

Obituary.

On Thursday evening -Dec. 1, the Death Angel came and bore away on its wings the spirit of Mr. Oscar McAfee. He was born April 11, 1886, and joined the Mt. Olive Baptist church when he was fourteen years old and has held up the banner of Christ ever since. We regret the loss of such a devoted christian, but Christ saw fit to take him home and we must submit to his will. Oscar was taken sick last June with the much dreaded disease tuberculosis and has suffered so much, with such great patience. It must have been a relief to him to die out of his sufferings. He leaves a wife and two children, four brothers, and three sisters to mourn his loss.

We want to say to the hereaved ones, weep not for Oscar he is sweetly resting in the arms of Jesus where there is no more sorrows and suffering, but where all is peace and love.

If we will only live as Oscar lived we will meet him on the other shore where parting is known no more. DEC 15, 1910 A FRIEND.
