On Clarification of Regular Army
or Navy Officer

April 2, 1948

1. Persons who, having been Army or Navy Scholarship Students, were appointed officers after 8 Dec. 1941.

a) The above people are limited to Technical, Medical, Pharmaceutical and Dental officers, all purely technical. They graduated from specialized courses in universities or colleges other than Army or Naval and were appointed as officers in the war-time —— after the outbreak of the Pacific War.

b) If they had not become Army or Naval Scholarship Students, they, when arrived at the age of 20, had been called in military service even in the course of study due to the abolishment of the privilege for students to postpone the wearing of uniform to the time of graduation.

c) Even in the case of the students who did not arrive yet at the age of 20 thy could have hardly continued their study unless they became Army or Naval Scholarship Students owing to the mobilization of Students.

d) Even if they graduated they would mostly have had to enter the Army or the Navy as privates without any

chance to use their own technique or knowledge unless they became Army or Navy Scholar Students.

As for those who did not enter the Army or the Navy on their graduation, they were put in the circumstances threatening to be called in at any time while working in the jobs which application was legaly controlled to orient towards the Army or the Navy circles ~~and~~ or their related circles.

e) Under the circumstances as mentioned above they were forced to become Army or Navy Scholarship Students if they wanted to continue their study and upon graduation, wanted to use their acquired technique.

f) They were appointed as officers after the outbreak of the war and engaged in no work as found in the front.

g) For the above reasons we wish to place the Army or the Navy Scholarship Student out of the purgeable scope.

2. Persons who, on graduation from schools other than army or naval, were appointed officers after 8 Dec. 1941 except those with the career of Army or Navy Scholarship Students.
