# Study Abroad

2004-5

Every summer, Meredith Abroad travels to Italy, Switzerland and the UK to learn about a variety of topics including the arts, earth science and the British Parliament. This year, students also travelled to Belize, Ireland, Mongolia and Australia.

The world is a book, and those who do not travel only read a page.

St. Augustine

# LeaderShape

August 9-13

Meredith was the first women's college to hold its own session of LeaderShape. This year, 2,283 students participated in LeaderShape nationwide. Meredith students enjoyed this program at Fort Caswell this summer. The week gave students practice in decision-making skills for ethical dilemmas, opportunities to learn about working in high-performance teams, and a chance to discuss ways of respecting individuals' values. The program also encouraged the group use their leadership abilities for the betterment of the Meredith community.

“The very essence  
of leadership is that  
you have to have a vision.”

Theodore Hesburgh

# Honor Code Ceremony

August 17

**Honor Pledge:**

"I do solemnly pledge my honor that as long as I am a student at Meredith College, I will faithfully uphold the principles of the Honor Code and will respect and observe the procedures and requirements of the Honor System. I also pledge my support to our system of self-government, an integral part of our way of life at Meredith College. I make this pledge in view of my fellow students thus signifying our high resolve to keep our honor forever sacred and our self-government forever strong."

# Senior Parent Night

September 25

On September 25<sup>th</sup> seniors gathered to thank their parents for their love and support during their college careers. The event occurred during family weekend where families were given tours of the campus and attended a speech by the President, Dr. Hartford, who discussed the future plans of the college.

# Father Daughter Dance

October 16th

"Your son is your son  
until he marries, but  
your daughter is your  
daughter until you die."

Irish saying

# International Festival

October 18

We all live with the objective  
of being happy; our lives are all  
different and yet the same.

Anne Frank

The International Festival provides a perfect opportunity for students of different nations to unite together. Festival includes dancing, singing, and students dressed in international costumes. This blending of different cultures represents Meredith College's motto of diversity.

# Ring Dinner

In the fall semester, the junior class holds a dinner to celebrate the Meredith oval shaped onyx ring which symbolized the sense of belonging to Meredith College. The dinner gathered around juniors to celebrate their journey in Meredith College. That night, students put on their ring and share their precious college memories.

# Cornhuskin'

November 1-5

Cornhuskin' is sponsored by the Meredith Recreation Association and usually takes place the first week in November. This tradition has grown in popularity and production over the years, becoming a favorite of many students, staff, and faculty. This weeklong event in November is concluded with special traditions and activities on Friday. The afternoon begins with a parade and picnic, and class competitions beginning in the evening.

Friends and family line the front drive of the college to show their support for the students, staff, and faculty in the parade. Each class is represented in the parade, and, according to Meredith tradition, the classes progressively gain more privileges as they advance from freshman to senior year. Ballons, firetrucks, clowns, bands, and dancing were just a few of the things found in this year's Cornhuskin' parade.

"Up! up! my Friend, and quit  
your books; or surely you'll grow  
double..."

William Wordsworth, "The Tapers Turned"

# Cornhuskin'

November 1-5

The week of Cornhuskin' is a great time for students to momentarily "quit their books," get outside, and enjoy activities with their friends and classmates. Some student favorites include the President's Raid, Scavenger hunt, and Can Art. Hall Raids are also a favorite of those willing to wake-up extra early! Overall, the week provides students with a good way to relax and get to know other students.

# White Iris Ball

Each fall the MEA sponsors this semi-formal dance. This year's disco themed White Iris Ball was held at the Raleigh Convention & Conference Center.

# December Commencement

December 11

# 105<sup>th</sup> Night

January 28

This year the magic number was 105! Seniors gathered at Exploris in downtown Raleigh to celebrate 105 days until graduation. A slide show of events was shown recapping the events and traditions that the seniors had participated in at Meredith. Both their big/sis and lil/sis's joined in on the celebration of their upcoming graduation.

# Jane Evelyn Atwood Workshop

For one week in February 2005, Meredith College Photography 2 students, under the direction of Shannon Johnstone, had the unique opportunity to be in workshop with world renown photojournalist, Jane Evelyn Atwood.

Preparation for the shoot included slide lectures by Ms. Atwood which revealed how she got started in photography, what techniques she learned from her first assignments, and why she is drawn to document the people she chooses to photograph.

Students were exposed to an impressive, sometime distressing, but beautiful body of work which told the stories of French prostitutes, a man dying of AIDS, the world of the blind and finally, the personal devastation of land mines throughout the world.

During those short intense days, students were asked to document a subject in 48 hours, have proof prints developed, and return for an extensive critique.

Each student shot a minimum of 7 rolls of film. Subjects were as varied as the individuals who photographed them. We have a glimpse of a local barbershop, the life of a mail carrier and a diner employee, a peek into the performance world of the transvestite, the haunted atmosphere of an abandoned school, to mention a few.

We present, in this book, the work of these students.

# Charming Evening

February 24

“Charming people live up to the very edge of their charm, and behave as outrageously as the world lets them.”

Logan Pearsall Smith

# Little Friends Weekend

March 18-19

Little friends weekend is a yearly tradition organized by the Meredith Recreation Association. This special weekend offers students the opportunity to invite one or more of their little friends to spend a night on campus and enjoy a special day of activities. This year, several Meredith students and their little friends enjoyed a performance by the Aqua Angels and a movie the first evening. The next day, the group received a passport and traveled around campus to various "countries." Each destination offered various crafts, games, and activities for all to enjoy. The Piniata game and the "Italian" cuisine, (pizza), were especially favored!

# MEA Luau

March 23

The rain didn't stop these students from enjoying another evening of entertainment provided by the Meredith Entertainment Association. MEA has sponsored this Luau each Spring. Similar to MEA's Fall Fest, there is always a fun a cappella group, and a special picnic.

# Spring Formal

April 2

MEA annually sponsors a spring-themed formal. This year's dance, "Sky of Diamonds and Oceans of Pearls," created an evening honoring the senior class. The night was filled with sparkle and charisma. The glamour combined with the glittering dance floor created memorable moments for the students.

# Spring Fling

April 3

"... And everything that's new has bravely surfaced, teaching us to breathe. What was frozen through is newly purposed, turning all things green."

Nichole Nordeman

Each year the Meredith community enjoys a celebration of the beginning of springtime with Spring Fling. This year's event was held on a beautiful Sunday afternoon in early April. Live music was provided and refreshments were served. The day offered a wonderful time to take a break from the stresses of school and spend time with loved ones.

# Mother/Daughter Tea

April 9

During the spring semester, sophomores attended the Mother/Daughter Tea, a celebration luncheon with their moms. This year Rebekah Meek spoke at the luncheon about her travels with Meredith to Sri Lanka and how Meredith plans to continue to support their community.

# Stunt

April 14

Since 1915, the Meredith Recreation Association has sponsored Stunt, an event promoting class unity through competition and creativity. This year, the campus enjoyed a picnic in the quad and an evening of class competition through a variety of recreational activities. Stunt participants competed in events such as bat spin, tug of war, and three-legged race. To conclude the event, classes participated in the traditional lip sync. The competition was enjoyed by family, faculty, staff, and students.

# Stunt

April 14

"Friendship is the hardest thing in the world to explain. It's not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything."

Muhammad Ali

# Greenway Opening

Opening on April 16, the greenway serves as a bridge and walkway between Meredith College and the North Carolina Museum of Art. Featured on opening day were dancers, student artwork such as prayer flags and sculpture, and Meredith ceramics professors offering artwork to visitors. The local Paperhand Puppet Intervention also entertained visitors at the museum. The greenway offers the community a chance to enjoy nature as well as all that the museum has to offer.

# Fire and Water

April 19

Freshmen celebrate the end of their first year at Meredith with a Fire and Water Dinner. The focus of the event is to celebrate achievement, new friendships, and new experiences. Freshmen write one good memory on a piece of paper and one bad memory on another. The good memory is placed in an ester egg and is floated in a fountain to symbolize that the memory will always remain with them. The bad memory is burned in a bonfire to symbolize that it has been forgotten.

# Senior Picnic

April 20

The Senior Picnic marked the end of the crook hunt. Throughout the week Juniors searched for the crook by following the clues provided by the Seniors. The Senior class again succeeded in the hiding place and will present the crook with their class colors on Class Day.

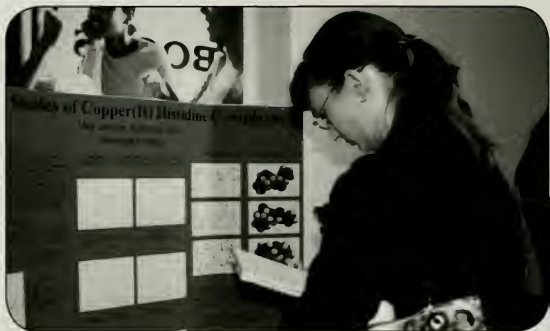

# Celebrating Student Achievement

April 28

Celebrating Student Achievement is a day dedicated to honoring the accomplishments and achievements of Meredith Students. This year over 100 students presented research that explored topics touching all academic disciplines. Other events included poster presentations and art displays.

Students and faculty enjoyed a picnic in Meredith's courtyard. Lunch was accompanied by music and a performance by Meredith's Dance Team. Participants were able to join in the rhythms of different drums through out the world.

# Class Day

May 14

Class day is held every year on the Saturday before commencement. This tradition is a celebration of the graduating class. Sophomores create a huge daisy chain and carry it into McIver Amphitheater. Seniors and sophomores wear white dresses. When the ceremony ends, the sophomores carry the chain onto the island in Meredith Lake and use it to spell out the graduating class numerals.

# Spring Commencement

May 15

Meredith seniors gathered with family and friends to celebrate their college graduation. National Public Radio correspondent and co-host Renee Montagne delivered the commencement address. Montagne has co-hosted NPR's Morning Edition since 2004, after serving as correspondent since 1989. Montagne has covered a wide-range of topics throughout her career from National Guardsmen in Iraq to Toni Morrison's novels. She spoke to the graduates about not only reaching your goals but the steps leading up to them.

## Multiple Perspectives

*Multiple Perspectives* is designed to establish a place where visitors experience the pursuit of wisdom through the metaphorical escape of limitations and boundaries. In our journey of life, as in a journey on an airplane, we see direction, orientation in a world marked by movement, change and ephemeral elements. My hope is that while walking on the wing, light will encourage you to continue your quest from multiple perspectives.

# A Tide of Hope

For the next year, Meredith College has committed to raising funds for and awareness about the Tsunami in South East Asia.

The Tide of Hope Committee visited Sri Lanka in late March to find specific projects that Meredith could sponsor. The committee decided to focus on three different projects: helping to rebuild an elementary school, sponsoring a boys orphanage and purchasing boats for a fishing community.

# Aqua Angels

The Meredith College Synchronized Swimming Aqua Angels are a performance group that putting on four shows a year. Synchronized Swimming is a sport that requires strength, endurance, breathe control, flexibility, and an ear for music. The swimmers never touch the bottom, but use water treading and hand sculling techniques to propel themselves and others through the water. The Aqua Angels work long hours but have fun all the while, thanks to their coach, Carol Brown, who has been with the Aqua Angels since 1981. She is retiring this year and will be missed by all.

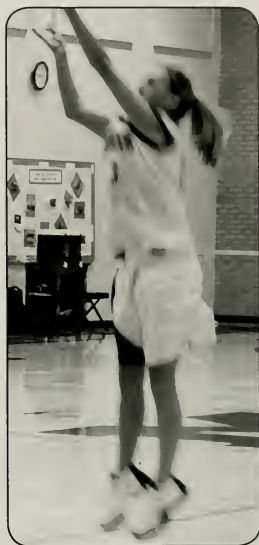

THANK YOU, Coach Brown! We love you!

# 2005 Class Doll

The 2005 graduating class is proud to present Asia Grace McKay Fletcher as a new member of the Class of 2005. Asia is representative of the Tsunami disaster that happened in December 2004, and "Grace" signals how our class has gracefully handled stressful situations. "McKay" honors Ruth McKay, the 1905 class president. "Fletcher" represents our wonderful advisor, Heidi Fletcher. Heidi has been supportive of our class through the past four years.

Asia Grace is wearing a pink collared shirt, dark jeans and pointy shoes. Long earrings and matching bracelet complete her look. And of course, no Meredith student can be without her onyx.

In her purse and Nalgene bottle are various trinkets that will remind the Class of 2005 of their memories made here at Meredith College. The quilt features all of the t-shirts and Cornhuskin' sweatshirts, specific to the Class of 2005.

## Emily,

It seems like only yesterday you were a curly-haired, wide-eyed, little girl heading off for her very first day of preschool. And somehow, between then and now, that little girl has grown into a beautiful, confident young woman.

I am so proud of you. For all your many adventures and accomplishments. For the academic success you've achieved and most of all for the person you've become.

My daughter,  
my friend,  
I love you,  
Mom

## ALANA REBECCA BRANTLEY

God's Gift Of Love

On July 16th, 1983, God let a beautiful little daughter to be born unto us. She was this perfect, precious little angel sent from heaven up above. Always such a happy little angel was she!!! She loved everybody and everybody loved her.

We nurtured her and always tried to give her the best things that we could. It was always the little, simple things that this angel loved the most.

Right from the start, we saw that this child would grow into someone who would show love to anyone she came into contact with. Not because she expected anything in return, just because that's what God sent her here for. To make people smile and know that they have a friend. That is one of her special gifts. Loving others and making them feel special. Always thinking of everybody else before thinking of herself. A very unique individual whom we are so very, very proud of.

And here we are, twenty-one and a half years later. Our beautiful little perfect angel is this beautiful young woman, all grown up and graduating from Meredith College. Not just our angel anymore, but "A Meredith Angel."

Alana, we are so proud of the things that you have accomplished thus far. We love you with all of our hearts and we pray that God will watch over you and keep you on the lighted path. Always look to him and he will guide you in the direction that you are supposed to be going and at the perfect time that it was meant to be.

Now fly away little angel and do your thang. Reach for the stars and always remember that you are never alone!!! Smile and know that your family loves you dearly and that we will always be here for you.

Hugs and kisses and wishing you all the best that life has to offer.

CONGRATULATIONS TO OUR MEREDITH ANGEL.

Love To You Always,  
YOUR PROUD DADDY AND MAMA

James Mack and Lisa Garris Brantley

I love Alana Brantley because she has a personality that is one of a kind. She knows how to make me smile on cue. And she goes fishing with me. She caught the only fish that day. But I still love Alana Brantley very much. She is my 21 in this black jack world.

My love to you,  
Always and Forever,  
Steven Liles

### Alana,

Congratulations Lanie! The years have really flown by. It seems like only yesterday when we were playing in our sandbox making mud pies and chasing each other around the pool. I hope no matter how old we grow, we never grow apart. I just wanted you to know how proud I am of all your accomplishments and how proud I am to be your sister. I wish you the best things that life has to offer you! I love you!

Love Always,  
Jenna Boo

Congratulations,  
Holly!

We are proud of all your achievements. Our prayers and blessings are with you as you continue on your life's journey.

Love,  
Mom and Dad

## **Jirah,**

**We have seen you grow from a beautiful, carefree little girl into an intelligent, focused, and beautiful Meredith graduate. May all your dreams come true. Congratulations!**

**All Our Love,  
Mom, Dad, and Jake**

Dear Daughter,  
 You used to play school with pencils,  
 Crayons, scraps of lined paper,  
 Dr. Seuss books, your dolls positioned  
 In chairs while you became the teacher.

"Listen carefully, I will not repeat this,"  
 You would say, sounding like  
 Miss Parrish, your first grade teacher.

You scolded Raggedy Ann for neglecting  
 Her homework and praised Baby Tiny Tears  
 For being so good. You read them  
 Green Eggs and Ham and laughed  
 At the silly Sam I Am.

Passing your room, I would glance  
 In the door and watch you point  
 Your finger with authority.

Look at you now, with cap and gown  
 And cum laude honors, an education  
 Degree clutched in your hand,

Now, you will teach, you will learn,  
 You will sow seeds of knowledge  
 With live dolls who won't remain  
 Propped in chairs.

While you are earning polished apples,  
 I'll be wishing I could sneak past  
 The classroom door and take a peek.

-Lisbeth J. Thom

**Congratulations Amy!**

We are so very proud of you, your hard work, your  
 loving kindness, your endless smile; you are an Angel  
 sent by God to Bless our Lives. May you always know  
 how much we love you. Momma and Daddy

# Jennifer,

God's presence shines in your smile.  
We love you very much!

Dad, Mom, Grant, and Alex

**Anna,**

Now that you are graduating from college  
we look back and ask ourselves,

## “Have We Told You?”

“Have We Told You?”  
Have we told you how  
proud we are of you for  
your accomplishments, all  
that you mean to us, and  
all that is important in life?

... to be bold and not  
afraid of the future and to  
meet each new experience  
with joy and anticipation

... to laugh and sing often,  
there is a lot in life that  
is hard, but take it as it  
comes and find the good,  
and make time to celebrate  
successes along the way

... and did we tell you the  
joy and challenge of being  
a woman and the joy of  
exploring and fulfilling your  
own capabilities?

We hope that we told you  
these things throughout  
your childhood; your life  
is yours to build as you  
choose.

And did we tell you? We  
will love you forever.

Mom and Dad

May this be your prayer as you begin a new stage in your life:

Lord, I know that You have a plan for my life, and I seek to follow Your will. Show me Your purposes, Lord, and let me always trust in You. When I am fearful, give me courage. When I am weak, let me lean upon Your strength and Your Word. When I am headstrong, Lord, forgive me and lead me back to Your path that I might do your work and share Your Message today and everyday.

We love you and are so proud of your accomplishments.

Love,  
Mom, Dad, & Justin

Our Dearest Seria,

Know that we love you very much, we'll always be there for you, and that we are so proud of you. The Lord blessed us with you nearly 22 years ago and you have been more than we could have ever hoped for. Your consideration for others, your faith in God, your morals and confidence in yourself, your beauty and intelligence - it all adds up to an internally and externally beautiful woman. You, our sweet baby, are 1 in a hundred million. Always grab life by the horns and enjoy it. And if the right opportunity doesn't

present itself to you; then you make your own opportunities. Our prayer for you is that you are always healthy; you have wisdom; you are at peace; you are loved; you have happiness, success, and wealth; and that you have favor with God always.

We Love You and May You Always Dance,  
Dad and Mom - your biggest fans

In the words of 2 Samuel 6:14, 21

14 And David danced before the Lord with all his might, ... 21 David said...It was before the Lord, Who chose me...Therefore will I make merry [ in pure enjoyment ] before the Lord.

And in the words of Mark Sanders and Tia Sillers:

I hope you never lose your sense of wonder \* You get your fill to eat but always keep that hunger \* May you never take one single breathe for granted \* God forbid love ever leave you empty handed \* I hope you still feel small when you stand by the ocean \* Whenever one door closes, I hope one more opens \* Promise me that you'll give faith a fighting chance.

And when you get the choice to sit it out or dance \* I hope you dance, I hope you dance

I hope you never fear those mountains in the distance \* Never settle for the path of least resistance \* Living might mean taking chances but they're worth taking \* Loving might be a mistake but it's worth making \* Don't let some hell bent heart leave you bitter \* When you come close to selling out, Reconsider \* Give the heavens above more than just a passing glance

And when you get the choice to sit it out or dance \* I hope you dance, I hope you dance (Time is a real and constant motion always rolling us along \* Tell me who wants to look back on their life and wonder where those years have gone)

Stephanie,

The yeas have flown by! It's already time for you to graduate. All of your hard work has paid off and now you're ready to begin a new stage of life. You've grown into a lovely young woman and we're very proud of you! We love you very much!
