Victor Tamarit Del Horno	

### Absent

<b>Name</b>	<b>Reason</b>
Jeroen Belis	Sport status

### Agenda

- Discuss what we will reach with this project
- Distribution of tasks

### Elaboration

- We discuss about what we will reach for this project. One point of discussion was for what we going, the fastest one, innovative one or the most beautiful car. We are going to try to make the fastest car.
- Because we are with nine people in our group we have split are team in two teams of four. One part of the team is responsible for the design of the car, the other part is responsible for the calculation of the gears.

<b>Assignment</b>	<b>Team members</b>	<b>Actual workload (h)/pp</b>	<b>Due date</b>
