

Wiki Science Competition 2021

The BIGGEST Science Photography and Imagery Competition!

Who can participate

Everyone can participate! Amateurs, professionals, people of all ages!

How to participate

Take or create **any** science-related image/video/scheme/graph: from archeology to volcanology, from zoology to organic chemistry ...

The competition has **7** categories: **People in Science**, **Microscopy images**, **Non-photographic media**, **Image sets**, **Wildlife & Nature**, **Astronomy**, **General category**

If you think that your file could illustrate a **scientific article** on an **encyclopedia** or a **newspaper**, then... it's suitable for this competition!

Register at commons.wikimedia.org, providing your e-mail address.

Do not forget to add a good scientific description!

Warning! The user must also be the author of the uploaded files (except for institutional accounts).

All files must be **freely licensed** (e.g. CC-BY) and become part of Wikimedia Commons, Wikipédia's multimedia database.

Time schedule

🇨🇭 Start and deadline of Swiss national competition 🇨🇭

15 November - 15 December

December 2021 - January 2022 Selection period.

April 2022 Declaration of International Winners.
