OFFICE, 83 CHARTRES ST.

THE DAILY BEE.

the completion of the Ortifications bourg, England has been subject to cal panies respecting the designs of The extender military and navallations made by Louis Narozmon point gly to an aggressive policy against one of the great powers of the earth apied with the defenses a Cherbourg

and the shop keepers will run away.

One is tempted to smile at the pracision
with which Mr. Darwaners educates the
various modes of proceeding by which Louis
Narolkow is to ruin and deviatate England.
The member for Surrey speaks as if he
were endowed for the nonce with a special The Emperor of the French may certainly congratulate himself on his shifty to aliarm he old women and a goodly portion of the men of Great Britain. Freshming that he betraites no such atrectious and sangularly inchemes as are attributed to him, the pamphete of Mr. Darmanne must have provoked at mile upon that saturance visage which so leidom wears the appect of cheerfulness. Even if his intentions respecting his neighborizons the channel are perfectly harmless, he former special constable of the Queen's solice must be considerably dicked at the f the faithful subjects of Her Majesty, sim-ly because—like a discreet ruler—be does

s on with his suite, and, altogether, the "Greys" will surely have a grand time.

LECTURE POSTFONED. We are requested to LECTURE POSTFONED.—10 set to the lecture, which was to be given last evening, until Tuesday night the lith inst.

TRIBUNE ALMANAC FOR 1859.—We are in-debted to H. Greely & Co. for a copy of this uneful publication. As a political register its accuracy and consequent value have

Lieut, Marin, the proscribed son-in-law of

the "implacable Thorndike," was one of the victims of the Naval Retiring Board. He has been restored to the active service list, and

The flags were displayed all the morning upon the City Hall in honor of the distinguished Senator from Illinois. The day was, however, very leasuepiclous for reception, it having rained amost hosessantly during the whole morning and afternoon. Notwithstandguisbed Senator from Illinois. The day was, however, very inamely include the reception, it having rained almost locessanity during the whole morning and afternoon. Notwithstanding the interest of the first of the

f a pamphlet in reply to Daux Bassary agham speeches. Mr. Dauxxoon is very least by very wealthy, very wealthy, very wealthy, very honest, and very terry te

champion of American freedom.
Another one said that he was an insurance agent, and would insure Douglas for the next Presidency.
Another one said that the Senator was the "rising sun." The Senator replied that that was a pretty good remark for a cloudy day, and the continuous continuous and the continuous continuous and the continuous una ne woute stand by him, "niver minding the Administration."

A Massachusetts man said, "Douglas stock good in New England."

An illinois man told Douglas that he came from Egypt, and the Senator said that Egypt in illinois was a great country, only not obtain finding the said of the said of

The Cost of The Days' Concensional Directs.—"Agr." the Washington correspondent of the Baltimore Sun states that the cost to the people of this week Congression all idiences, in the shape of pay and mileage of members, in \$90,000, or \$300 to each member. The entire cost for the seasion will be \$1,150,000. Under the per diem system the cost would have been \$450,000, with more service, because there were then no adjournment cover for more than three days, on acments over for more than three days, on account of the stoppage of pay.

"Berleigh," the Naw York corresponden of the Boston Journal, who is understood to be the Rev. Matthew Hale Smith, Mrs. Cun ningham's counse at one stage of her case, corrects a paragraph in the Rochester Union. He states that Mrs. Cunningham lives in

(FURNISSED BY A CLIEVOTHOT REFORMS.)
[We find the following in the Columbus Esquirer, a paper which always gives housest credits, or eise we should suspect that it was ally punch from some sarcastic observer across the Atlantic:]

JULY 5, 1862

Mr. D. Farcer (Dem., Ky.) brought forward a motion for the suppression of oral disonstion in the Lagueston that The honorable member proposeste about the sattled by single combat, bowlet hat for pistol. Honorable seembers were, up to the present naried, in

Mr. Harker (them., Ya.) seconded the monton and also be would be shappy to second any of the combasants fit want of bis assettance. He believed that his qualifications in this respect were well known to the honora. A French brig of war was been appearance and the surpression of the Peramabuoc on the 30th of No.

A partial celipse of the Sun, March 4th, in the afternoor. This echipse will be very example, its connection with the previously reported trouble between the French cocaul and the anthorities. The difficulty was, however, in a fair way to be adjusted.

A partial celipse of the Sun, August 13th, partial celipse of the Sun, August 13th, partial feeling of the Sun, Sun and the Sun and th

son came to the First District police station last night, asking for lodgings, his face streaming with blood, which he had incurred on the levee, but about which he was not, at all companicative. By Telegraph. THE PER OBLEASE WEEL HEATH OF GEO. W. NEWTON.

STEAMROATS PASSING trio passed down at 7, and the Edward at 8 o'clock last night; (Thursday.) Princess passed down at 2 o'clock this The Enterprise of the Age.

Says the New York Herald of the 31

10,000,000 8 000 060 2,000 000 716 000 2,800,000 1,800 000

This table suffices of itself to give an idea of the immease activity of the age. We have enumerated only some soors of great enterprises, and yet they require for their execution the enormous sum of seven hundred and seventy millions of dollars. The picture that this presents to the mind is too sublime for

THE GLORIOUS EXCITE.—The celebration of this inniversary is not confined to the city of New Orleans—the day is remembered an

senied the spectators of seeing him from the box, which was specially provided for the occasion. Miss Jones surpassed berself, we thought, in the performance of the part of Sybil. We cannot say that we admire the play in any of the great essential elements which are necessary to orown such pieces with lasting success as literary efforts, and are inclined to think that it will do well if it outlives Miss Jones's performances. There are passages in the play, however, which are very fine, if regarded independent of the tendencies of the piece, and give Miss Jones a splendid field for the display of the his trionic talent which she possesses of a very high order—the part, for instance, in which she supposes that the rabble are shouting over the execution of her husband for mur der. We must say that we have hardly seens? exquisite a picture as she exhibited in her der. We must say that we have hardly seens: exquisite a picture as she exhibited in be frantic soliloquy in this part of the piece Naturally surpassingly beautifel, she manage ed to give exhibitions of the most intens and painful feelings with great variety of

and painful feelings with great variety of facial expression, and without any disagreeable distortion of the features. Her poses, too, were most natural and graceful. Indeed she is a queen in all the groace of action and we are inclined to believe that she has the ambitton to make herself "Queen of the Biage," if possible.

'Augustator's This Evenino.—At the Varieties: Dreams of Delusion, a Medley Dance, and the Victims.

At the Bt. Charles: Lucretia Borgia, by Miss Avonia Jones; the Clookmaker's Hat, and the You B'Hoya.

At the Orleans: The great opera of the Hugustonts.

Higuenota aphitheatre: A grand day per full the burner in the Circus troupe at noon also at uplet. Alex. Bootarg, the living skel etcu violitiet, can be seen and heard, in the Museum, from 11 to 3 o'clock sand day, and at night an hour before and after each per formance. formance.

Vanpuchi's Museum: Open day and night, and offering attractions not to be found elsewhere.

wannucht's Russum: Open day and night and offering attractions not to be found elsewise.

RECORDER SUMMERS'S COURT.—The case of Daniel Gleason, charged with committing a rape on the parson of Miss Mary Burns, in a continued for further exactination the continued for further exactination the partial exactination, for the marder of Michael Higgins, the 18th uit, at the corner of Oblings and Tobouphtouless streets.

John Hofstetter was held to bail to answer, the 12th isst, to a charge of having stoler the 12th isst, to a charge of having stoler the 12th isst, to a charge of having stoler the prosecutor not appearing.

Henry Molford, sizes Butman, was held to bail for examination on the 12th instant, for assault and battery on John Hiphell, disabiling his hand with a ciut; also Bridget Rango, charged with grossiy insulting and abusing trisoilla Lamaise.

Amen Charlotton was held under bonds to keep the paces, for abusing her child, and the child was given into the care of its grandpa.
