

It is Mr. Belcher's goal is to return to playing basketball competitively as soon as possible, and hence he is eager to start the hand and wrist range of motion exercises that will help him regain the movements limited during his immobilization period.

It is our hope that with your help, Mr. Belcher can return to his pre-existing quality of life soon.

Sincerely,

A handwritten signature in black ink, consisting of a stylized initial 'N' followed by a horizontal line extending to the right.
