STRUCK.

Bill Posters Want Extra Pay for Saturday Night Work.

Chicago, Ill., June 26. The bill posters at McVicker's Theater went on a strike last Saturday night.

No other theater in Chicago works their bill posters on Saturday night unless they pay them time and a half, and consequently the men at McVicker's demanded the same basis of compensation.

The advertising agent held out for one day after the men struck, and then put four men to work at the union scale of wages, whereas he had formerly employed twelve men.

In consequence of the force being so reduced, the theater has not half its former showing.

TWO COUNTIES

Are Included in Colby Bill Posting Plant.

The Colby Bill Posting Company, of Mt. Pleasant, Mich., is sending out a very neat folder catalogue of its locations.

Mt. Pleasant is a prosperous and progressive little city of 4,000 inhabitants, several manufacturing, two railroads and an opera house.

BOOMING.

Is Bill Posting and Sign Advertising in Chicago.

Bill posting and sign advertising is on the boom in Chicago. The gumming sign and the American posting plants have all their space filled, and are getting new locations every day.

The Sunnybrook and Wilson Whisky Companies are using eight, twelve, sixteen and twenty-four sheet stands.

The Cremo, Florodora and Yankee Flyer are also being advertised by both firms on signs and posters.

The American has also on its boards posters advertising lots in the beautiful Englewood Cemetery.

There is no material change in the ads. on the elevated railroad.

Quaker Oats is advertising through the Gumming System in Chicago.

The American Posting Service is substituting iron for all their wooden boards.

BUSINESS

Transacted at Ohio State Meeting.

At the convention of the Ohio Bill Posters' Association, which was held in Sandusky, O., June 10, the committee on credentials reported the following members not in good standing: S. W. Royl, Ada; J. M. Rosner, Ft. Recovery; J. W. Carnoy, Cressline; G. Rinkly, Kenton; P. J. Smith, Oberlin; Gill Moore, Ottawa; A. H. Seeborn, Pomeroy; Frank McAdams, Urbana; V. H. Gibson, Upper Sandusky; J. W. Wires, Van Wert; J. McGovern, West Liberty; Mrs. John McQuigg, Ironton.

The following officers were elected for the ensuing year: Mr. Chennell, of Columbus, president; Mr. England, Zanesville, vice president; Mr. Ribbet, Gallon, treasurer; Mr. McJohnson, Xenia, secretary.

Mr. A. Bryan and Mr. Bart were elected delegates to the national convention at Milwaukee.

It was voted that the secretary be allowed an annual stipend of \$100, and that the name of the association be changed to the Ohio Bill Posters' and Distributors' Association.

The next meeting will be held at Lima, O., the second Tuesday in June, 1908.

TEXAS B. P. AND D.

State Meeting in Dallas--Business Transacted.

The Texas Bill Posters' and Distributors' Association was called to order June 10 in the City Hall, Dallas, Tex., by President Paul Gallia, of Galvestone.

was dropped from the roll because of his being a resident of Arkansas, which is outside of the association jurisdiction.

A motion was carried, to the effect that the secretary shall notify every member of the National Association who resides in Texas and who is not a member of the State Association that under the ruling of the National Association they are required to become members of the State Association, under forfeiture of their franchises.

The association is in a flourishing financial condition, and throughout last year not a single complaint was made against a member for neglect of duty by an advertiser or seller.

All the old officers were re-elected for the ensuing year. The next meeting will be held at Waco, Tex.

MOTTOS.

In view of the movement now on to change the Association motto at Milwaukee in the event that amalgamation prevails, 'The Billboard' publishes the following suggestions received from various members:

- 'Vigor, Vehemence and Victory.'
'We Stick Up for the Advertiser.'
'We Keep the Public Posted.'
'The Poster--the Torch of Commerce.'
'We Enlighten the Business World.'
'We Hold True Safe.'
'Straight Back of Our Guaranteed Service.'
'Potent, Powerful Publicity.'
'A Guaranteed Service in Every State and Territory.'
'Promoting Potent Publicity.'
'Audacious, Aggressive Advertising.'
'Service Guaranteed; Prices Fair.'

RAMSEY AGAIN.

It is reported that L. H. Ramsey, late of the Consolidated Bill Posting Company of Louisville, Ky., and who recently sold out his plant in Huntington, W. Va., to M. E. Rice, has associated himself with N. S. Burlaw, manager of the opera house in Charleston, W. Va., and formed the Charleston Bill Posting Company.

DAUBS.

- Milwaukee! Milwaukee, Wis.!!
John the Association, Milwaukee, Wis., July 8-11.
Barney Link spent June 26 in Louisville, Ky.
M. L. Levynne spent last week in Louisville.
Charles R. Collins, of Jackson, Tenn., reports business good.
M. E. Rice has added a number of boards to his plant in Huntington, W. Va.
Milwaukee, Wis., July 8-11, at the Hotel Pieter--greatest gathering of bill posters.
The claim implied in the present motto of the association is simply silly. Vote to change it.
Geo. H. Babb, the Williamsport (Pa.) Bill poster, will attend the convention in Milwaukee, July 8-11.
D. C. Ruiz, of Denison, Tex., has changed the name of his plant to the 'Denison Bill Posting Company.'

It is whispered that radical action in regard to the New York situation will be taken at Milwaukee.

The board in Louisville present a fine appearance now. They are all blanked in with ox-blood paper and full to overflowing.

The Hotel Pieter will be the headquarters of the delegates to the convention of bill posters to be held in Milwaukee, July 8-11.

W. E. Halland has changed the names of his plants at Benning and Orange, Tex., to the 'Halland Levy Advertising Company.'

Donald G. Ross, solicitor for the Protective Company, was in Cincinnati Friday, June 20. He took the 5 o'clock boat for Louisville, Ky.

Anyone who thinks that the measure proposing a change in the association motto is either trivial or unimportant, has got an other think coming.

If you have not got enough money to go to Milwaukee, borrow it. Occasions which justify a man in going into debt are rare, but this is one of them.

The city council of Portland, Ore., recently refused a franchise to a firm which sought the privilege of advertising waste paper boxes on the streets.

The bill boards of the Joliet Bill Posting Company, in Joliet, Ill., are filled with commercial paper. The proprietor will attend the convention in Milwaukee.

John D. Misher, president of the Pennsylvania Bill Posters' and Distributors' Association, and Charles A. Yecker, will attend the convention at Milwaukee.

Charles and George Hammond are filling their boards in Cambridge, O., with paper for Good Hair Soap and Menner's Talcum Powder. They control thirty boards.

Change the motto of the association. 'We enlighten the world' is grandiloquent and silly. It tends to make the association lightly esteemed. Advertisers are inclined to regard it as a joke.

It is rumored that Sam Nixon, one of the stockholders in the Bill Posting Sign Company of Philadelphia, has purchased the town in Havana, Cuba. He will sail for Cuba this week.

Bill posting business in Montgomery, Ala., must be on the boom, as it is reported that the Midland Bill Posting Company has set a number of new boards and are contemplating the erection of several more.

Two bill boards in a Washington Court House, O., have been undergoing an overhauling under the direction of Captain Vincent, and many new locations have been noted. The service now furnished patrons is good.

Sam Robinson, of the Bill Posting Sign Company; Alexander McDonald, of the Pieter Printing Company, and a representative from S. W. Ayer & Sons will represent Philadelphia at the Milwaukee convention.

Edward T. Boyce, the bill poster of Ida Grove, Ia., reports that he has on his hands paper for Taylor Bros', Circus, also two 10-sets Eucleda Biscuit, four 8-sheets women's Baby Powder, and four 10-sheets men's posters.

Three 10-sets Beer eight and two sheet posters, sent out by S. W. Ayer & Son, are posted on all good bill boards throughout the entire country, and very heavy displays of circular posters from this same firm are just appearing in a large number of cities.

Col. M. Gilette reports that bill posting in Lapeer, Mich., is remarkably good at present, and has been so for the past three months. It has been necessary for him to increase the capacity of his plant, one of the new boards (4x11 sheets) being built at a railroad junction.

The Pennsylvania Bill Posters and Distributors' Association will be represented at the Milwaukee meeting by Mr. J. D. Misher, president, of Reading, Pa., and C. A. Yecker, secretary, of Lancaster, Pa.

Mr. G. H. Cobb, of Williamsport, Pa., will also be present at the meeting.

The Schis-Dovles Shows, in putting up their paper in Englewood, Chicago, did not employ circular bill posters, and their bills were spotted with half-sheets bearing the word 'Boycott,' and proclaiming that the show did not recognize labor unions nor the friends of organized labor.

M. Beauquier, a member of the French Chamber of Deputies, is squealing against bill boards along the railroads. He is meeting with a most stubborn opposition from the farmers who own the fields adjacent to the railroads, they avowing that they receive more annually for letting the bill board privileges than they do for their crops.

The Fayette (Mo.) Bill Posting Company reports the following paper on their boards: three 8-sheets and ten 2-sheets, Armour's Ham and Breakfast Bacon; six 10-sheets, four 8-sheets, thirty 2-sheets, Florodora Cigars; one 24-sheet and five 8-sheets, Men's Baby Powder; two 24-sheets, ten 12-sheets, twenty-five 2-sheets, Old Virginia Cheroots; two 24-sheets and ten 8-sheets, Sweet Caporal Cigarettes.

Business with the Springer Advertising Company, of Columbus, Ga., is very good; in fact, it is so heavy that they are erecting more boards every day to accommodate their patrons.

During the past week they posted 50 signs in the hotels and stores for the Palat Chemical Co.; 66 8-sheets, Schapps Tobacco for the R. J. Reynolds Tobacco Co., in Columbus and Phoenix City and Girard, Ala.; 30 8-sheets for Moore's Beer; 48 16-sheets, Adams and Beecher's Gum. They had on their boards previous to this week Ocean View, Cubanota Cigars, W. L. Douglass Shoe Co., and Patton's Palm.

S. W. Ayer & Son, Philadelphia, Pa., are placing contracts with bill posters, covering a year's posting throughout the South, eight and one-sheet posters advertising Nubian Tea for the Spencer Medicine Company, of Chattanooga.

The paper is already on the boards in Georgia and Florida and also throughout a district of selected cities. Small displays will be the rule.

Eucleda Biscuit is now on the boards in lower and a little later the showings will be duplicated in that State and also the State of Georgia will be covered again.

Bill posters who control leased boards throughout the South should correspond with Ayer & Son if their names are not on that firm's books.

East, West, North and South one third paper from S. W. Ayer & Son. In addition to the foregoing named, they have Arundel Water, ten 16-sheet posters, in New York State and New England; Peter Schuyler and Moon Spout Cigars, in the same section; Louis Mann Cigars, in Wilmington, Del., and a number of Western towns; Primrose Butter, three months' contract, using eight-sheet posters on every eight-sheet stand that can be found, are in Kansas City; President Suspenders, eight and one-sheet posters, are on the Pacific Coast and in New England; the National Biscuit Company has a swell palm display, nearly fifty billboards in Atlantic City; President Suspenders also has just been placed on two fine 200 foot boards in the Meadows at Atlantic City; Cyclone Camera, Walker's Soap and Othello Ranges are among a large number of other contracts now being placed on the boards by the Ayers.

DISTRIBUTORS' NOTES.

Rumors of new associations are flying thick and fast.

Carl Cowdry has opened a distributing agency at 9 Weston avenue, Valparaiso, Ind.

Cal M. Gilette, of Lapeer, Mich., has orders for two large distributions over his country route of twenty towns.

Distributors who attend the I. D. A. Convention can obtain the following rates at the Republican House, viz.: \$2.00 per day, American plan, Room with a bath, \$2.50 per day.

The International Distributors' Association will hold its fourth annual convention at the Republican House, Milwaukee, Wis., Tuesday, July 8.

The Springer Advertising Company, of Columbus, O., have during the last week distributed 2,500 Malta Vita and 4,000 samples of perfume for Klecks Sons & Co.

Edward T. Boyce, of Ida Grove, Ia., has distributed 2,000 booklets for the Boston Medicine Company and E. Diamond C. Soap banners. He is ready for any work that may be given, and guarantees prompt and perfect service.

The Flood City distributing plant at Johnstown, Pa., is for sale. Johnstown has a population of 50,000 and within fifteen miles are six towns with an average population of 3,500. Geo. E. Updegrave is going into the cigar and tobacco and pool-room business. He can be addressed, P. O. Box 153, Johnstown, Pa.

COMMERCIAL ADVERTISERS.

The J. C. Marks Liquor Company, of Birmingham, Ala., are getting estimates on posters. They contemplate an extensive campaign on the boards.

The Westcott Carriage Company, of Richmond, Ind., who have done some extensive exhibiting at fairs are now going to try bill board advertising.

They are getting estimates on an eight-sheet poster.

H. T. Kramer, proprietor of Cascares, relates an amusing story in connection with the latest poster gotten out by the company. The council of a certain city took exception to the poster, which represents a man peeping from behind the portiere of a sleeping car and inquiring of the porter if the way is clear.

When the case came before the city council a telegram was sent Mr. Kramer asking that a construction be placed upon the traveling man's inquiry.

Mr. Kramer telegraphed back that the man was simply inquiring of the porter if the track was clear. He said he got \$5,000 worth of advertising out of the prosecution, which cost him not a cent.

ADVERTISING TIPS.

A picture in an ad. commands the eye's attention.

An occasional ad. will not remain fresh and green in the public mind.

Success in advertising is in angling, is dependent upon bait and patience.

Advertising is no mystery, but it is common sense used along lines of experience.

Let 'Truthfulness' be your motto in all advertisements, but make the truth strikingly attractive.

In commenting on the thorough advertising done by a newspaper of Old Town, Me., concluded as follows: 'And all this is an object lesson to the people that advertising pays, whether it is a church supper or a three-angled circus. Many and many a fine entertainment fails because the promoters have not yet learned the lesson that every dollar invested in judicious advertising returns many fold.'

A BIG DEAL.

The biggest deal in show printing circles that has occurred for years was pulled off in New York week before last. The Metropolitan Show Printing Company bought the Sears Litho. Company, and took it over, bag and baggage.

The Metropolitan is also said to be contemplating the purchase of the Miner Litho. Company and the Gillin Show Print.

INKLINGS.

The Cincinnati Poster Printers' Association is to be revived.

Mr. Conradi organized a local chapter of the National Lithographers' Association in Cincinnati last week.

The Donaldson Litho. Company added a special press for printing muslin banners last week. It was built by Cottrell. It works to perfection.

The Smith-Dobbins Company, one of Toledo's newly organized lithographing concerns, has already outgrown its present quarters in the Berlin Block, corner of St.

Chair and Jackson streets, and unless further room can be secured in the building, will be obliged to seek quarters elsewhere. The company is at present working day and night.

The Frisco System has gotten out another pretty poster at Birmingham, Ala. This time it is advertising the Fourth of July rates. The poster has a picture of a mischievous boy placing a large fire-cracker under a sleeping man, while the whole poster is in attractive red, white and black. The poster work on the Frisco System for some time past now has been very attractive.

OLD MILL

To Be Built for Casino Park, Toledo, Ohio.

Casino Park, Toledo, O., is doing a record-breaking business. One day last week the crowd which visited the park was between 30,000 and 40,000. Contracts have been closed with J. F. Meaghen, president of the Continental Amusement Company, for an old mill project. This affair will cost nearly \$25,000, and includes a scenic boat ride. Old mills are popular features of the Coney Island and other summer resorts. The entrance to the mill will be built near the main entrance to the Casino, and a portion of the interior effects. Work will be commenced by the eastern syndicate as soon as the Casino closes for this season. It will require a considerable length of time to construct the building and install the equipment.

PARK NOTES.

Wanted—A rainy day program for parks. The opening of the new company at Lake Nipmuc Park Theater, Milford, Mass., recently scored great success.

Our park list is revised and corrected each week. Readers will oblige us by bringing any omissions or inaccuracies to our notice.

The summer theater at Channoy Park, Westboro, Mass., was recently opened by Jos. J. Flynn, who conducts twenty-two summer theaters.

Harry F. Webb, the popular manager of the Carner Stock Company, has taken the management of the theater at Terrapin Park, Parkersburg, W. Va.

July 4 was the opening date of Blomfontain Park, Montgomery, Ala. The attractions offered were boating, bathing, fishing, dancing, music, shooting the chutes, etc. The chute at this park is 550 feet in length.

All contracts have been let by H. A. Fisher, general manager of the Columbus, Delaware & Marlon Interurban Company, to make a beautiful pleasure resort at Stratford, O. A pavilion, 138x250 feet, is being built, where band concerts and other entertainments will be given.

One of the principal advantages of the Simplex Name-Plate Machine, which has just made its appearance, lies in the fact that it can be operated with or without a coin, as desired. It will, moreover, deliver a plate of any size, "from a letter to a love letter." The offices of the Simplex Manufacturing Company are with the American Mutoscope and Biograph Company, 841 Broadway, New York.

The management of the new park at Picketts Springs, Montgomery, Ala., will open this new place of amusement about July 15. This is a new park, and will be reached by the traction company. The line is being rapidly completed. A summer theater will be one of the features, and performers making this section during the latter part of the present summer might write to Col. Barry L. Holt, who has charge.

Dolling Park, Springfield, Mo., is doing a splendid business. The Tolson-Miller Stock Company is the drawing card of this beautiful resort, and although the management have doubled the seating capacity of the theater, the S. R. O. sign appears almost every night. The picnic season is better than ever, and the management will do all in its power to keep all of the park's attractions up to the standard throughout the summer.

Davis (Ind. Ter.) is getting into the harness in proper shape, and is going after her street fair and carnival with a vim that is calculated to surprise even some of the larger cities. This will be the first street fair ever held in the Chickasaw Nation, and neither time, money nor anything else will be spared to make it a go. D. E. Burrell, manager of the Stanford Opera House, has accepted the position of secretary, while Prof. G. B. Green, the aeronaut, will take an active part in directing the enterprise.

NAT GODWIN

When he reaches Cincinnati, always dines at Nougaret's Cafe, 229 East Fourth street. Most theatrical epicures visit this celebrated establishment, where they are sure to find the best.

NEW OPERA HOUSE.

Richmond (Ky.) Will Have a Pretty One.

The Madison County (Ky.) Lodge, I. O. O. F., are building a pretty new opera house at Richmond, to cost \$10,000. The new playhouse will be situated on the main street, one block from the court house, and will be known as the Grand Opera House. The house, which will be completed by Sept. 15, will seat 850 people. Stage, 30 feet deep, 50 feet wide; proscenium arch, 28 feet wide and 20 feet high; gridiron, 45 feet. It will be lighted by electricity, and will have all modern conveniences.

CHANGES

In Management of St. Louis Theaters.

St. Louis, Mo., June 25.—(Special.)—The announcement has been officially made confirming the appointment of John Sheehy as manager of the Grand Opera House and W. D. Russell, of Chicago, to handle the Imperial Theater for the coming season. Mr. Sheehy has been for a number of years the treasurer of the Grand, and before it went under the Havlin management, he was at Havlin's in the same capacity. His promotion is a recognition of his honorable, ambitious and energetic services, and it is needless to say that Sheehy's reign this season will be highly successful. Mr. Russell was formerly of the Great Northern of Chicago, and is considered an excellent addition to the Managers' Club of St. Louis. It is also rumored that window lithographing will be discontinued, but no confirmation of this could be secured. Mr. Garon will still continue to pilot Havlin's Theater to glory and profits.

The season at the Teck Theater, Buffalo, N. Y., with the Teck Theater Stock Company, closed June 21. The company was a strong one in talent, and the season was fairly successful.
It seems that even ping pong has been dramatized, or at least a ping pong dance is given on a New York roof garden by thirty-two young women, headed by the Comtesse von Hatzfeldt.
Al. H. Wilson will produce his new piece, "The Prince of Tatters" at the Teck Theater, Buffalo, N. Y., Sept. 8. The company will be a talented one, and of his own selection. Al. is a Buffalo boy.
Mrs. Patrick Campbell has been unable to arrange with any American managers for her visit to this country next season. She says American managers are ungallant enough to want a share of the profits.
If negotiations go through, the Court Street Theater at Buffalo, N. Y., will soon

VAUDEVILLE.

Chas. S. Riley is putting out a vaudeville show under canvas, opening at Herlington, Kan.
Eddie Moore showed them some new steps in his ideal dances at the Tivoli Theater, Buffalo, N. Y., the past week.
The People's Theater opened and closed June 21. Ye gods, how brief! Vaudeville was the attraction, and Buffalo, N. Y., was the dog.
Lo Mothe Brothers, with their parallel bar act, are meeting with even bigger success than they anticipated. They have already had several nice offers for next season.
John G. McDowell is not working with a partner, as reported, but is still doing his black-face monologue and meeting with big success everywhere. He is at McBeth Park, Lima, O., this week.
The German-American Vaudeville Company, hailing from Marion, Ind., is tied up at Bellefontaine, O., by an attachment procured by William Morton, a performer. The owners are William Verpliat and his mother, Mary Verpliat.
The Vaudeville Pavilion at South Bend, Ind., is an assured success, playing to capacity business every night. The shows booked by Mr. C. Ashby, the manager, are first-class, and of the highest and most refined vaudeville. The park at Springbrook is closed, and the Pavilion is the only place of amusement in the city.

PLAYHOUSES.

The People's Street Railway Company of Dayton, O., are erecting a theater in that city.
A new Casino will be erected and completed for an early fall opening at East Park, Memphis, Tenn.
The Hollingshead Opera House, Blaine, Wash., was destroyed by fire recently. It carried insurance to the amount of \$2,000.
The Lake Theater, Worcester, Mass., opened recently. J. W. Gorman's Cosmopolitan, a vaudeville company, was the attraction.
When the Weller Opera House is completed, Zanesville, O., will have three theaters. Not bad for a town of 25,000 inhabitants. The new house will seat 1,700.
Jas. E. Easton, manager of the new Grand Opera House, Ida Grove, Ia., states that it will seat more people and has a larger stage and dressing-rooms than the old house, known as Williams'.
The Springer Opera House at Columbus, Ga., has closed a brief and unsuccessful season, and all its contracts will be carried out at the Casino in North Highlands, which is under the same management.
The Chatterton Opera House, Springfield, Ill., was opened June 29. Many improvements have been made on the house. Vaudeville is put on exclusively, and some of the vaudeville artists traveling between Chicago and St. Louis are engaged.
Dr. C. W. Crawford, manager of the Grand Opera House at Spencer, Ia., having sold out his business, has resigned his position as manager. Mr. Ben O. Tupper will take charge of the house, and all correspondence should be addressed to him.
The opera house block, Louisville, Ky., has been purchased by a Mrs. Elizabeth Barth. The lower floor will be remodeled, but it has not been decided on what will be done with the auditorium. Of later years the theatrical business in Louisville has been poor, and but few traveling companies have appeared there.
The Star Amusement Company, of Ashtabula, O., is a new corporation granted papers by the Secretary of State. This company will build a new opera house at Ashtabula, and according to their articles of incorporation they are privileged to build and maintain summer resorts in Ashtabula county. It is supposed they will build a resort along the P. & O. Their capital stock is \$25,000.
On June 17 the Avenue Theater, Detroit, Mich., was one year old. The theater has done much toward improving business in the locality where it is situated. Its enterprising manager, Harry Lamkin, has secured the Weber & Fields organization for a run. Owing to the closing of Weber & Fields' Music Hall, New York, he was able to secure the entire original chorus, costumes and scenery, with Sidman and Harris, the understudies of Weber & Fields, to take the principal roles.

MERRY WAR.

With No Ill-Feeling, But a Whole Lot of Hustling.

When the advertising forces of two big shows come together in one town it generally occasions a merry strife, which is watched with interest by the laymen. For days before the Wallace Shows exhibited in Waterloo, Ia., July 1, their men vied with the advertising men of Ringling's circus, which shows there July 18, for space on all places available for advertising.

The Wallace forces, having arrived first, secured the use of the bill boards, but through the country the war was waged with great heat.

The two shows will also be close together in Cedar Rapids, Des Moines and Oskaloosa.

MAIN IN LUCK.

Walter L. Main's Fashion Plate Shows are getting their share of good luck. It seems that no opposition or inclement weather can harm them to any extent. New Britain, Conn., was canceled on June 23 at 11:30 a. m. and Middletown was made the next day at 3:30. An hour after the show's arrival 10,000 hand bills were being distributed. At 9 o'clock that night an opposition brigade reached Middletown, and although they had big programs, they did effective work. The next day it rained, but Main played to two full houses. It was at New Britain that the Main Show picked up and engaged George Corcoran, the 24-horse man. It is singular that many showmen made jumps to see the Walter Main Shows, and all seemed satisfied.

JACK COUSINS IN JAIL.

The Pinkerton detectives finally caught Jack Cousins in New York City. He decided to go to Chester, Pa., with Mr. Hargreaves without a requisition. They arrived June 18. Cousins refused to turn up the horses. He claimed that one of them died, and that if Hargreaves & White would let him go he would tell all. This they refused to do. So a warrant was sworn out, and he was arrested and placed in jail. The Chester (Pa.) Times of June 19 says:

"Jack Cousins, of New York, was arrested in this city Tuesday night on a warrant charging him with the larceny of four horses as bullee from the Hargreaves Shows in April last. Cousins was arrested by Detective Berry and Chief of Police Leary, and will be given a hearing to-night unless the matter is settled by the return of the horses or their equivalent.

"Cousins was in the employ of the show last season, and was permitted to take the animals away for the winter with the understanding that he was to return them when the show opened here for the present season. He failed to appear and could not be found until this week, when he came over to this city from New York with one of the proprietors of the show to fix the matter up. He refused, it is alleged, to return the horses and a warrant was sworn out for his arrest before Magistrate Smith. At a preliminary hearing yesterday he was held in \$1,500 bail for his appearance to-night."

The night proceedings and trial are outlined in the following clipping from the Chester Republican of June 20:

"A final hearing in the case of Jack Cousins, who is charged with stealing several circus horses belonging to Hargreaves' big railroad shows, was held yesterday afternoon at 2 o'clock in the office of Alderman Smith, on Fifth street. Owing to the defendant having no disposition to tell where the horses are or what he had done with them, he was placed under \$2,000 bail for his appearance at court. Bail was not furnished, and the prisoner was sent back to the City Hall lock-up."

Unless he gets bail, Cousins will have to stay in jail until the September term of court.

H. W. Wakefield, who last season was assistant manager and adjuster of Smith's Great Eastern Show, has signed to assist J. C. Tolbert, adjuster of the Great Wallace Shows.

Geo. Holland, boss hostler of the Gollmar Bros. Shows, was called to Baraboo, Wis., by serious illness in his family last week. Bert Moles filled his position during his absence.

Hall & Sample's United Monster Shows had to cancel Butterfield, Minn., on account of the Batavia Railroad Theater Company coming in ahead of them. They played Deerfur instead.

Ringling Bros. have added to their menagerie four elephants, two black leopards, one spotted leopard, one polar bear, fifteen cockatoos. The animals arrived direct from Hamburg, Germany. The elephants are quite young.

The Bonheur Bros. have had to carry a road working gang and outfit of decks and stoves, and for the past month have worked impassable roads and rebuilt w shed out bridges and surmounted all the difficulties of the recent wet season.

The Meredils closed with the Great Wallace Circus at South Bend, Ind., and will open for the entire season with Will S. Heck's Carnival Company to do their aerial act as free attractions twice daily. Their season opens June 30 at Ellwood, Ind.

When John Robinson's Shows made their stand at Mansfield, O., week before last, they were overtaken by a heavy wind and rain storm and a panic was narrowly averted. However, the tents were not blown down, and nothing serious happened.

Following a suggestion made by Frank B. Hulda, the first three copies of the Atlantic City "Sentinel" were auctioned off, and the proceeds were given to charity. Mr. Hulda bid \$100 and secured the first paper. The other two went at \$50 and \$25, respectively.

The Sells-Downs Shows, in putting up their paper in Englewood, Chicago, did not employ union bill posters, and their bills were covered with half-shoots bearing the word "Dovecot," and proclaiming that the show did not recognize labor unions nor the friends of organized labor.

The show will carry ten people, stop at hotels and play 10 and 20-cent houses, one and two-day stands. Everything is new.

Charles Johnson, the high diver with the Wright Carnival Company, had a very serious accident at Madison, Ind. He was standing on top of the ladder and was about to dive when some one stumbled over the gas rope and threw him out of his course. He struck the side and bottom of the tank and bruised his head and arm very badly.

The Mershead Brennans have a fine display of Foxglove lilies, aluminum chimes, bantos for juggling, zaboranes, sleigh-bell suits for play-by "Sawtooth River" and other song harmonies by the motion of their bodies in a corollatic counter, etc., and are making a hit with Bonheur Bros. Show. It takes several big trunks to carry their instruments. They are signed with Bonheur

Bro. for two years, including the coming winter for a Southern tour.

Stevens & Boyle's New York Circus closed June 17. The people ran the show in the commonwealth plan the night of June 18. A sheriff was in charge the next day, and the whole outfit is advertised for sale June 24. Their location at 135th street and Lenox avenue was a splendid one, but they did not advertise enough. More paper on the boards and better house-to-house work would have made the venture a success, as the performance is said to have been a good one.

The cycle-whirling Britons, Harry and Gertrude, are meeting with marked favor in their act, which they are giving with Orrin Bros. Circus, on tour through Mexico. This team originally booked with Messrs. Orrin Bros. for a period of six weeks at their house in the City of Mexico, but their act was so well received that they were given a contract for thirty five weeks more, which they are now filling as the feature of the above-mentioned show. They expect a return to the States about Jan. 1, 1903.

The following acts with Welch Bros. Circus deserve favorable mention: The Great Marbella, the most muscular ring performer; the West and Zanta company of acrobats; the La Rue Bros. troupe of acrobats; the Kitamura Royal Court Circus Company; Marcelino Albert Sylvester, mid-air contortionist; Miss Mamie Forepaugh's cunk-walking horses; George Colby, lightning burdle male rider; Alice Collette's group of performing ponies; "Snapper" Garrison's wonderful exploits upon the cycle whirl; Prof. John White's "sixty-three horses in the ring at one time" act. The clown entrees are presented by Wm. La Rue, Harry F. West, Bobby De Rue, "Rube" Adams, Geo. Colby and Harry J. Gardner. Whittler's Big Band continues to be a great feature at each show, and is an important factor in the success of the arena programme. The Messrs. Welsh are both enjoying fine health, and are highly pleased with the efforts of the members of their managerial staff, who have all hustled hard to make the show the great success that it is to-day. Recent distinguished visitors to the show have been Mr. John G. Robinson, of the "Ten Big"; Mr. Wm. Kibble, of Stetson's forces; and Mr. Geo. S. Cole, the popular publicity promoter.

The role of Flaminio is played by Miss Laura Denlo, and is very good. Miss Leo Martin as Peronella gave a good impersonation of the character. The Lambergenes of Mr. John Henderson won favor with the audience. Mr. Stephens as Lotte and Mr. Swickard as Pietro were also satisfactory. Next week, "Elfration."

Springer Opera House, (C. P. Springer, Mgr.)—This house closed June 19 after an unsuccessful season. All people engaged were transferred to the Casino at North Highlands, which is under the same management, and all contracts will be carried out at this resort. The bookings for the coming season are being made, and only the best on the road will be given a showing, several having been turned down.

North Highland Casino, (C. P. Springer & F. W. Peterson, Mgrs.)—The business at this place for the last week has been enormous and exceeded the expectations of the management. Everything made good, and the record concert on Sunday was witnessed by an audience of 3,000. The bill included all of the artists that were at the opera house and the regulars at the Casino. The feature of the show is the work of Raport and Hilpert in their baton juggling. This is one of the sweetest acts now on the vaudeville stage, and all managers that desire a clean act will do well to book them. CLARENCE E. GRAY.

SPARTANBURG, S. C.

We note with considerable pleasure that
there is a movement on foot to change the
motto of the Associated Bill Posters and
Distributors. The usefulness of the old
motto, if it ever had any, is passed. It
is doubtful if it ever did succeed in doing
anything more than excite a smile of de-
cision on the part of the advertiser. To-day
it is one of the worst knocks the organiza-
tion has to struggle against. If it had
some saving clause, if it was qualified, if
it possessed a witty twist or an apt turn,
there might be some reason for perpetu-
ating it indefinitely. But it has nothing to
recommend it. It is palpably false, alto-
gether inappropriate and, worst of all-
highfalutin'.

The writer once saw the working of it.
An advertiser of world-wide fame was
opening his mail and came across a letter
from an association member. He was just
about to essay his first venture on the
boards, and was interested in everything
appertaining thereto. Other letters had
been merely glanced at and cast aside.
The bill poster's letter, however, was care-
fully read in its entirety and then the let-
terhead itself was scanned. The impres-
sion was plainly favorable until his eye
caught the motto on the emblem. Then his
lip curled, and he scornfully ejaculated:
"We enlighten the world! Isn't that just
like a parcel of bill posters?"

The motto had given him a wholly wrong
and erroneous impression of bill posters.
He pictured to himself a lot of self-impor-
tant blatherskites, arrogating to themselves
credit which savants, scientists, teachers,
authors and publishers would hesitate to
claim. The motto in this case did much
harm. It created a false impression, which
it took weeks, yes months of association
with bill posters to correct. Ultimately he
came to know bill posters and to esteem
them as the sharpest, shrewdest, scrappiest
lot of fellows he had ever got up against.
But his first enthusiasm was very plainly
dampened by the motto.

It was entirely natural, too, when you
come to think of it. If a solicitor goes into
an advertiser's office after a contract and
his very first assertion is a bald, unmis-
takable and wholly unnecessary lie, would
you think he was exercising good judgment
or even common sense in uttering it? No.
Of course not. For no matter how many
truths he may propound afterwards, no
matter how convincing his arguments or
sound his logic, the miserable, palpable lie
that he opened up with has shaken his
listener's confidence, and if he believes any-
thing that follows he takes it with a grain
of salt. That is just what the motto does,
and that is all it can do.

What is more galling, is that there is ab-
solutely no excuse for the witless, pointless
thing. There is not a man in the associa-
tion but who could or has coined one in-
finitely better and more appropriate, as wit-
ness Bob Campbell's "You stick to me and
I'll stick to you," or O. J. Gude's "Brush

up Business with Paint, Paper and Push."
In another column of this issue we pub-
lish quite a list of suggestions. Some are
wise and some otherwise, but there is not
a one in the lot but would be an improve-
ment on the one now in use. If the con-
vention at Milwaukee should accomplish
nothing but the changing of this hateful
motto, all the expense attaching to the
meeting would yet have been justified.

It may be urged against the measure that
it is putting members to needless expense
in the matter of changing plates and elec-
trotypes. To forestall this argument "The
Billboard" herewith agrees that if the
change is made it will stand all the expense
of the necessary engraving and exchange
of a new electrotype for every old one now in
existence, free of charge.

LAGOON

At Ludlow, Ky., Will Not Open.

Ludlow Lagoon is doomed as a pleasure
resort. The park, which was in past sum-
mers thronged by gay crowds night after
night, has been ordered dismantled by T.
H. Brooks, the Cleveland capitalist, who
now owns the place. A fortune was sunk
here in a vain effort to make the resort
profitable. Thousands visited the place,
shot its chimes, whirled around on its Fer-
ris wheel and scenic railway, and tripped
the light fantastic in its dancing pavilion.
Now all this is ended. There was no at-
tempt to open the place this year. Too
many thousands were lost in former years,
and financiers grew chary. A cement plant
will probably be located on the site of the
park.

Scenic railway, cyclorama, Ferris wheel
and dance pavilion have all been ruined by
long exposure to wind and rain. The \$15-
000 electric light plant has been ordered
demolished. The only buildings which have
withstood the deprivations of time and
weather are the clubhouse and amphithe-
ater.

VERSATILE.

Hermann Perlet Now Becomes a
Manager.

Hermann Perlet, composer and orchestra
leader, now at the head of instrumentalists
of "A Chinese Honeymoon," at the New
York Casino, will widen his theatrical
sphere. Next year he will be a full-fledged
manager.

Perlet has written a new musical comedy,
in which he designs to star his wife, Belle
Thorn, and the principal actress in the play
bearing such close relations with him. He
feels that no one is so well fitted to direct
the production as himself.

Two well-known managers, whose names
Perlet will not divulge, are said to have
been after the play, but for the reasons
herein stated he would not accept their
terms, though those offered by one were
ultra-liberal.

The play has as yet not been named. The
scenes are laid in France, in a picturesque
era, which gives an opportunity for quaint
costuming and superb scenery. The comedy
parts are strong, and an able man has al-
ready been hired to play them.

Perlet hopes the first production will be
made about Sept. 20. He will begin en-
gaging the remainder of the company within
a few days.

BIG RESULTS

Can Be Expected of Southern Inter-
state Fair.

Great interest is being manifested by the
directors of the Southern Interstate Fair,
to be held at Atlanta, Ga., Oct. 8-25. Sec-
retary Frank Weldon says: "We already
have \$10,000 in sight for race purses and an
equal amount for the horse show prizes,
while liberal premiums will be offered for
cattle and poultry shows.

"We are getting up a fair which will
make Atlanta look like London's principal
streets during the coronation parade. We
are receiving letters by every mail from all
parts of the country, showing that the
Southern Interstate Fair is well known
north and west, as well as here at home.
The directors are determined to have
strong attractions—features which will have
real merit. One feature which will surely
prove of great interest is the proposed ex-
hibit of Atlanta manufacturers. They will
fill an entire building and a number of
the exhibits will be operated. Atlanta has
a great many industries with which our
people are unfamiliar, and this display will
be a revelation. A street fair will probably
be held in connection with our other fea-
tures."

NEW MINSTREL SHOW

Has Been Launched at Joplin, Mo.

A new minstrel show has been launched
by Jim McLaughlin, of Joplin, Mo. The
name of the company is Barlow & Wilson's
Minstrels. Mr. McLaughlin having owned
the copyrighted title for several years. The
company is composed of thirty members,
and everything is brand-new, including a
tent large enough to hold 1,500 people. The
first stand was Oronogo, which was played
at a packed house. The show will make a
tour of Indian Territory and Oklahoma.
Mr. McLaughlin is an old-time theatrical
man. Harry Chamblis is the general agent
and Prof. Atterbury conducts the band.

ENGLISH DELEGATES ARRIVE.

The English delegates to the convention
of the Associated Bill Posters and Distribu-
tors of the United States and Canada,
which will be held in Milwaukee, July 8-11,
arrived in New York June 28, on the steam-
er Lincoln. The party consists of Bailie
W. B. McMillan, president of the United
Bill Posters of England; Joseph Bruton and
Hiram Long.

The party will be the guests of the New
York contingent until July 3. July 4 will
be spent at Buffalo and Niagara Falls. July
6 they will be in Chicago and the balance
of the week in Milwaukee.

Just before sailing on June 7, the party
was given a farewell dinner at the Hoburn
Restaurant, London, at which forty bill
posters from London and its suburbs sat
down, including John Moore, the globe
trotter.

Walter Hill presided, and the toasts and
speeches were of the happiest vein. The
party is the bearer of an address from the
craft in England to their American consins.
This address will be opened and read at
Milwaukee.

BOSTOCK WINS OUT.

Mr. Frank C. Bostock, whose large col-
lection of wild animals was burned in the
fire that destroyed the old Cyclorama
Building, on the night of Jan. 30, 1901, has
at last overcome the obstacles in the way
of rebuilding.

The Court of Appeals at Annapolis re-
versed the decision of the Court of Com-
mon Pleas of Baltimore, ordered that the
latter court issue the mandamus asked for
by Mr. Bostock and others, commanding
the Appeal Tax Court to issue a permit for
the building and for the Zoo, which the Ap-
pel Tax Court had refused to do.

The contractors will push the work so
that the building will be ready for the fall
opening.

OBITUARY.

John Leha, an attache of the Buckskin
Bill Show, who was struck with a tent pin
by a negro canvassman at Cynthiana, Ky.,
died recently at that city.

Arthur Underwood, a member of the Cas-
tle Square Opera Company, was recently
struck by an electric car while the company
was playing in Cleveland, O., and killed
instantly.

Frank L. Miller, a bill poster in the em-
ploy of Bryan & Co., of Cleveland, O.,
committed suicide recently. Melancholia
subsequent to the death of his wife was
the cause of the act.

Effie Lillian Husted, a vaudeville actress,
recently died from the effects of a severe
surgical operation in Baltimore, Md. In
private life she was Mrs. M. P. Coakley,
and with her husband formed the vande-
ville sketch team of Husted and Coakley.
The body was taken to Washington, D. C.,
for burial.

Miss Alice Forrest, of New York, aged 19,
died at the Albany (N. Y.) Hospital June 24
as the result of a fall through the stage
into the cellar at Harmanus Bloeker Hall
the previous night. Miss Forrest was a
cousin of John Drew, the actor, and a
member of the Herbert Stock Company.
She was playing the part of a maid in "A
Lady of Quality." Before the curtain fell
on the first act one of the stage hands
found her unconscious in the cellar, where
she had fallen from an elevated bridge on
the stage.

CROP REPORT.

Immeasurable damage has been done to
crops of all kinds throughout the Central
States by the record-breaking weather of
the last ten days. The rain and falling
temperature have combined to wreck vege-
tation, and as yet no abatement of the
present condition is observable. A splen-
did wheat crop remains ungathered, rain
having delayed the harvest. The prospect
for corn was excellent, but the floods of
rain have rendered it very poor.

A small cyclone ruined the chance for
much of a show business during the next
few weeks in certain portions of Indiana,
Ohio and Kentucky. The greatest damage
was done in Hancock County, Ind., though
the storm-swept section covers hundreds of
miles, extending northwest through Marion,
Hamilton, Boone and Tippecanoe Counties.
Several counties in Central Ohio suffered
also. The crops were utterly destroyed in
some places, and property was greatly dam-
aged.

Snow in Michigan has destroyed the
cherry crop.
The drought in Texas has been relieved,
and conditions are somewhat more favor-
able for a fair crop.

North Carolina crops never were in better
condition than they are this year.

INDUSTRIAL REPORT.

Several small strikes have been reported
in the past week, but none of consequence,
even locally, the employes having returned
to work in each case.

The most serious was a strike in the
woolen mills at Fitchburg, Mass, but the
scale of wages was adjusted and three
times the number that had been employed
went back to work.

A 10 per cent. increase in wages of 100-
000 employes of the United States Steel
Corporation, just determined upon by the
executive committee, will increase the
amount of the pay-roll of the big concern
by about \$4,000,000 annually. The advance
will apply in the cases of both union and
non-union men. The employes of the Car-
negie Works will be the first to receive the
benefit of the increase.

Industrial conditions generally, outside of
the hard coal country, are excellent.

CORRESPONDENCE.

NOTICE—The Billboard desires a correspondence every day and town in the United States which is not here represented.

NEW YORK LETTER.

Summer Attractions Are Numerous.

Smaller and smaller grows the list of our theatrical attractions. Lulu Glaser has decided to close her season in "Dolly Varden" at the Herald Square and take a vacation in Europe. This is not in any way due to the waning of this charming opera's charms, for Miss Glaser could carry the piece through the summer, but it is rather unusual for a star of her magnitude to be working at this season, and she wants a rest from "whirling." The new comic opera called "The Defender," now running in Boston, will succeed "Dolly Varden" on July 7.

Despite the heat and disinclination of the public to attend indoor shows, "The Wild Rose" still blooms successfully at the Knickerbocker.

"Sally in Our Alley" is the name of the new musical comedy to be produced by George W. Lederer next August. George V. Hobart and Ludwig Englander are the authors, and Marie Cahill will play the title role. Belle Harper, formerly with the Lotosians, will be the prima donna. Duss's band concerts at St. Nicholas Rink are a successful feature of the summer amusement season in town. The band contains some excellent musicians, and their work is a body is pleasing. The conductor has introduced a few innovations, one of which is the distribution of flowers to the women patrons.

Casino "A Chinese Honeymoon" at this house, is one of the most successful summer musical comedies that have been in New York for a long time. It does not need a press agent to say that, for the theater is crowded nearly every night. For the warm weather—if it comes—a cooling apparatus has been arranged, so that no one shall suffer discomfort.

Daly's "Kleg Dado" goes into its last week at this theater on Monday, June 20. It will be the eighth week of the present engagement in this city and the fifty-eighth consecutive week that the company has played. The company will have a vacation of two weeks before the commencement of the rehearsals necessary to the opening of the Chicago engagement on Aug. 2.

Hammarskjöld's Paradise Gardens—The new additions to the bills of this house have met with success. The Florida Midwinters, introducing their clever wrestling match, the Johns & Brothers, who play the xylophones exceedingly well, and the Waterbury Brothers are among the new attractions. Those to remain are the three Willie Brothers, Goodman's cat and dog circus, G. Olin, the Four Madams, the three Clis, the ballet and song divertissement, in which a new tambourine specialty is introduced. Phroso, the mechanical doll, enters upon his final week. The Sunday concerts continue in popular favor.

American Theater—Ted Marks' variety show on the American Theater Roof Garden commenced its second week Monday night. During last week the roof was crowded nightly. This week Mr. Marks will present an entirely new programme. Ta Thuma is the only act retained. On the bill appear Smith and Campbell, Young and Le Vole, Bally and Maddison, Manning's Entertainers, McPhee and Hill, and others.

Cherry Blossom Grove—A new policy was inaugurated Monday night, when the Chapmans' was moved up from the theater proper and combined bill which has been given there heretofore.

Keith's—The headliners for this week are Ida Melville and company, who in "Sis Hopkins' Sister" have a very laughable sketch on the idea borrowed by Miss Ida Melville from her sister, who made such a hit as the original "Sis Hopkins." De Vil Hers, the French illusionist, will do tricks, and Jordan and Welch, with "Just Two Hebrews," are on the bill. There are many other acts.

New Star—Owing to the success of Sosa's comic opera, "El Caudan," the management has decided to continue it in other weeks.

Manhattan Beach At this seaside resort Frank Daniels and his merry companions in "Miss Simplicity" have been seen during the past week by audiences of almost, if not quite the usual Manhattan Beach magnitude, and nothing but pleasant weather is needed to crowd the big theater to the doors.

RALPH KELSLO.

"RUNAWAY GIRL"

Will Stop in Philadelphia for Awhile.

The vast population of this city only had one theater to afford amusement this week. Keith's Theater remained open, and, as usual, did an enormous business. The Grand Opera House, which had been doing fairly well with vaudeville at cheap prices of admission, closed suddenly on Monday, without any preliminary notice. No doubt this sudden closure was occasioned by the failure of Hashim's other enterprise at Atlantic City, particulars of which are given later in this letter. It was an ideal week for theatricals, as the evenings were very cool, and it rained three nights in succession, thus keeping people away from the parks, and it is safe to say that if four or five theaters had been opened they would all have done business. It has become such a lottery to run summer theatricals during June, July and August that few of our managers try it during those months. Fred Niddinger, of the Park, will try it, starting

tonight. He puts on "The Runaway Girl," and the house will be kept open as long as business warrants. Lions will be made to duplicate the success of "Lover's Lane," which made a hit financially and artistically at the same house for eight weeks. It is safe to say that no other houses will open until August.

GOSSIP.

The parks suffered frightfully from the cool weather last week. Even when the temperature was warm enough for people to go out showers kept them away. It looks as if their season was going to be a losing one. Liberate, who opened at Washington Park last week, made a big hit, and is drawing thousands to that place. Herberts, Pittsburgh Orchestra is drawing fairly well at Willow Grove. The vaudeville show at Chestnut Hill Park will be superseded tonight by the Boston Concert Band. The concessionaires and amusement men at woods-side parks are all very busy on account of a raid made on them last week for keeping open on Sunday. They were all hauled up before a magistrate, and after a preliminary hearing, were held under a non est writ for a further hearing this week. If the agitation continues, and it is found out that they can be punished for keeping open on Sunday, it will mean the failure of two parks, for Saturday and Sunday are the only days on which they do business.

Hashim, of the Grand Opera House, opened the ill-fated Empire Theater in Atlantic City two weeks ago. Latayette was the attraction for the first week, and did very well. Hashim and he had a dispute, and the second week a vaudeville show was the bill. The house closed suddenly on the second Saturday night, and it was found out that no one had received a cent for their services. The rent had not been paid, printers had to wait for their money, the electric light bill was not paid, and the actors only got the proceeds of Saturday for their share. That amounted to \$2.60 each. They gave the show with the light from coal oil lamps, candles and calcium lights, as the electric light company had cut off the lights.

George Tilyon, of the Steele Chase, Coney Island, who has rented the Auditorium Pier at Atlantic City, and has Sosa and his band under contract for that place, is scared to death his attraction, and with such at the speeded time. Though he has been harassed in every way possible by the people of that town, he has not lost hope, and is spending a large amount of money in advertising the pier and his attraction. Though he was prevented by litigation from changing the pier, and though he will not be able to make a profit, even though he is crowded every night, he is pushing for business just the same. The cold weather has hurt business at this resort, and the season is behind. The fact that nearly all of the large stores and manufacturing establishments of Philadelphia will close from the 3d of July until the 7th, will help this piece greatly, as large crowds will spend two holidays at that resort.

Sam Nyon, head of the Theatrical Syndicate, will sail for Europe this week. It is rumored that he has purchased the bill posting plant in Havana, Cuba. He is one of the stockholders of the Bill Posting Sign Company of this city.

Quite a number of the bill posters from the State will attend the convention in Milwaukee. It was expected that enough would be secured to take a special car, and go out that way in a body, but the scheme fell through. Sam Robinson, of the Bill Posting Sign Company; Alexander McDonald, of the Fiester Printing Company, and a representative from N. W. Ayer & Sons, will attend from this city.

BOB WATT.

UNPROFITABLE

Has Been the Opera Season in Boston.

Columbia Theater, (Chamberlynn Amusement Co., Mgrs.)—Week of June 23, Allen Lowe's "Defender" is playing to good business. The house closes Tuesday, July 1. The company is scheduled for a New York opening at the Herald Square Theater July 7.

"The Prince of Pilsen" is booked far into September at the Tremont.

The August opening at the Boston Theater will be "Sergeant James."

Dave Wardell opens the season at the Hollis. The Boston Museum opens with the Four Cohans. The attraction is not yet announced for the Colonial.

The opera season closes this week at Music Hall, followed by the Castle Square Stock Company, presenting "The Corsican Brothers," July 1. The opera season has not been profitable.

The Castle Square Theater closes this week for repairs, the first in seven years. William O'Neill has been refused a license to run a theater in South Boston. Everything is off in the shape of amusement palaces in this locality.

At Keith's this week: The Tabernay Vivant, the Cadettes Orchestra, Chase, Dickson and company, Ray, Rovere, McIntyre and Heath. The counter-weight on the fire curtain fell down and narrowly missed striking Mr. Heath, who was standing in the wings.

At Norrumbega Park the patrons are entertained by Ferguson and Watson, Peter Baker, Folly Trio, Clotilde Antonio, Nibbe and Riley, Keely Bros, and the Mysterious Club.

Point of Pines, Sunday night, June 29, Ella Proctor hits, headliner. Week of July 1, Pines Opera Company in "Said Pasha."

Very general is the interest in the exhibition of Joe Hood, the fancy pool expert, at Aestlin & Stone's this week, hundreds who never handled a cue in their lives having seen and enjoyed Hood's marvelous performances. The amusing, talkative Anstra-

lian cockatoos and a big list of vaudeville entertainers are also contributing to the splendid shows.

The performance at the Crescent Gardens, Revere Beach, this week, are given by Charles Leonard Fletcher, Ford and Dot West, Sully and Italia, Rena Windfield and the Ballboys.

Cassy Grant is delighting all who visit the Palace Theater this week with her songs. She is assisted by a sweet voiced youngster, who sings from one of the balconies. The stock company presents two new and breezy burlesques.

Monday next a complimentary testimonial will be rendered Rushness Manager Harry N. Farren at the Columbia Theater.

The Medford Boulevard Summer Theater is attracting large audiences this week, where an excellent bill is presented by Carmencella, the Donovans, Krels's Dogs, Cats and Monkeys, Cushing and Merrill, the American Comedy Four, Ostrando and the Vayto Duo.

Polly Guzman, of "The Prince of Pilsen" company, understood by Dorothy Morton, has been provided with a new set of expensive wardrobe. Polly's friends are anxiously waiting for her opportunity to make good in the principal role.

The New England All-Track Circuit opened at the Old Sausage race course, June 23, for a three days' meeting, under the management of W. F. Hitchings, to the best attendance ever known at this popular track. The fields were good, and under the watchful eye of Starter Van Wagener, everything went off in good shape.

Leading events next week, July 24, including a grand holiday card for Independence Day, prepared by Secretary Jewett.

Buffalo Bill closed last week to good business in spite of three rainy days.

Main's Circus comes June 30 for one week.

Gordon Prince, of Boston, died Wednesday, June 25, at his cottage in Manchester, from the effects of an operation for appendicitis. He was a director of the Boston Horse Show, member of the Somerset Club, Country Club, and one of the organizers of the Myopia Hunt Club. He leaves hosts of friends.

BUSINESS GOOD

Notwithstanding the Cool Weather in St. Louis.

St. Louis, June 30. The cold weather has had a somewhat depressing effect on the attendance at the summer gardens the past week, but considering the atmospheric conditions, the box office receipts were fair.

Delmar Garden, J. C. Jaupolo, Mgr.—"The Wedding Day" was sung by the Delmar Opera Company, and its vocal rendition was again a great triumph for the company. Mr. Angelos was hardly missed, as Mr. Harvey was very good as Polycof. This week, "The Bohemian Girl."

Shubman Garden, Clark Brown, Mgr.—Mr. Brown offers a very good bill this week, headed by Miss Flo Irwin and Walter Hawley. Leon Morri's ponies are also a feature, assisted by their negro trainer, Waterbury Bros, and Tenny in their musical act remain great local favorites.

Forest Park Highlands, J. H. Hopkins, Mgr.—Mr. Hays, in a limited edition of "A Wise Guy," is again with us, and as usual getting his share of laughs. Bernard Hylen and the Kaufman Family also assist in getting up a good bill.

Thrig's Cave, McNeary Bros., Mgrs.—Mintrelly was introduced at the Cave this week by the Howard Company, the entire company taking part in the presentation. Miss Howard as the Interlocutress, was charming, and Miss Sylvester, as usual, sang sweetly. The olio is good, and the week bids fair to be a record breaker.

Creve Coeur Lake, W. Maurice Tolbin, Mgr.—"The Only Place" continues drawing the masses, and incidentally the classes. The beautiful resort has on its summer dress of green, but this doesn't mean it is a reflection from the gaudy Tolbin's eye. The man on the globe continues to do feats of wonder.

Hashagen Park, (Hashagen Bros., Mgrs.)—The big number this week is Isbell and Mannewal, the banjo kings, while Marlon and Dean in a new sketch are running them a close call for honors. The Manhattan Quartette are announced as features for next week.

Eclipse Park, (Wallace Woods, Mgr.)—"The Natural Gas Man" is being presented cleverly by the "stock" this week, every member being happily cast. The balloon ascension was also cleverly executed.

Mannion's Park, (Mannion Bros., Mgrs.)—Arthur Deuling is with us again, and a great comedian he truly is. He held the stage for twenty-five minutes Sunday, and then the audience didn't want him to go. The Polyns are good, and the Constantine Sisters deserve mention.

Koerner's Garden, (Mr. Will S. Rising, Mgr.)—The presentation of "Virgilus" by the company this week met with great approval by the large audience present Sunday evening. Mr. Buhler as Virgilus and Miss Keable as Virginia were both excellent in their parts. Next week: "The Two Orphans."

NOTES.

Mr. Will S. Rising, at present managing the Koerner's Garden Company, is figuring on the occupancy of a local theater, to place his excellent stock company. This is a pleasant announcement to make, as its acquisition to the local theatricals would be a most welcome addition.

Palm's Fireworks opens June 30. "The White Crew" are now on daily promenade, and a great "Newton Idea." Complete announcement of the opening will appear in this column next week.

The South Broadway Merchants' Association will give their street fair at Hasha-

gen's Park, beginning Sept. 23, and running for two weeks. The Bostock Company will furnish the attractions.

The incorporated DeKreko Bros., who are touring the West, continue to report a good business.

The Streets of India at Delmar Garden, under the direction of the Original DeKrekos, continues to please immensely. The show is excellent, and presented in a way that is endorsed by all who have seen it. New attractions are offered each week.

DAN S. FISHELL.

"MARTHA"

Given Initial Presentation to Patrons of Chester Park, Cincinnati.

The patronage at all the parks last week was comparatively very light, owing to the cool, wet weather.

A big feature at Coney Island this week are the two ragtime concerts, given by the Cincinnati Military Band, under the direction of Mr. Jacob Hoffman, Jr. This band has a reputation for playing the genuine ragtime, and lovers of that class of music certainly enjoyed the treat at the island Sunday. Unique souvenirs, in the shape of programmes printed on pieces of gray linen, were issued to the patrons. Miss Georgia Munyon, the well known cornetist, played a cornet solo at each concert, as she will continue to do all week.

The management of the island announces that the Fourth of July celebration this year will be the grandest ever attempted in this vicinity, a mammoth programme commencing in the morning and running until late in the evening having been arranged. Extra boats have been chartered, and patrons can go to the island and return at almost any time during the day and night.

This week will be an important one at the Zoo, both on account of the special programmes that have been arranged by the Cincinnati Orchestra and on account of the fact that unusual preparations have been made by the Zoo management for a splendid exhibition of fireworks on July 4.

This is the last week of Michael Brand's Band for the present engagement, and he has arranged concerts of great interest. Sunday evening and Monday evening were popular concerts. Tuesday evening will be a concert made up from request pieces. On Wednesday there will be one of the most acceptable ragtime concerts imaginable. Thursday will be light opera night, when there will be produced selections from all of the best known operas.

As might be expected, the concerts both in the afternoon and evening on Friday, July 4, will partake of the character of the day and be made up of patriotic airs and numerous special features. Saturday will be American Composers' Night, while the band will play its farewell concert Sunday afternoon and evening.

The event at Chester Park Sunday was the opening performance of the opera season, and the new company, with Adelaide Norwood as the prima donna, made its first bid for public favor in "Martha." Miss Norwood was, of course, most pleasing, and in the third act sang the familiar and ever popular "The Last Rose of Summer" with such effect as to receive a most fluttering encore. Miss Bernice Holmes, as Nancy, shared much of the attention and applause, while Mr. W. H. Clarke was received most cordially and shown marked attention as a favorite of past seasons. Mr. Charles O. Bassett was acceptable as Lionel, and the others of the company were quite satisfactory. The chorus, though not large, was most efficient, and scored well with the audience.

A special outdoor program had been arranged by the management for the park proper which fulfilled all promises made in advance and gave the big crowds the thrills which they seemed to expect. The best advertised of these acts was the Langfords, in a horizontal bar specialty. The feats executed were accomplished with a smoothness and dexterity well to be applauded. About the most thrilling feat seen at Chester Park this season is the plunge made by Charles Mote from a 100 foot tower into a life-saving net. The daring leap created a veritable sensation. A fire dive, by Wm. Collins, which made a startling effect, was also a good feature.

The bill in the vaudeville theater met with much approval. The acts are all amusing to a degree and cleverly carried out. Marsh and Sargella presented a most singing and dancing sketch, which took very well. Laurence Crane, with his Irish made, scored a most pronounced success, and mystified in his usual clever style. The Ramsey Sisters were also pleasing in their musical act. Trask and Rogers danced their way into popular favor, and Charles Stewart sang comic songs that the audience thought were superior to the opera.

NOTES.

Byron Douglas, John E. Haber and Mrs. Emelie Melville will likely be the only members of the old Pike Stock Company to return here. All reports that Mr. Douglas will not play here are simply idle gossip, as he has practically signed for next season, and only some unforeseen contingency will alter those plans. Lizzie Hudson Collier, who has been the leading lady for the past several seasons, will not hold that position the coming season. As for the rest of the company, Manager Hunt is now in New York looking around for players to complete the roster.

BALTIMORE, MD.

Preparations are under way for making Fourth of July week a gala one. The summer parks will provide their patrons with an extra number of attractions.

Electric Park, (Wm. Morris, Mgr.)—An excellent bill is given this week, consisting of the following entertainers: Genaro

and Bailey, Three Great Nevarros, LeMar and Gabriel, Orpheus Comedy Four, Carlisle's dogs and ponies, the Marvelous Merills and the vitagraph. The performances are well attended.

Elek's Park Garden, (Otto Elek, Mgr.)—Miss Alice Fowler is entertaining large audiences with her beautiful soprano voice.

Music Hall, (Bernhard Ulrich, Mgr.)—The Klittes closed their engagement June 21, after a long and successful season.

HUNTINGTON, W. VA.

Rentfrow's Jolly Pathfinders, who close their engagement of six weeks at Cliffside Park Saturday night, go to Mt. Vernon, O., for three weeks. Mr. Rentfrow carries a very large company, and nearly every one is an artist in his line.

Camden Park, one of the new parks of this city, will open its summer season Sunday. The Parkersburg Military Band will be one of the attractions at the Camden this season.

Mike McCarty, Robt. Hayes and James Hardman, members of the Buckskin Bill Wild West Show, who were arrested in this city, charged with being implicated in the abduction and assault of Laura Murry of Vanceburg, Ky., were released, as there was not sufficient evidence to hold them.

The Shott Bros.' Circus closed their season on last Friday, June 27, at Ceredo, a few miles below this city, as they were billed in the coal fields, and as strikes were on in their territory, they concluded to close.

Mr. Jos. R. Gallick will again manage the theater in this city.

Mr. Rice will put out "The Two Merry Tramps" about Aug. 20, bigger and better than ever.

LEXINGTON, KY.

The sixteenth annual session of the Kentucky Chautauqua opened to large crowds, notwithstanding the exceedingly cool weather. Business Manager Chas. Scott has booked attractions of unusual merit, and each day's program has been selected from a diversity of talent sure to please the masses.

A report from Louisville that "The Battle of the Quarter House," with the notorious Lee Turner, the most conspicuous participant of the terrible fight of several months ago, as star, is to have its initial production here Sept. 1, can not be corroborated.

J. F. ANNEAR.

WACO, TEX.

West End, our summer resort, still continues with the Lew Virden Company, to good business the three first nights of the week, but will give way Thursday to local talent, but on Friday will continue on the merry comedy, "A Royal Sport."

J. R. PHILLIPOWSKI.

ODD FELLOWS

Take Eminence (Ky.) Fair Grounds in Hand.

The Eminence (Ky.) Odd Fellows purchased property known as the fair grounds in that town. The buildings on the ground—that is, the grand-stand, dancing pavilion, stables, etc., were also included in the deal. The grounds and all buildings will be put in excellent repair and kept so. Everything will be done to make the place beautiful and attractive.
 Before this deal was closed there had been some talk of making a tobacco field of the grounds, but now, thanks to the Odd Fellows, no more such talk goes. They are to be heartily congratulated on their move.

VARIED

Is Program for Tyler County Fair.

The twentieth annual exhibition of the Tyler County Exposition and Fair Association will be held at its grounds in the town of Middlebourne, W. Va., Aug. 26-29.
 At the regular meeting to revise premium list and speed program of the Tyler County Fair, the board of directors made a special premium of \$50 for a cake-walk for the colored folks, first prize \$30 and second prize \$20. Entries open to all. No entrance fee will be charged. There will be the usual bicycle races, two in number, three and two miles, laps of one-third mile, respectively, the rider having most laps being the winner. The aggregate amount of the speed purses is \$1,110. The various committees are working to make everything a success again this year. The grounds are ample, and everything will be done to entertain the people and the visiting horsemen. There will be the usual balloon ascension and parachute leap, shows, etc. A merry-go-round will be on the grounds.

"THE ORIENT."

Big Spectacular Performance to be Presented at Fair.

Mr. Bollosy Kiralfy, the prominent director of many amusement enterprises, is arranging for a mammoth new spectacular production to be given at the Industrial Exposition at Toronto, Can., in September. The performance is entitled "Orient," and will be presented before the grand-stand with pyrotechnic accompaniments. It is announced that over 800 performers will appear in the cast. "The Orient" was selected on account of the great success it achieved when presented at the Olympia in London.

The play will be divided in three parts, the first being a scene of harvest festivities when the best produce is presented to the Oriental Empress. The second scene is that of a caravan of a messenger from England, who, with his companions, sits down for a night's rest, and is entertained with Oriental dances and chorus, but soon after is attacked by the Bedouin Arabs, who seek the rich gifts sent by the English King to Emanuel.
 The entire performance is replete with battle scenes and splendid scenic effects. The magnificent costumes, armors and equipments are all imported from England and have been made at an enormous cost.

EXTENSIVE EXHIBITS

And Excellent Accommodations Promised for Osterburg Fair.

The seventeenth annual Grangers' Encampment, Picnic and Industrial Exhibition will be held in Oster's Grove, at Osterburg, Pa., on Tuesday, Wednesday, Thursday and Friday, Aug. 12-15.
 The exposition this year will far excel those of all former years. The exhibits of agricultural products, etc., will be fully twice as extensive as last year. Many new attractions are being added. Two new two-story buildings are now in course of construction, and almost completed. They are both 25x40 feet. The upper stories of these buildings will be let for lodging at the low rate of 20 cents per night for each person, lodgers of course to furnish their own ticks and the association furnishes the straw free. The display of fancy work, etc., in the new pavilion will be a fine one, and many thousands who have never before attended this encampment will attend it this year.

This grove is one of the most beautiful in this part of the State. It is just twelve miles north of the famous, world-renowned Bedford Mineral Springs at Bedford, Pa., and some twenty-five miles south of the city of Altoona, and about 140 miles east of Pittsburg.
 Several good, clean tent shows have been contracted with, and there is yet room for more. Interesting programs for each day have already been arranged, and thousands will visit the exposition every day. Novelty men always reap an abundant harvest here, and nothing of a gambling nature is ever tolerated on the grounds, which is one of the secrets of the great success of this annual gathering.

Geo. W. Oster, of Osterburg, Pa., is secretary of the association, and cheerfully answers all inquiries.

PUSHING THINGS.

Preparations Going Forward for Michigan Fair.

The business committee of the West Michigan State Fair, which will be held at Grand Rapids Sept. 29 to Oct. 4, is busily at work getting ready to make this the biggest and best fair in its history. The grounds of nearly 100 acres has one of the best mile tracks in the State, and those who are now working their horses on it say it was never in better shape than at the present time. The work of constructing a half-mile track for runners has commenced, and liberal purses will be offered. The street car company is now building a bridge across the river and extending double tracks into the grounds at an expense of over \$50,000.

An athletic field, 400 by 600 feet, is being graded, and the grand-stand, which is so situated as to take in the mile and half-mile tracks and the athletic field, will be improved so it will accommodate a larger crowd than ever.

This fair association is backed by the Board of Trade of Grand Rapids, which has a membership of about 800 business men and manufacturers, who have raised a fund of \$15,000 for the fair for this year.

Liberal premiums and high-grade special attractions will be offered, as the management is determined to make this what it always has been, a great success.

ASSOCIATION REORGANIZED.

The old fair association at Pana, Ill., has reorganized and bought the fair grounds which have not been used since 1896. The association paid \$10,000 for the grounds, and have put in new stalls for 100 horses, 50 cattle stalls, a new amphitheater, seating 5,000 people; a new floral ball, new hog and sheep pens, chicken houses and many other improvements. The track is now as fast as any in Illinois. Pana belongs to the Illinois \$300 racing circuit, and is last on the list.

FAIR NOTES.

The fair at Waynesburg, Pa., has been discontinued.
 For privileges at the Pana (Ill.) Fair, address Louis Robby, secretary, or Robert Johns.

The Central Utah Agricultural Society will hold its first meeting at Richfield, Utah, this fall.

There will be no paid attractions in connection with the agricultural fair to be held at Virren, Man., Canada, this year.
 The dining hall on the Hamilton (O.) fair ground recently burned to the ground. A new one will be built for the coming fall.

Of the \$3,000 to be subscribed for the Arkansas State Fair, half has already been subscribed. The fair will be held at Little Rock, Ark., Oct. 27.

The prospect never was better for a successful state fair at Raleigh, N. C., than it is this year. The crops are perfect and every industry is booming.

Considerable money was pledged for special premiums at a meeting of the Belleville Grange Fair Association, and it was decided to have a fair next fall at Belleville, Mich.

The horse show will be the chief feature at the Merchants' Fall Festival, Indianapolis, Ind. A street fair and Midway features were decided against by the Merchants' Association.

Fences and buildings are being erected at the fair grounds at Arcadia, La., for the fair to be held in October. The fair grounds were recently purchased by the Bienville Fair Association.

The Dominion Balloon Company, of Toronto, Can., report good business. This year again they have contracted with the Monroe County Eastern Agricultural Fair, East Stroudsburg, Pa., for four ascensions, and Wlarton, Ont., on July 1.

The fair grounds at Celina, O., contain 45 acres, 25 acres of which are already grove. New barns have been built for this year, and the city water works is on the ground, besides three drive wells. The half-mile track is in excellent condition.

The work on the Provincial Exhibition, Halifax, N. S., is progressing very nicely. Manager Secretary Wood and his staff are quite busy. Copies of the prize lists are being sent out all over the province. The Canadian Manufacturers' Association, in recommending the show to its members, is helping the manufacturing display branch a lot, and Mr. Wood expects a great demand for space in the main building.

The North Kentucky Agricultural Fair is preparing for the biggest event in its history Aug. 27-30. The premiums on stock and exhibits will aggregate \$2,000, and there will be no racing. The fair grounds are situated ten miles from Covington and 1 1/2 miles from Erlanger, Ky. The arena is one of the largest in the country, being built in a forest of old trees, surrounded by the green fields of picturesque Boone County. Alon Perry is the secretary.

Chagrin Falls (O.) Agricultural Society have received an appropriation of \$2,000 from the State Legislature for improve-

ments on the fair grounds. Twenty new ten-foot horse stalls, a new band stand, a new grand stand capable of seating 1,500 people, and a new 20x40-foot hog barn will be erected this summer and the dining hall will be materially enlarged. A large number of the premiums in many of the departments have been increased and the purses of the racing department have been raised to \$1,000. The society also has under consideration the building of a fine new half-mile track. The society has decided to make the first day of next September's fair an educational day.

Street Fairs and Carnivals.

BIG LOSS.

Cyclone Strikes Street Fair in Marietta, Ohio.

The Elks' Street Fair in Marietta, O., sustained considerable damage from the tornado which struck that city last week. The tents of the Cincinnati Carnival Company offered but slight resistance to the awful wind, which swept them down in a jumbled mass. The attaches of the company did all in their power to prevent the destruction, but the odds were immeasurably against them, the rain damaging what the wind left intact. The Ferris wheel toppled over before the onslaught, and had to be taken all apart before it could be mended. A whole day was spent in repairing the damaged paraphernalia.

GASKILL-MUNDY

Well Received in Peoria.

Peoria, Ill., June 30.—(Special).—The Elks' Carnival, which opened here Monday, is reaching the expectations of the promoters, who promised the very best of everything. The Gaskill-Mundy Carnival Company, who are furnishing the attractions, can easily boast of having an aggregation of performers who are certainly great in all of their particular acts, and every show is deserving of all possible praise. The stadium, which is arranged in circus style, has within its canvas walls the most finished exhibitions of aerial and ground acts ever witnessed. The sensational cycle whirl, directed by Kilpatrick, is deserving of special endorsement; also the dare-devil riding of Messrs. Nell and Vokes. The high dive, ride for life and Phillon on the spiral tower, are other features which simply defy the pen description. Gaskill & Mundy have certainly placed a show together that is a credit to the carnival world, and their success is, no doubt, due to the fact that they deliver the goods. The entire management is cleverly manipulated, and they will be always welcomed back to Peoria.

Nat. Kelss, general manager of the Southern Carnival Company, is doing very nicely now, and hopes for its complete recovery in a few days are entertained.

The Elks coined money at their carnival, Wellston, O., week of June 16, but it seems the Cincinnati Carnival Company, who furnished the attractions, came out losers.

A. J. Mullen, secretary of the Minneapolis Carnival, writes that the function was a success, both artistically and financially, and a very substantial sum was realized.

The Great Oriental Carnival Company, (Prof. G. W. Van, proprietor), opens the season in July at Sylvan Beach, N. Y. They will carry a complete Midway on nineteen cars.

Mayor Muddell, Oxford, O., recently announced that Oxford will have another street fair Sept. 22-28. This coming fair is the result of the very successful street fair given in that town last year.

Curions.—The two greatest parade experts and builders in America are Benson and Gorman. Both are thoroughly versed in pagentry, and are regarded as the highest authorities in this unique field.

The Columbus (O.) Elks have accepted the loan of a grand stand with a seating capacity of 5,000 for their coming carnival. The National Cash Register Company, Dayton, O., rendered the use of the stand.

A street fair to be held July 28-Aug. 2 has been promoted by the Hillsboro (O.) Elks. Citizens have subscribed liberally, and the Elks intend bringing the best carnival company obtainable to Hillsboro.

July 7 will be opening day for Springfield (O.) Elks' Carnival. Captain F. E. Stoll (manager of Jabour Company, which will furnish attractions) has engaged the Nelson Family, and also purchased several animals at the Cincinnati Zoo.

Benton Harbor, Mich., is to have a free carnival one week, July 7-12, to be given under the auspices of the merchants of that city. There is to be no enclosure; everything will be entirely open. Robinson Carnival Company will furnish attractions.

While Johnny Heiten was selling tickets for the dog show with the Indiana Carnival Company at Linton, Ind., some scamp threw a stone, which struck him on the head, rendering him unconscious for several hours. The man who threw the missile escaped.

The Two Hewitts (Emma and Fred), novelty globe artists, are in their thirteenth week with the Wright Carnival Company, and "making good" everywhere. At the close of the carnival season they go direct to California, where they are interested in milking properties.

Col. G. M. Hudspeeth, of the Indiana Carnival Company, has 50-foot streamers on all his cars, and as his special train goes flying through the country every Sunday, it makes the natives open their eyes. The colonel is a firm believer in printers' ink, and uses lots of special paper.

Earl's penny picture parlor is doing a splendid business with the Wright Carnival Company. This attraction has been with the Wright Company all season, and will remain with them the rest of the summer. Mr. Earl says the report about his joining a different company is false.

Lapeer, Mich., will be the scene of gaudy festivities on Aug. 27. The event will be known as the Second Annual Lapeer Day, and will witness a business men's parade, various attractions along the streets, a general free show, ball game, and in the evening a pyrotechnical display.

Enterprise Amusement Company (Billie Robinson, manager) furnished for the Bloomfield (Ind.) Carnival a vaudeville show of eleven people, plantation jubilee singers, cake-walkers and dancers, troupe of glass blowers, five fires, with eight people, and a carbo show on platform.

Wm. Bauer, press representative of the Midwinter Carnival given at Washington, D. C., Feb. 3-15, 1902, and of the Ohio Elks' Fourth Annual Reunion at Marietta, O., Sept. 15-21, would like to secure a like position with a street fair. He can be addressed care of Kolb's Hotel, Cincinnati, O.

There was an average of \$2.50 spent in the grounds for every paid ticket to the B. P. O. E. Carnival at Victor, Col. A. K. and Charley DeKreko were each presented with a fine gold nugget by the celebrated Jack Gregory, known as "Crappier Jack." Altogether, Victor was a big financial success.

Mie, Russell, who made such a decided hit at Coney Island, Cincinnati, O., last week in her slide for life from the top of the tower in the center of Lake Como to the chutes house, will join the Louisville Carnival Company July 7. T. J. Oatman and J. R. W. Hennessy, managers and promoters.

The Elks' Carnival at Logansport, Ind., was a big success financially and in every other way. The Gaskill-Mundy Company furnished the attractions. The total attendance to all shows and for all week was estimated at 219,500. The receipts were about \$20,000. This means a profit of \$6,000 to the Elks.

Chas. Harkinson, representative of the Robinson Carnival Co., addressed the meeting of the city council, Benton Harbor, Mich., and secured the privilege of conducting a street fair on Sixth street, Wall street and East Main street, during the week beginning July 7. The fair is to be free to all, and is supported by the merchants of the city.

The Princeton (Ind.) Elks have concluded not to give a carnival this year, owing to the fact that they have been unable to secure attractions for the date they desired. However, the Red Men may conclude to hold a pow-wow early in October if the desired attractions can be secured. They

want a good Wild West Show and other attractions.

A big carnival will be given Aug. 18 at Sandusky, O., under the auspices of the Elks. The show will be given by the Bostonic Carnival Company. The Elks are preparing to make the affair one of importance to all the corners of Northwest Ohio. George M. Zimmerman is chairman of the committee on arrangements, and the other members are John C. Hauser, Dr. C. H. Schoepfle and George J. Doerzbach.

Messrs. Geo. Bahn and Jacob Estill, the two members of the Lexington Lodge of Elks selected as a committee, and sent to Pueblo, Col., to investigate the merits of the DeKreko Bros.' Roman Carnival Company, have returned enthusiastic over the novelties introduced by the DeKrekos. They closed a contract for its appearance at the Lexington Show, Fair and Carnival, Aug. 11 to 16, and requested Secretary Frank P. Kenney to procure the best splendors possible to justify the worth of this company.

One of the big free attractions at the English Carnival, Youngstown, O., on July 28 to Aug. 2, inclusive, is Phillon on the spiral tower. Upon a globe 28 inches in diameter, the fearless Phillon ascends and descends a spiral tower 50 feet high on a roadway only 16 inches wide, and mounted upon this unsteady footing he ventures out upon a slender cable 40 feet from the ground, performing many difficult feats on his dangerous journey, finishing his wonderful exhibition by rushing headlong down the tower enveloped in flames and fireworks.

"Osceola" the snake eater with the Robinson Carnival Company, recently lost two of her pets at the street fair in Washington, Pa. Two days after the company had left the town workmen who were taking down the platform where Osceola had held forth, found a rattlesnake under a pile of boards. They were afraid to touch the reptile, and called Thomas D. Smith, who was standing near. He seized the fugitive, and he intends keeping it as a souvenir of Washington's only street fair. Later a boy captured a second rattlesnake, which, however, was smaller than the first. It is not known how the snakes got away from the show.

The pay shows of the Cincinnati Carnival Company are all clean and meritorious, and well worth paying to see. At Cambridge, O., the Electric Theater was very interesting and the electrical performance of Lori and Celeste very fine. The war representations caused old soldiers to hold their breath. Luette, the flying lady, kept the wise ones all guessing. The minstrel show, Samson, the man-eater; the Statue Turning to Life; the Venetian glass blowers; Captain Stanley, the high diver, and all the other attractions drew large crowds and all went away satisfied that they had seen their money's worth.

Large crowds flock to Manhattan Beach, Cleveland, O., to see Bostock's Animal Show, an exhibition there. There are now about 500 zoological specimens in the show. The performances scheduled for every afternoon and evening are of a sensational character. The spectacular act is that of Capt. Bonaytha, who goes into the huge cage in the center of the arena with twenty nine forest-bred lions. He is alone and unarmed, and is completely surrounded by his savage pets. He controls them with the wave of his hand, and compels them to go through many interesting maneuvers. The performance lasts nearly two hours, and included among the other features are Mme. Morell with her leopards, Prof. Wexdorf with a miscellaneous group of savage animals, Prof. Johnson with performing elephants, and others.

BIG DEAL.

Gentry Buys Speed Sire, McKinney.

Henry B. Gentry, of Bloomington, Ind., principal owner of the Gentry Brothers' Dog and Pony Shows, and who has become prominently identified with the horse world in the past few months through purchases of the stallions and breed mares, has just completed a deal for the purchase from Charles A. Durfee, of San Jose, Cal., of the famous trotting stallion and sensational speed sire, McKinney, for \$25,000 cash. This is said to be highest price paid for a sire since 1893.

The deal has been in progress since the midwinter horse sale in New York, and was closed by wire last week. Mr. Gentry has never seen McKinney, but he has forwarded \$1,000 to Mr. Durfee, and agrees to pay the remaining \$24,000 in cash on Aug. 1, when McKinney shall be delivered to Mr. Gentry in sound condition and free from disease.

RACES ASSURED.

Columbus (Ind.) Trotting Association Will Offer Big Purses.

The Columbus Trotting Association has decided to hold their fall race meet Sept. 9-12. The Driving Park has been leased for a period of five years and several improvements will be made on it. The Pennsylvania Railroad Company and the Trotting association are rebuilding the high board fence around the grounds and the trotting association will also rebuild the track fence running around the inside of the track.

There is also some talk of building an addition to the grand stand.

The program for the races has been put in the hands of the speed committee, and they are now busy working that out.

The outlook for the fall meet is very bright, and the association expects to have the most successful race meet in their history. A few races are already filled, and the entries are coming in well. About \$1,700 will be given by the association in purses.

SPEED RING NOTES.

The Decatur (Ill.) Trotting Association will hold a race meet Sept. 9-12.

The fair association of Pana, Ill., have put \$3,000 in the speed ring alone.

The Grand Western Circuit, which was to have been opened at Joliet, Ill., June 23, has been canceled, and the races will be held Aug. 5-8 instead.

The speed program of the annual fair at Hillwood, Ind., will be "par excellence." Good purses are announced, and many first class horses are expected. Date of fair is Aug. 19-22.

The directors of the Southern Interstate Fair, which is to be held in Atlanta, Ga., Oct. 8-25, already have \$10,000 purse money in sight for races to be run at Exposition Park while the fair is in progress.

The Walworth County Agricultural Society offers the following purses for the races to be held in connection with the fair at Elkhorn, Wis., Sept. 16-19: \$1,000, 2:10 class trot; \$1,000, 2:21 class trot; \$1,000, 2:28 class trot; \$1,000, 2:11 class pace; \$1,000, 2:17 class pace; \$1,000, 2:24 class pace. Entries close Sept. 6.

The light harness meeting that was to have been given at Joliet, Ill., June 23-27, has been postponed until Aug. 5-8. It is announced that all entries must be sent in to Manager Weber, of the Joliet Driving Club, before July 25. Two changes have been made in the purse races: The 2:40 trot, mile heats, that was to be best three in five, has been changed to best two in three for three-year-olds or under. The same change has been made in the 2:40 pace. The time has been changed also in most of the racing events. No changes have been made in the amounts offered as purses. Records made on and after July 25, 1902, will be no bar.

The association of the four Ohio counties, Lucas, Wood, Putnam and Hancock, have effected an organization known as the "Big Four Circuit," the object of which is the betterment of racing conditions at the fairs of the counties named. The first fair will be at Toledo, O., Sept. 15-20, the next at Bowling Green, O., and last comes the Hancock county fair, and last comes the Ottawa fair. Efforts will be made to get the better class of racers for these fairs, and they will doubtless be successful. Fully \$24,000 in purses will be offered by the four fair associations, which is something worth going after. The next meeting of the secretaries will be held in Findlay, O.

There will be another race track in St. Louis very soon. For several years there has been trouble, because the fair ground people would not permit the Kinlock track to operate. Two men have been killed as a result of the trouble, and thousands of dollars spent for lawyers' fees. Some new people have entered the field—the richest men in that city. One of them, Otto Steffel, is worth about \$3,000,000, and the rest follow closely. The race track will be established contiguous to the World's Fair grounds, and will probably be in full operation by May 1. Three hundred thousand dollars has been subscribed for the new track.
