General/Regional update about the campaign

- ○ **Campaign Timelines** - April - June
- ○ Topic focus - Contribute to topic list
- ○ Wikimedia project focus
  - ■ Wikidata, wikiquote, Wiktionary, Wikimedia Commons, Translate a thon
- ○ Campaign Launch Webinar- **17 April 2023**

Regional Topic Focus & Why?

Climate Change Impacts, Mitigation & Adaptation

- Need to focus on experiences in the region
- Areas people can easily relate to for example like 2022 flooding in Nigeria, Flooding in South Africa, South Sudan & more
- Regional Survey to reach focus

Strike Eagle, CC BY-SA 4.0.

Wikimedia Project Focus?

CC by SA 4.0, Lomoraronald

- Wikidata
- Wikiquote
- Wikimedia Commons
  - Organize photo walks, upload related photos & update photos on existing articles on English Wikipedia
- Translate a thon
  - Translate existing articles relating to the topic focus and theme on English Wikipedia to your local language

Wikimedia Project Focus?

- **Wiktionary**
  - Documenting new words relating to Climate change & Environment on your language wiktionary.
  - Add relevant images from commons to the new words on wiktionary
  - Record an audio pronunciation of the climate change & Environment words in your local dialect, convert to .ogg for upload to commons, & then to the wiktionary page
  - Start new language Wiktionary and contribute climate change related words (for languages without wiktionary)
    - Watch out for our upcoming training session

Wiktionary
The free dictionary

Getting Started with Words in Your Language

- Ask questions in your wikimedia language community channels (Whatsapp or Telegram groups)
- Ask people from local community in your country
- Ask Lecturers/Teachers in schools or language department in the universities in your country
- Search the internet for the local words
- In cases of a two-word term like Climate Change, you need to find meaning of the different words in your language and then put it together

WIKIMEDIA
FOUNDATION

Existing Language Wiktionary in Africa

22 Languages

- Tigrinya, Amharic, Arabic, Afrikaans, ChiShona, Gungbe, Hausa, Igbo, Ikinyarwanda, Isizulu, Kiswahili, Lingala, Malagasy, Oromoo, Portuguese, Sesotho, Setswana, Soomaaliga, Sango (ga nzoni-sango), Tacawit, Wolof, Xitsonga & Siswati
