Ministry of Agriculture and Forestry Notification No. 18

January 24, 1951

The following fertilizers were registered and the registration certificates thereof issued under date of December 1, 1950, in accordance with the provisions of Article 7 of the Fertilizer Law (Law No. 127 of 1950). Further, it is hereby notified that a report has been submitted to the effect that the production of Tomoe Brand Synthetic Fertilizer No. 4 (Sei No. 807) registered on November 10, 1950 by Aiichiro Fujiyama, President of the Nitto Chemical Industry Co., Ltd., No. 2, Kanda Tomiyama-cho, Chiyoda-ku, Tokyo-To was discontinued on December 8, 1950:

Invitation of Filing Claims Against Closed Institutions

January 24, 1951

In accordance with the provisions of the Ministerial Ordinance No. 6 of 1950 of the Attorney-General's Office and Ministry of Finance concerning the partial amendments of the Joint Ministerial Ordinance No. 1 of 1947 of the Prime Minister's Office and seven Ministries concerning filing claims against the Closed Institutions (hereinafter referred to as the Joint Ministerial Ordinance No. 1), Special Liquidators of the Closed Institutions are now ready to receive filing of claims against Closed Institutions mentioned below:

1. Claims against the head offices, branch offices and other offices in Japan proper (referred to Honshu, Hokkaido, Shikoku, Kyushu and the adjacent islands; hereinafter the same), of which fulfilment is to be made outside Japan proper, of the undermentioned Closed Institutions;
2. Claims against the head offices, branch offices and other offices outside Japan proper, which have been secured by the assets in Japan proper of the undermentioned Closed Institutions;
3. Of the claims designated by the Joint Ministerial Notification No. 1 of 1947 of the Prime Minister's Office and seven Ministries concerning the designation of claims in accordance with Article 4 paragraph 1 of the Ministerial Ordinance No. 4 of 1947 of the Prime Minister's Office and seven Ministries, the claims against the head offices, branch offices and other offices in Japan proper of the undermentioned Closed Institutions which had not been accepted by Special Liquidators when they had been filed in accordance with the provisions of Article 1 paragraph 1 of the Joint Ministerial Ordinance No. 1 (before amendment).

Any one who has above claim (as for stocks, shares and bank deposits, filing of claim is not necessary) is requested to file his claim in conformity with the undermentioned instructions by July 16, 1951. In case a creditor does not file his claim within the time limit, it will be excluded from Special Liquidation, with the exception that a creditor who has known claim, whether it is filed or not, will not be excluded from Special Liquidations of the abovementioned Closed Institutions.

Creditors who are excluded from Special Liquidation can demand the payment of their claims only with respect to surplus assets remaining after all other creditors who are not excluded from Special Liquidations of the abovementioned Closed Institutions have been paid:

(1) Claims are to be filed at the Tokyo Office or Osaka Office of the Closed Institutions Liquidating Commission. However, the claims against the Closed Institution, Taihei Lumber, Co., Ltd. and the Closed Institution, the Japan Publications Distributing Co., Ltd. are to be filed at their respective Liquidation Office;

(2) For filing claims the regular forms are to be used which are obtainable at the Tokyo Office and Osaka Office of the Closed Institutions Liquidating Commission, the Liquidation Offices of the Taihei Lumber Co., Ltd. and the Japan Publications Distributing Co., Ltd., or at all offices of the Bank of Japan.

If a creditor requires to have them sent by mail, please inform us to that effect by enclosing a stamped return envelope addressed to him.

The Closed Institutions against which the claims are to be filed are institutions designated pursuant to the provisions of Article 1 of the Closed Institutions Ordinance, except those institutions of which their Special Liquidation has been completed by the Public Notices (1st-15th series, inclusive).

Remarks:

1. The "Amount on hand as of the end of preceding fiscal year" shall indicate the amount on hand as of the end of the fiscal year prior to the preceding fiscal year of the fiscal year to which the day of preparation of this table belongs.
2. The column "Amount of issuance of the relevant fiscal year" shall be filled according to the classification of the fiscal year to which the revenues belong as provided for by Article 145 of the Local Autonomy Law Enforcement Order. Accordingly, the amounts received as the revenues from the local borrowings of the relevant fiscal year during the period from the end of the relevant fiscal year to the day of closing of the accounts shall be counted as the amounts of issuance of the relevant fiscal year. In other words, the amount of issuance of the relevant fiscal year shall be entered in the column.
3. The column "Amount of redemption of the relevant fiscal year" shall be filled according to the classification of the fiscal year to which the expenditures belong as provided for by Article 146 item (3) of the Local Autonomy Law and the amount of redemption already disbursed in the relevant fiscal year shall be entered in the column. The "Interest" shall not include the interests on temporary loans payable.
4. The "Balance" shall be the amount computed by deducting the "Amount of redemption of the relevant fiscal year" from the sum of the "Amount on hand as of the end of the preceding fiscal year" and "Amount of issuance of the relevant fiscal year". The "Amount on hand of the preceding fiscal year" of the following fiscal year shall coincide with the "Balance" of the relevant fiscal year. In case where the two figures do not coincide with each other, the reasons for the discrepancy shall be clearly stated on the table.
5. As for the "converted borrowing", the amounts newly borrowed shall be entered in the column "Amount of issuance of the relevant fiscal year" and the amounts of redeemed old borrowings shall be entered in the column "Amount of redemption of the relevant fiscal year".
6. The column "Description" shall be filled generally according to the following classifications:
   a. "Education expenses".....Expenses for primary schools, middle schools, higher schools, schools for the blind, schools for the deaf and dumb, libraries, etc.
   b. "Police expenses".....Expenses for police stations, police communication facilities, etc.
   c. "Fire-defense expenses".....Expenses for offices and stations, fire-defense cars, fire defense communication facilities, fire-defense reservoirs, etc.
   d. "Sanitary expenses".....Expenses for swerage, epidemic wards, isolated wards, clinics, health centers, crematories, filth management places, dust incineration place, etc.
   e. "Ordinary civil engineering expenses".....Expenses for roads, bridges, rivers, harbors, bays, canals, reclamations, river-water controls, city plannings, prevention of disasters, etc.
   f. "Agricultural civil engineering expenses".....Expenses for cultivations, reclamation by drainage, agricultural utilization of water, agricultural roads, reservoirs, etc.
   g. "Industry & economic expenses".....Expenses for forest roads, afforestations, protection against sand, fishing ports, harbors, etc.
   h. "Welfare & labor expenses".....Expenses for residential houses, apartment house for widows and children, etc.
   i. "Expenses for rehabilitation following natural disasters":
      "Agriculture, forestry & fishery" indicates the rehabilitation of agricultural civil engineering facilities, fishing ports facilities, forest roads and sand preventive facilities suffered from natural disasters; "Others" indicates the rehabilitation following natural disasters of public facilities other than the civil engineerings and agriculture, forestry and fishery.
      Note: In general, the disaster shall pay no regard to the kind of disasters, such as damages caused by storms, fire, earthquake and flood, etc. The disasters relief expenses, therefore, shall be included in the present item.
   j. "Expenses for rehabilitation of war damage".....Expenses for rehabilitation of damages of facilities for official or public use caused by the war.
   k. "Public enterprise".....Public enterprises prescribed in Article 5 of the Local Finance Law.
7. The amount of investment and loans receivable or the amount of sublease shall be entered in the respective relevant column according to their objects.
8. In case where there is any business which is not included in any one of the listed businesses, its contents shall be clearly stated by establishing the column "Others".
