

Dear friend

referring, to Mr. Welch's letter to you - herewith,
I now enclose a list of the articles in the Bop
promised to J. A. Collins - and herewith sent by the
Glasgow Female A. S. S. to your Society. - the prices affixed
to the articles are such as we would expect them
pretty readily to bring, sell at with you, but we leave
it entirely to the judgment of your committee to
raise or alter them, either advancing or lowering them,
as your knowledge of their suitability, to the taste
of your buyers may point out - we will be glad
when the Bazaar is over, you will have the goodness
to note to us the prices obtained, as proceeds of our Bop,
also the articles which are most in request, that against
next year, our contributions may be directed to the pro-
duction of such - and thus made as effective as

possible, we contribute our mite with great
pleasure & hope it may aid the good cause in which
you are engaged in which we truly sympathize,
and to which we wish speedy success.

I am dear friend yours
very sincerely, Catherine Paton
