### SILVER WEDDING OF MR. AND MRS. A. T. DOBSON CELEBRATED AT JAS. HORNE'S HOME

Mr. and Mrs. Arthur T. Dobson of 311 Vine street were central figures at a family dinner and evening party given Tuesday by Mr. and Mrs. James W. Horne, their son and daughter-in-law, at their beautiful home on Valley View Road. The affair was in celebration of the Dobsons' twenty-fifth wedding anniversary, for which time had prepared them, as Mr. Horne pointed out, by silvers their hair.

At the dinner which was very beautiful in its floral decorations and appointments of lavender and silver, covers were laid for 21: Mr. and Mrs. A. T. Dobson, Mr. and Mrs. James W. Horne, Mrs. William T. Wallace, Henry C. Woodthorpe, Mr. and Mrs. J. Lander Stevens, George and Jack Stevens, Mr. and Mrs. Charles Carrere, Harry Cooper, Miss Elizabeth Plummer, Mr. and Mrs. Scott Dunlap, Mrs. Louise Dunlap, J. Dubrey, Jack Labelle, Jim Horne, Jr., and June Horne.

In the evening following the dinner the company was augmented by about forty guests, most of them members of the theatrical profession with which Mrs. Dobson has been connected all her life. On the large tennis court the company enjoyed music, games, reading and dancing, having a thoroughly delightful but informal good time.

Mrs. Dobson as Miss Edith Woodthorpe was the original "Buttercup" in the production of Pinafore with which the first Tivoli Opera House in San Francisco was opened. At her wedding Alice Nielsen, the singer, was a bridesmaid, and many other theatrical celebrities were present. Mrs. Wallace who is here now from Portland is still in the profession and is at work on a Fox production.

Twenty-five years ago Mr. and Mrs. Dobson were married in San Francisco by a Methodist clergyman, Dr. Gibson. They renewed their vows at a mock wedding last night and their friends in congratulating them expressed the hope they might have twenty-five more years as happy as these have been. They were the recipients of many beautiful gifts.

During the evening a poem written by James W. Horne celebrating the happy event was beautifully read by J. Lander Stevens. It was much appreciated by the large gathering of friends which included besides Mr. and Mrs. A. T. Dobson and Mr. and Mrs. James W. Horne, Mr. and Mrs. Charles Carrere, Mr. and Mrs. J. Lander Stevens, Mr. and Mrs. Edward Le Saint, Mr. and Mrs. Geo. Melford, Mr. and Mrs. George Hollister, Mrs. William T. Wallace, Henry C. Woodthorpe, Mr. and Mrs. George Larkin, Mr. and Mrs. Ferris Hartman, Mr. and Mrs. David Butler, Mr. and Mrs. Sydney Payne, Mr. and Mrs. Charles Rudel, Mr. and Mrs. Theodore Peirce, Mr. and Mrs. J. C. Waite, Mrs. Isabel Phister, Mrs. Richard Louis Phister, Mr. and Mrs. Bennett, Mr. and Mrs. Simpson, Mr. and Mrs. Scott Dunlap, Mrs. Louise Dunlap, Miss Etta Condon, J. A. Dubrey, Harry Cooper, Robert Wilcox, Miss Elizabeth Plummer, Miss Edith Roach, Miss Alice Rush, Misses Bertha and Henrietta Fangman, Ed Forestall, Jack Labelle, Lee Shannon, Mrs. Georgia Shannon, Miss Maggie Walters.

## S. S. GRADUATES

### MRS. E. D. YARD ENTERTAINS FOR PUPILS OF PRIMARY DEPARTMENT GOING HIGHER

Mrs. E. D. Yard, who has been superintendent of the Primary Department in the Congregational Sunday School for eight years and graduates some scholars every year, gave a little party for the graduates this year one afternoon last week. There were three little girls and three boys, some of whom had been under her instruction for five years and she says she felt quite a pang in giving them up. Their names are Esther Phillips, Edith Colton, Mildred Allen, Clayte Barbee, William McKee and Joe Colton. They spent the afternoon playing games and then sat down to a table spread under a big pepper tree in the back yard where they enjoyed refreshments of ice cream, cake and candy. They presented to Mrs. Yard as a remembrance two beautiful little pictures and the children and their teacher had a very pleasant afternoon together.

WEATHER FORECAST: Fair except partly cloudy tomorrow.

## JUNE REPORT

### CITY RECORDER GIVES LIST OF CASES DISPOSED OF IN HIS COURT

The report of Judge F. H. Lowe, City Recorder, of cases disposed of in his court during the month of June, is quite an interesting document. The total number of cases was 192. Of these 188 were for violation of some section of the traffic ordinance. The complete report is as follows:

- Exceeding speed limit, 21.
- Improper lenses, 52.
- No rear light, 33.
- Open muffler, 37.
- Spotlight not adjusted, 14.
- No-parking ordinance, 12.
- Reckless driving, 3.
- No 1920 licenses, 1.
- Cutting corners, 15.
- Other cases were:
- Larceny, 1.
- Insane, 1.
- Drunk, 1.
- Discharging firearms, 1.

In spite of the many arrests and fines for violations of the traffic ordinance, there seems to be no diminution in the offenses. Yesterday there were 15 arrests for this, two of them for the very dangerous practice of cutting corners. Officer Trautwein says that heavy trucks are the greatest offenders in this.

### DEATH OF MISS SMITH'S MOTHER

Miss Stella Smith is absent from her duties at the Evening News office this week on account of the death of her mother, Mrs. Catherine S. Smith, who passed away at her home at 1638 West 39th street, Los Angeles, Tuesday forenoon. The date of the funeral services has not been set, awaiting the arrival of a daughter from Illinois.

### ADVENTURING BY AUTO

The early part of last week Mrs. H. F. Rand and a party which included her daughters, Helen and Naomi Rand, Mrs. O'Conner and infant and Mrs. Rand's sister, Mrs. Clough, decided to go adventuring with their closed Buick car in spite of the fact that the baby in the party is but a few weeks old. They got along beautifully and had a delightful tour of the San Joaquin Valley. Their first stopping place was at Bakersfield. From there they went on to Hanford, Corcoran and Visalia. On the return trip they spent a night at Lebec, which is in the mountains, and reached Glendale Friday noon. They had such a pleasant and easy trip they will probably try it again.

### BIRTHDAY DINNER

Mrs. Catherine Bell was guest of honor at a family dinner which took place Sunday at mid-day at the home of her daughter, Mrs. Alice Brown, 313 West Harvard street. It was in celebration of her 74th birthday and a conspicuous place at the feast was given to a handsome birthday cake decorated with a large "74." Covers were laid for Mr. and Mrs. Orville Bell, Mr. and Mrs. W. H. Fox and their little daughter, Mrs. Alice Brown, and her son and daughter, Edgar and Viola Brown. Mrs. Bell was the recipient of many gifts and congratulations.

### DAVIS—PLATT

Very quietly, without any fuss or ostentation, Miss Naomi Platt and C. H. Davis were married yesterday by Rev. Smith, of the Immanuel Presbyterian Church, in the pastor's study. Mrs. Davis is the daughter of Mr. and Mrs. Wilbur M. Platt of 204 South Orange street and she and her husband are at the parental home for a short time until they can locate a residence; for they will make their home in Glendale. Mr. Smith is a New Yorker, but has adopted California and is in the employ of the Dodge Service Company of this city. Mrs. Davis has been a resident of this city for about nine years and has many friends here.

### NEW BUSINESS FIRM

A new business firm in Glendale is that of Heal & King, who have opened a real estate and general sales office in the business room at the corner of Brand and California avenue. Fred Heal has been with the Calvin Whiting real estate office since coming to Glendale a few months ago. Roy D. King has conducted a real estate business in Glendale and Los Angeles for several years.

## PLATFORM HARD TO FRAME

### RESOLUTIONS SUB-COMMITTEE ASKS FOR INSTRUCTIONS AND IS TO REPORT AT 7:30 TONIGHT

(Special Service to Glendale Evening News)  
SAN FRANCISCO, June 30.—After a short meeting this morning, members of the Resolutions sub-committee, who are drafting the Democratic platform, went to the Palace Hotel to confer with the full committee.

It was understood that several members of the full committee insisted the sub-committee should be told just how far it could go in writing declarations on the League of Nations, the liquor question and other big issues. After meeting the full committee the sub-committee was given until 7:30 tonight to continue its deliberations. The full committee adjourned until that hour.

The sub-committee had been in session most of the night, having adjourned at 3 a. m. until 9:30 this morning.

Reports widely circulated that it had rejected the "wet" plank were denied individually and emphatically by every member of the committee. They all said no vote had been taken on the liquor or any other question.

## FOUR NEGROES KILLED IN TEXAS

### TWO ARE SHOT BY SHERIFF'S POSSE AND TWO HANGED FOR AIDING ESCAPE OF MURDERERS

(Special Service to Glendale Evening News)  
HOUSTON, Tex., June 30.—Four negroes were killed near here early today by posses hunting the murderers of Deputy Sheriff McCormick at Wharton, Texas, according to a telephone message. Two of the negroes who were accused of the actual murder were shot by the posse near Diamond Mound. Two other negroes alleged to have aided them in their escape, were found hanging to a tree near Wharton.

McCormick was killed when he attempted to arrest two negroes for a misdemeanor Saturday night.

## HARDING AND COOLIDGE IN ACCORD

### CAMPAIGN TO BE BASED ON RESTORATION OF PARTY GOVERNMENT VS. "PERSONAL GOVERNMENT"

(Special Service to Glendale Evening News)  
WASHINGTON, June 30.—Senator Harding and Governor Coolidge have agreed to base the presidential campaign on a plea for the restoration of party government as a substitute for "personal government," Harding said today. The announcement followed a conference attended by Harding, Coolidge and Will Hays, National Republican chairman.

Harding also said it has been agreed that the vice president shall play a larger part in co-ordinating the work of the president and senate.

Coolidge issued a statement declaring he wished to co-operate fully in the coming campaign and saying he is in complete accord with Harding.

## CENSUS FIGURES IN CALIFORNIA

### POPULATION OF ALAMEDA COUNTY IS 344,127, A GAIN OF 39.6 PER CENT

(Special Service to Glendale Evening News)  
WASHINGTON, June 30.—The Census Bureau today announced the population of Alameda County, Cal., at 344,127. San Luis Obispo city was placed at 5695. This is an increase of 14.3 per cent for San Luis Obispo and 39.6 per cent for Alameda county.

## BETTING ODDS ON WALL STREET

### QUOTATIONS 9 TO 5 AGAINST M'ADOO; 3 TO 1 AGAINST COX; 2 TO 1 AGAINST WILSON

(Special Service to Glendale Evening News)  
NEW YORK, June 30.—Betting odds were 2 to 1 against Wilson on Wall Street today. The odds are still quoted at 9 to 5 against McAdoo and 3 to 1 against Cox.

## ORATORY TODAY AT CONVENTION

### ALL CANDIDATES EXPECTED TO BE PLACED IN NOMINATION BEFORE SESSION ENDS

(Special Service to Glendale Evening News)  
SAN FRANCISCO, June 30.—Practically all of today will be devoted to oratory by the Democratic national convention. Eleven o'clock was the hour set for the opening of the session but at that time not a sign of the meeting being called could be detected. Crowds were gathering at the auditorium but the convention officials were not in evidence.

It is expected that today's session will be a long one and will not end until all the aspirants have been placed in nomination.

Should it happen that the platform committee had completed its draft of the platform before the convention adjourned, there is a possibility of consideration being given the platform late today.

## CONVENTION LIFE

### W. B. KELLEY WRITES FRISCO HOTELS ARE MOBS; CONVENTION SEETHING EXCITEMENT

According to the letters which Mrs. W. B. Kelley of 927 Randolph street, Glendale, has received from her husband, who is in San Francisco attending the Democratic National Convention, he is having the time of his young life. He has been appointed a special officer and decorated with all kinds of badges and ribbons, so he is strictly "in it." This can be easily understood by those who know that when he was younger and employed in Maiden Lane, New York, he was able to be of considerable service to the Tammany organization among whom he has many friends. He is also a close friend of Tom Taggart, of French Lick Springs, Indiana, who is so prominent in Democratic politics.

He writes that the convention is fairly seething with excitement. Everybody is talking at once and nobody knowing what they are talking about. The weather has been very cool, which adds to pep of the delegates. The Palace and St. Francis Hotels are howling mobs, he says.

### F. H. CHERRY VISITING IN GLENDALE

F. H. Cherry, who was in the electrical business at 132 North Brand a number of years ago but now lives in Berkeley, is in Glendale renewing old acquaintances and looking after his two residence properties. Mr. Cherry left Glendale early in 1914 and for four years was in charge of electrical work on the Salt River, Arizona, reclamation project. For the past two years he has been professor of electrical engineering in the University at Berkeley. He is expecting to send for his wife and two sons and spend the summer vacation in Glendale. He has been re-employed by the University for next year.

### TRUCK PUT OUT OF COMMISSION BY FIRE

The fire department and Speed Officer Trautwein were called out to the city pumping plant on San Fernando Road yesterday just before noon by the report that an auto was burning up. It was found that a Ford truck was on fire, the front part burning fiercely. The chemical engine was brought into use and soon extinguished the flames, but not until the motor of the machine was ruined. How the flames started no one, not even the driver, seemed to know. The truck belonged in Los Angeles.

### MRS. McMURRAY FAILING

Mrs. M. C. Grable was out from Los Angeles today looking after the residence property of her mother, Mrs. Jennie McMurray, at 339 West Lomita avenue. Mrs. McMurray is now in Chicago, with Mrs. Grable's daughter, Mrs. Hawke, and the latter writes that her grandmother's condition is very unfavorable. A trained nurse is with her constantly and she seems to be gradually growing weaker, is the latest report, Mrs. Grable says.

## LADIES' AID PARTY

### MEMBERS OF THIRD DIVISION OF FIRST M. E. CHURCH ENTERTAINED

The third section of the Ladies' Aid of the First Methodist Church under the leadership of Mrs. C. D. Lusby and Mrs. Ina Randolph, enjoyed a social afternoon Tuesday at the church. About forty members and a few guests were present. The program included a piano solo by Mrs. Randall, the organist of the church, readings by Mrs. Harold Salisbury, and a vocal number by Mrs. McGregor. These contributions were followed by an old-fashioned spelling match which created a great deal of amusement. The word "daguerrotype" proved the Waterloo of a number of spellers. Mrs. Ransom D. Goss, though no longer young, demonstrated that her memory for words has not failed in any degree and she had the proud distinction of spelling down the company.

An event of interest was the opening of the "self-denial bags" given out some time ago. These were turned over to the leaders of the section and when their contents were counted a sum of \$57.00 was reported, the report being applauded with enthusiasm.

At the close of the afternoon delicious refreshments were served.

## FAREWELL PARTY

### MRS. EVA HUTTON ENTERTAINS LADY FRIENDS ON EVE OF DEPARTURE

Mrs. Eva Hutton gave a farewell party yesterday afternoon at her beautiful home on East Colorado to the members of her Bible class and the Ladies' Aid of Central Christian Church. She leaves at 4 o'clock this afternoon for an Eastern trip of four months during which she will visit relatives and friends in St. Louis, Mo., Atlanta, Washington and Chicago, Ill., Union City, Warsaw, Goshen and Indianapolis, Ind.

There were 27 persons present including the hostess and the afternoon was spent in singing, recitations and selections on the Sonora phonograph. Appetizing refreshments were served. It was an occasion of rare pleasure to all, though the guests were saddened at the thought of losing for so many months this faithful worker in church and Bible school.

Those present were Mesdames Binns, B. F. Bolen, Fannie O. Stone, J. E. Peters, R. P. Jodon, O. L. Kilborn, F. W. Pigg, Geo. L. Mercer, Floyd Mercer, Susan Weisling, W. E. Borthick, Amanda Hartley, A. W. Jenkins, Bennett, C. S. Archer, Thomas Archer, G. W. Scott, J. W. Graham, J. H. Daugherty, Phelps, I. B. Martin, S. W. Christy, John M. Ray; Misses Clara Hutton and Mary E. Chester, little Dorothy Jodon and the hostess.

### EVENING OF FIVE HUNDRED

Mr. and Mrs. A. H. Lapham of 415 West Broadway entertained one evening recently with three tables of Five Hundred, their guest list including Mr. and Mrs. Harden, Mr. and Mrs. Thompson, Mr. and Mrs. George Brown, Mr. and Mrs. Morse Phillips, of Los Angeles, Mr. and Mrs. Wolfe of Glendale.

### STAMP EXCHANGE PARTY

Yesterday afternoon, Verna Harrower invited a number of her little friends to the home of her parents at 345 North Cedar street to a foreign stamp exchange party. Many young enthusiasts were present and besides making many profitable "trades," they played games and ate ice cream. Verna says she is going to do it again.

## HOME OF REDEEMED

### EVANGELIST PROUT TELLS OF GLORIES OF HEAVEN AND RENOVATED EARTH

By his introductory remarks on the recent discoveries of astronomers, illustrated by a remarkable picture of the open space in Orion, Evangelist C. S. Prout at the Gospel Tabernacle, corner Harvard and Central, paved the way last night for a stirring lecture on the future home of the redeemed, in which he spoke of the glories of the heavens and the renovated earth.

"What and where is heaven is a question that has occupied the minds of many, since time immemorial," said the speaker. "The studies of the starry heavens by astronomers with their powerful instruments have brought within the comprehension of man something of the wonders of God's works and a realization that a future heaven is not a myth."

He told of the 40-inch refracting telescope of the Yerkes Observatory, Williams Bay, Wisconsin, which is 40,000 times as powerful as the human optic. A human eye to be as powerful as it is would have to be 25 feet in diameter, and the man who could possess such an eye would have to be 1200 feet high. Mount Wilson has a 100-inch reflector which has a magnifying power of ten thousand diameters.

"Astronomers are scanning the heavens constantly," said Mr. Prout, "but their interest centers in two places—the region of Orion and the Pleiades. Huyghens of the seventeenth century is supposed to have discovered the nebula at Orion in 1656. Of this open space in Orion and its relation to the location at the throne of God, much has been written. In Psalms 115:16 it is said that the heavens are the Lord's but the earth hath He given to the children of men."

"Some great thinkers have formed the idea that this earth will gradually evolve from sin, sorrow and sickness into a place where none of these things will exist. But the Bible teaches that in the first place God created the earth and man upon

C. A. Valentine, proprietor of the Vermont rooming house, reported to the police this morning that he had taken in last night a young man named McMillan, who came out from Los Angeles in answer to a Glendale restaurant ad for a helper. The 15-acre tract owned by the Grand View Cemetery Association, 7 acres of which is comprised in the present cemetery proper and the balance of which is part grain field and part melon patch, was surveyed recently preparatory to placing the entire tract under perpetual care. Rev. C. A. Cole, pastor of the Central Christian Church, is quite a successful peanut raiser. The past two years he has made good crops of "goobers" on the vacant lot just north of his residence, but that is now occupied by a new home so he secured the lot south of him. On this he has very thrifty looking peanut and tomato vines, corn, beans, sweet potatoes and other vegetables.

Mrs. W. L. A collision between a motorcycle and an auto at the crossing of Verdugo Road and Broadway was witnessed by City Forester Marek this morning early, the motorcycle striking the auto fairly in the side, damaging the former considerably but not injuring either driver. Both left the scene before their names could be taken.

Mr. and Mrs. E. E. Harwood and children, Mr. and Mrs. L. T. Rowley, the Misses Harwood, Misses Helene and Hazel Small, Mr. and Mrs. Eustace B. Moore and their children on Monday motored to the cabin of Mr. Howard, a friend of Mr. Moore, up in the hills. There they had a wienie roast and picnic supper and spent a pleasant evening getting home about midnight.

The large building projects inaugurated in Glendale in the early months of the present year are all making satisfactory progress. The Broadway School building leads all of them in cost, the Glendale Theater building comes next, then Ray Borthick's block, which is the nearest of the three to completion. The Evening News building, which is fourth in point of value of these improvements, was first to be completed and occupied. Of the new projects, for which permits have been taken out the Glendale Sanitarium hospital buildings are first in point of value.

### WOULD PREPARE FOR COMPANY

On reading your "Fairy Story" in last week's Glendale News I was glad to know Glendale was going to have company. We always have our best bib and tucker on when we have company so why not, before that time comes, appoint a committee to trim up trees and bushes that are so badly in need of it. One of the most conspicuous, beautiful streets of our little city has a row of lovely palms on each side of the street that are a disgrace to any city. It is Mountain street and is traveled from both Brand and Central. It is a lovely drive and our visitors would notice at once the neglect of the palms. Trim them up and save us from disgrace.

Yours for the good of Glendale,  
MRS. IDA KESLIN,  
1225 Mountain St.

LETTER OF FATHER O'NEILL TO  
EVENING NEWS REPRINTED  
BY BOSTON GLOBE

Rev. James S. O'Neill, pastor of the Holy Family Catholic Church in Glendale, recently contributed to the Evening News a little reminder of "Bunker Hill Day," June 17th, which is celebrated every year in Boston, recapitulating the events that led up to this famous battle for American freedom. He sent a clipping from the Evening News containing the letter to the Boston Globe, together with a personal word to the editor. This was published in a recent issue of the Globe under the heading "Father O'Neill Sends Message," with the following comment:

"The Globe reprints the following letter, mailed from Glendale on Bunker Hill Day by a staunch American priest of Irish parentage, because the message from across the continent indicates the enduring spirit of patriotism that perpetuates itself in the shadow of Bunker Hill. Though the 17th of June is now celebrated as a holiday only within a short radius of the battleground in Charlestown, reverence is paid the intrepid spirit of those early defenders of the liberty of free men by all Americans.

"Holy Family Rectory,  
827 E. Lomita Ave., Glendale,  
June 17, 1920.

"My Dear Mr. Editor—I am one of the 'Paddys' who came up from the cobble-stoned streets of Boston. Called a 'Yankee' by my Irish relatives and called 'Irish' by the natives, nevertheless, plain American, loving the Stars and Stripes, my flag, which is flying over the Holy Family Rectory because it is Bunker Hill Day, and because the parish priest was born back there in 1875, Centennial year.

"Am enclosing clipping from Glendale Evening News. With kindest regards,

"Sincerely yours in Christ,  
"James Stephen O'Neill, Pastor,  
"Boston College, class of 1895,  
twenty-fifth anniversary."

The entire article was clipped from the Globe and sent Father O'Neill by the editor, Wm. Olcott, together with a personal message.

**ESSEX WEEK**

Every Hudson and Essex dealer in the United States is working to prove to the public Essex superiority. They have set this week aside for Essex week. Chambers & Felts, local Hudson and Essex dealers, are in receipt of a telegram which reads:

"Yesterday Essex traveled eighty miles in eighty-eight minutes from Buffalo to Rochester, New York; average fifty-four and one-half miles per hour; fastest train time between these cities is eighty-four minutes; route traveled by Essex eleven miles longer than by railroad."

The Essex Arrow is again proving Essex stamina and sturdiness. It is the same Essex that Nell Shipman and Marjorie Cole drove into the Devil's Punch Bowl in the heart of Death Valley, the first car that ever reached that part of Death Valley and one of the hardest tests ever attempted by any motor car. This Essex just broke the famous "Rim of the World" hill climb record at San Bernardino, climbing to an elevation of 5000 feet in 17 minutes, 23 seconds, beating the previous record by two minutes, held by a well-known eight-cylinder car. Anyone who has driven this "Rim of the World" can appreciate this endurance of hill climbing of the Essex. The same Essex left last evening for San Francisco and return on a 30-hour schedule with a sealed radiator, oil sealed and the gear shift sealed in high gear.

This all proves that the Essex excels in the mountains, in the desert and on the speedway and road. Remember the Essex holds the endurance record of 3037 miles in 50 hours, an official A. A. A. record on the Cincinnati speedway. The same Essex that met all the above tests has been driven a distance of 28,000 miles previous to these records.

it in a perfect state and as a result of sin the earth and its inhabitants have retrograded until at the prevailing rate of decrease in man's stature, a race of pygmies would eventually walk the earth.

"Adam and Eve were placed upon a beautiful earth to reign supreme. They were perfect in mind and body until the day sin entered. From that time the bloom of perfection was wiped from the face of nature, but God has promised to again restore the original beauty of Eden.

"By a study of the great image of Daniel 2, it is seen that the stone which smites the feet of the image and breaks it to pieces is the kingdom of Christ, which is to be established on the earth. The first promise relating to the possession of the earth was given to Abraham as recorded in Genesis 13:14-17 and repeated to his succeeding heirs.

"These all died in faith not having received the promise. But the promise was to be realized through Christ, who was the seed of Abraham as says the Scripture.

"Through the death and resurrection of Christ God has made sure His promise of an inheritance in the earth made new by the bestowal of a deed signed with the blood of His Son.

"When Christ returns the second time He will take His people to heaven with Him to reign a thousand years. After that period, Christ again comes with the angels and all the redeemed, and as the feet of Christ touch the Mount of Olives it parts asunder leaving a great plain upon which the New Jerusalem descends, the future abode of the righteous.

"John, the writer of Revelation, was given a vision or view of this beautiful city as it will appear descending from God to the earth. Chapter 21 gives a detailed description of the city. According to the measurements given, the New Jerusalem will be laid out in a perfect square 375 miles on each side and the height of its walls proportionate to its length and breadth. The foundation of the wall will be of jasper ornamented with many precious stones. There will be twelve gates of pearl and the streets will be of transparent gold. The city will be lighted by the glory of God and the saved of earth shall walk in the light of it."

The speaker read other scriptures as Ezekiel 47, Malachi 4:2 and Isaiah 65:17, on the new earth state. He showed in a forceful and appealing way the goodness of God in offering the glories described to those who will accept it, freely and without price except that of faith, acceptance and obedience to God's will. "If ye be willing and obedient, ye shall eat the good of the land, but if ye refuse and rebel ye shall be destroyed for the mouth of the Lord hath spoken it." Isaiah 1:19, 20.

The subject for Wednesday night will be "The Final Reckoning of the Nations."

A lumber dealer declares that if the public will just stay out, prices will soon come down to normal. They are staying out. But the prices still stay up.

**FOOD SPECULATOR ON JOB**

There are indications that the ever-watchful food speculator has his eye on the alarming reports of farm labor shortage sent out from many states. It is true that the farmer is sorely in need of help. His problem, however, is not only of the immediate present, but even more of the future. He will manage to get through this season in some way, and there will be no actual shortage of foodstuffs next winter. So the speculators may as well cease their efforts to make high price propaganda for themselves out of the misfortune of the man who grows the crops.

The fear of an actual food shortage is in the future, with more and more men and women leaving the farms. We shall still have food for next winter, with an ever-widening surplus in the years to come.

The labor blockade of Hungary on the part of the new nations surrounding her will at best not go far to inculcate international amity in a region that needs it greatly.
