NARBERTH PLAN PLEDGE

(Sign this Coupon and mail immediately to P. O. Box 576,
Narberth, Penna.)

I hereby pledge my support and co-operation in a fair
trial of the Narberth Plan of buying food, provided my finan-
cial liability is limited to the total sum of \$1.50; which sum I
agree to pay in installments as demanded by the duly appoint-
ed Treasurer.

(Name)

P. O. Box... Street Address.....

Plans have been perfected whereby
The Narberth Plan for the purchase
of food at reduced prices will be made
possible for every citizen of the bor-
ough. The sub-committee appointed
for this purpose has determined that
a canvass of the entire borough be
made by volunteer members of the
general committee to secure the
pledges of a sufficient number of citi-
zens to make the plan workable on an
economic basis.

Announcement will be made in a
forthcoming issue of "Our Town" of
these canvassers and the territory to
which they have been assigned.

More than fifty citizens have al-
ready signified their intention of giv-
ing the Narberth Plan a three months
trial; but the sponsors of the plan
believe that it will be necessary to
have at least 200 persons who are
willing to make the venture of \$1.50.

It should be borne in mind that by
signifying an intention to try out this
money-saving plan no individual
risks more than \$1.50 for a three
months' trial. If the plan is success-
ful, as its sponsors believe that it
must be, membership will be continued
at 50 cents a month which will be less
than 3 per cent. of the average family
grocery bill for commodities necessary
to the daily life.

It should be understood by all who
pledge themselves to a trial of this
plan that no obligation to purchase
from the Narberth grocers is implied
even though the prices of the com-
modities offered will be lower than
those which obtain elsewhere.

Under the Narberth Plan there are
four classes of buyers, viz:

1. Members who pay cash.
2. Members who deposit a cash guaranty.

Sign the coupon pledge at the top of this article and mail immediately.

WHEELOCK—BRISTOL

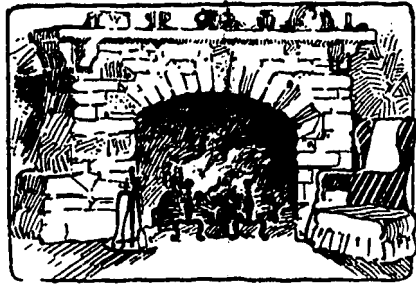

The wedding of Miss Katharine
Whelock and Mr. Frederick Bristol,
Jr., was solemnized in the Presby-
terian Church on Saturday morning
February 16, at eleven o'clock. The
bride was one of Narberth's popular
and greatly esteemed young ladies,
the daughter of Mr. and Mrs. H. H.
Whelock. The groom is a progres-
sive business man of Fargo, North
Dakota. Corporal Frederick Howell,
of Wilkes-Barre, was best man. Miss
Mary Gara was maid of honor. The
bride's gown was of white silk and
Georgette crepe and had the addi-
tional honor of having been the wed-
ding gown of her mother. She car-
ried a shower bouquet of bride roses
and lilies of the valley. Miss Gara
looked very sweet in pink Georgette
crepe and carried pink carnations.

In addition to the many Narberth
friends, a number of guests from

Philadelphia and New York were in
attendance. Rev. John Van Ness, pas-
tor of the Presbyterian Church
officiated.

The happy couple left at once for
New York, and after visiting a num-
ber of places will make their home at
Fargo, North Dakota.

The Junior class of the Narberth
High School met at the home of
Elizabeth Miller, February 14, and
held their class meeting in the form
of a Valentine party. The following
enjoyed a very pleasant evening, the
Misses Helen and Elizabeth Mieser,
Miss Eleanor Eyre, Miss Mary Chal-
fant, Miss Jesise Ballingall, Miss Ava
Mulholland, Miss Dorothy Wilson,
Miss Florence Haaf and the Messrs.
Edwin Emmett, George Rose, Thomas
Martin, Wycliff Walton, John Wilson,
Phillip Livingston, Ralph Beatty and
Gilbert Ford.

HELP PAY FOR THE Y. M. C. A. PIANO

In these war times one's endeavors are occasionally di-
rected to some home improvement which "Will Keep The
Home Fires Burning." The Y. M. C. A. piano was much
needed, and is now in place giving pleasure to those of our
townspeople who use the Community Room.

A motion picture benefit is to be given at the Arcade
Theatre on Thursday, Feb. 28th, both afternoon and evening,
to help pay for this piano.

The afternoon performance at 3.15—Robert Louis
Stevenson's Treasure Island was procured especially to please
the children. It is a first-class film produced by the Fox Film
Company with the same children who participated in Jack
and the Beanstalk in the various roles. Parents may feel
free to send their children unaccompanied, as chaperons will
be in charge of the afternoon performance.

The evening performances at 7 and 9, include "Betty
Takes A Hand" and "In Wrong Right." Betty Takes A Hand
is a comedy drama produced by the Triangle Film Company,
and additional interest is given to this photoplay by reason
of the fact that One Thousand Dollars was given for the
story on which the play is built in a competitive contest. It
is a high class comedy drama well worth seeing.

In Wrong Right is a movie which produces much laugh-
ter and, a good laugh always does one good.

Remember the date and place, Feb. 28th, at 3.15, 7 and 9.

SUFFRAGE NOTES

The fourth annual convention of
the Woman Suffrage party of Phila-
delphia county will be held on Sat-
urday, February 23, at the Bellevue-
Stratford. Sessions at 2 P. M. and
8.30 P. M., to which the public is ad-
mitted. Mrs. Carrie Chapman Catt,
Mrs. Maude Wood Park and other
noted women will speak. A war-time
dinner will be served at 7 P. M. Tick-
ets for which are \$2.50 instead of \$2,
as previously announced. They may
be obtained before Thursday from
Mrs. Charles Walter Young, Box 20,
Narberth, Pa. The sessions and din-
ner are open to men as well as wo-
men.

Women's Hospital Unit for Foreign
Service Supported by the National
Woman Suffrage Association

A Women's Hospital Unit has been
organized by Dr. Caroline Finley, of
New York City. The staff to consist
entirely of women, fifty in number,
consisting of doctors, nurses, ambu-
lance drivers, electricians, plumbers,
etc., will sail for France this month.
The plan is to have two stationary
base hospitals in the villages of Mar-
est and Dampcourt, near the junction
of the French and British lines. In
connection with these bases there will
be dispensaries and motor ambu-
lances, a bacteriological and X-ray
department, a pharmacy and modern
operating rooms.

It will cost about \$175,000 a year
to support this hospital and the Na-
tional Woman's Suffrage Association
has obligated itself to finance the en-
tire undertaking.

The money is now being collected
and \$74 has already gone from Nar-
berth toward Pennsylvania's share
(\$30,000). This sum from a small
place as Narberth is most encourag-
ing.

The Montgomery county branch of
the Pennsylvania Woman Suffrage
Association held its fourth annual
meeting on Wednesday, the 13th, in
the Library Building, Ardmore, Mrs.
A. M. Snyder presiding. After pray-
er by the Reverend C. W. Kitto, of
Ardmore M. E. Church, and the sing-
ing of America, the secretary read
the minutes of the last annual meet-
ing and the report of the treasurer.
Mrs. Snyder called for reports from
the First, Second, Third and Fourth
Legislative district leaders. These
reports evidenced much progress and
deep interest on the part of the wo-
men of the county, showing that suf-
frage work, in addition to regular suf-
frage work, are doing their full share
of war work.

Mrs. Snyder made a most earnest
address setting forth our hopes and
plans for the coming year and urging
us, with victory in sight, to work
harder than ever before.

After election of the following of-
ficers, leader, Mrs. A. M. Snyder, Ard-
more; vice leader, Mrs. C. S. Childs,
North Wales; recording secretary,
Miss Nancy Cresson Norristown;

corresponding secretary, Miss Anna I.
Mitchell, Ardmore, and treasurer,
Miss Margaret P. Saunders, Glenside,
interesting talks were given by prom-
inent suffrage women.

In the afternoon, after luncheon,
which was served by the Women's
Club of Ardmore, we listened to a
most delightful speaker, Mrs. Charles
Noel Edge, of New York, who spoke
of the suffrage campaign in that State,
giving us many helpful suggestions.

After pledging the financial sup-
port for the work of the coming
year, the meeting adjourned.

EDITORIAL

Right in Narberth we can buy War Saving Stamps, at our post office. Every dollar spent now gives our righteous cause an impetus. Do not neglect this duty, and remember that it is a splendid investment.

That Our Town is appreciated, is made manifest by the generous contributions that have been made to make up for the deficit caused by non-payment of subscriptions by individuals. Our cashier, Miss Simpson, has recently sent out bills to all who receive the paper. Those who have not yet remitted will help greatly by doing so at once.

The paper has become a necessity in our social, business and community life. Through it we are kept posted as to the doings of our churches and other organizations, our Council, and the daily local happenings, of so much interest to all. As we have no paid news-gatherers, every one can help by sending items of interest to the editor of the local item column. Let us all strive to make the fourth volume even better than its predecessors.

Eloquent sermons were preached last Sunday in thousands of churches throughout the land, emphasizing the

immense importance of food conservation in the United States. This is no mere bugaboo, promulgated by alarmists, but the result of the most careful analysis of food statistics of the world. Trained experts are giving this question the benefit of their experience and observation, and are showing consumers how apparently trifling economies and a little self-denial will yield amazing results. If every individual in the country, for instance, cuts down his consumption of wheat bread by one slice daily, millions of loaves will be available for our allies.

It is announced by Mr. Hoover that during four days in February, thirty-five thousand tons of wheat were sunk by submarines. In view of the world-wide shortage of wheat, this is a stupendous calamity, and still further necessitates the strictest economy and self-denial of the individual. Happily, we are not yet feeling the pinch of actual hunger; there is plenty of food of various kinds. But we simply must economize in wheat, sugar and fats, so urgently demanded by the fighting men abroad.

Our citizens must not be deceived by false hopes of an early adjustment of peace, held out by hopeful visionaries and pacifists. There must not be a moment's relaxation of patriotic efforts to comply with the urgent pleas of the Government, not only for saving, but for support in every other way.

LIBERTY LOAN ESSAY CONTEST

The National Committee of Patriotic Societies during the Second Liberty Loan Campaign instituted a prize essay contest on the subject "There should be a Liberty Bond in every home."

More than three thousand essays were submitted and the first prize a Fifty dollar Liberty Loan Bond, was awarded to Morris Wolf, of the Business High School, Washington, D. C. Other contestant schools ranking high in order of excellence were the Dunbar High School of Washington, the Joliet (Ill) High School, the McKinley Manual Training School of Washington, the Gilman School, Roland Park, Md., the Northwestern Military Academy, Wisconsin, the Deerfield High School of Highland Park, Ill., the Eastern High School of Washington, and the Hindman Settlement School of Kentucky.

The essays were limited to 600 words and every school competing was required to have a Campaign for the sale of Liberty Bonds. The total sale of bonds resulting from these campaigns went into the millions. The Gilman Country School of Maryland led the list, purchasing \$60,000 worth of bonds.

The National Committee of Patriotic Societies, which has its headquarters in Washington, will hold a similar contest during the Third Liberty Loan campaign and hopes to have every high school in the United States competing.

To the Editor Our Town:
I have been receiving copies of Our Town regularly—or as regularly as our somewhat deficient mail service will permit—for the past three months or so, and I want to express to you my appreciation of your kindness in sending them to me. As a former resident of Narberth, where my parents live at present, it is perhaps needless to say that I find the little paper very interesting. One cannot over-emphasize the importance of all communications from "home" to men in our position, for nothing else serves so well to encourage and hearten.

It is rather a deep disappointment to those of us who are stationed down here to be unable to join our comrades on the other side. However, I suppose we should consider ourselves fortunate in being here, for the climate forms a most agreeable contrast to the reports we receive of the severe weather in the States, the duties are not particularly difficult, we get plenty of good, wholesome food, and have comfortable quarters. The life becomes very monotonous, however, and most of us are anxiously awaiting the always-expected travel orders which will take us to France by way of the States.

By the way, I notice that in the list of those who have joined the service which you print weekly in Our Town, my name is entered upon the Marine Corps Reserves. This is a slight error, as I am in the Marine

Corps proper. You may see fit to correct this.

Thanking you again for the copies of the paper, which I sincerely hope I may continue to receive, and with all good wishes for your continued success, I remain,
Chudleigh R. Long.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

That much abused and overworked word "camouflage" was the subject discussed at the Forum the other night. While no intelligible definition was agreed upon, several illustrations were offered to the assembled scholars which conveyed a fairly clear idea how the word should be applied. I can remember only a few of these illustrations and thinking you might be interested I append them as follows:

1—Lew Hess's black mustache as contrasted with the color of his dome; also the rhinestone which he is offering for fifty dollars and for which no doubt he would consider himself lucky to receive five.

2—The lies we add to a true story to make the latter interesting.

3—The "improved" railroad service under Democratic control.

4—The five and six thousand dollar salaries we hear so much about from those fifteen hundred and eight-hundred dollar fellows who must now tell the horrible truth in their income tax statements.

5—Stuff you get when you pay for coal and the stories you hear when you try to buy any.

6—Singing the "Golden Rule" in church when pedestrians are risking their lives on your ice-covered sidewalk.

7—Bill Claghorn traveling to Washington in a drawing room car as though he were used to it—not saying who paid his fare.

That good business man, the owner of the Garden Nurseries, says his name isn't Addie, which, by the way, was only a term of endearment I used while under the impression that his proper moniker was Adolph. "But what's in a name, etc." I have since learned that he was christened August, which, of course, is more appropriate to his business. He's dead wrong about the sport in the fur coat, though. HIS name is Carl. He even confesses it—besides he's a corporal.

But why should August bother you about school matters? It's well known that the school directors are extravagant with the taxpayers' money (being taxpayers themselves) and they would like nothing better than to offer the full worth of his truly novel and original ideas, if he would only go direct to them and show them how to direct, instead of using Our Town as a messenger, but if he's really in a generous mood and wants to give something free, let it be a tangible thing, say a plant, tree, shrub, etc., a line with which he is familiar and of which no one will question his judgment. What's more, he'll be surprised at his sudden popularity.

But here that word "camouflage" suggests itself again. Don't you think it would apply to a fellow who writes his name backwards—Trelhow; also to the shrewd man who just starts something in order to get some free publicity for his business? Pie on you, August!

How many tickets do you suppose Doc. Howard gets for that send-off he gave the local movies last week?

Our new Burgess evidently intends to earn that twenty-five. He was out the other day following the new street commissioner around, watching with a critical eye the latter's operations removing ice from sidewalks in front of vacant lots. Now if His Majesty will instruct the Police Department to jug the owners of certain other lots not vacant, and on account of which we have all suffered, I move that we raise him to fifty.

Rumor says they're going to improve the South Side by building a mammoth apartment house and stores on Elmwood avenue. Thus we progress and while we shall have to be satisfied with a small beginning, let's be patient and look forward hopefully for further improvements, say, for instance, a brewery on the site of the present tennis court or a glue factory on upper Woodside or even a slaughter house on lower Chestnut. American, then I'll understand him better. Interpreters of Gaelic tell me he is criticizing the Civic Association, but if it's not destructive criticism, he's welcome to continue and we shall not have to place him in the same class with the man who tears up papers and throws the scraps in the street (while the Civic Association receptacles are nearby) and then complains about the slovenly streets. I would also dislike to consider him one of the kind who doesn't take the trouble to register or vote, but raises a growl because the proper men don't hold political office.

THE FIRESIDE

(Continued from First Page)

niest films put out by the Triangle Company, at the Arcade Theatre on February 28, at 7 and 9 P. M.

If you want to see a sweet, intensely loveable character, see Pauline Frederick in "Double Crossed" at the movies Saturday at the Narberth Theatre.

"Betty Takes a Hand," at the "Treasure Island," on February 28 at 7 and 9 P. M.—Give her a good handshake and thereby help pay for the piano at the Y. M. C. A.

The crowd at the movies Saturday was a record-breaker. The best seats were all taken long before the opening hour. One has to come early these days to get a seat at all.

Any change in the address or rank of men listed on the Roll of Honor in the postoffice should be reported in writing to the postmaster; also any additional names to be added.

Go and see "In Wrong Wright," at the Arcade Theatre, Thursday evening, February 28, at 7 or 9 o'clock, and thereby get yourself in right with the folks who appreciate having a good piano at the Y. M. C. A.

A very encouraging increase in the sale of War Savings Stamps and Thrift Stamps is reported by Postmaster Haws. Narberth people are evidently going to be in the forefront in this patriotic and beneficial work.

To date Postmaster Haws reports having sent thirteen pairs of field glasses and binoculars to the chief signal officer at Camp Hancock, Ga., which have been donated by patriotic citizens of Narberth for the period of the war.

All Saints' P. E. Church has omitted all week-day services excepting the children's service on Friday afternoons at 4.30 (excepting this week when it will be on Thursday instead of Friday, owing to the holiday) for the purpose of conserving coal.

The following young people from Narberth attended an informal dance given by Miss Ethel Fallen, of Overbrook: Miss Mildred Harris, Miss Jane Laird, Miss Margaret Mayes, Miss Augusta Witherow, Mr. William Harris and Mr. William Jefferies.

Miss Ella Dothard, of Wynnewood avenue, entertained the Y. C. Club at a luncheon and theatre party at the Narberth Theatre Saturday afternoon, February 16. All were present; they were: Ethel Banfield, May Banfield, Elizabeth Jones, Louise Jones, Ilma Scott, Evelyn Patten, Louise England,

Dorothy Williamson and Faith McAuliffe.

Have you thought of giving Thrift Stamps for prizes? They are arranged on Thrift Cards for this purpose, one twenty-five cent stamp or more attached thereto. In this way the value of the prize may be 25 cents, 50 cents, \$1, \$2 or \$4. The winner gets real value. Stamps and cards may be had at the post office or from authorized agents.

Mrs. Dothard gave a theatre party for thirteen little girls at the movies last week. This is splendid. If you want to get something out of life, try and make some one else happy. Bring some of the children in your neighborhood to the Friday or Saturday show and see how quick good old Mother Nature compensates you by dissolving your frown and lifting the burdens from your heart.

The membership campaign for the support of the Y. M. C. A. is accomplishing great results. Only five of the solicitors have made partial reports as yet, but the aggregate of memberships they have thus far turned in is forty-nine. Most of these are full memberships at \$5, or social memberships at \$2. There are a dozen solicitors at work, and when they have gone over the town there will be a largely increased Y. M. C. A. membership as the result of their efficient labors.

WAR INSTRUCTION FOR WOMEN OF NARBERTH

Bryn Mawr and Vicinity Demonstrations in War Cooking Will Be Given at Ardmore February 26 and 27, and at Community Centre, Bryn Mawr, February 28 and March 1—Will Help Win War

The law regulating the sale of wheat flour has caused consternation in some families where the housewives cannot figure out how they are to use an equal amount of substitutes and have palatable and nutritious foods.

Miss Hubbard, an expert from State College, and working under the supervision of the State and National governments, will be in Ardmore on Tuesday and Wednesday of next week, February 26 and 27, to give practical demonstrations in war cooking and will also give information as to how women in the conduct of their homes can be of the greatest aid for the success of the war.

The meetings will be held in the Library Building on Ardmore avenue at 10.30 and 2.30.

The meetings are held under the direction of the Woman's Committee of the Council of National Defense of Montgomery county.

All the women of the community are invited to these lectures and demonstrations.

The topics covered in the discussions and demonstrations will be:

1. The value and uses of grains and grain products.
2. (a) The meat layers and substitutes to give the underlying principles which show what foods may be used in place of meat.
(b) The selection and use of clothing materials.
3. (a) What fats and sweets may be used and how.
(b) The making of a foundation pattern to be used for cutting and making undergarments, simple dresses and shirtwaists.
4. (a) The selection of food materials and the planning of meals to meet the body needs.
(b) The care and repair of clothing.

Partnership

The making of even the most ordinary telephone call involves a partnership of at least three persons.

The effectiveness of the service depends on the degree of team-play existing between these three partners—the person calling, who co-operates by consulting the directory and calling by number always; the operator, by making the connection quickly, courteously and with the maximum degree of human accuracy; and the person called, by answering promptly.

Greatest satisfaction of service is attained when the second partner, the operator, is accorded the same consideration and courtesy which she is always anxious to show the other two members of the partnership.

HIGHWAY COMMITTEE

February 11, 1918
To the Borough Council of Narberth:
Since the special meeting of Council on January 30, 1918, your committee has been actively engaged in the care of highways and sidewalks of the Borough, owing particularly to the severe weather conditions. Ash collections were hampered by the heavy snow and ice, and it was necessary to employ additional labor in order to keep ahead with the work. This work had to be suspended for parts of several days during the past week, while special attention was given to the gutters, inlets and street crossings, during the sudden thaw. In the past two weeks there have been removed from the houses of the

Borough 133 loads of ashes or approximately 266 yards at a cost of \$256.
Some difficulty has been experienced with the ash containers used by some of the residents of the Borough. In a few instances containers are being used which when filled with ashes are too heavy for two men to lift to the top of the wagon. This matter is being considered by your committee and it is expected that a definite conclusion will be arrived at shortly, when remedial action will be taken. For the present, however, it has been decided to call this to the attention of the residents of the Borough, through the medium of the local newspaper with a view of having them exercise greater care in the selection of containers with particular reference to their weight when filled.
Written consent has been received from the Pennsylvania Railroad Company permitting the dumping of ashes on their right-of-way on the north side of the railroad tracks between Conway Avenue and Wynnewood Road, "under the old arrange-

ment which was in effect" prior to January 1, 1918. As no record of this arrangement was kept, your committee has taken steps to secure definite information on the subject.

Owing to the fact that the position of Street Commissioner has not as yet been filled, your committee of January 31, engaged the special services of Mr. Charles E. Humphreys to look after the highway work of the Borough in the interim.

Respectfully submitted,
W. M. WENTZ,
Chairman.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
