

CONSULTATIVE BRANCH,
MARINE DEPARTMENT,
BOARD OF TRADE,
54, VICTORIA STREET,
LONDON, S.W.

25th. February, 1920.

LOYD'S REGISTER
LONDON.

SIR, RECD 26 FEB 1920
ANSD 26

SS. " TOSCA "

O.N. 99738.

A load line certificate dated 17th. June, 1908 was
issued by your Society to the owners of this vessel.

It is important that the Board of Trade should be at once informed
if any different freeboard has been communicated to the owners, whether
officially or otherwise, by any of the assigning bodies. It is also
important that the Board of Trade should be informed immediately of any
alteration in the freeboard that may be made during the next 12 months. I
am obliged if you will inform me at once whether your society has dealt
with the vessel's freeboard since 17th. June, 1908 and also if you will
inform me immediately of any alteration that may be made in the freeboard
during the next 12 months, in the event of an application being received by
your society from the owners.

A similar notice is being sent to each of the assigning bodies.

I am, Sir,

Your obedient Servant,

Alfred Daniel

When an allowance for deck curvature is taken from the level of the top of the amidship beam. The total standard mean sheer means the sheer measured at the stem and stern posts having poops and forecastles, it means the sheer measured at points distant the vessel's length from stem and stern-post. A sheer as reported is measured relatively to water line or to the keel or to the water line. It measured relatively to water line.
