COMMUNITY CLUB NOTES

On Tuesday, April 3, at 3 o'clock, there will be an election of officers for the following year. All members are earnestly requested to be present, and vote for the ladies they wish to handle the affairs of our club next year. Mrs. J. F. Donnelly, Mrs. Carroll Downes and Mrs. C. T. Moore will be hostesses for the occasion.

Anyone who has not paid their dues, will please do so before Tuesday, that they may be eligible to vote.

The Woman's Community Club met in the Y. M. C. A. as usual on Tuesday, March 20, at 3 o'clock. After having dispensed with the business of the day, the meeting was turned over to Mrs. W. S. Lee whose subject dwelt on Food Conditions—Past and Present. The audience were loath to disperse when Mrs. Lee was obliged to leave for the 5.47 train. Mrs. Lee has devoted a great many years to the study of food conditions, and her many revelations awakened a keen interest among the women present. We feel that Mrs. Lee has still much more to tell us, and hope to have her again in the near future. Mrs. Edgar H. Cockrill and Mrs. J. W. Joyce did justice to the occasion as hostesses.

A RECEPTION

On Wednesday evening, March 21, in the pretty parlors of the Methodist Episcopal Church, an informal but hearty and enthusiastic reception was tendered Rev. and Mrs. Koppel and daughter, including all new members recently joining the church.

The women of the Ladies' Aid Society with Mrs. Pattison, Jr., as chairman, assisted by Mrs. Ward, Mrs. Jas. Scott, Mrs. Siler and Mrs. Geo. Merritt Davis, certainly planned well, as both pastor and wife, new members and all, had a most enjoyable time. Mr. Chas. Kramer, in a few well chosen remarks, made the address of welcome, and the pastor made a brief reply.

Mrs. Ward, president of the Ladies' Aid Society, presented Mrs. Koppel, in behalf of the members of the church, with a beautiful bouquet of spring flowers.

Two solos were very well rendered by Mrs. Matthews, after which the reading by Mr. Stites was appreciated by all.

After a general handshake and getting acquainted, refreshments were served.

COMMUNITY BUYING— ARE YOU INTERESTED?

Forming a "Co-operative Club" to Buy in Large Quantities Direct From Producer to Consumer

If the Merion women can do this why can't the women of Narberth profit by their experience?

A movement of this kind is afoot all along the Main Line and has existed successfully for some time past in some of the Main Line towns.

The present exorbitant prices demand we do something. Are you willing to co-operate? A committee from the Women's Community Club recently met at the home of Mrs. Anna B. Scott, Merion, and were given all the data as to the above method of purchasing necessary commodities for our table.

Some afternoon in the near future an exhibition of the produce at present available will be held in Narberth under the auspices of the Women's Community Club. Mrs. Anna B. Scott, Merion, and will explain in detail. Every housekeeper in Narberth is urgently requested to be present and lend her support and enthusiasm to a movement that will give her access to the best grade of food obtainable at prices that will neither stagger her mentality nor cripple her purse. It's up to you! Watch this paper for further details.

Why Not Utilize the Vacant Lots in Narberth?

(By Reader)

Since all over the land the appalling cost of food is being investigated, and methods, good, bad and indifferent being formulated by which to reduce the cost of living, our government, through the Department of Agriculture in Washington, is highly advocating home gardens as one solution of this problem. Even in a suburban town like Narberth many householders have not the ground necessary for a garden, but why not utilize the many vacant lots? Mrs. H. R. Cook, Jr., chairman of the Civics Committee of the Community Club, will be glad to receive the names of any lot owners in the borough who would give the use of their land during the summer months for gardening purposes. If you have never had your own little vegetable garden, then you have missed half the joy of living in the suburbs. Philadelphia and a number of other cities have adopted this plan and are hoping to help many of the people to whom the privilege of gardening is given by this plan. Some seeds are given free and literature dealing with home gardens is also dispensed by the Bureau of Agriculture in Washington.

Women's Auxiliary of the Narberth Y. M. C. A. Notes

The regular monthly meeting of the auxiliary will be held in the Y. M. C. A. Building on Thursday, April 5, at 2.30 promptly. As there are several important matters to be discussed to a satisfactory finish, it is hoped that every member will attend.

The canvass for magazine subscriptions has been completed, and we are delighted to advise all interested in this little enterprise that 250 subscriptions were mailed to the publisher by Monday, March 26, one week in advance of the time limit, which was midnight of April 1. We hope to display our prize of one hundred dollars for the Y. M. C. A. at our regular monthly meeting on April 5.

The birthday bags are still being returned to us. On the evening of the party we banked \$95, and since then we have received offerings amounting to \$12. We will gladly call for any other bags which have been filled, but not delivered.

The Demonstration Supper is scheduled for Thursday, April 19, at 6.30 P. M. As covers will only be laid for 135, after the Board of Directors, managers and auxiliary are supplied, there will be but a few available places, which will be disposed of in the order of applications received. The supper is highly recommended by our Narberth Presbyterian friends who enjoyed a similar one in February, and we anticipate a very interesting and delightful hour sampling pure foods, prepared in the proper manner.

This is the third effort on the part of the auxiliary to assist the Y. M. C. A. financially, and as we have enjoyed and are most grateful for such a magnificent response from the residents of our home town, to both of our previous undertakings, we sincerely hope to have every chair occupied on the evening in question. The cards are thirty-five cents and application for same may be mailed to Mrs. Alex. Chambley, secretary.

NARBERTH BRANCH WOMAN'S SUFFRAGE PARTY

The regular meeting of the Woman's Suffrage will take place Thursday afternoon, 3 o'clock sharp, at Mrs. Clarence Fowler's, 109 Windsor avenue. It is important that all should attend this meeting.

TENNIS ASS'N HOLDS ANNUAL DINNER

Full Quorum Present at Annual Meeting—By-Laws Changed and New Offices Created

BY ONE PRESENT

The annual meeting of the Narberth Tennis Association was held in Elm Hall on Saturday night last, being preceded by a dinner and followed by a dance. For the first time in the history of the organization, it is said, a full quorum was present for the transaction. (note by the editor: "There is more than one meaning to the word 'full.' This is taken to be in the academic sense only.")

The meeting was called to order by President Cowin and on motion the reading of the minutes was dispensed with. After hearing the report of the secretary-treasurer, which showed a comfortable balance in the war chest (military stuff).—Editor: "That's no way to write a news story. How much money does this association have left?" Reporter: "I don't know. I never was any good at figures. Ask Bill Kirkpatrick. They must have a lot of it because they set up a cracking good feed."

Well, after that the steam roller began work and a motion was put to change the order of business so that Bill Hall could amend the by-laws. Take it from me, he did. The main object was to make two officials grow where one grew before, that is, to have a secretary and a treasurer instead of a secretary-treasurer. Then some more was rushed through and the by-laws were mended through and until no one could recognize them and the new secretary was told to have them printed so that the members could find out what they contain.

The officers were elected in a hurry because Thorney Grugan wanted to dance with his wife. So did Bob Pattison with his wife. Those elected were: President, Walter Cowin; vice-president, W. R. D. Hall; secretary, C. L. Warwick; treasurer, Carl B. Metzgar. Board of Government—A. Perry Redifer, A. Thornton Grugan and W. J. Kirkpatrick. Then the meeting adjourned and everybody danced until the musicians had to run to get the last train in. (Editor: "This was not written by a member of the staff." Reporter: "Thanks.")

EDITORIAL

A General Letter to the Community of Narberth, Pa.

The great importance of physical training to the school children of this community, yes, to the race itself, must be apparent to everyone, especially when we realize that the boys and girls of to-day will be the men and women of to-morrow, who will build our homes, make our laws and conduct our affairs. Now, should we now give these future men and women every opportunity to develop not only their mental but also their physical powers, so that they may reach that ideal state, "A sound mind in a sound body?"

We must realize that education to-day no longer means the mere training of the mental faculties, but that it means the production of the finest specimens of manhood and womanhood possible, and for this reason have the modern educators advocated adding "physical training and play" to the school curriculum and to the community at large.

Some people may approach this task with fear, or with doubt, believing that the work will prove intricate and difficult, in proportion to its great importance, but if there are any such people, let me assure them that there is nothing to fear or to get worried about. The teaching of physical training exercises will be a comparatively easy task, for the exercises consist of simple natural movements of different parts of the body in certain given directions in several different ways, and of games and plays suited to the different ages and grades of the boys and girls. These will make for order, discipline, obedience, better health and increased organic strength which will enable your boy or girl to master the school work in less time than it now takes to do it.

Therefore, I appeal for your assistance in this great work; for the visits of the parents to the building and to the physical department itself, which

will mean but little unless they be supplemented by your earnest co-operation and support. In fact the success of this work in the borough of Narberth depends largely upon the parents, and I ask you to give this work your best efforts, so that we may help our boys and girls to develop into the highest type of citizenship, who will be ready and able to fulfill every call of duty that their families, their schools or their country may make upon them.

Chas. W. Schaeffer,
General Secretary of the Narberth Y. M. C. A.

To the Editor of Our Town:
Will the Civic Association please look at the lots on Chestnut avenue? People use them for a dump.

A Property Holder.

To the Citizens of Narberth:
While the appeal for subscriptions to a fund for the benefit of the late William Humphries has met with a quick response in some quarters, the great bulk of our residents are still to be heard from. The committee does not feel that urging is necessary, knowing that the case will appeal to the sympathies of the whole-hearted people of Narberth, but it requests that subscriptions be sent in as early as possible so that the committee may know just what amount it will have at its disposal and arrange its plans accordingly.

Don't put the matter off, please. "Do it now!"

A local builder has started the fund with a donation of \$100. Your little bit will be welcome, doubly so if you act quickly.

The Committee,
Robert Savill, Treasurer.

THE CUB

"New York's the best and only"
Philadelphia "slow and tame,"
And yet he has been known to say
He's lived far better every way
Since he to Narberth came.

At gardening he's a dabster,
I'm told it's really true.
That once between spring and fall
Two kinds of dahlias fair and tall
Within his dooryard grew.

If he but owned five acres,
Gee! how he'd blow his horn;
He'd tell the farmers when to sow;
Just how to plow and plant and hoe.
And when to husk their corn.

But as for raising roses,
At that he beats the band;
A crackerjack at office work,
He never tries a task to shirk,
But he'd love to till the land.

You ask how old the Cub is,
Why, I'll tell you in a trice;
He's just the age of C. Depew,
And looks exactly like him, too;
Besides, he's just as nice.

All or any of these are dedicated to the Cub by Tennyson Locke, Frank Bedford may not like them, but Howard Wilson will recognize them as the truth. Wynnewood papers please copy. One may be read at the next meeting of the school board, provided it is in executive session.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

Perry Redifer wants Narberth to adopt the daylight saving scheme now in vogue in some European countries. The idea is to push the hands of the clock forward an hour during the spring and summer months. That would be all very fine, if the whole United States adopted the idea. The 8.13 would come along at what is now 7.13; the 5.40 would leave Broad street at the equivalent of 4.40 now, and so on. We'd go to bed an hour earlier and get up that much earlier—in theory anyway. Walter Cowan, take notice! Base ball games could start at 5 o'clock instead of 4 o'clock and give more of us a chance to see them. We'd have more daylight for tennis and there would be less chance for some people I know to make excuses for poor games.

However, as I have observed before, we can't go to it alone. You and I might go to work an hour earlier, but would the boss agree to let us off 60 minutes sooner on that account? You know bosses are notoriously ungrateful and unappreciative. The P. R. R. wouldn't run the 8.13 at 7.13 for our special benefit, complications at other and less important stations would result.

The idea is all right, Perry, but there must be co-operation with other places—for instance, Philadelphia.

P. S.—There is one feature of the whole thing you haven't thought of, perhaps, and it's not to be ignored. Remember an extra hour of tennis would mean that your dinner would have to be put back an hour. Would you have to consult any one? Would you wash the dishes? Would Jim McKell? Guess we'd better let well enough alone, eh?

Scanning the dog license list, I could not help being impressed with the unusual preponderance of male over female dogs "in our midst." Haven't some of them funny names for male dogs?

It may be necessary to ring the bell of the fire engine when going to a fire at 3 o'clock in the morning, but is there really any need of making such an awful racket when returning to the fire house? Whoever it is that takes that bell for a toy to be played with, will confer a favor on us if he will select more appropriate hours for his playtime.

Caldwell & Co. have an inquiry for property from one Nicholas Romanoff and are in a quandary as to whether this party is the erstwhile Czar of Russia, or a friend of Earnest's. Consequently they are debating whether to show him brother Charles' property or one of Harris' houses.

We overheard Fire Chief Noel say that he is willing to go to the front in case of war, and that he would be glad to lead his fire ladders. "Captain Noel" would sound pretty good. Charley is a veteran of the Spanish-American War and was with the First Regiment, Pennsylvania Volunteers. Says he did not get further than Tampa. His memory is weak, apparently, after a lapse of 19 years, as the records show the First didn't get away from Chickamauga. Of course, he might have been a scout, that would explain his presence in Tampa.

Since Ray Jones bought a Ford, it has put Fred Rose to great incon-

Come Along, Then, Big Folks!

It will still be the Boys' and Girls' Contest, with the Big Folks as specially invited guests, for a lot of requests have been made to have it so—and we again say, the more the merrier for all of us! Welcome, everybody—and good luck to all of you! No end of awards—no end of fun, instruction and experience! Let's all be governed by the few rules printed in last week's issue (copies on request)—and make sure that YOU are represented—directly or indirectly. THE HOWARD AD-WRITING COMPETITION

Howard has doubled his floor space and facilities since he established in Narberth a few years ago. Howard's volume of sales has never failed to show an increase monthly. Its present total, as we said in a recent advertisement, far exceeds our fondest expectations. Howard's prescription practice is one of the largest in Montgomery County.

Howard's prices are always based on the lowest of city levels—and customers get the benefit of every concession he can possibly make.

Howard strives always to make customers—not merely to make sales.

Howard delivers anywhere—any time—the amount of the purchase makes no difference.

venience, as formerly he could take the 10.17 or 10.47, while now he has to meet the jitney at Dudley avenue at 8.30.

Was the compositor having fun with the new school director when he called him Mr. Rise in last week's issue? Reminds me that when the teacher said: "Henry, rise," Henry Rose. Whiskers on that.

Some people are born lucky, some have luck thrust upon them and some acquire it. Mr. A. J. Loos qualifies for the three. He bought a new lid and wore it for the first time last Saturday. While standing at the station, the lid was lifted by the wind. Just then a train came along. Lid flew under the train, didn't touch the wheels, came out on the other side, flew up in the air, circled gracefully, hit the roof of the shed and then alighted on the Augustus head, not even soiled.

For the sake of lessening his ebullient, Arthur Cole leaves his home, three blocks from the station, just thirty seconds before the 8.13 is due and springs all the way to the station. That's too tame for him now. His record is twenty-five seconds, but he still carries most of his surplus bulk. To make sure of ridding himself of the extra flesh, he proposes to give himself two minutes' start in the future and beat the train to Overbrook.

At last! A man called me a journalist the other day. How about that raise now?

ALL SAINTS' P. E. CHURCH.

Rev. Andrew S. Burke, Pastor.

The services at All Saints' P. E. Church, Montgomery and Wynnewood avenues, for next Sunday are as follows: 8.00 A. M.—Holy communion. 9.45 A. M.—Sunday School. 11.00 A. M.—Holy communion and sermon. 3.00 P. M.—Confirmation class instructions. 4.00 P. M.—Evening prayer.

The weekday services this week will be at 4.30 o'clock on Wednesday afternoon, 10 o'clock Friday morning and 4.30 on Friday afternoon.

The Friday afternoon service has been specially arranged for the children as well as their parents or friends, and only lasts about a half hour, so you are most cordially invited to accept the invitation to be present next Friday afternoon. These services have had an attendance from fifty to fifty-five, so let us try and make it seventy next Friday.

Church busses leave Narberth and Wynnewood stations at 10.40 on Sunday mornings. They ride you to and from the church free of charge; so, by all means, use them.

PASTOR SWIFT'S REVIVAL.

Special Services to Continue for Two Weeks—Conducted by the Pastor.

The series of special services at the Baptist Church began with the Sunday services, which were largely attended.

The preaching is being done by the pastor, Rev. Emerson L. Swift, who has already demonstrated his ability as a sound preacher of the gospel, and the members of the church as well as many others are pleased to have this opportunity of hearing him in this series of sermons along evangelistic lines.

The pastor took for his text Sunday morning, Psalm 85:6 and Hab. 3:2. His subject, "The Revival Prayer," was presented in a forceful manner, showing the realization of need, then the desire for God's help. He urged the people to continue their prayers and a genuine revival would come. The sermon held the closest attention of an audience which filled the church. Mr. Swift is a pleasing speaker, and his messages are sound, convincing and effective.

At the evening services the pastor's subject was, "What?" this being the first of a series of sermons on Man, to be delivered each night this week. The question "What is Man?" is one of the great questions which come to our thought, not the cry of the pessimist but of the student who wishes to know self. He traced the various theories of philosophers and scientists, and showed that the only satisfying belief is based on God as the foundation. God has made man a master of material things and given him dominion. Russia's recent experience is a demonstration of the exaltation of man. Our greatest exaltation comes in the restoration through Christ. This sermon was said by many to be one of the most scholarly and profound heard in this city. The church was crowded and the speaker had the full attention of the large congregation. The sermons each evening this week will be a continuation of the study of "Man."

There will be services each evening during the week, beginning with the song service at 7.30. A cordial invitation is extended to all to attend these services and enjoy the sound gospel message as presented by this gifted minister.

Y. M. C. A. NOTES OF WEEK

We did not receive a very hearty response to our appeal of last week calling for some of those books which you have no further use for and the opportunity is still open for book contributions for the community library located in the Y. M. C. A. Building. Look those old books over now and drop us a card while you are thinking of it.

This Saturday night the Main Line basket ball championship will be played on our home floor with the last five of Ardmore, while the Narberth Boys' Club will play the Championship Edison team, also from the Ardmore Y. M. C. A. Admission for these championship games will be 15 cents for the grown-ups and 10 cents for those under sixteen. As this will be the last game of the season, it is our earnest hope that the balcony will be overcrowded. Come one, come all.

For the general information of the community of Narberth:

We, the undersigned, have organized ourselves into a club and have termed same the ladies' gym class of the Narberth Y. M. C. A.

In so doing, we pay to the Y. M. C. A. an annual fee of \$2, which entitles the club to all privileges of the gymnasium and dressing rooms, we supplying an instructress from funds raised by us.

This class is open to all who have the desire of gaining physical education and whose name must be proposed by one who is now a member of this large club. Miss Maude Wipf, Miss Florence Jacoby, Miss Edna Selfridge, Mrs. Arthur Cole, Mrs. John Roberts, Mrs. Helene Gara, Mrs. Robert Pattison, Jr., Miss Fanny Loos, Mrs. Albert Cliff, Mrs. Robert Savill, Mrs. E. C. Anderson, Mrs. James G. Poote, Mrs. Eugene Hurth, Mrs. C. Elmann, Mrs. Dudley E. Wiltse, Mrs. Hesse Harris.

Remember—every Thursday, 10.45, at Y. M. C. A. gym.

THE FIRESIDE

(Continued from First Page)

serious accident, at which time he broke his arm.

Our very popular public school teacher, Miss Nellie Wetherill, is still indisposed, and we are sure all the first graders will be very good until she feels better again.

The Narberth Fire Company was called to a fire at Lippincott's on State road on Friday morning about 5 o'clock. The garage and stable were completely destroyed, including two automobiles.

Auto license fees for 1917 are establishing new records in Pennsylvania. The total is now nearing the \$2,000,000, which will be passed this week. Last year it was not passed until June 11. More than 276,000 licenses have been issued.

The vaudeville and moving pictures given by the Senior Producing Company for the Senior Class of the Public School were a grand success. It was the largest audience ever accommodated in the Arcade. About one hundred dollars was realized. This show was most ably managed by Mrs. Carroll Downes, of Narberth.

Captain James I. Donaghy and Lower Merion policemen who handled the traffic at the recent wedding of Miss Eleanor De Graff Cuyler to Mr. Joseph Walker, 3d, at Haverford, were so efficient that Thomas De Witt Cuyler, the bride's father, wrote to Township Commissioner John Lewis Evans, of Haverford, that he would give \$1000 to start a pension fund for the Lower Merion police department.

Prof. Green, of West Chester, will lecture on "The Nature and Worth of Wit and Humor," in the school auditorium, Friday, April 6, at 8.15 P. M. Admission, thirty-five cents. This is the third lecture given under the direction of the Narberth High School Alumni Association for the benefit of the school. Everybody enjoys hearing Dr. Green, so let's see if we can't accord him the large audience to which he is accustomed.

The Narberth Boys' Club had a continuous banquet at the home of Arthur Cooke. The banquet started at 7.30

and continued until midnight. They had the lucky number of thirteen present. The menu consisted of ten quarts of ice cream, three cases of soft drinks, eighty-four sandwiches, two quarts of olives and several other things including six large layer cakes. The party broke up in harmony and everybody was feeling fine.

Please do not wait until someone calls upon you to collect your subscription. Just help us along by mailing it to "Our Town" to-day. This paper is your paper, and you should support it. No one derives any income from any work done, so why shouldn't you help by just attending to your own personal subscription? This much, at least, is your duty.

Mechanics and other workmen, who are willing to accept government positions either at once or at a future time when needed, are advised to inquire at the post office. Among the list of employees needed are carpenters, assemblers, blacksmiths, electricians, inspectors, laborers, millers, drop forgers, polishers, tool grinders, wood workers, etc.

Mr. and Mrs. Jesse Harris entertained the following at cards on Saturday evening: Mr. and Mrs. L. Hatfield, East Orange, N. J.; Mr. and Mrs. Burlingame, of Bryn Mawr; Miss Florence McWiggin, of Philadelphia; Mr. and Mrs. Nash, Mr. and Mrs. C. E. Ludovici, Mr. and Mrs. Howard C. Pierce, Mr. and Mrs. William Livingston and Mr. and Mrs. Robert Caldwell, of Narberth.

"Why Go to the City?"

Important change at Arcade Theatre, Narberth! The program of vaudeville on Saturday nights has been discontinued, and the management has arranged for a most pleasing program of strictly up-to-date photoplays of quality only. These exceptionally fine pictures will continue every Saturday throughout the summer and are sure to meet with the approval from everyone in Narberth. Free souvenirs with the first program this Saturday, March 31.

We shall have the privilege of hearing Dr. Green, on Friday, April 6, at the school auditorium. Keep the date open, and make the best of this opportunity, as we don't know when we can get Dr. Green here again. He will lecture on "The Nature, and Worth of Wit and Humor," which sounds intensely interesting and enticing. Give him a good audience, and show him that Narberth people can enjoy something intellectual once in a while. This is one of the course of lectures under the direction of the Narberth High School Alumni Association. No single lecture tickets have been issued. Just pay at the door, the mere sum of 35 cents.

The above department should be of the greatest use to the community. The list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
