1. Commissioned officers paid at rates given in Table 3, as provided by act of May 13, 1908, will be allowed while occupying public quarters or quarters other than public, where gas, acetylene, electricity, or mineral-oil lamps are installed at the expense of the

United States, for each room to which his rank entitles him, for the period between September 1 and April 30, 1,500 cubic feet of gas, or 150 cubic feet of acetylene, or 20,000 watt-hours of electric current, or 4 gallons of mineral oil per month; and from May 1 to August 31, 900 cubic feet of gas, or 90 cubic feet of acetylene, or 12,000 watt-hours of electric current, or 3 gallons of mineral oil per month for each room to which entitled, which allowances may be considered accumulative within a fiscal year. Where an officer occupies quarters other than public, the lighting of which is measured by separate meter readings, settlement will be made by the Government, with the owner or authorized agent of the quarters, or agent of the company supplying the light, for the actual quantity of gas, acetylene, or electric current supplied. Where an officer occupies quarters other than public which are lighted by gas, acetylene, or electricity, and the meter readings, settlement will be made by the Government with the owner or authorized agent of the quarters, or agent of the company supplying the light, for the number of rooms to which the rank of the officer entitles him, in accordance with the prescribed allowance at the following rates: For electricity, 6 cents per kilowatt-hour; for gas, 80 cents per 1,000 cubic feet; for acetylene gas, 88 per 1,000 cubic feet. An officer occupying as quarters a number of rooms less than his authorized allowance will be entitled to mineral oil for such number of rooms only as he actually occupies.

2. At stations where light is furnished from a government plant, the charge for an excess used over the prescribed allowance will be the actual cost of manufacture in the case of electricity or gas, or the actual cost of mineral oil. If the prescribed allowance is exceeded, payment for such excess will be immediately deposited with the yard paymaster through whom the light is furnished.

3. Officers mentioned in paragraph 1, while occupying public quarters, or quarters other than public which are heated by a separate plant, will be furnished at the expense of the United States with the quantity of fuel set forth in the above table. This allowance is accumulative within a fiscal year. Where officers occupy quarters other than public, not heated by a separate plant, or for which it is impracticable to furnish fuel, fuel settlement will be made by the Government with the owner or authorized agent of such quarters for the heat at the rate of \$4 per cord for the fuel allowance for the kind of fuel to which the rank of the officer entitles him.

Merchantable oak wood is the standard fuel; the approximate equivalents of one cord of oak wood are as follows: 700 pounds anthracite coal, 2,100 pounds bituminous coal, 1 cord soft wood, 6,000 cubic feet gas, or 40 gallons fuel oil. (Art. 1118, N. R., 1909.)

A reasonable amount of an officer's allowance of fuel may be expended in kindling wood, which will be sold on the basis of its equivalent in oak wood.

Resolution requiring the Secretary of State to compile and print, once in every two years, a register of all officers and agents, civil, military, and naval, in the service of the United States.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That once in two years a register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September in each year in which a new Congress is to assemble, be compiled and printed under the direction of the Secretary for the Department of State. And to enable him to form such register, he, for his own department, and the heads of the other departments, respectively, shall, in due time, cause such lists as aforesaid of all officers and agents in their respective departments, including clerks, cadets, and midshipmen, to be made and lodged in the office of the Department of State. And the said list shall exhibit the amount of compensation, pay, and emoluments allowed to each officer, agent, clerk, and midshipmen, the state or country in which he was born, and where employed.

2. *Resolved,* That the Secretary of the Navy subjoin to the list of persons employed in his department, the names, force, and condition of all the ships and vessels belonging to the United States, and when and where built.

3. *Resolved,* That five hundred copies of the said register be printed; and that on the first Monday in January in each year, when a new Congress shall be assembled, there be delivered to the President, the Vice-President, each head of a department, each Member of the Senate and House of Representatives of the United States, one copy of such register; and to the Secretary of the Senate and Clerk of the House of Representatives, each ten copies, for the use of their respective Houses; that twenty-five copies shall be deposited in the Library of the United States at the seat of government, to be used like other books in that Library, and that the residue of the said copies be disposed of in such manner as Congress shall from time to time direct.

4. *Resolved,* That, for the information of the present Congress, such register as aforesaid be prepared and distributed as aforesaid on the first day of its next session.

Approved, April 27, 1816.

Resolution respecting the Biennial Register:

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution passed on the twenty-seventh of April, one thousand eight hundred and sixteen, there shall be included a correct list, in the next register, of all printers of the laws of the United States subsequent to the thirtieth of September, one thousand eight hundred and thirty-one, to the thirtieth September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers within the period aforesaid in any way employed by Congress, or by any department or officer of the Government, with the compensation allowed to each, designating the department or officer causing the printing to be executed; and that said register shall contain a correct statement of all allowances made by the Postmaster-General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract and the sums as additional allowance. And to enable the Secretary of State to comply with this resolution, the several heads of departments and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists and the matter thereby required to be added to be lodged in the office of the Department of State, as is directed in other cases by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

Resolved, That said register shall contain a correct list of the presidents, cashiers, and directors of the Bank of the United States and its branches in office on the thirtieth of September, eighteen hundred and thirty-three, which list shall be transmitted by the president of said bank to the Secretary of State by the first Monday of October, one thousand eight hundred and thirty-three.
