CURRANT CUTTINGS.

We don't buy Currant Cuttings either to plant or sell again, but we offer them 6 in. to 8 in. long, from our own stock and believe every cutting to be true to name. These cuttings are from blocks of plants which are devoted exclusively to growing wood for cuttings, and average double the size and are double the value of cuttings taken from fruiting plants. Prices on application.

Our stock of Grape Vines is the Largest in the World. We sold and delivered during the past year over one million and a quarter Grape Vines and over three hundred and forty thousand Currant, Gooseberry and Blackberry plants. Every one of these vines and plants was of our own growing.

Our facilities and conveniences for storing, packing and shipping are not equaled by any other firm.

Our responsibility ceases on delivery of goods at railroad or express office.

Our vines are warranted true to name, and of grades represented.

Should any stock not prove true to name, we will either refund the purchase money of same, or replace with stock true to name free, but are not liable for further damages, and while we are exercising great care to avoid mixtures, the above is to be a condition on which all stock is delivered.

All packing will be done neatly and with strict regard to the interest of the customer. Should any error occur, claim must be made immediately upon receipt of goods by customer.

Purchasers will please give shipping directions always. In case no such directions are sent with orders, we will use our best judgment in the matter.

TERMS CASH.—Bankable notes for 30 to 60 days will be accepted from customers of satisfactory record or bank reference.

Spring accounts are due before June 1st, when we draw at sight for any amounts due. Interest charged on all bills overdue.

All express or freight charges on goods or money, must be paid by the customer. If goods are shipped C. O. D., usually one-fourth the amount of the bill must be sent with order.

We will send samples of vines at 100 rates with 6 cents postage on three one-year vines, and 9 cents postage on three two-year vines. We cannot do justice in samples, unless we send three of each kind and grade wanted.

One year No. 2 vines, two-thirds the rate of No. 1. Two years No. 1½ vines, half-way between prices of two-years No. 1 and one-year No. 1. Three-years No. 1, one-half additional to price of two-years. We reserve the right, unless otherwise directed, to fill orders for one-year stock with two-years stock of the same size. Also orders for two-years stock with one-year stock, of size ordered.

We commence Spring packing about March 1st. No charge for boxing or packing.

KIND WORDS.

We could print hundreds more of these testimonials, had we the room.

GEO. S. JOSSELYN, Pittsburg, Pa., Sept. 17th, 1895.

Dear Sir:—I am amazingly pleased with the vines I bought of you on one occasion and another which I think run up to twenty thousand in all. I have not had to reset one vine yet and in all my travels from the vineyards of California to those of Germany, France, Austria, Russia and Turkey I have never seen a prettier vineyard than that we have planted at Southern Pines with your vines.

Respectfully, B. H. BUTLER.

From Benj. G. Smith, Sec. American Pomological Society.

GEORGE S. JOSSELYN, Esq., Cambridge, Mass., May 2, 1896.

My Dear Sir—The stock came in perfect condition, like all plants from you for many years. I consider my success in fruiting this stock, etc., due to the remarkable and perfect condition in which they have been received. I judge from their root growth, you must have a soil particularly adapted to their growth, and know how to handle stock to produce such remarkable results.

Yours very sincerely, BENJ. G. SMITH.

MR. GEO. S. JOSSELYN, Ontario County, N. V., Feb. 19, 1896.

Dear Sir—We wish you would quote the following list of grapes to us. We anticipate giving you the entire order, as we find your vines are by far the most satisfactory.

Respectfully yours, W. P. RUPERT & CO.

MR. GEO. S. JOSSELYN, Page County, Iowa, May 8, 1896.

Dear Sir—You surely grow as fine Blackberry plants as I have ever seen on the market.

Yours truly, D. S. LAKE.

MR. JOSSELYN, Cattaraugus County, N. Y., April 24, 1896.

Dear Sir—Please send the following plants next week. Send nice ones as you did last year, if you can; they were splendid.

Yours truly, E. A. HULL.

GEO. S. JOSSELYN, Esq., Wayne County, Ind., Jan. 24, 1896.

Dear Sir—The one thousand Grape Vines and other stock from you last Spring, gave entire satisfaction. The No. 2 were much more acceptable than No. 1 from other nurserymen.

Yours, M. HATFIELD.

GEO. S. JOSSELYN, Esq., Linn County, Iowa, Feb. 14, 1896.

My Dear Sir—Your vines are so fine and always true to name that I swear by you.

Yours truly,

WILLIAM LANGHAM.

MR. G. S. JOSSELYN, New Haven County, Conn., April 6, 1896.

Dear Sir—I am pleased with the Delaware vines from you. They are fine, and those to whom I have shown them express surprise at such large Delaware vines.

Yours respectfully

A. N. FARNHAM.

GEORGE S. JOSSELYN, Esq., Clarke County, Ohio, March 2, 1896.
Dear Sir—The vines arrived from you yesterday in fine shape.
Grade better than I ever saw before, for one year No. 1.
Very truly, W. L. MUSSELMAN.

MR. GEO. S. JOSSELYN, Allen County, Ohio, April 18, 1896.
Dear Sir—I thank you for your promptness in sending me
the Grape Vines You are the kind of a man I like to deal with—
not like some nurserymen, who send out culls for No. 1.
Respectfully, ALBERT MOX.

GEO. S. JOSSELYN, Howard County, Iowa, May 1, 1896.
Dear Sir—It is a pleasure to deal with such men as you. I
am never disappointed when I give you my order.
Yours truly, J. B. MITCHELL.

MR. GEO. S. JOSSELYN, Fayette County, Pa., May 13, 1896.
Dear Sir—We thank you for your good stock. We cannot
handle any other but good.
Respectfully,
PLEASANT HILL NURSERY.

MR. GEO. S. JOSSELYN, Martin County, Minn., March 30, 1896.
Dear Sir—For the past ten years I have sent you an order for
vines each Spring. I am glad to say your stock has always proven
satisfactory.
Very truly, D. P. SACKETT.

GEO. S. JOSSELYN, Kent County, Mich., April 11, 1896.
My Dear Sir—The stock shipped us arrived in O. K. shape
and highly satisfactory; just the kind of stock a man likes to de-
liver.
Yours very truly, M. J. WRISLEY.

GEO. S. JOSSELYN, Esq., Washoe Co., Nevada, March 19, 1896.
Dear Sir—The Gooseberry plants arrived this morning. They
have the best roots I ever saw, and the bushes are such good shape
Thanks for promptness.
Sincerely, B. E. HUNTER.

GEO. S. JOSSELYN, Esq., Powhatan County, Va., June 11, 1896.
Dear Sir—All the stock bought of you has given entire satis-
faction, and I can and do say with pleasure that they are the best
rooted vines I ever bought, and that is a good deal to say, after
twenty-five years' experience in selling stock. Very truly,
P. FINCH.

GEO. S. JOSSELYN, Monroe County, Wis., April 4, 1896.
Dear Sir—Grape roots from you are immense.
Yours truly, Wm. FRAZIER.

GEO. S. JOSSELYN, La Salle Co., Ill., April 17, 1896.
Sir—The Grape Vines and other plants from you came in
good shape, and I am very much pleased with the fine quality of
the stock, as are also six of my neighbors who had a share of same.
Yours respectfully, WM. DANA.

Campbell's Early Grape.

Last Fall we found we had a scant supply of this variety and practically withdrew them from the wholesale trade. As many of the Trade have since been selling these vines understanding from our Fall List that we would be able to furnish them for Spring, we offer them reserving the right to discontinue wholesaling them for the season as soon as it becomes necessary to reserve a sufficient supply for our Retail Trade, which is now immense, on account of this grape. It seems to be the only "Bonanza" in the nursery line just now. It is such a splendid grape, has found so much favor with highest authorities and we have advertised it so extensively that it is largely inquired for and readily sells at our retail prices. The seeds of Campbell's Early need not be swallowed as they separate readily from the pulp which is sweet and tender to the center. This is a strong point in its favor as it has been estimated that one-third to one-half the people will not, and no argument would induce them to swallow grape seeds. For this reason fortunes have been made and are being made from sales of Raisin Seeders. All Campbell's Early vines will be cut back to about three buds (the right condition for planting). We want the surplus wood to remain on the vines as long as possible and we do not now offer Campbell's Early vines to be shipped before April 1st, 1897. None genuine without our seals. Terms and discounts as per fifth page for other stock on this list. Positively no lower prices or larger discounts than above are offered on Campbell's Early Grape. Also positively no No. 2 vines, buds or wood of this variety for sale.

Our wholesale prices are viz.:

ONE YEAR NO. 1.
\$100 Per 100. \$750 Per 1000.

TWO YEARS NO. 1.
\$125 per 100. \$1000 Per 1000.

Our retail prices are:

ONE YEAR No. 1.
\$1.50 Each. \$12.50 Per Ten.

TWO YEARS No. 1.
\$2.00 Each. \$17.50 Per Ten.

We shall prefer not to furnish Campbell's Early vines to those who print prices less than above retail figures.

GEORGE S. JOSSELYN, (INTRODUCER,)
