Learning Days

@ Wikimedia Conference 2017

Welcome! As you are getting settled, please:

(1) Choose a picture card from the back table which helps illustrate your biggest hope, or biggest fear, for today's workshops at Learning Day.

(2) Once you choose your picture, please write a short description of your hope or fear on a post-it note, and attach it to the back of your picture card. We will be calling for folks to share, and collecting these later on in the orientation session.
