APO 24 Unit 2
28 September 1949

SUBJECT: Reassignment of EM

TO: Commanding Officer, Oita Civ Aff Team, APO 24 Unit 2

1. Upon deactivation of Oita Civil Affairs Team, request that I be reassigned to Kyushu Civil Affairs Regional Headquarters, and further attached unassigned to 441st CIC Sub- Detachment, Beppu, Kyushu, Japan, APO 24 Unit 2, for the purpose of maintaining liaison with Japanese economics officials, and conducting GHQ SCAP Civil Affairs personnel on field inspection tours in this prefecture.

2. My reasons for this request are, having had two (2) years civilian experience in forestry in Oregon and California, five (5) years as a millwright (sawmills), and eight (8) years experience as construction foreman, in construction of dams, highways, dirt roads, bridges, etc, pneumatic drilling, and handling of explosives, familiar with operation of rock crusher plants, cement mixers, pump creates, air compressors, and various other types of construction machinery, supervising up to 150 men. I feel that with the above mentioned experience together with my one and one half (1 1/2) years with Natural Resources Section, this Civil Affairs Team, I will be of more benefit to the military service if assigned to Civil Affairs duties in this prefecture.

SUBJECT: Application for Transfer

THRU : Commanding General, I Corps, APO 301

TO : Commanding General, Eighth Army, APO 343
Attn: Civil Affairs Section

1. Under the provisions of paragraph 6, AR615-200, 16 June 1948 as amended it is requested that I be transferred in grade from my present organization, Kyushu Civil Affairs Region, APO 24 Unit 5 to the 155th Medical Station Hospital, APO 503.

2. This request is submitted for the following reasons:

a. Per telephone conversation with Eighth Army Surgeon Office, and the personnel officer at the 155th Station Hospital there is a vacancy in grade and MOS (502) at the hospital.

b. My experience in Army administration has been for the most part Hospital Administration. During the two (2) years period (1942 - 1943) was stationed at Fitzsimons General Hospital, Denver, Colorado.

On 21 July 1947 I reenlisted under the provisions of War Department Circular 6, 1947, Enlistment and Assignment of Combat Wounded Veterans, and subsequently assigned to Fitzsimons General Hospital until 3 April 1948 when I was transferred to the Far East Command.

c. The Personnel and Administration section, Civil Affairs, Eighth Army has indicated that this request will receive favorable consideration.

3. In view of the present situation in Civil Affairs and my limited physical stamina it is believed that this request for transfer is not fully for the benefit of myself, but manifestly for the betterment of the service.
