## BOROUGH BUSINESS PUSHED BY COUNCIL

### Assessment Committee Appointed

An adjourned meeting of the Council of the Borough of Narberth was held July 26 in the Fire House Council Chamber.

The meeting was called to order by President Narrigan at 8.20 P. M., the following members being present, Messrs. Henderson, Humphries, Redifer, Saville, Stokes and Narrigan.

Mr. Redifer moved (seconded by Mr. Henderson) that the Highway Committee be authorized to serve notices for sidewalks, curbs and gutters on Hampden avenue, between Woodbine and Windsor avenues, in compliance with Ordinance No. 158 as follows:

An ordinance requiring the laying of sidewalks, curbs and gutters on Iona and Hampden avenues between Windsor and Woodbine avenues. Passed by Council the eighth day of June, 1914, and approved by the burgess the thirteenth day of June A. D. 1914. Carried.

Mr. Redifer moved (seconded by Mr. Henderson) that the Highway Committee be authorized to proceed with the macadamizing of Hampden avenue as soon as the curbs, gutters and sidewalks are laid, from Windsor to Woodbine avenue. Carried.

Mr. Henderson moved (seconded by Mr. Saville) that the Highway Committee be authorized to construct the necessary culvert on Wynnewood avenue between Rockland and Merion avenue, so as not to delay the contractor in laying sidewalks, curbs and gutters.

Mr. Saville moved (seconded by Mr. Henderson) that the Highway Committee be authorized to proceed with the work of laying sidewalks, curbs and gutters on Narberth avenue from Woodbine avenue to Montgomery avenue. Carried.

Mr. Saville moved (seconded by Mr. Henderson) that the Street Commissioner be authorized to make changes at the corner of Essex avenue and Haverford avenue that will relieve the overflow of water at that point. Carried.

Mr. Stokes moved (seconded by Mr. Redifer) and carried, that Messrs. Narrigan, Redifer and Saville be appointed a committee to secure information as to the assessed valuation of properties in the Borough of Narberth. Carried.

Mr. Stokes moved (seconded by Mr. Saville) that Council adjourn. Adjourned at 11.10 P. M.

### QUICK RECOVERY OF STOLEN GOODS.

#### Home of Chas. Yocum Robbed Last Saturday Morning—Goods Found Same Day.

Last Saturday morning the home of Chas. Yocum, of Elm Terrace, was robbed of about \$300 worth of valuables, including silverware and jewelry.

The theft was reported to Constable Fred Walzer at 7 o'clock Saturday night, who, in turn, notified Captain Robt. Cameron, of the Philadelphia detective staff, and got on the job himself.

Capt. Cameron set his machinery to work promptly and at 9 o'clock Saturday night every item that had been missed was found in a pawnshop at 916 Filbert street, Philadelphia—one-half hour after the stolen goods had been pawned.

Up to the present time, there have been no satisfactory developments in locating the suspected thief.

### MONTGOMERY COUNTY FREED FROM QUARANTINE.

Eight more counties in Pennsylvania are freed from quarantine for the foot-and-mouth disease by an order of the U. S. Department of Agriculture, effective June 19. They are: Berks, Cumberland, Dauphin, Delaware, Montgomery, Lancaster, Schuylkill and Westmoreland.

## A PLEA FOR REVISED ASSESSMENTS AND BETTER ROADS

### A. J. Loos Points The Way to Progress and True Economy in The Conduct of Borough Business

Editor "Our Town":—The article in your issue of date July 22, on revision of tax assessments is of vital interest to every resident of Narberth. The plan to bring up the assessment of property to something near its real value, and to reduce the rate of taxation, is absolutely sound in theory, and feasible in practice. From every point of view, it is desirable. In a borough like ours, where every dollar is spent economically and honestly, there should be no objection on the part of any property owner to a fair assessment and a reasonable rate. In the past, our assessments have not been equitable, and the rate has been excessive. It is most gratifying to learn that these evils are recognized by our present assessor and council, and that they will co-operate with a committee of citizens to remedy them.

If this plan is carried into effect, it will enable our council to do the work that it simply cannot do under present conditions, with entirely inadequate funds. A simple illustration will show what an improvement in borough finances would result from such a reform. It has been said that our average assessment is only 50 per cent. of the real valuation. Taking our total valuation roughly at \$1,200,000, and increasing it from 50 per cent. to 85 per cent. would bring up the total to \$2,040,000. A tax rate of 2 per cent. on the present valuation would yield \$24,000, while a rate of 11-2 per cent. on the revised

assessment would yield \$30,600, or an increase in revenue of 27 1-2 per cent., and a DECREASE IN TAX RATE of 25 per cent.

It has been argued that it would be a mistake to raise our assessments, because in that case, our county taxes would be higher. While this is true, the amount of the increase in county taxation would amount to nothing compared to the harm that is done to the borough by the knowledge that our tax rate is excessively high. Furthermore, the additional money paid to the county comes back to the borough indirectly. Money paid in taxes should not be regarded as a loss, as citizens get full value for it in improved schools, roads, lighting, sewers, street cleaning, police protection, etc., etc.

It is not fair to our Borough Council to criticize it for leaving undone work that cannot be done for lack of funds, and it is not economy to leave the work undone. No sensible house-owner will allow his home to depreciate for lack of needed repairs; he realizes that the sooner they are done, the more economically they will be done, and the longer his house will last.

In connection with this subject, I wish to say a word in regard to the loan that was passed about two years ago, \$30,000, for the improvement of our highways. In a laudable effort to place the bonds covering this loan at 4 per cent instead of 4 1-2 per cent, the committee have not been success-

ful. The money market has not been favorable to so low a rate during this time, and the prospects are no better now. Meanwhile, the highway commissioners have been doing a little patchwork here and there, out of current income, and by creating a floating indebtedness. In doing this, they have not done justice to themselves, nor to the citizens who authorized the loan, who did not anticipate a delay of more than two years in having our roads made decent. Wynnewood avenue, bordering the borough, and Haverford avenue, in the borough, have become a reproach to Narberth, and are regarded as the last word in the possibilities of wretchedness in road-maintenance. To crown it all, we now have the humiliation of a circular letter, sent out by the Automobile Club of Philadelphia, soliciting its members to go down into their pockets to contribute \$1500 to add to Narberth's offer of \$1000, to put Wynnewood avenue in good condition! Our authorities have endeavored to obtain State help to put Wynnewood avenue in good condition, with no success as yet, but I understand there is still a possibility that this help may be extended. But when? We have reached the limit of endurance; the bonds should be sold at the best obtainable rate, and work started without further delay. Every day's delay means worse roads, and more money to put them in condition.

A. J. Loos.

## NARBERTH WINS FROM DUN & CO. IN 12TH, 4-3

### Davis and Simpson Deliver

Narberth in the twelfth inning again humbled the R. G. Dun & Co. A. A. by the score of 4-3. Strange to say, the last game with Dun & Co. went an extra inning and Gene Davis was the hero. Once more Gene came across with a hit, followed by Ensinger being hit with a pitched ball. Then our old friend, Harry Simpson, took the game to heart and lined out a long single, which scored Gene with the winning run. It was good base running by Gene who took a chance by coming home, but, as the old friends say, our luck was with us and Gene was safe.

Constable Walzer's famous slab artist, Gilmore, was at his best and held the runner-up team in the championship race to six hits, three of which were bunched in the fourth inning, which enabled them to put over two runs, while the other three were scattered as black birds are in the winter. Bob fanned 15, which goes to show the form he was in.

Narberth began to get busy in the second inning and scored two runs on Captain Fleck's single, Deegan's wild pitch, closely followed by Deegan's second error of the inning while throwing to first to catch Walter Humphries. Both Fleck and Humphries scored on Deegan's wildness in this error, coupled with Barker's out.

Up to the fourth inning, Dun had not gotten a semblance of a hit off of Gilmore, but H. Barnitz then got a single passed Stites and stole second, and scored on Storer's single to right field. Storer scored himself on De Frates single, but Baird ended the inning by grounding out via the Turner-Davis route.

Narberth did not allow the score to be tied long, for in their half of the fourth inning they scored another run on Walter Humphries' single and Frazier's error.

This ended the scoring until the ninth inning, when Dun tied up the score. Gilmore got himself in a hole by passing Storer much to his regret, but very delightful to the said Storer. Lahner refused to get out of the way of Bob's shoots and got a good paste in the ribs. Baird did the unexpected by shooting a single to left field which enabled Storer to score the tying run. In the meantime, DeFrates was fanned, and Dun's coacher during the excitement when Storer scored forgot his position and ran all around the infield and Lahner was declared out for his misbehavior. Strange enough to say, the last game with Dun, the coach forgot his position, and tried to hug Captain Fleck on his home run over the fence when he was rounding third.

Nothing doing until the twelfth inning, then the history book opened which enabled these few lines to be printed therein, as follows:

How It Happened.  
Now get this: Eugene Davis up to bat. The count two and none on him—two strikes, too. Then Deegan grooved one. Gene looked at him wind up. Deegan pitched. Gene hit a double. The crowd went wild. The fans thought and thought—Ensinger stepped to the bat in place of Barker. Deegan would not give Ed. a chance to hit, but soaked him in the arm. Then Harry Simpson stepped to the bat. He was mad. Harry hit the first ball pitched for a long single which enabled Gene to score. Can you imagine what the fans did? Why—they went wild.

## NARBERTH'S NOVEL IDEA

(Editorial in "The Evening Bulletin," Philadelphia, July 25.)

Not to be outdone by other Main Line towns in adopting striking civic ideas, Narberth has hit on one that is unusual enough to warrant special notice from other municipalities in this vicinity. It is about to undertake a revision of its tax assessments with the purpose of increasing the town's income and—herein lies the novelty—it is done with the full support and willingness of its enterprising taxpayers who believe that more money ought to be spent annually for public improvements.

The borough officials and the representatives of the various civic bodies have got together and decided that the present real estate assessments are too low. They have been based heretofore on a plane much below par, as in many other suburban places, instead of at what is generally believed to be a reasonable and a fair market value, and the consequence is that although the tax rate seems high compared with that in hundred per cent. assessment towns, it is actually much lower. Hence the simple expedient of bringing up all the valuations on an equalized basis, which will materially increase receipts and may permit of a reduction in the rate per hundred.

The contrast between the ducking and dodging of our own city officials and Councilmen whenever the question of fixing the rate is up and the business-like procedure of our neighbors across the county line is worth noting. In this respect, big Philadelphia might take a lesson from little Narberth.

## NARBERTH SIGNS NEW PITCHER.

Manager Walzer has announced the fact that Wm. McKenty, son of Warden McKenty, has been added to Narberth's pitching staff. McKenty has been pitching some remarkable games and should prove a valuable relief man to support Gilmore, who, up to this time, has borne the brunt of Narberth's battles—in a manner much to his credit, as the standing shows.

## THE AUTO CLUB LETTER ON NARBERTH AND WYNNEWOOD AVENUE.

The following is clipped from the Sunday "Record."

### NARBERTH LOOSENING UP.

Will Help Improve Non-Toll Main Line Route.

Announcement is made by Howard Longstreth, Vice President of the Philadelphia Automobile Club and chairman of the Good Roads Committee, that Narberth borough has at last agreed to rebuild the wretched portion of Wynnewood avenue, which forms the western boundary of the borough. This piece of road is an important link of the most direct non-toll route to the Main Line. It is proposed to build a well drained bituminous road, the cost of which will be approximately \$2500. The borough has agreed to contribute \$1,000, and the remaining \$1,500 must be raised by subscriptions. Over \$500 has already been subscribed, including amounts from several department stores.

This non-toll route is out Belmont avenue, left into Wynnewood avenue, left into City Line for 200 yards, crossing railroad bridge and then turning right into Wynnewood road. At Wynnewood station turn right under the station and then left to the second road. This brings one out on Montgomery avenue in Ardmore.

Note—This movement was started through the efforts of the county commissioners and in lieu of exercising a mutual legal right with Narberth to assess the abutting properties in a neighboring township.

### Y. M. C. A. NOTES.

"The young men of Narberth are its greatest asset. By their labors they create wealth; by their morals they create character; by their standards they determine its future. Invest your money in manhood—especially young manhood."

## SOME FISHING!

### Exciting Contest for Presidency of Main Line Fishing Club.

Four members of the Main Line Fishing Club, together with three of their Philadelphia friends, motored to Fortescue on Thursday evening and fished at 5 A. M. on Friday.

The Narberth men traveled on the automobile "Thespian," of Elmwood avenue. It is considered a bad actor, as the passengers were deposited on terra firma one-quarter mile from Fortescue, owing to lack of gasoline. The owner of the car claimed that if he had not been compelled to go four blocks out of the way to secure bait before starting on the trip the supply of gas would have been sufficient.

An agreement having been reached that the member catching the largest fish would be considered president pro tem., great excitement prevailed when a well-known painter and paperhanger of Narberth pulled up a four-pound croaker or Dutch shad, as they are sometimes called.

Not long afterward Charles Harbert, of Overbrook, brought up a large weakfish of almost the same size. While the discussion was at its height as to the quality of the two fish, another member suddenly pulled from the sea a large and apparently still heavier fish and claimed the honors of the day. Upon official investigation it was found that the paperhanger's fish had been purloined and skillfully attached to a hook and line and thrown overboard to be drawn up as a probable competitor of itself.

The pool for the hundredth fish to be landed went to Henry Rose, of Woodside avenue.

Upon weighing the two largest fish on return to shore a surprising incident occurred. The "Harbert weakfish" weighed more than the "Cummer croaker."

The investigating committee was again called to action, and the weakfish was found to contain at least six lead sinkers from the captain's fishing basket.

The mystery was cleared up and the Cummer fish declared the winner.

**EDITORIAL NOTES**

**"THE LAST CALL"**

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy" manuscripts—must reach the editors by 6 P. M. Monday each week.

Our amateur base ball team is certainly of a professional type in action!

Why are not the dogs of Narberth wearing muzzles during the dog-days season?

Our school officials do not seem aware of the fact that it is a misdemeanor to tack signs and reading notices on the poles and trees of our borough. Their auditors' report adorns several posts. There are special bulletin boards for this purpose and the columns of "Our Town" are open for use. Co-operation is invited.

**NARBERTH EXPRESS TRAINS.**

The 12.43 Paoli express on Saturdays, which makes Narberth its first stop, is a train much appreciated by Narberthites. It also must relieve congestion on the local which leaves at 12.45 to the advantage of the railroad. Why shouldn't the P. R. R. consider it just as good business to give Narberth a similar service at least once every week-day evening between 5.30 and 5.45? The local trains at this hour have few passengers after leaving Narberth. Why not speed the majority home?

**ASSESSMENTS AND ROADS.**

In another part of this issue of "Our Town" is a communication from A. J. Loos which crystallizes the sentiment of a large majority of Narberth folk on several phases of borough business that are most vexing, to say the least.

The movement for a satisfactory revision of tax assessments and rate has met with almost universal approval within our borough and in Philadelphia newspaper comment. The voluntary offer of co-operation on the part of the assessor, the president of Council, Councilmen, the Burgess and a large committee of citizens is one more example of the awakened civic consciousness within our midst that spells success to any movement into which it becomes injected.

As Mr. Loos has written in his communication, "It is not fair to our Borough Council to criticize it for leaving undone work that cannot be done for lack of funds." And we are all aware that borough funds are inadequate.

Keeping in mind these statements of fact, there is no adequate reason Council can advance for the delay of about two years in the matter of properly improving local roadbeds; and when Mr. Loos writes that, relative to this particular point, "we have reached the limit of endurance," he expresses the consensus of local opinion but mildly.

**WHAT CHIEF CONNELL SAYS ON REBUILDING ROADS.**

Chief Connell, of the Philadelphia Highway Bureau, says all the main traffic roads throughout the northwest and northeast sections of the city will have been placed in such perfect condition that an automobile trip can be taken over them without encountering ruts or dust. Montgomery county officials are co-operating in improving roads where the portions within their control form important links in main thoroughfares with those of the city.

**Secret of Good Roads.**

"These roads have been so substantially rebuilt," said Chief Connell, "that the problem before the city in the future is maintenance. If given attention each year with a coat of paint surfacing, they will need no other attention for years. The importance of rebuilding roads with the application of the most modern methods is shown by the results during the past three years. Every road that we have rebuilt has stood the test and remains in good condition. There ought not to be any makeshift repairs in the future. There was a time when New England boasted of the best roads in the country, but Philadelphia need not now take a back seat for any of the States. Liberal expenditures for good roads will bring big returns to any city, because good roads lure visitors, and they are traveling by automobile these days and demand good roads."

Note—Wynnewood avenue is an important link in a main thoroughfare to and from the city and Narberth is in Montgomery county. Why do we not get on the band wagon and do our share—better than the others, if possible?

**USE OF SWEET PEPPERS.**

Popular Vegetable—Easily Obtained in Most Markets—Peppers Eaten Alone and With Many Kinds of Food.

Sweet garden peppers, either green or after they have turned color, are deservedly popular vegetables, whose use has become common throughout the United States rather recently. Another name for this vegetable is pimiento. Sometimes it is called pimento, though this is not correct—pimento really meaning allspice. Sweet peppers can be grown easily in the garden and are a common market crop. They should have a place in the home vegetable plot, along with the sharp red peppers used for seasoning, pickles, etc., which they resemble in all respects except flavor, being mild, where the red peppers are biting.

Sweet peppers may well be planted generously, for they have many uses on the table and any surplus may be canned. Good methods for this purpose have been worked out by experts of the Department of Agriculture as part of the canning-club work. In large markets green peppers can be had almost all the year, as they bear shipment well. Raw green peppers are very useful for seasoning, for salad making, and so on. As is always the case with vegetables, they should be washed before use. They are used also in making many dishes, of which baked stuffed peppers is well known. The top of the pepper is cut off, the "core" and seeds removed, and the peppers filled with a well-seasoned stuffing and baked until tender and brown. If one wishes, a little butter and water or stock may be poured into the pan with the peppers to keep them moist. Corn-beef hash is a popular stuffing, as is boiled rice and chopped chicken seasoned with celery, a bit of onion, and so on. Rice and nuts may also be used, or a mixture of rice and vegetables with butter and seasoning. Before canning, and before cooking if one wishes (though this is not necessary), the outer skin of the peppers may be removed by placing them in a hot oven until the skin blisters and cracks, which should not be more than 10 minutes, and then removing it with the aid of a slender knife.

Sweet peppers, either fresh or canned, are particularly good chopped or pounded fine and mixed with cottage cheese. Such cheese may be served with salad or used as a filling for sandwiches and in similar ways. Department of Agriculture publications contain a number of suggestions for the use of sweet peppers and for making sweet pepper dishes. Some methods of preparing them, recently tested in the Office of Home Economics, follow:

- Cream of Pimiento Soup.**
- 2 tablespoons butter.
- 3 tablespoons flour.

Narberth, July 9, 1915.

- 2 ounces ripe pimientos, cut into small pieces.
- 1 cup water, or stock.
- 3 cups milk.
- A few drops onion juice.
- Salt.

Cook the pimientos in the water or stock until they are soft, and rub them through a sieve, saving the water. Melt the butter, and cook the flour in it, being careful not to brown the mixture. Add the milk, pimientos, and the water in which they were cooked, and reheat, stirring constantly. Season with the onion juice and salt. A small piece of onion cooked with the pimientos can be substituted for the onion juice.

**Creamed Eggs With Sweet Peppers.**

- 4 hard-boiled eggs.
- 3 tablespoons butter.
- 9 tablespoons flour.
- 1-2 teaspoon salt.
- 1 cup milk or cream.
- 1-2 cup juice from canned pimientos.

2 canned pimientos cut into small pieces. Heat together the butter and the flour until the flour is thoroughly cooked, being careful not to brown the mixture. Gradually add the milk and juice from the pimientos. Stir until smooth and add the pimientos and seasonings. Cut the eggs in slices or in quarters, pour the sauce over them and reheat in the oven. Sometimes this dish is covered with buttered crumbs and baked long enough to brown the top.

The hard-boiled eggs may be dropped into the sauce and then the mixture may be poured over toast or crackers or served with a border of boiled rice.

**Fried Sweet Peppers.**

Fried sweet peppers make an attractive garnish to serve with mutton chops, lamp chops, pork chops, ham, or veal cutlet. Clean the peppers as usual, cut into 3 or 4 pieces and saute until tender and lightly browned, using butter or other fat enough to keep them from burning. If canned peppers are used, drain carefully and allow them to stand until they have dried a little.

**Steak Smothered in Sweet Peppers.**

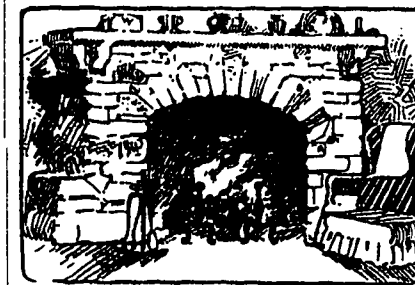

- 1-2 pounds beef round steak.
- 1 cup bread crumbs.
- 1 small onion.
- A little sage or mixed poultry seasoning.
- 1 quart of mixture of canned tomatoes and canned peppers, or
- 1 quart of mixture of fresh sweet

peppers and fresh tomatoes cut in slices.

Spread over the steak a layer of breadcrumbs mixed with the onion and other seasonings. Roll and tie into shape. Place the meat in a casserole or other dish with a cover. Pour the tomatoes and pepper over the meat and cook very slowly in the oven or on top of the stove for 3 or 4 hours. If the tomatoes and peppers do not cover the meat, add a little boiling water.

Veal cutlet can be used in place of steak.

Many other recipes are given in a circular recently issued by the department, which is intended primarily for the canning clubs, but is of much interest to housewives who wish recipes for peppers. The first part of the circular deals with the cultivation and growth of peppers. This circular may be had free upon application to the department.

**THE FIRESIDE**

By Lady Narberth

Miss Mary Peebles came up from Ocean City to witness the Dun-Narberth base ball game Saturday. She spent the week-end with Mrs. Carroll Downes.

Mr. and Mrs. Edward C. Jacoby, of Iona avenue, will leave early in September for Cape May, N. J., to remain until early fall.

Mr. and Mrs. Lewis D. Hess, of Dudley avenue, expect to spend August at Cape May, N. J.

Mrs. E. L. Swift is now at Brooke, Va., where she will camp out through the month of August. Mrs. George M. Henry is visiting her this week and Rev. E. L. Swift will join his wife some time next week.

J. Howard Jefferies, Narberth ave-

nue, is on a business trip to Wisconsin.

Rev. John Van Ness goes to Ocean Grove this week. Later he will visit his mother in Northern Jersey.

Miss Mary Gara, of South Narberth avenue, leaves this week for Du Bois, Pa.

Misses Marjorie Jefferies, Helen Jones, Katherine McDowell, of Narberth, and Miss Louise Mills, formerly of Narberth, have returned from a two weeks' camping party at Island Heights, N. J.

Mr. and Mrs. Wm. Chase have leased the new stucco house and garage on Chestnut avenue and will soon vacate their Elmwood avenue home.

Mr. and Mrs. Wm. Bartlett, of Chestnut avenue, have just returned from Ocean City.

Ocean City and Cape May are two popular meccas for Narberth folk.

Mrs. F. R. Rainear and son Warren, of Essex avenue, spent the week-end in New York.

Mrs. Wm. Boles and son Laird, of Richmond, Va., are visiting Mrs. F. E. Bland, of Forrest avenue.

James Wilson and family, of South Narberth avenue, are summering at Eaglesmere, Pa.

Mr. and Mrs. Wm. Jones and family, of South Narberth avenue, are going to Ocean City for August.

Mr. and Mrs. N. E. Smedley and son, Roscoe, spent the week-end at Ocean City, visiting Mr. and Mrs. W. D. Smedley.

Kenneth Hamilton, of Woodside avenue, who is summering with his parents at Beach Haven, was a visitor to Narberth last week.

Mrs. Mary S. Jefferies is visiting in Markler, Pa.

Mr. and Mrs. E. E. Seaver, who have but recently moved to New York, were guests of Mrs. Mecke, Iona avenue, last week. Mr. and Mrs. Seaver have found a good home in Flatbush, Long Island.

Harry Simpson was a visitor at Ocean City Sunday.

The Women's Missionary Circle of the Baptist Church will meet at the home of Mrs. W. S. Horner, 303 North Narberth avenue, Thursday morning at 10 o'clock for carpet rag sewing.

Messrs. Vernon Fleck, I. T. Ward, the famous Irish diplomat; Earl Dickie, the Narberth crack tennis player, and H. N. Compton, spent the middle of the week in the coal mines of the State. Strange to say, they did not get a job as coal pickers while up there.

The Presbyterian Church will have a quartet of male voices next Sunday morning composed of Mr. W. W. Dennis, Mr. Earl F. Smith, Mr. Griffiths and Mr. Williamson.

Miss Isabelle Martin, of Ventnor, N. J.; Miss Evelyn Harris, of Narberth, and Miss Anna Marshall, of Phoenixville, have been the guests of Miss Adah Durbin, at the Durbin summer home, "Barwedj Bungalow," Avalon, N. J., for the past two weeks.

Miss Adah Durbin entertained a house party at her Avalon home over the week-end. Her guests were: Miss Helen Wingate, Miss Evelyn Harris, Miss Isabelle Martin, Miss Anna Marshall, Mr. Harold Wilkinson, Mr. Robert Durbin, Mr. Hugh Atkinson, Mr. Joseph Wilkinson and Mr. Roy Wingate.

Mrs. William T. Harris and family, Miss Alma Easton, Miss Margaret Mayes and Mr. Lawrence Davis motored to Avalon on Wednesday to spend the day at the Durbin bungalow on Princeton Harbor.

Mr. and Mrs. John C. Holme, of Narberth; Miss Helen, John, Jr., and Thomas, are summering at the "Breakers," the breezy end of Wildwood Crest, N. J.

Mr. and Mrs. N. W. Crawford, of Lancaster, and Dr. and Mrs. S. R. Posey, of Littitz, have been visiting their sister, Miss Posey, of Essex avenue.

**UNION TWILIGHT SERVICE.**

Last Sunday evening we were again favored with fine weather at which time nearly 200 Narberthites gathered on the lawn at the corner of Windsor and Forrest avenues.

Rev. M. S. Bush, of the Logan Presbyterian Church, gave a splendid talk and the music by the Y. M. C. A. Glee Club added much to the meeting. This chorus of young men is making the meetings this year much more interesting. They are scheduled again for the following meetings August 8 and 29.

Beginning with next Sunday the meetings will start at 6 P. M. Please keep this in mind. Rev. E. L. Swift will give the message and the special music will be furnished by a mixed quartet.

The services of a cornetist, Mr. Stabna, of Dudley avenue, have been secured and this of course adds much to the musical side of the service.

**MUSIC FOR SUNDAY NIGHT, AUGUST 1.**

Quartette from the combined churches, Mrs. Chas. R. Jones, soprano; Miss Marion Brill, contralto; Mr. W. W. Dennis, tenor; Mr. W. Lancaster, bass.

**UNION PRAYER MEETINGS.**

**BASE BALL PICKUPS.**

Constable Walzer is all smiles these days. Can you blame him? He is certainly there with the goods when it comes to managing a ball team.

Walter Humphries played a good game as usual on the second sack. Walter had a good day with the bat.

Tip Turner put up a good game at short. Glad to see you, Tip.

Next week Narberth plays at Overbrook.

R. G. Dun & Co. A. A. and Gulph Mills, the two traveling teams, play on the Narberth grounds next week. Those who do not go to Overbrook come out and see the visitors.

Gene Davis is always there with the bat in the needed moment.

Captain Robt. Cameron, of the Philadelphia detective staff, was an enthusiastic spectator of the Narberth-Dun game Saturday. He said we set some pace for youngsters!

The travelers play on Narberth's home grounds next Saturday, while our boys go to Overbrook. Dun & Co. and Gulph Mills are apt to do the unexpected at any time and should prove interesting contestants.

**WAYNE, 6; OVERBROOK, 1.**

The Wayne Club sprung a surprise on the Overbrook Colts by trimming them to the tune of 6 to 1 in a Main Line League game on the high school campus at Wayne Saturday. Ella Cornog was the stumbling block in the way of the Colts, holding them down to four hits and fanning eleven. Score:

**NARBERTH VS. CAPE MAY.**

Rooters Plan to Journey to Shore to Help Base Ball Team Win.

August 24 and 25 the Narberth Base Ball team once more journeys to Cape May to play Charlie Humphries' boarders. The 24th and 25th fall on Tuesday and Wednesday.

The last time Narberth went down as visitors, Cape May took both games, and our loyal rooters are not anxious that this stunt be duplicated. They plan to make these two days a part of their holiday and go along to encourage our champions on to victory.

Manager Walzer will gladly arrange to obtain rooms at Hotel Columbia for all who can take this trip, at the reduced rate granted the organization. Last time about thirty Narberthites (including the team) stopped at this hotel in one party. Double this number should go down for August 24 and 25.

Last time Gilmore did not pitch either game. This time Manager Walzer intends to start him in the first game.

Then, too, remember that our own Bill Durbin is playing "some ball" for Cape May at shortstop. Last Saturday he accepted eleven chances without an error and did some hitting as well. Bill's fielding has been little short of sensational. Phone Manager Walzer you'll be on hand. He must know before August 10.

**SERVICE.**

That's the twentieth century cost price of success! Do you give it? Do you satisfy the wants of all your patrons? Every one of them?

If you do not, man, I say, "Wake up."

Get busy, give satisfaction. Yesterday's methods won't do today. Tomorrow's instead are what mean prosperity. Think of some new service for those who depend on you. If you're too much of a jelly fish to think, let some one else do it for you. Then act. Act. That's the way to trade your runabout for a six-cylinder. Get busy, the opportunity's here. But the other fellow is going to grab it if you don't hurry.—Harry Yankey.

Mrs. R. G. Seymour and Miss Mabel Howard Seymour returned this past week from Avalon, where they were the guests of Mrs. S. J. Clevenger, at her Princeton Harbor Cottage. Mr. Herbert Alken Seymour joined them for the week-end. During their visit Mrs. Henry J. Seibold entertained at a surf luncheon in their honor at her shore apartment. The guests included Mrs. S. J. Clevenger, also Mrs. H. L. Clevenger, formerly of Narberth.

Mr. L. Eastwood Seibold, Master of the Pageant, who with his parents, Mr. and Mrs. Henry J. Seibold, of the Girard Farms, have been occupying an apartment at Avalon during July, assisted at a musicale given Saturday evening, at the Avalon Yacht and Motor Club. Mr. Seibold's numbers included a Chinese Prayer Song and and Ceremonial Temple Dance in an Imperial Costume.

**Narberth Y. M. C. A. Gets a Place in Bible Work.**

You will probably recall seeing in these columns some time ago an account of some of the Narberth boys passing the International Y. M. C. A. Bible test.

This past week, Secretary Hampton received a letter from the State Y. M. C. A., congratulating Narberth on the increase of boys passing the International Bible Study examination. Narberth, Coatesville and Butler, each tied for fourteenth place. This is good, but Narberth can do a lot better.

Why not keep this in mind and occupy one of the first places next year?
