Information Concerning ANTHONY DETOLVE

During the afternoon of 2/4/63, former State Senatore FRED ROTI came in and conversed with MARCY concerning the fact that ANTHONY DETOLVE is shooting off sparks and is angered due to the fact that it was his understanding that he was not only to be made Alderman but Ward Committeeman of the First Ward as well. ROTI and MARCY's conversation continued as follows:

ROTI:

He says he has \$50,000 that JOHN was supposed to make him a judge and he (obs) him. He says JOHN (obs) up on five things. He says I can't get along with him. He says I hate his (obs) guts and he hates my guts. He says it's never gonna work out.

MARCY:

Don't worry about it, you don't worry about nothin'.

ROTI:

He says if he's gonna have his office here, I don't want my office here.

MARCY:

I let him know. I told him, listen, there are certain things I ain't never gonna tell you! You're not supposed to know certain things. Now drop it there! You were told that, I told you that. He says I don't have to listen to you. I said that's right you don't, I'm not your boss. But if you don't listen to me you're making a big mistake! Then he changed his tune.

ROTI:

I think who is real close to him, may be giving him ideas. You know he's a nice fellow all right, but he's pretty cute. He says I didn't want this, he wanted a judgeship.
