( " Number of slaved women that prophet Mohammed had was four women " ) ( 40 of prophet Mohammed companions sayings )

**\_\_ About the author :** Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called ( الكامل في السنن ) . It contains ( 60,000 ) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , ( 150 ) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number ( 18 ) , in the author's series books in arabic .

( الكامل في أحاديث ما كان لدي النبي من ملك يمين ، وما تبع ذلك من أقاويل )

**\_ Notes by the translator :**

**\_ About this form :** Imam ... tell in his book ... about ( Name ) . This ( name ) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

**\_ When it's mentioned that** Imam ... tell in his book ... about comapnion ( Name ) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

**\_ In some sayings you** will find ( as the previous one ) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say ( as the previous one ) .

**\_\_ Saying's number may be** slightly different between the different editions of the books .

## The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand ( 60,000 ) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

Imam Al-Hakim tell in his book Al-Mustadrak ( 4 / 37 ) about Abu-Obaidah Ibn Al-Muthanna that prophet Mohammed had four slaved women , Mariah , Raihanah , Gamilah , Nafisah .

In the previous book numner ( 17 ) of this series , I collected all prophet Mohammed comapnions sayings that prophet Mohammed married twenty five ( 25 ) women .

And in this book I collect all prophet Mohammed companions' sayings about his slaved women , and they were four women , include :

\_ Mariah , Al-Moqawqis King of Egypt gave her to him as a present , and she was white beautiful woman and prophet Mohammed liked her .

\_ Raihanah , she was from spoils after war with a tribe called Bani-Quraizah , then prophet Mohammed took her for himself .

\_ Gamilah , she also was from the spoils of war .

\_ and another slaved girl was owned to his wife Zainab Bint Gahsh , but she gave her to him to have intercourse with her and he accepted her .

-----

**\_\_ This what made some people talk about that :**

\_\_ Some asked about the reason that makes one man , especially a prophet of God , marry this number of women . But what ever your opinion is , it does not change the history .

\_\_ Some muslims said that the reason is to help some of these women with money . But others answered on that by saying that you can help any woman without marrying her . You even can help woman with money while she is married to another man . You do not have to marry the woman to be able to help her .

\_\_ Some muslims said that the reason is to free some slaves from the woman's tribe as a reward . But others answered on that by sayings that you can free the slaves without marrying a woman of their tribe . Also , this only occurred with one wife , Safeiiah Bint Haiie , what about the other twenty four .

\_\_ Some muslims said that the reason is to tell people the islamic rules related to things between husbands and wives . But others answered on that by saying that this can occur by one , two , even three women , not 25 women .

Also all islamic rules about marriage & things between husbands and wives were already told by prophet Mohammed himself and did not need someone else to tell them .

\_\_ Some muslims said that marrying a lot of women and having a lot of slaved women was already famous action that a lot of people did at that time . But others answered on this by saying that prophet did not come to follow people's habits and customs .

He says that he was sent by God and follows his orders . Also a lot of habits were present but he prohibited them . So , why he did not prohibit also these actions .

\_\_ Some said that he married women that were already married before . But others answered on this by saying that it has no relation to the marriage . Marriage is marriage , regardless the women married before or not . Also this is not true because he married as example Aisha at age of nine years and Gowaireiah at age of twenty years .

\_\_ Some muslims said that this is an order from Allah and does not have to tell us the reason . But this is can be just an islamic reason and fit only for muslims who already believe that Mohammed is a prophet from God and follow his

orders . But all other non-muslims people who does not believe in prophet Mohammed need and ask about the actual reasons .

\_\_ There might be more research in this matter to find the best possible solution , but the book is only for collection of sayings of prophet Mohammed companions about this matter .
