lost plane. She recalled that the registration number of the plane contained the numerals 37 or 47.

Mrs. GUTIERREZ stated she was aware of the recent news release by the MIRR concerning the three members of the MIRR and Comandos L who were reportedly captured in Oriente Province, Cuba. She stated that although she knew several members of the MIRR and had heard the names of others mentioned in conversation at her house, she had never heard of the three individuals who were reportedly captured in Oriente Province.

On December 7, 1966, MM T-2, a Cuban exile at Miami active in anti-CASTRO organizations, advised that no one that he or his associates had spoken to seemed to know the three individuals who were identified in the press release by the MIRR as captured in Oriente Province. He stated that consensus of opinion is that this press release is a fictitious story by BOSCH or at the very least the three names furnished by BOSCH are not correct names.

With respect to the aerial mission by the MIRR on the chemical plant at Matanzas, on November 13, 1966, Mr. I. I. PROBST, Lally Adjustment Bureau, Miami, Florida, advised on November 26, 1966 that his firm was in the process of settling an insurance claim made by the Gateway Corporation of Jacksonville, Florida, for the loss of a Piper Aztec aircraft, a two engine plane, valued at
