades that usually influences tourist traffic, so the unusual influx may reasonably be taken as an added tribute to Victoria's attraction as a tourist centre.

Victoria Lodge No. 1, I. O. O. F.—The half-yearly meeting of this Lodge was held last Monday evening and a large number of members were in attendance. Among the visitors was Bro. W. Hill Fairley, last Grand Master of Alberta, who addressed the meeting. At the election of trustees for three years Bro. A. McCabe, P.G., was re-elected; Bro. J. A. Gardiner, P.G.; E. Tuck, P.G.; A. McCabe, P.G.; P. A. MacLean, P.G.; and Fred Davey, P.G., were elected as delegates to the 40th Fellowship Union for the ensuing year. The latter has been a delegate to the Union and acted as secretary for the past forty years. The installation of officers for the next term will take place on Monday evening. The Grand Master, Judge J. D. Swanson, Kamloops, will pay an official visit to the three lodges of the city at a joint meeting on Monday evening. A report from the joint picnic committee respecting the picnic at Port Angeles on the first instant, may be expected to-night, when a full attendance of members is desired.

City to Leave Anglo-Japanese Affairs Alone

Aldermen Decide Not to Plunge Into International Questions
The civic authorities have decided not to interfere in international affairs. They have come to the conclusion that they had better leave the Anglo-Japanese relations severely alone.

They had intended to pass a resolution at the City Council meeting to-night arguing that the Anglo-Japanese Treaty should not be renewed without Canada being given full control over Japanese immigration. A resolution of this kind was passed by the Vancouver Council some days ago and forwarded to Rt. Hon. Arthur Meighen in London.

It has been discovered, however, that the Vancouver Council was on the wrong track and the Victoria aldermen are glad that they did not fall into the same error. It appears that the Anglo-Japanese treaty which the Imperial Conference is discussing now does not govern immigration at all immigration matters, it is explained, are dealt with in a different and distinct pact.

As soon as the aldermen were informed of the fact they cancelled their plan to call Board Meighen. The resolution which was to have been passed to-night, therefore, has been pigeon-holed.

GULF ISLANDS ALSO WANT FERRY SERVICE

Endorse Plan For Linking Up Saanich Peninsula
The Gulf Islands Board of Trade, with headquarters at Ganges, Salt Spring Island, welcome the movement for a ferry route connecting the Saanich Peninsula with the Island Highway at Mill Bay, or some other point to be selected by the Board. Meighen. The resolution endorsing the plan was passed at the meeting of the Gulf Islands Board of Trade, held at Salt Spring Island, and we shall be glad to be advised of anything that we can do to assist.

The following resolution passed by the Gulf Islands Board of Trade, a copy of which was sent to J. G. Thomson, of the Victoria and Island Development Association, expressing the hearty approval of this Board of Trade in the matter of the establishment of an automobile ferry service, between Deep Cove, Mill Bay and Isabella Point, and requesting that a delegate from this committee be nominated on the Board of Trade to interview the Provincial Government on this matter.

MAYOR REFUSES TO ATTEND NEW PROBE MEETING

Police Board Must Proceed Without Chairman

The Police Commission may get J. E. Paine to attend a session shortly to explain his charges against the city detective department, but it will not have its chairman present.

This became clear to-day when Mayor Porter, chairman of the Police Board, announced that he would not be present at the Commission's meeting July 19, when the Paine investigation will proceed.

"No, I have no interest whatever in the Paine investigation," the Mayor said this morning. "I have no intention of attending the Police Commission meeting when the Paine charges are considered. I understand that a summons has been served on Paine and I suppose he will appear, but I shall not be there."

The Mayor's decision to stay away from the Police Commission's meeting, undoubtedly means the breach which has been growing between him and the other two Commissioners for some weeks. The Mayor, opposed the plan to hold an investigation of Paine's charges when the matter first came before the Police Board and later refused to attend a meeting at which Paine was expected to testify. Thus the Board appears to be functioning without worrying about its chairman, who was not consulted by the other Commissioners in their two latest moves—the arrest of Charlie Bo, charged with attempting to bribe the Chief of Police, and the formation of the Welfare League. The Mayor has little sympathy with the recent actions of his fellow Commissioners and has said so frankly before now. The other two Commissioners, however, claim that the Mayor and aldermen have been holding up without just cause the plans and efforts of the Police Board and are attempting to run police affairs.

FOR SEVENTH TIME RESCUES A LIFE

Drowning Accident Averted by A. E. Prescott

A. E. Prescott, day janitor at the Dallas Hotel, a returned sailor, saved the life of Willie Sutton, aged seven years, on Saturday afternoon at 2:15 o'clock. The little fellow was out on some rocks in front of the Dallas Hotel trying to catch a jelly fish. When about thirty odd feet off from the shore he slipped in, and was not noticed till he came to the surface of the water for the third time. Mr. Prescott happened to notice the lad. He threw his hat off, and plunged in, clothes and all. He swam out to the lad, then some eighty yards away, and dived. As Prescott could see the boy's white shirt under the water he caught him by the hair of his head, and hauled him up. He was in an unconscious state, so Prescott applied first aid, and restored him to consciousness. The kiddie is none the worse for his sudden bath. This is the seventh time Mr. Prescott has saved from drowning since 1914, and witness declare he should be recognized by the Royal Humane Society.

FORM ECONOMIC COUNCIL FOR WINTER'S UNEMPLOYMENT

The Economic Council, with representatives from public bodies and soldier organizations, have met to consider the plans that will be necessary to alleviate the anticipated unemployment of next winter. Wm. B. Gen. R. P. Clark acted as chairman, with E. A. Kidner as secretary. Among those present from the public organizations were Chamberlain, Gen. R. P. Clark, W. V. A. Col. Winsby and Comrade Stone; Veterans of France, Comrades Kidner and Davis. It was decided to ask the chairman of the Returned Soldier Commission for data in connection with transportation facilities to the Prairies during the harvest season this Fall. Several resolutions were passed and adopted unanimously, among those being the following: That the council be known as the Economic Council of Victoria, with aims and objects similar to the existing organizations in the Terminal City, to deal with the unemployment problem.

WHAT'S IN A NAME?

Fact About Your Name; Its History; Its Meaning; Whence It Was Derived; Its Significance; Your Lucky Day and Lucky Jewel.
By Mildred Marshall
(Copyright, 1921, by "The Whoops Syndicate, Inc.")
— PENELOPE

Foremost among the names which literature has made immortal is Penelope. It means weaver and its history is one of the most interesting in feminine nomenclature. There are numerous explanations of its origin. Some etymologists claim that it came originally from the Irish Pinnuala (white shoulders) which, though softened to Penella was later translated into Penelope. It is in this that we owe the name Penelope of England, beginning with the Irish Penelope Devereux with whom is connected the one shade on Sidney's character. The more common explanation of Penelope connects her with Elysia, faithful queen who sat day after day before her loom while the hero of the "Odyssey" was away on his seven year voyage. This explanation, however, is a little unwarranted, as Penelope was never in truth another ocean claims that she had been exposed as an infant and owed her life to a kind of duck whom the Greeks called penelope. The carmelian is Penelope's talismanic stone. It is the gem of truth, truth and of a trusting, loving heart. It is said that no love doubts will come to her when she wears this stone. Tuesday is her lucky day and 8 her lucky number.

"I'm Going to Marry 'Arry on the 5th of January"

—A New Lauder Record!

FOLKS have been clamoring for more Sir Harry Lauder records—well, here they are—"I'm Going to Marry 'Arry" and "O'er the Hills Ardentley." Both songs are on one record.

"His Master's Voice" Records for July

216279—Mello' Cello. Waltz.
216280—All By Myself. Fox Trot.

FLEET FOOT

For Summer Comfort

FLEET FOOT shoes have proved so popular and are in such wide demand that the styles have been multiplied to meet every summer need.

FLEET FOOT shoes for business and house wear are restful and comfortable.

FLEET FOOT pumps and oxfords are graceful, stylish and comfortable.

FLEET FOOT sport models for bowling, golf and tennis are easy, springy and comfortable.

FLEET FOOT heavy canvas shoes for any work where white shoes would be unsuitable, are economical and comfortable.

FLEET FOOT is not a general name for white summer shoes. It is the name of distinctive, perfect fitting shoes designed by the Dominion Rubber System. Every genuine FLEET FOOT shoe has the name stamped on the shoe. Look for the name on every shoe you buy.

FLEET FOOT shoes are sold by the best dealers everywhere.

There's nothing too good for Baby

That's why careful mothers for the past 40 years have insisted on Mennen BORED TALCUM POWDER. They don't want to experiment on Baby's sensitive skin. The soft silky powder which has soothed and comforted generations of Babies has a gentle medicating action which makes Babies love it.

MENNEEN TALCUM POWDERS

Girl Guides.—A very successful garden party was held on Saturday afternoon by the Fifth Florence Nightingale Company at the home of the company leader, Margaret Greene. Mrs. Bailey, the company's captain, received the guests, and among those present were Miss Lightfoot, the local postmaster, Miss Union, commanding Oak Bay Company; Miss Cotton, commanding James Bay Company, and Miss Hunter, of the headquarters company. Tea was much enjoyed on the shady lawn, and the jumble sale well patronized. The company wish to thank all those who so kindly contributed articles for the sale and refreshments. The wearing apparel not disposed of on Saturday will be on sale at the company headquarters on Wednesday next from 10 till 1 p. m.

"MAMMA'S AFFAIR"

IS NOW AT ROYAL

Constance Talmadge Is Star in Notable Film

There came to the screen of the Royal Victoria Theatre to-day, "Mamma's Affair" an altogether delightful feature.

It is a First National Attraction, presented by Joseph M. Schenck, in which the always refreshing Constance Talmadge carries off the stellar honors. It is the screen version of Rachel Barton Butler's Harvard University prize play, which enjoyed a successful New York and road run last season.

The director, Victor Fleming, has succeeded in making it even more delectable than in its play form, which is paying a high compliment, as in its stage presentation it was adjudged by the critics to be one of the brightest comedies of the season.

Scenes of Merriment
The sparkling lines which gave the play such vogue, are preserved in the laughable titles, while the screen version, perhaps because the camera, which has "all the world" as its studio, gives wider scope to the scenes of merriment. It would be difficult

Wrote the censor at Winnipeg to the censor in Vancouver: "Put on some iron corsets or you will split your sides when you see

ALF'S BUTTON
A British Film

AMUSEMENTS TO-DAY

Princess—"The Time, the Place and the Girl."
Royal—"Mamma's Affair."
Dominion—"All Soul's Eve."
Columbia—"The Invisible Divorce."
Variety—"The Mistress of Shenstone."
The Gorge Park—Peggy's Pierrots.
Cabaret—Winter Garden.

to imagine a more fittingly chosen vehicle for the dainty comedienne, Miss Talmadge not only repeats her former triumphs, but ascends to new heights in her interpretation of the role of Eve.

The cast is carefully chosen and includes Kenneth Harlan, who is Miss Talmadge's leading man, and plays the part of Doctor Harmon, Effie Shannon essays the role of Mrs. Orrin, the mother of Eve, Katherine Kaerled, interprets the character of Mrs. Marchant, the sycophantic friend of Mr. Orrin, George Le Queere appears as Henry Marchant her son and affianced husband of Eve, while Gertrude Le Brandt is "Bundy," Mrs. Orrin's confidential maid.

Notable Adaptation

The adaptation was made by John Emerson and Anita Loos, who are, perhaps, our best known little adapters. Certainly they have a happy faculty of extracting the last ounce of clean humor out of every possible situation and their names have become on the screen the hallmark of excellence. Here is a glimpse of the plot. Just enough to whet the appetite. The outcome must be seen on the screen to be appreciated.

First is a prologue—The Garden of Eden. With the fabled apple tree and serpent, only Eve is costumed in a daring evening gown with a sweeping train covered with leaves, while Adam wears furs. Eve gets Adam to hand her the apple only by simulating hysterics, which explains the raison d'etre of the play, and which, according to the titles, is dedicated to woman's staunchest ally, her "nerves." To encompass her own selfish cause, Mrs. Orrin, a wealthy widow, the

mother of Eve, has a "case of nerves" whenever she is upset by the thought of her daughter ceasing to wait on her. To keep her daughter within her control she agrees to a plan proposed by Mrs. Marchant, a fawning friend, namely, that their children marry and live under their mothers' jurisdiction. Eve consents, to please her mother, but does not love her affianced.

Leaves the Doctor

Doctor Harmon is called in during one of Mrs. Orrin's attacks. He sizes up the situation and prescribes that the mother and daughter be separated under the plea that Eve is too ill to even see her fond parent or her affianced husband. Eve falls genuinely in love with the doctor, whose sense of honor does not permit him to marry Eve, although she has almost proposed to him, because Henry Marchant accuses him of seeking her for her wealth.

Mrs. Orrin has another attack of nerves and tries to hurry the wedding of Henry and Eve.
Don't you sympathize with Eve? Well, withhold your sympathy until you see the photoplay, "Mamma's Affair."
In addition to the feature Miss Eva Hart so well known to Victoria audiences will render in her usual artistic style two songs "A Little World of Love" and "The Last Rose of Summer." A very funny comedy and Screen Snapshots making up the balance of a good entertainment.

COLUMBIA PRESENTS POPULAR COMEDIAN

G. C. Eckardt Leads Bill in New Repertoire

As an added attraction, the Columbia offers Musial Eckardt's, with G. C. Eckardt, that imitable comedian, in an entirely new repertoire of music, mirth and mystery, original songs and stories, character sketches and novelties on the cornet, violin, banjo, harp and xylophone.

G. C. Eckardt has been for over twenty years the twin-pin of the old original Eckardt and Family of Bell Ringers. G. Eckardt, the father of the boys, is one of the senior veterans of the concert platform to-day in active service.

Although seventy-nine years of age he is ringing the bass bells with Co. No. 4 en route through Manitoba, Alberta and Saskatchewan.

FAVORITE SCOTTISH SONGS AT VARIETY

Pauline Frederick Stars in "The Mistress of Shenstone"

An excellent pictorial program will be shown this week at the Variety Theatre commencing to-night and in order to enhance the variety of the entertainment the management has secured the services of Mr. Neil Black, the Scottish comedian who made a popular debut at the Columbia Theatre before crowded houses last week.

Admirers of the well-known novelist, Florence Barclay, will be pleased to know that the feature film of the week is an adaptation of her novel "The Mistress of Shenstone." This screen drama is produced by the Robertson-Cole Syndicate who have retained Pauline Frederick, the famous emotional actress, in the leading part. Despite its strong emotional and romantic interest, this picture story of love, sacrifice and honor achieves its purpose of arousing interest without pandering to the sordid and repugnant, a failing of many modern sensational dramas.

The Ford educational series is always welcome inasmuch as it combines instruction with real interest and broadens the public outlook. This week's picture deals with the fruit-growing activities of Ontario, and should interest especially the people of Victoria who may gauge the enterprise of their rivals in this industry.

During the intervals between the films, Mr. Neil Black, who has had plenty of experience in the art of entertaining in Canada and the United States, will appear in the national costume of his country and regale his audiences with his songs and whimsical patter. Mr. Black's chorus goes with a swing and he has a commanding voice, so, all things considered, the Variety programme for the ensuing week should draw excellent houses.

TO REPEAT PLAY AT PRINCESS

"The Stubborn Cinderella" Will Follow on Wednesday

"The Time, Place and the Girl" will be repeated to-day and Tuesday at the Princess Theatre as the Friday and Saturday performances were sold out completely, and a great number of people were disappointed in not being able to secure seats.

The next play, "The Stubborn Cinderella" was one of the greatest successes New York City ever had, and with the preparation and attention given every detail by the management of the Mildred Page Players, there will not be anything lacking.

Miss Page will have a lovely part in "The Stubborn Cinderella," and will wear some beautiful gowns.

Miss Berkeley will also be seen in a splendid part, and will sing the dashing "Don't Be Anybody's Man But Mine."

James Coats will play a college boy and sing a number of songs which will delight his many friends, and Lee Jaxon, Arthur Elton, Mr. Hadden and Mr. Campbell are all going to play parts well suited to them.

On the whole "The Stubborn Cinderella" is quite up to the Mildred Page Players' standard, if not beyond it.

BIG ENGLISH COMEDY
COMING TO PANTAGES
Is World's Biggest Laughter Maker

"One of the few good things that the war brought us," said a well-known British journalist after seeing "Alf's Button," the screamingly funny English screen comedy which will open its engagement in the city next Monday at the Pantages, twice daily till Wednesday next.

Even the sphinx would laugh at this picture—it is so crammed full of ludicrous incidents. It is guaranteed to annihilate dull care, and to iron out the wrinkles in your face. If you know of a grouch who can't find anything pleasant in this vale of tears, take him to see "Alf's Button." It will cure him.

The sale of seats has been heavy—as it always is for this record-breaking rib-tickler.

"Alf's Button" is so funny that when it was accredited for the Prince of Wales, on board ship in mid-ocean, he laughed so heartily and with such thorough enjoyment that he wirelessly his congratulations to the producer, Cecil M. Hepworth.

Like the Prince of Wales, you'll hold your sides—and you can wireless the news to your next-door neighbor that the laugh-riot of the year's in town. Pass the good news along.

ALICE JOYCE'S NEW PLAY.
Alice Joyce's latest production is entitled "The Scarab Ring," and the plot has to do with a scarab ring which was supposed to be the only one of its kind in existence. When the heroine is hopelessly enmeshed in the web of her enemies, through the fact that her guilt seems to be proved through the possession of the distinctive ring, a duplicate bob up unexpectedly, and frees her. The Vitagraph star received a package last week from a San Francisco admirer in which was enclosed a small scarab with most unusual inscriptions and markings. A brief note said: "You won't find any duplicate of this little trophy. I marked this one myself. No one can duplicate, and I myself couldn't do the same thing again."

DOUBLE BILL AT DOMINION NOTABLE

Mary Miles Minter Appears; Antarctic Pictures

An Irish legend, beautifully translated to everyday American life, forms the basis of "All Souls' Eve," the new Mary Miles Minter production, which will be shown at the Dominion this week.

As a tale of mother love combined with strong gripping drama, "All Souls' Eve" has a wide appeal. It will be recalled as the Broadway stage success of last season which occasioned such a sensation when it was produced. It was adapted for the screen by Elmer Harris.

"All Souls' Eve" is a play dealing with a supernatural theme in a restrained, natural way that will be sure to impress even those who scoff at "ghosts." It tells of the old Irish legend that on "All Souls' Eve" the spirits of the dead may return to console and help those who left behind. In the play the spirit of a dead mother returns, finds illness and desolation in the once happy home and enters the soul of the little Irish maid servant, who, transformed, is able to give consolation and happiness to the husband and child.

Miss Minter does a very beautiful piece of acting in each role. Both as the mother and nurse-girl she gives a clean-cut interpretation with the shades of difference betokening the true artist. It is undoubtedly one of her very greatest pictures.

One of the most vital parts of "The Bottom of the World," the Sir Ernest Shackleton Antarctic Expedition picture, which has been released by Robertson-Cole, and seen at the Dominion Theatre to-day, is that which shows the thrilling experiences of the great British explorer and his men during the time they were battling to win their way back to civilization.

Going into the great South ice from South Georgia, the southernmost frontier of inhabited land, Shackleton and his men pushed toward the pole which not long before had been discovered by Amundsen, until they were three degrees away from it where their ship, the Endurance, was caught in the ice and finally crushed. From here they started back over the ice drawn among hazardous mountains of white glistening ice.

On Great Ice Cakes At last they camped, and the ice upon which they had stopped broke off from the great main field, and drifted. For ten months they were unable to get off this great cake of ice, drifting in the cold seas of the unknown South. Then they came to such a place that they could make the dash Shackleton took to the sea in the "James Caird," a life boat and went 800 miles to South Georgia, where he arrived almost exhausted but thankful for his escape.

Alice Calhoun, the Vitagraph star, in company with her director, G. V. Seyffertitz and her supporting cast, has returned from Saugerties, N. Y., where she has been filming exterior scenes for a new production, "Peggy Puts It Over." The interior scenes are now being photographed at Vitagraph's Brooklyn studio. The elaborate interior settings required were constructed while the players were in Saugerties.

"There must be consternation in the studios of Los Angeles and New York," said a Canadian critic, referring to ALF'S BUTTON A British Film

Noted Tenor Coming to Willows

Two artists of unique standing are cast to appear in "Manon," the delightful Massenet opera, which is to be given at the Willows on Wednesday under the auspices of the Premier and Navy Veterans and in aid of their funds. The artists are Sara Peabody, a lyric soprano, who is credited with a charming personality, exceptional ability and a voice of great beauty. She has been heard much in recital all over the North American continent, and sings either ballads or operatic selections with the same unvarying success. The other artist is Jacques Jou-Jerville, operatic tenor of the Boston Opera Company and of the principal Grand Theatres of France, Bordeaux, Rheims, Lyons, Vichy, Le Havre, Rennes, etc. His art is characteristically Gallic. With an accurate dramatic sense he joins a fine feeling for nuance and attention to the effective interplay of light and shade. His voice is full and vibrating, and he has a versatility of expression which makes him in such a role as called for in "Manon" an ideal singer and actor.

The proceeds of the opera, which is to be given under the patronage of the Lieutenant-Governor, the Premier and other prominent citizens, are to go to relief and re-establishment work among ex-soldiers and sailors. The programme of the entertainment is as follows: Kipling's Recessional, by Miss Hickman. Minuet, by Miss Hickman, Miss Gertie Hickman, Miss M. Butler and Miss Gladys Thorpe (pupils of the B. C. School of Elocution and Dramatics). Manon, Mrs. Sara Y. R. Peabody, lyric soprano. Des Grieux, Jacques Jou-Jerville, operatic tenor and pianist, Paul McCoolle, accompanist and pianist. Tickets may be obtained at Messrs. Fletcher Bros' Music Store, Government Street. A few boxes accommodating four chairs are available.

WILL TAKE MISSION ON ARRIVAL HERE

Rev. Thomas Menzies, M.P.P., Not to Sever Ministerial Position

Rev. Thomas Menzies, M.P.P., for Comox, in replying to a presentation at Sandwick Presbyterian Church after a ministry of twenty-one years, prior to taking up his residence in Victoria, said he will take an unsalaried position in a mission at Victoria on his arrival.

At the presentation function C. H. Pigott said he had come to the valley two years before Mr. Menzies arrived. At that time there was a small building in Comox which served as a church. After a few years Mr. Menzies built a church and for twenty years gave most zealous service there. Not only did he minister there but he helped to build it.

Some years later Mr. Menzies started to build a church in Courtenay which was admitted to be the finest north of Nanaimo and he had thus erected two monuments in the district. It would be impossible to write down the number of kind deeds that Mr. Menzies and his family had done since their residence in the district. William Duncan said Mr. Menzies had been pastor of the church longer than any other incumbent. Not only had he been a minister to his congregation but he had milked their cows, looked after their bees, pulled their teeth, built houses, ran a care-filled pulpit. He did not think he had many enemies behind him and he had made a host of friends. Mr. Menzies replied in a reminiscent vein.

Antonio Moreno's little racing car, which he has been seen frequently on the boulevards of Hollywood, California, has been donated by the Vitagraph star to the Actors' Fund and is to be sold at the Actors' Fund Festival to be staged by Daniel Frohman at the famous Beverly Hills auto speedway on June 4. Bidding is expected to be high for the little machine, which is capable of extremely high speed in addition to its distinctive appearance.

THE MISERY OF BACKACHE

Removed by Lydia E. Pinkham's Vegetable Compound

Meaford, Ont.—I took Lydia E. Pinkham's Vegetable Compound for backache, and I also had a female weakness. I felt dizzy and nervous, and was without energy. I had to force myself to do my work, and was always tired. Saw a Pinkham advertisement which induced me to take the Vegetable Compound, and my back gradually stopped aching and I felt lighter in spirits. I am recommending the Vegetable Compound with pleasure to all I meet who complain as I did.—Mildred Brook, Meaford, Ont.

Woman's Precious Gift. The one which she should most zealously guard is her health, but she often neglects to do so in season until some ailment peculiar to her sex has fastened itself upon her. When so affected women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence. (Adv't.)

FINE PROGRAMME FOR RECITAL BY FAMOUS BANJOIST

To-night at Fletcher Bros' music store, Alfred A. Farland, the well known banjoist, will give a recital under the direction of Ronald Heaton. The programme will be as follows: Faust Fantasia, Gounod. Minuet from Don Juan, Mozart. Popular Selections, Mendelssohn. Spanish Dance No. 5 (Bolero), Moszkowski. Hungarian Rhapsody, Liszt. Transcription, Carnival of Venice, Farland. Edison Record No. 56,616.

Concerto op. 74, Mendelssohn. Andante, Allegro molto vivace. Intermission. Medley Overture—Arr. by Farland. Waltz in C minor, Trans to E minor. Familiar Melody, Selected. Spanish Dance No. 2, Moszkowski. Transcription, Old Black Joe. Farland. Overture to William Tell, Finale, Rossini.

MRS. CUSACK'S PUPILS

Students Give Musical Recital Successfully

The pupils of Mrs. Norma Cusack gave a most excellent recital in the studio of the B. C. Academy last week. The following programme was given: Duet—Angelus, Doreen and Eleanor Calwell. Folk Song, Root. Hilda Rice. First Melody, Anon. Dorothy Sanderson. Happy Song, Constead. George Cady. Grandmother's Ghost Story, Gurliitt. Helen Curtis. The Rosary, Nevin. Veima Jacklin. Duet—Spring's First Message, Anon. Lily and Alva Moore. Pappillions, Cons. Edith Kendall. Reve D'Amour, Heins. Winnie Griffith. Blumenlied, Lange. Ruby Curtis. Valse de la Pouspe, Hans Tacesert. May Gibson. Pizzicati, Leo Delibes. Laura Seed. Duet—British March, Blake. May and Ruth Winger. Song—Selected, Gladys Marchant. Mazurka, Godard. Rustle of Spring, Sinding. Ruth Winger. Valse, Durand. Gertie Edeeen. Dance of the Raindrops, Adams. May Winger. Minuet, Paderewski. Gladys Marchant. Whispering Wind, H. A. Wollenhaupt. Norma Clarke. Humoresque, Anton Dvorak. Frances Gosting. Fifth Nocturne, Leybach. Selection, Winnie Hall. Recollections of Home, Mills. Kathleen Horner. During the evening Mrs. Cusack was presented with two beautiful bouquets showing the appreciation of parents and pupils, little Miss Calwell representing the juniors and Miss Gertie Edeeen the seniors.

DUNCAN PERSONALS

Duncan, July 4.—Miss Huntington and Miss Edmondson, who have been visiting L. W. Huntington at "Lambourn," Cowichan Bay, for some months, will leave this week for England. Mr. Huntington will accompany them as far as Banff. Fleet Surgeon H. F. D. Stephens, R. N., who is one of the directors of the local hospital, left last night to attend the provincial hospital's convention at Kamloops.

The Maple Bay Aquatic Association meet to-morrow evening to arrange for their annual water carnival and aquatic sports. Mr. Kilby, of the Duncan Consolidated School staff, will go to Montreal during the holiday. Miss Johnson has gone to Toronto and Chicago to visit relatives.

The regatta flannel dance held on Friday evening last was pleasing social interlude between the two days' races. The Agricultural Hall never looked better. Evergreens, flags and flowers in profusion among the colored lights made a very pretty effect.

In the supper room Miss Innes-Noad had charge of the decorations, and her tables were lovely with the finest pink and white sweet peas kindly donated by the Messrs. Crossland. Leyland's restaurant catered, and every one was delighted with the music of the Heaton's orchestra. Among the 475 present were Mrs. Stan Griffiths, Bert Griffiths, Miss Colin Redford, Mrs. White, Miss Fenton, Mr. and Mrs. Fred Baxter, Mr. and Mrs. Francis Frink, Dave Whitcomb, Dan Pratt, of Seattle. Commodore Rech, Vice-Commodore Blair, Captain and Mrs. Sam Perkins, Mr. and Mrs. Rush, Mr. and Mrs. Appleton, Mr. and Mrs. H. F. Alexander from Tacoma. Commodore and Mrs. Ranwell, Mr. and Mrs. White, Capt. George Summers, Harry Goldfisch, Capt. MacAdam, John Foley, Dr. F. E. O'Connell from Everett. Mr. and Mrs. Harry T. Barnes, Mr. and Mrs. Walter Adams, R. M. Stewart, F. J. O'Reilly, T. Thomas, Ben Temple and practically all the members of the Victoria Yacht Club were present. Commodore A. Lane, of the local yacht club, made a short speech of welcome, to which the commodore of Seattle replied. The commodore and Messrs. L. W. Huntington, Jervis-Waldy, Ruscombe Proby and "Lucky" Collins and other members of the club and a committee of ladies were a reception committee. Edward Jose, one of the best known motion picture directors in the world, has been engaged by Albert E. Smith, the president of Vitagraph, to direct Alice Calhoun in her next feature production, "The Matrimonial Web." Mr. Jose was at one time stage director for the world-famous Barnum and Bailey, and has acted and directed in every corner of the globe. Film authorities have ventured the opinion that this director and star combination will be an interesting one to watch, as Mr. Jose is noted for knowing every trick of stage and screen production, and Alice Calhoun, who climbed to Harvard heights in three years through her artistry and charm, should respond to such direction with sensational results.

Good Paint Is An Economy!

Why?

Because costs you no more in labor outlay to apply and it lasts so very much longer. Another reason why good paint is an economy is because you can cover a greater area to the gallon.

Paint your house this year with Staneland High-Grade Ready-Mixed Paint and you'll never regret your choice.

TACOMA SPEED RACE BEING RUN TO-DAY

Rivalry Centres Between Milton and Sarles; Purse Is \$25,000

Tacoma, July 4.—Nine automobile races are entered in the tenth annual speed race here this afternoon. This year's contest over the

wooden track is 150 miles in length. A purse of \$25,000 has been hung up for the winners, with added prizes that will bring the contest money to a total of \$45,000. The contest board of the American Automobile Association has announced that the winner to-day will receive 500 points toward the 1921 racing championship, second will get 260, third 140, fourth 80, fifth 50, sixth 35, seventh 25, eighth 15 and ninth 10. Of the purse money, the winner will receive \$10,000 and second five thousand dollars, with smaller sums for others who finish. Much interest is centring in the rivalry between Tommy Milton, winner at Indianapolis, and Roscoe Sarles, winner at Uniontown.

Exide Battery
WE BELIEVE
In all sincerity, and have many facts to prove, that the Exide is the very best battery the market offers to-day. The Exide has behind it the experience of the oldest and largest battery manufacturing concern in the World. That experience goes into the Exide to-day. The Exide is now manufactured in Canada, as well as England and the United States. You can get, therefore, the highest quality obtainable, at a reasonable price. Investigate the Exide before buying a new battery. Try Exide Service!
McCandless Battery Co.
929 Yates Street
Authorized Distributors and Service Station.

NEW SOLICITORS INTRODUCED TO-DAY

A long list of members of the legal profession received their call to the bar, and were admitted to the roll of solicitors, being introduced to Mr. Justice Clement, in the Supreme Court Chambers this morning. Those receiving their call included: Reginald Pitton Tom, Kenneth Murray Elliott, Arthur Leonard Lockyer, Howard Clifford Irving, Dugald John McAlpine, Gordon McGregor, Glahom Sloan, Arthur Hasold Miller, Gordon MacLaren Campbell, Horace Wilfrid Galbraith, Harold Walker McInnes, William Henry Samuel Dixon. Among those admitted to the roll of solicitors were: Arthur Lawrence Kent, Reginald Pitton Tom, Arthur Leonard Lockyer, Howard Clifford Irving, Kenneth Murray Elliott, Gordon McGregor, Glahom Sloan, Dugald John McAlpine, Arthur Harold Miller, Horace Wilfrid Galbraith, Harold Walker McInnes, and William Henry Samuel Dixon.

IN APPEAL COURT.

The appeal of the Dominion Trust versus Brydges was called in the Appeal Court this morning, with Sir C. H. Tupper, K. C., appearing for the plaintiff, and Joseph Martin, K. C., for the defendant. The action is one of the allocation of certain moneys by the Dominion Trust Company in connection with the Brydges mortgage. Mr. Martin addressed the bench this morning, holding that no evidence had been adduced at the main action to show that the money allocated was earmarked for the purpose, but had been taken, he held, from the general fund. The appeal is one from the decision of Mr. Justice Murray recently. After further argument by counsel the appeal was dismissed. The Court of Appeal rose shortly after 1 p. m. and will not sit again until August 2 when judgments will be delivered in many of the cases pending.

VISITING TEACHERS NEARLY LOST LUNCHEON

The visiting contingent of the 150 teachers who were enrolled at the Summer School for Teachers which opened at the Victoria High School to-day were nearly left in the lurch in the all important matter of lunch to-day. The High School canteen by ten o'clock had failed to have the cafeteria in readiness and anxious inquiries elicited the information that he had made a miscalculation in the date. Caterer P. C. Payne, however, did some heavy hustling and by noon had everything in readiness.

DISASTROUS FIRE SWEEP BIG AREA IN CALIFORNIA

Fairfield, Cal., July 4.—Ten homes, scores of ranch buildings, four hundred sheep and approximately twenty thousand acres of grain were destroyed in a disastrous fire which started four miles north of Elmira and swept for a length of twelve miles south to-day. When finally put under control the flame area was six miles in width. No accurate estimate can be made of the loss at this time, but it is believed it will run close to one million dollars.

FARMERS TO OPPOSE LIBERAL CANDIDATE IN VEGREVILLE RIDING

Edmonton, July 4.—Farmers of the Vegreville constituency at a convention Saturday night nominated J. Mathewson, of Chinman, as U. P. A. candidate to oppose J. S. McCallum, M. L. A.—Liberal.

WARM IN OTTAWA.

Ottawa, July 4.—The mercury touched 45 yesterday. To-day promises to go just as high.

BOYS' NAVAL BRIGADE

Weekly Orders.
Monday, July 4, 6.30 p. m.—Ship's office, band practice.
Tuesday, July 5, 7.30 p. m.—Steamship Princess Beatrice, port watch.
Thursday, July 7, 7.30 p. m.—Steamship Princess Beatrice, starboard watch.
Friday, July 8, 6.30 p. m.—Ship's office, bugle band practice.
Sunday, July 10, 10.30 a. m.—Ship's office, special church parade to St. James Church.
Duty Petty Officers—P. O. Isbister, E. S. Brown.
P. W. TRIBE, 1st Lieut.

OBITUARY RECORD

The death occurred at the Aged Women's Home on Saturday morning of Mrs. Ann Sarah, 81 years of age, who was residing at the B. C. Funeral Chapel, and funeral announcements will be given later.
Thanks to Next-of-Kin.—The Ladies' Guild for the sailors wish to thank the Next-of-Kin Association for the gift of furniture for the Connaught Seamen's Institute.
Small Fire Yesterday.—A slight fire at 1520 Cold Harbor Road, at 9 p. m. yesterday gave the fire department a run to extinguish a blaze that at no time became serious. Little or no damage was caused.
Peculiar Liquor Case.—Ray Johnson, in the city police court to-day, charged with being found unlawfully in a public place while under the influence of liquor contrary to the government liquor act, was convicted and fined \$50, with the option of thirty days in jail. In his examination for discovery as to the source of the liquor the accused stated he had obtained it from another boy of his own age, who in turn had got it from the government vendor. If the story of the accused should be correct the government vendor store on Yates Street sold liquor to a boy of seventeen years of age on a permit. The second boy is to be charged with supplying. L. L. Pomeroy, charged with being in possession of cocaine, stated he had used it for eighteen years to get out of town. The hearing was remanded until to-morrow to give time for further investigation. H. B. Olsen was fined \$15 for an assault on Angus E. Chilton.

RELIGIOUS EDUCATION UNDERLIES ALL TRUE LIBERTY, SAYS RABBI

(Continued from page 1)
A large number of Victoria Jews attended the luncheon and listened with marked attention and interest to the remarks of the Rabbi, who will preach at the Synagogue to-night and hold a reception for Jews here the Knights of Pythias Hall.
Great Influence of Jewish Race.
Introducing the speaker of the day, President B. C. Nicholas pointed out that distinguished members of the Rabbi's faith now represented the British Government in Palestine and India. "The Jewish race exercises a tremendous influence upon the welfare of the Empire," he added. "The Jewish race is pre-eminent in music, art, finance, science, and in this connection I might point out that Dr. Einstein, a Jew, recently evolved a theory which has shaken the scientific world."
Mr. Nicholas referred to Dr. Hertz as an eminent author, a noted scholar, and a world figure.
His Message.
"I fully realize that the honor you have shown me is not tendered to me alone but to the position I hold," Dr. Hertz commented. "This honor is shown to the spokesman of Jewry—the mother of religions."
The message I bring to scattered congregations throughout the Empire is the vital necessity of religious education. Religious education is necessary to emphasize this in the Old Country it is still more necessary in virile democracies where education is free and compulsory. Religious education is the rock on which alone character is built. This is the first and foremost of the messages I bring.
An Ethnic Passion.
"The Jew is unchanged in his allegiance to his ancient heritage," Dr. Hertz proceeded. "Patriotism to the Jew is an ethnic passion, foremost among the most religious Jews. Study the history of the Jew in every part of the world, and you will find the Jew honors and loves his country and tries to make his country ever more enjoyable for every man."
Splendid Jewish War Record.
"When the call came to rally round the flag what was the story? In the Empire there are under 500,000 Jews and yet 50,000 Jews fought under the flag of the Empire in the various theatres of the war, on the land, on the sea, in the air, under the sea. Five Victoria Crosses were won and 11,000 Jews are honored."
A Spiritual Monument.
"We think that some monument should be raised to commemorate this achievement—not a monument of stone which tempest can overturn or the malice of man uproot, but a spiritual monument which will forever stand as a witness to the heroism of those which tempt an ascetic to create a fund to ensure that there will be sufficient teachers of religion all over the world. This is the monument we Jews intend to erect to the heroism of our dead."
Natural and Individual Freedom.
"All forward-looking sane men throughout the Empire must realize that the British Commonwealth of Nations, must realize that it is the nearest approach to a combination of might and mercy, power and freedom—a combination which you will find nowhere else in the world, no where else in history. This freedom is not only individual but national and ethnic. We do not stand idly by and let our children be crushed under the juggernaut of carved uniformity."
"The Empire is not a demand upon its citizens that they shall live alike, think alike, speak alike. Each ethnic division is allowed to develop along its own line. The Welshman, the French-Canadian, the Australian, is encouraged to live in his own way. Canada understands this well—that it can live its own life, think its own thoughts and measure its arts by its own standards."
Canada Jealous of Her Freedom.
"Canadians seem very jealous of this freedom, and the statesmen at the head of Canadian affairs are determined to use this freedom to make Canada not only a civilized but a cultured country."
"There is a great difference here. Civilization is where there are the arts, education and justice. But the cultured country adds something to the spiritual life of man—makes a contribution to the knowledge of mankind and it means that that country is determined to vindicate at all costs honor, liberty and justice. Of these things I cannot judge well. All I know is that during the

Castles of Wales: Castellau Cymry

(By A. Petch)
President Victoria Cymrodorion Society.
Part V.
Conway Castle—This venerable fortress, one of the noblest places in Britain, is most picturesquely placed, a short distance from the mouth of the River Conway, at the northern extremity of the county of Caernarvon. Sir Richard Call to Hornby, a Welsh artist, will at first sight view the military works of art so happily blended with the picturesque features of Nature, and no space which is greater rapture or quit with greater reluctance. The shape of the town is fancifully said to resemble a Welsh harp, to which it really has much affinity. There is a tradition current in Wales that King Edward I. when he had completed the conquest of that country, ordered all the bars that fell into his hands to be put to death.
Beginnings of Castle
Here King Edward I. completed a castle in 1284, which he built in order to bridge his new subject which Welsh part, soon after its erection the royal founder was besieged in the castle, ordered all the bars that fell into his hands to be put to death.
In Civil War
At the commencement of the Civil War, Conway Castle was garrisoned in behalf of King Charles by Dr. John Williams, Archbishop of York, who, in 1645, gave the government of it to his nephew, William Hookes. And here I might mention that in the chapel floor of Conway Parish Church at this present time is a stone tablet bearing the following inscription: "Here lieth the body of Nicolas Hookes, Gent., of Conway, who was the forty-first child of his father—and the father of twenty-seven children by Alice his wife. He departed this life (I think I am right in the dates) October, 1694." Undoubtedly this man was a son of the above named William Hookes. Two years afterwards the Archbishop was superseded in the command of North Wales by Prince Rupert, which so irritated His Grace that he went over to the side of the Parliament and assisted their General Mytton in the reduction of the town and castle. The town was stormed in 1646, and the castle surrendered in the following November.
His Residence
It is also believed that Archbishop Williams was the founder of Plas Maur, a very fine building which stands on High Street, Conway, and at the present time the home of the Royal Cambrian Academy of Art, and it is also supposed that the old Archbishop's Palace was founded by the same (which place, I am sorry to state, has for many years been used as a common lodging house, commonly called a "padding can"). It is also believed by many that there

is a secret underground passage connecting the castle and Plas Maur but I have no proof whatsoever of this. Mytton himself was besieged but the siege was raised owing to the approach of a superior force, and a terrible battle fought soon after close to Penmaen Mawr (I might here add that Professor Rhyr, of Oxford University, claims that this name should be Pen Mon Mawr, or the head seen upon Mona's Isle, Anglesea, at which was wrecked and Sir John was made prisoner, decided the fate of North Wales.
Breach in Tower
The superiority of the fortress seemed to inspire respect, for while the Parliament forces dismantled other castles they did not destroy this. It was afterwards granted by King Charles to the Earl of Conway and Killett, who had scarcely been tained possession ere he ordered an agent to remove all the timber, lead, iron and other materials; but the vessel in which they were being conveyed was wrecked and all the property lost. One of the towers of the castle had a large breach in the lower part overhanging the Chester and Holyhead railway, but the railway company in or about the year 1880 built a sustaining part to the tower. The breach was caused, as some writers claim, by the inhabitants undermining it with digging for slates; but my own experience tells me that so late was ever found in this part of Wales and, I might state, in any other part of the world, the town walls on that side of Conway, i.e. the south side, bear marks of terrible bombardments, and my opinion is, and it is generally believed, that the breach had been caused by artillery firing from the hill opposite, i.e. Benarth Hill. This lower wall, by the name of "The Broken Tower," is still standing.
Thus, unroofed and unprotected, the castle has suffered much from wind and weather, but it still presents a fine specimen of the old fortress. It is in the form of an oblong square, and stands on the edge of a steep rock, washed on two sides by an arm of the river. The walls, which are partly covered with ivy, are all embattled and from twelve to fifteen feet thick. They are flanked by eight "square" towers (embattled) forty feet in diameter, each of which had a slender machicolated tower rising from the top. The chief entrance was from the town by a drawbridge over a very deep moat, and through a portcullised gateway to a larger covert and just over this gateway are small openings on the outside of the wall, well vaulted, where the molten lead could be poured down upon the heads of anyone trying to gain admission.
Decaying State
The interior consists of two courts bounded by various apartments, all of which are in a lamentable state of decay. The stately hall is 130 feet long, 42 feet wide and 30 feet high; it was lighted by six windows, five of the arches out of eight are left. Underneath were the provision cellars and ammunition vaults. Of the state apartments one is 29 feet by 22 feet. The kitchen, which communicates with that of the queen on the opposite side by protected stone stairways. Queen Eleanor's Oratory is a fine example of the architecture of the close of the thirteenth century, when the early English style was merging into the decorated. The castle was designed by Henry II. and the architect of Caernarvon Castle.
Its Walls
The town of Conway was formerly surrounded by high massive walls, which were strengthened at intervals by twenty-four circular and semi-circular towers, great part of which, with the four principal gateways, yet remain in a tolerable state of preservation, and more than likely the whole was surrounded by a moat, as even at this present date, the outside is called "The Ditch."
The River Conway has been celebrated from the earliest period for its pearl fishery. Pliny asserts that Julius Caesar dedicated to Venus Genetrix in the temple at Rome a breast plate set with British pearls, and Suetonius says that the chief motive assigned by Romans for the invasion of Britain was to obtain possession of the pearl fishery. This branch of commerce is not, however, held in much estimation at the present day, though the species of mussel, called by Lemaeus the Moya, is still found in the river. The river, presented to the queen of Charles II. by Sir Rhyonne was placed in the regal crown and, so I believe, still adorns it.
The walls of Conway are very solid even to this day, and it certainly is a lost art how the mortar that was used in the building thereof was made, as at the present day should you wish to try and make a breach in them you would have to break the stones, as the mortar is so hard that a steel chisel has no effect upon it.
Cistercian Abbey
A Cistercian Abbey was founded at this place by Llewelyn ap Iorwerth in 1185 and the present parish church is supposed to have been built on its site. Llewelyn was buried in this church and a stone ledge for his stone coffin is still to be seen here; but for some reason or other his remains were moved to Gwilyd Castle Llanrwst. Opposite to this castle (Gwilyd) stands Llanrhychwyn Church, one of the oldest in Wales, built in the sixth century.
Conway claims to have the smallest house in the United Kingdom. This house is attached to the town wall and faces the river. It is now kept in order as a show place for visitors, who are charged a small admission fee for the right to look through it, but a dozen people at one time would be overcrowding.

MAYNARD & SONS AUCTIONEERS

Important Sale of Fine English Plate
Instructed by the owners we will sell at our Salesrooms
727-733 Pandora Avenue
To-morrow
AT 3 P. M.

Are You a Born Advertiser?

Certain merchants get a reputation for being born advertisers.

They may have earned the reputation. They were not born that way. Their particular genius has lain in the fact that, having marvelous faith in the power of Daily Newspaper Advertising, they went ahead with it regardless of immediate results.

They had courage. And the courageous advertiser gets the greatest rewards.

There are those whose temperament is not suited to Napoleonic tactics. Neither will their product or pocket-book permit them to use these tactics even if they were so inclined.

Daily Newspaper Advertising is another brain to the sales force of these men. It is the one medium from which they get quick and accurate returns; and are so able to repeat their advertisements as often as conditions warrant, and the treasury justifies.

This is particularly true at this time of the year when the season, the weather, the change of fashion, the state of public mind and attitude of competitors, all combine to affect daily sales.

The born advertiser is not necessarily the large space advertiser nor does he have to have more than one thing to advertise.

If he is quick to seize every incident in his daily life and capitalize it in his next day's advertising—the public will soon pay him that tribute of admiration expressed in the words "a born advertiser."

Issued by The Canadian Daily Newspapers Association, Head Office, Toronto

ELKS TO MEET IN VERNON NEXT YEAR

Kamloops, B. C., July 4.—Vernon was selected as the next convention city of the provincial Elks Lodge at the annual session held here on Saturday. North Vancouver put in its claim, but the Okanagan City won out. The visiting brothers were royally entertained by Kamloops Lodge.

SOVIET DESIRES PEACEFUL RELATIONS WITH MUSTAPHA

Constantinople, July 4.—(Associated Press)—Soviet Russia has no

desire to occupy Constantinople, but desires peaceful relations with Turkey and all other nations, declared M. Nathanael, the new Bolshevik Ambassador to Turkey, in presenting his credentials to Mustapha Kemal Pasha, head of the Turkish Nationalist Government. Dispatches from Ankara say the exchange of addresses was most friendly. The Turkish Nationalist Government is the only regime in Turkey that is recognized by the administration at Moscow.

IDA WEBSTER DIED IN TORONTO

Toronto, July 4.—Mrs. C. G. George, who under her maiden name of Ida Webster was a well-known writer on The Toronto World, died yesterday after a long illness.

NUMBER EMPLOYED SHOWS DECREASE

Dominion Report For Week Ended May 28

Ottawa, July 4.—The Dominion Employment Service received reports from 5,188 firms, employing 598,681 people, covering the week ended May 28. For the previous week these firms had employed 603,374, so that there was a decrease of slightly more than one per cent. The bulk of the decrease was consequent upon further temporary shutdowns of railway shops.

Taking the week of January 17, 1920, as a basis, the week under review was 86.5 as compared with 106.20 for the corresponding week. Sixteen industrial groups showed aggregate increase of 5,000, as against 13 groups which gave reductions of more than 21,000 employees. The temporary decline in railway employment was chiefly in the Province of Quebec.

Improvements were shown in railway construction activity in the Prairie Provinces, and in lumber projects throughout the East.

PREACHING NEW SCHEME FOR HEALTH

Greek Tartar Expounding Ideas in Constantinople

A new gospel of health, that man is not one but three, and that he cannot function fully until his three personalities are in harmony, has come to Constantinople from the Middle East on the tide of Russian and other refugees from far countries, according to an Associated Press mail dispatch.

This gospel is proclaimed by a small, dark man of mystery, a Greek Tartar, G. I. Gurdjieff. He has contributed a new throbbing to the meagre intellectual life of Constantinople.

The outward and primary form of his teachings begins with dances borrowed from the mosques of Persia and the temples of India. He puts some of his patients on bread and water for months at a time but requires them, all the while, to carry on the most violent exercises, which confound the masses of on-lookers.

Gurdjieff's teachings have some similarity with the ancient Greek conceptions of the development of mental force and bodily grace and activity.

Converts. He is persuaded that his teachings will change the art of living. He has gathered about him a group of converts who say they are going to spread his theories westward, some going to the United States. He says that he was taught by Russian physicians and psychologists.

"In harmony there is health," declared Gurdjieff. "The Western world of medicine and psychology has never grasped the truth that man is not controlled by one personality, but by three, and when these three are not in harmony a man says he is sick. A sick man, a man with that tired feeling, is like a horse and carriage without a driver. The man is not master of himself."

De-harmonized. "Civilization has led man away from himself, physically and spiritually. Too much use of the head has de-harmonized him. Man is composed of three parts, just like a machine. One part thinks, one feels, and one eats and sleeps. If man thinks too much, or eats too much, or sleeps too much, he falls ill."

"My plan is first to put the three back into the common unity, and then gradually develop a fourth personality which controls the other three. If this fourth personality or dominating consciousness is not developed, the three men in the same body never establish contact with each other, and the anarchy we call sickness destroys him."

NEED OF FREE TRADE POLICY EMPHASIZED

Dr. Michael Clark Says Protection Not National Policy

Quebec, Ont., July 4.—The need of a free trade policy for the Canadian farmers was the outstanding note heard at a political meeting held under the joint auspices of the United Farmers of Ontario and the Independent Labor party here Saturday night, which was addressed by Dr. Michael Clark, M. P. of Red Deer, Alta., and J. J. Morrison, secretary of the U. F. A. Dr. Clark said nothing had come of the rumors of cabinet changes in Ottawa because the Government was afraid to take a chance. They had been alarmed by the fact that most of the by-elections of the last two years had gone against them.

Facing Big Problems. Great problems, said Dr. Clark, were facing the country, one of them being the national debt, to which \$100,000,000 had been added the last year. Thousands of unemployed were found in the large cities and the price of farm products had dropped to the point where the farmers' profits vanished and still the Government was hanging on. Referring to the policy of the Government, he said that protection was not a national policy, but local and selfish. The makers of agricultural implements he said, should be obliged to stand on their own feet. The finance policy of the country, said Dr. Clark, should be framed to benefit the farmer and give him free implements because he believed the farmer was the first to be considered. Canada, said the speaker, should have free boots and shoes, particularly at the present time when boots were selling at \$10 a pair and hides at a cent a pound in the west. Free trade did not lower Canada's standard of living but increased the number of millionaires.

Mr. Morrison said the time had come for the farmer to realize that he was no longer an object to be trampled upon by the rest of the world, but that he should be able to assert himself and to take a greater part in the affairs of his country. The farmer has always welcomed competition without complaining, a claim which the manufacturers could not make. They were still carrying on and producing, although prices were almost at the vanishing point.

IRISH SYMPATHIZERS PARADE IN NEW YORK

New York, July 4.—Fifteen thousand Irish sympathizers, each carrying an American flag, paraded Fifth Avenue to-day in a demonstration for recognition of the Irish Republic. Many of them were women and children.

There also was a good sprinkling of former service men in uniform. Only American flags were carried. Only one placard was carried, that of John Bull holding a whip over the menaced figure of a woman, typifying Ireland, pleading for justice. John Bull was represented as saying: "I am Justice."

The marchers were reviewed by Mayor Hylan and disbanded at the Mall in Central Park, where addresses were made by former Governor Martin H. Glynn and Congressman Thomas J. Ryan.

CERTAIN AGREEMENTS REACHED AT DUBLIN BY IRISH PARTIES

Dublin, July 4.—Views were exchanged and certain agreements reached at the conference of representatives of the Irish Republicans and the United States of Southern Ireland which met at the Mansion House here to-day at the call of Eamonn de Valera, the Republican leader, who officially started at the conclusion of the first session of the conference this afternoon.

The conference adjourned until Friday.

TWO WOMEN KILLED IN MOTOR CRASH

Spokane, July 4.—When an automobile driven by W. F. Callahan, of Wallace, Idaho, foreman of the Callahan Zinc Mining Company, plunged over an eight-foot embankment 14 miles from Spokane yesterday, his

desire to occupy Constantinople, but desires peaceful relations with Turkey and all other nations, declared M. Nathanael, the new Bolshevik Ambassador to Turkey, in presenting his credentials to Mustapha Kemal Pasha, head of the Turkish Nationalist Government. Dispatches from Ankara say the exchange of addresses was most friendly. The Turkish Nationalist Government is the only regime in Turkey that is recognized by the administration at Moscow.

Toronto, July 4.—Mrs. C. G. George, who under her maiden name of Ida Webster was a well-known writer on The Toronto World, died yesterday after a long illness.

Splendid Saanich Strawberry Plantation

Clarence H. Oldfield's strawberry ranch at Brookleigh Road, Saanich, is typical of the district, which is generally being harvested by girls, who are giving good satisfaction. Saanich and Gordon Head strawberries are experiencing the greatest crop known in years, both on acreage or production bases, but weather conditions have been disastrous to the shipping quality of the berries. Strawberries of finer flavor and color than have been seen for years have had to go into the jam pails because the wet weather has militated against that firmness of texture necessary to stand successful shipment to the markets.

Should steady warm and dry days prevail from now on, there is still an opportunity for large shipments to be made, as the luxuriant vine growths are still bearing large numbers of immature berries.

Up to Thursday Gordon Head district had shipped eighteen cars to the Prairie market while Saanich had sent away fifteen.

Financial News

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, July 4.—The future wheat market here without the United States markets was very dull to-day except at the opening and closing. Shortly after the opening prices started on the downward trend, and at the close showed a loss of 5/8 to 3/4 cents from the previous close. July wheat dropped to a low of 17 1/4 and October to 15 1/4.

The cash grain business was fairly active with the shippers buying to fill tonnage at the head of the Lakes. Fair offerings of wheat were easily absorbed at unchanged premiums, although the last hour saw small lots changed hands at the deliverable difference. Flax and rye markets continued dull.

Oats futures closed 1/2 to 1 1/4 cents lower; barley unchanged to 1/4 cent higher. Flax 2 1/2 cents higher, and rye 3 cents lower.

Table with columns: Wheat, Oats, Barley, Flax, Rye, Cash prices, etc.

Cash prices: Wheat—1 Nor. 1917; 2 Nor. 17 1/4; 3 Nor. 17 1/4; No. 4 17 1/4; No. 5 17 1/4; No. 6 17 1/4; No. 7 17 1/4; No. 8 17 1/4; No. 9 17 1/4; No. 10 17 1/4; No. 11 17 1/4; No. 12 17 1/4.

SAANICH FRUIT CANNERY PLANT

Meeting in Interests of Project at Royal Oak To-morrow

In view of the considerable number of inquiries that have been received regarding the incorporation of the Laurel Cannery plant, the directors feel that it is in the public interest that a public meeting be called so that all fruit growers and interested parties may be explained to them the purpose of the present company, the scope of their work, and the reasons why they believe it will make money for the small fruit growers.

Due to unsatisfactory weather conditions, the present berry season is proving to be far from satisfactory to many growers, particularly to those who are outside the two local organizations. With the prospect of a large loganberry crop and still a large surplus of strawberries, the Laurel Company is being hailed with enthusiasm.

The directors propose to hold a public meeting at the Royal Oak Hall on Tuesday at 8.30 p. m. A cordial invitation to all fruit growers is given.

DOMINION EXECUTIVE OF G.W.V.A. MEETS AT PORT ARTHUR, ONT.

Port Arthur, Ont., July 4.—Members of the Dominion Executive of the G. W. V. A., under the chairmanship of President R. B. Maxwell, are meeting at Port Arthur to-day for the purpose of considering matters of importance regarding the holding of the postponed convention which was to have opened on this date. In addition to the president and Secretary MacNeill, there are about thirty other delegates from the provincial commands.

The Dominion officers here are: D. Loughnan, editor of The Veteran, Ottawa; Leo Duffy, accountant, and Miss J. E. Hough.

The delegates include: W. C. Carmichael and W. Drinnan, Vancouver, and Colonel C. E. Edgett, Vernon.

"RAINMAKER" HATFIELD PROMISES RELIEF FOR MEDICINE HAT

Medicine Hat, Alta., July 4.—(Canadian Press)—An inch of rain by the end of the week was the promise given by "Rainmaker" Charles M. Hatfield, and during the last 24 hours rain in this city has been 3 1/2 inches.

LOCAL STOCK QUOTATIONS

Table with columns: Bid, Asked, Athabasca Oil, B. C. Permanent Loan, B. C. Refining Co., etc.

CANADA'S EXPORTS OF BACON

During recent years, and particularly during the war period Canada's export bacon trade developed very rapidly. This is proven by the fact that last year exports of bacon from the Dominion amounted in value to \$34,000,000, and that the killings of hogs in eight years doubled in number, while those of Denmark and Ireland decreased considerably. With the return to normal conditions, vigorous efforts will have to be made in order to maintain this position. The Live Stock Branch of the Dominion Department of Agriculture has entered upon a special campaign to stimulate the production of hogs of the bacon type. In cooperation with the provincial departments, an arrangement has been made to offer attractive prizes to members of boys' and girls' pig clubs who exhibit at local fairs, both for quality of product and ability in judging. Where such clubs do not exist, attempts at organization will be made. The idea is not only to stimulate and sustain production, but to circulate knowledge of actual market requirements and thus to create a standard type of bacon hog for the entire Dominion. When it is stated that the British market imports annually 500,000,000 pounds of bacon, understanding is possible of the value of the trade that is at stake. It is hardly necessary to suggest that the hearty co-operation of farmers and everyone interested is hoped for. Rules and regulations governing the competition may be obtained from the Dominion Live Stock Commissioner at Ottawa.

FIVE KILLED IN AUTO SMASHES

Fatal Accidents in Quebec and Ontario

Montreal, July 4.—Two young women and one young man were killed and one man was injured last night when an automobile was struck by the Canadian Pacific-Boston train on a crossing near Delson Junction. The victims: Florence Poissant, eighteen; Bertha Poissant, seventeen; sister; Herve Letourneau, aged twenty, all of St. Edouard, near Delson Junction.

Hamilton, Ont., July 4.—When their motorcar got out of control on a dangerous section of Fifty-Mountain near Winona yesterday, Mrs. Thomas Gamble, thirty-seven, and Alfred Pardor, sixty-two, members of the Ontario motoring party, were killed and several persons were injured.

BOY SCOUTS SHOULD AIM AT EXPANSION

Chief Commissioner Would Like to Assimilate 30,000 Boys Annually

DR. J. W. ROBERTSON SEEKS B.C. PROVINCIAL COUNCIL

"I hope to see 100,000 Boy Scouts in Canada within two years' time," was the statement made to The Times last evening by Dr. James W. Robertson, Chief Commissioner for the Dominion, who arrived during the day from the Mainland, accompanied by Mrs. Robertson.

Dr. Robertson will while on the Coast seek to re-establish the dormant Provincial Boy Scouts Council in British Columbia, and for that purpose a meeting will be held in Vancouver on his return from the island. Dr. Robertson came out from Ottawa to discuss with Boy Scout leaders various phases of the work, and to urge a threefold development of the movement. The first object will be the effort to establish in all communities where there are scout movements a troop committee, preferably of three persons, who will act as an advisory committee to the scoutmaster, and when a vacancy occurs will see that an efficient man succeeds, so that a continuity of policy may be maintained. The second principle is the development of the plan of Parent-Scout bodies, which have proved of great value to the movement; and have interested parents in their boys as scouts. The third issue he desires to be developed is to have a large body of men interested in scouting, either actively as scoutmaster or on committees of management, so that the permanency of the corps on right lines may be maintained.

Opportunity For Expansion.
Dr. Robertson believes that when the present membership of scouts has been raised from 30,000 to 100,000 in Canada it should be possible to bring in annually about 30,000 a year of suitable ages into the Scout personnel of the Dominion.

The doctor paid a striking tribute to the real assistance given by the Duke of Connaught, and the Duke of Devonshire to the movement, and says that the same interest is expected of Lord Byng, as he was a strong supporter of the Boy Scout movement in England before the war.

Dr. Robertson referred to the aid given by the British Boy Scout movement to Canadian Scout troops, pointing out that the wealth of talent and experience in the Old Country had been secured to the Canadian Scout movement, while it was autonomous, a character which it otherwise would not have possessed.

In the United States, the doctor said, the movement was making great headway on slightly different constitutional lines, and as a proof of the great interest taken by adults he pointed out that over 100,000 persons held some association with the movement among the boys throughout the United States.

Dr. Robertson will meet local Scout leaders while in the city.

IMPORTANT ANNOUNCEMENT
Clearance Sale of Everything Electrical

RED CROSS WORK IN PEACE TIME
Chairman of Dominion Movement on Visit

"The Red Cross movement, in which thirty-one nations are now leagued, is making a definite campaign for improvement in the health of the nation," said Dr. James W. Robertson, of Ottawa, Chairman of the Canadian National Committee, who arrived in the city yesterday afternoon.

Dr. Robertson is visiting the four western provinces and endeavoring to secure by personal contact the development of certain plans which he thinks correspondence and published matters cannot fully bring about. "The Red Cross," he pointed out, "has a very definite mission to discharge in safeguarding public health, and making it easier for all citizens to retain the proper standard which is essential to effective work."

Public Sympathy.
The greater attention given to child welfare in Canada to-day, he thinks, is due in a large measure to a recognition of the claims of young people to reach adolescence in the best of health. The increasing interest shown by a large number of persons in community betterment, and the attention given by business men's clubs and similar bodies to community welfare are all indications of the recognition which public health is now securing, in his opinion.

Dr. Robertson will meet Red Cross leaders while in the city, and expects to address a meeting at the High School, in connection with the Summer School. He has been invited by J. W. Gibson, the director, to meet the students, who as teachers can exercise great influence, and explain the whole situation to them.

PETERSON FEELS LIKE A SCHOOLBOY

Alberta Farmer, After Suffering For Years, Is Restored to Perfect Health

"I feel more like a school boy than a man my age, since Tanlac rid me of stomach trouble," said Peter Peterson, farmer of Edburg, Alberta.

"My stomach bothered me for years and was getting worse all the time. My food instead of digesting would form in a lump like lead in my stomach and a bitter-tasting fluid would come up into my mouth. I was restless and nervous, especially at night, and would roll and toss in bed for hours before going to sleep. I often got up with a headache which lasted throughout the day, and I felt about as weak and miserable as a man could feel. I had faint hope of Tanlac doing me any good, but took it just as an experiment.

"I certainly was a surprised man when I found that it was doing what all the other medicines I had taken failed to do. To put my case in a nutshell, it rid me of every trace of stomach trouble and every other trouble it has been years since I felt as I do now, and I recommend Tanlac every chance I get to people I hear complaining of stomach trouble."

Tanlac is sold in Victoria by D. E. Campbell and Druggists. (Adv't.)

The vicar's name was Smith, and he had recently been honored by the degree of D. D. The doctor of the village was also named Smith. A stranger came one day to the vicar and asked a native the way to Dr. Smith's house. "Which Dr. Smith do you mean, sir?" was the reply, "in what preschies or 'im what practices?"

CITY RELIEF MONEY NEARLY EXHAUSTED NOW

Gangs to Be Released As No Funds Available

Relief work which the city has been carrying on since last Winter to provide employment for jobless men is rapidly nearing an end, as nearly all money voted for the purpose has been exhausted, City Engineer F. M. Preston stated to-day. As each gang is disbanded, the work upon which it is engaged is being abandoned. Mr. Preston stated, so that all the men engaged on relief jobs will be soon out of employment again. About seventy men have been occupied in this work for which they have been paid at the rate of \$1.50 a day.

"The unemployment problem is very real to-day," Mayor Porter declared this morning. "I am continually besieged by men who need work—many of them very serious cases. But we have little further money to spend to relieve unemployment, as practically all the funds voted for this purpose have been expended. Soon all the men employed on relief work will be out of jobs again, I fear. What we will do next Winter when it would seem, unemployment will be had again, it is difficult to foresee.

"The situation is made worse by the fact that many of the unemployed men given jobs won't work hard. I have had several complaints that men employed by the city on relief and other work have not been working really hard, and I know that the Chairman of the Relief Committee has had occasion to talk to the men about it. We are paying \$1.50 a day for our regular work now, which is more than anybody else is paying, so that we have a right to expect an honest day's work from everyone of them."
